

## Code Enforcement

This division enforces the municipal code. It includes dealing with parking, junked vehicles, uncontrolled weeds, and stray dogs. Code officers work with residents and the business community to achieve compliance with City ordinances. Because voluntary compliance is always preferable to punitive enforcement, the department implemented its Courtesy Notice program in 1994. The results are impressive: more code violations than ever are being detected and cited, while the proportion of voluntary compliance is higher. To report a code issue, please contact the main office at 303.666.8634.
