Pioneer Award

**BARBARA ENRIETTO DISALLE
2013**

Barbara grew up in Louisville and attended Louisville schools, graduating from LHS in 1970. She received a Bachelor of Science degree in Elementary Education from the University of Colorado and taught in schools in the Boulder Valley School District for over 31 years.

Following in the footsteps of her father, Lawrence, Barbara volunteered for many community organizations and boards and takes great pride in her heritage and the City of Louisville. But being the only child of Lawrence and June Enrietto, it's only natural that community service was in her blood.

Barbara volunteered for school improvement teams for Louisville Elementary and Louisville Middle Schools; Teacher's Advisory Council of Boulder Valley Schools; Avista Hospital; St. Louis Church; Spaghetti Open Golf Tournament; Louisville Fall Festival; After Prom parties for Centaurus and Monarch; and Relay for Life. She has also been a member of the Louisville Society of Italian Americans, and a member of the Louisville Senior Advisory Board.

It comes as no surprise that Barbara was awarded the Lawrence Enrietto Volunteer Award in 2000, keeping the tradition alive because, after all, she is her father's daughter.
