

COMPOSTING

All compostables must fit in the cart!

YES.YES.YES.

Wash carts out periodically to prevent odor.

FOOD SCRAPS

- Fruit and vegetable scraps
- Meat and bones
- Coffee grounds and filters, teabags
- Dairy products and eggs
- Spoiled food

Place food scraps in biodegradable liner bags (made from cornstarch) to help prevent odors and keep your cart clean. Biodegradable bags are available at Western Disposal and other local retailers.

NON-RECYCLABLE PAPER

- Wet shredded paper
- Food-soiled or greasy paper or cardboard
- Wet or waxed cardboard
- Paper napkins and paper towels
- Uncoated paper cups and plates
- Compostable liner bags made from plant starches
- Compostable containers, dishware and utensils made from plant starches (NO Styrofoam® or plastic)

PLANT MATERIAL

- Grass clippings, leaves, weeds, flowers
- Woody waste up to 6" in diameter

Please note: Place yard waste directly in cart. All woody waste must fit in the cart.

YES.YES.YES.

YES.YES.YES.
