What: Community meeting regarding former ConocoPhillips' Campus
When: Monday, August 19 from 6-8 p.m.
Where: Louisville Recreation & Senior Center

BBCP is a Denver-based real estate investment and development firm committed to engaging the Louisville community in an authentic and transparent process as plans are developed for the site. Our goal is to create a mixed-use community that both activates another part of the city while paying homage to its historical openness.

The agenda for the first community meeting will include an introduction to the project team, overview of existing conditions and zoning, review of the application process, and breakout sessions to obtain citizen input on several key areas: open space, mobility/transportation and uses for the mixed-use subareas. The BBCP team will be there to ask for and listen to community ideas and input.

If you are unable to attend and would like to learn more about the project, we welcome the opportunity to meet or speak with you or your organization. Please contact Roger Sherman at 303-592-5465.
