

City Council

Agenda

Tuesday, June 20, 2023
Council Chambers
749 Main Street
6:00 PM

Members of the public are welcome to attend and give comments remotely; however, the in-person meeting may continue even if technology issues prevent remote participation.

- You can call in to **+1 408 638 0968 or 833 548 0282 (Toll Free)**, Webinar ID **#876 9127 0986**.
- You can log in via your computer. Please visit the City's website here to link to the meeting: www.louisvilleco.gov/council

The Council will accommodate public comments during the meeting. Anyone may also email comments to the Council prior to the meeting at Council@LouisvilleCO.gov.

1. CALL TO ORDER & ROLL CALL

2. APPROVAL OF AGENDA

3. PUBLIC COMMENTS ON ITEMS NOT ON THE AGENDA AND ITEMS ON THE CONSENT AGENDA

Public comments are limited to 3 minutes per speaker. When several people wish to speak on the same position on a given item, Council requests they select a spokesperson to state that position.

4. CONSENT AGENDA

The following items on the City Council Agenda are considered routine by the City Manager and shall be approved, adopted, accepted, etc., by motion of the City Council and voice vote unless the Mayor or a City Council person specifically requests an item be considered under "Regular Business." In such an event the item shall be removed from the "Consent Agenda" and Council action taken separately on said item in the order appearing on the Agenda. Those items so approved under the heading "Consent Agenda" will appear in the Council Minutes in their proper order.

- A.** Approval of Bills
- B.** Approval of Minutes: January 17, 2023; January 24, 2023; January 31, 2023
- C.** Approval of Contract Amendment with Denali Water Solutions, LLC Formerly Veris Environmental, LLC for Wastewater Treatment Plant Biosolids and Land Application

Citizen Information

If you wish to speak at the City Council meeting in person, please fill out a sign-up card and present it to the City Clerk at the meeting; if you are attending remotely, please use the "raise hand" icon to show you wish to speak in public comments.

Persons planning to attend the meeting who need sign language interpretation, translation services, assisted listening systems, Braille, taped material, or special transportation, should contact the City Clerk's Office (303.335.4536 or 303.335.4574) or ClerksOffice@LouisvilleCO.gov. A forty-eight-hour notice is requested.

Si requiere una copia en español de esta publicación o necesita un intérprete durante la reunión del Consejo, por favor llame a la Ciudad al 303.335.4536 o 303.335.4574 o email ClerksOffice@LouisvilleCO.gov.

- D. Approval of Resolution No. 40, Series 2023 – A Resolution Approving an Agreement for the Purchase and Sale of CBT Units of Northern Colorado Water Conservancy District Between the City of Louisville and Eldon and Martha Bower Family 1992 Revocable Trust, and Authorizing Temporary Use Permits in Connection Therewith
- E. Approval of Resolution No. 41, Series 2023 – A Resolution Approving a Third Amendment to the Agreement with the Urban Drainage and Flood Control District d/b/a Mile High Flood District for Drainage and Flood Control Improvements for Coal Creek Drainageway A-1 at Garfield Avenue
- F. Approve July 18 as a Special Meeting
- G. Approval of Equipment Purchase, Equipment Rental, and Management Agreement with Rocky Rinks to Conduct the City’s Annual Wintertime Outdoor Ice Skating Rink
- H. Approval of 2023 Contract for FEMA Project Consulting Services

