

TREE WORK PERMIT
 (THERE IS NO CHARGE FOR THIS PERMIT)

Date: _____

Name of Applicant: _____ Phone: _____

Address of Applicant: _____

Email Address: _____

Location of Work: _____

Request to: Remove: _____ Plant: _____ Prune: _____

In accordance with Louisville’s Tree Ordinance, I hereby request permission to remove, plant, or prune trees or shrubs on public property. I understand this tree will become property of the City of Louisville. However, I am responsible for the care and maintenance of the tree. If located on *designated Open Space*, the species being planted must be identified as a *native species* on the City’s native plant list.

SPECIES	NO.	SIZE OF PLANT

Person or Contractor Completing Work: _____ License No.* _____

Approved with the following conditions:

By signing this permit I have agreed in all respects to hold the City harmless and protect the City and the public at all times in connection with the planting, pruning, removing or destruction of any tree, shrub or hedge to be planted, pruned or removed under such permit. ***If completing work yourself, you do not need a license.**
