

## Marshall Fire Utility Services Move-in Checklist

### **CITY OF LOUISVILLE WATER & SEWER**

Monthly billing for minimum fees plus water/sewer usage begins once your water meter is installed, even if you don't yet occupy the property. This also applies to homes with fire damage which are not occupied. More information about utility billing can be found at [LouisvilleCO.gov/utilitybilling](https://LouisvilleCO.gov/utilitybilling) or by calling 303-335-4501.

### **GAS/ELECTRIC**

Contact the Xcel Energy Community Recovery Line at 866-672-3834 or visit <https://co.my.xcelenergy.com/s/outage-safety/marshall-fire-recovery>.

### **UPDATE YOUR MAILING ADDRESS**

Complete the change of address form at <https://moversguide.usps.com/mgo/disclaimer>.

### **TRASH, RECYCLING & COMPOST**

Republic Services has provided a direct contact for fire-affected families. When you're ready to restart trash, recycling and compost service, please contact Susan Roundy at 720-590-4334. If you are not part of the City's waste hauling program, please contact your provider to restart service.