As part of the recovery process following the Marshall fire, The City of Louisville Open Space Division is implementing grazing practices and several wildland fuels reduction treatments on select properties. Goat grazing is supported by the City of Louisville as an excellent tool for vegetation management to reduce the presence of invasive plants, for fuels reduction to lower the intensity of potential future wildfires, and to improve soil health through the deposition of organic matter.	\$ 45,200.00
5/18/2023	2023279 Simpler Systems, Inc.	Consulting Services Providing Simpler Systems for Tyler Munis Licensing and Professional Services as further set forth in the Consultant's Scope of Services.	\$ 29,500.00
5/31/2023	2023290 Lumin8 Transportation Tech	Signal Cabinet and Controller located at the intersection of 88th & Health Park The existing signal cabinet is old and failing. The cabinet is essentially on borrowed time. Because of the age of this cabinet, any failures to the existing controller would require a new cabinet. The reason for this is because new controller equipment is not compatible with the existing cabinet, which is very small and poorly located. Further, the conduits throughout the intersection are also failing and corrosion of the wires is a real concern. If there is failure of the wires, the controller, or the cabinet then the signal would not operate and will not properly function until items are replaced. The intersection would default to flash and wouldn't be able to be brought back online. If this were to occur, the City's traffic signal maintenance contractor would need to replace items under an emergency work order, which would include the need for temporary span wire signal to be installed.	\$ 85,000.00

City Council

Special Meeting Minutes

January 17, 2023
Library Meeting Room
6:00 PM

Call to Order – Mayor Maloney called the meeting to order at 6:00 p.m. **Roll Call** was taken and the following members were present:

City Council: ***Mayor Dennis Maloney***
Mayor Pro Tem Deborah Fahey
Councilmember Kyle Brown
Councilmember Caleb Dickinson (attended remotely)
Councilmember Chris Leh
Councilmember Maxine Most

Staff Present: ***Jeff Durbin, City Manager***
Megan Davis, Deputy City Manager
Kurt Kowar, Public Works Director
Rob Zuccaro, Planning and Building Safety Director
Adam Blackmore, Parks, Recreation, & Open Space Director
Chris Neves, Information Technology Director
Kristen Bodine, Library Youth Services Supervisor
Rhonda Henger, Human Resources Director
Emily Hogan, Assistant City Manager
Meredyth Muth, City Clerk

Others Present: ***June Ramos, Facilitator***

ADOPTION OF 2023 CITY COUNCIL WORK PLAN

Mayor Maloney noted this meeting is when the Council will review the proposed work plan items and determine which to include on the 2023 work plan and what the priorities will be.

Facilitator Ramos noted the proposed work plan includes 26 items. The Council will need to keep in mind that the total number of final items needs to be small enough to still allow staff enough time to do the regular work they have. The list will need to be a reasonable number that can be reasonably completed next year.

Deputy City Manager Davis reviewed the work plan items that were all proposed at the December meeting. All of these items are ones that will require Council input or

City of Louisville

City Council 749 Main Street Louisville CO 80027
303.335.4536 (phone) www.LouisvilleCO.gov

approval. She noted the list includes information on what the impact is to staff and the amount of time each item is estimated to need. She gave Council some parameters to think about as they prioritize the items.

Public Comments

Josh Cooperman encouraged Council to consider including a community decarbonization plan, the phasing out of the sale and use of gas powered landscaping equipment to reduce greenhouse gasses, a gas station moratorium permanent, incentives for affordable housing, and rezoning for more affordable housing. He also encouraged consideration of dark sky lighting legislation for commercial and residential properties.

Tiffany Boyd, speaking on behalf of the Sustainability Board, thanked Council for prioritizing decarbonization and asked the Council to continue to support that in this work plan.

Facilitator Ramos asked the Council if there is anything new to include on the list before prioritizing.

Councilmember Most asked that the affordable housing item include incentives to help people stay in their homes if they need to do upgrades with the new code.

Members reviewed the items on the list to make sure everyone understands what they are.

Councilmember Brown asked that campaign finance regulations be considered for the list.

Members each prioritized the items individually and then combined lists to prioritize as a group to create a final list.

ADJOURN

Members adjourned at 8:16 pm.

Bryon Webber, Parks Planning & Project Manager
Ember Brignull, Open Space Superintendent
Meredyth Muth, City Clerk

DISCUSSION/DIRECTION – PARKS GENERAL MAINTENANCE MANAGEMENT PLAN

Director Blackmore stated that in late 2021 the City awarded a contract to Studio CPG & Facility Engineering Associates to review the Parks Division maintenance and operating practices. They are here this evening to review the methodology, findings and recommendations.

Consultant Heather Noyes, Studio CPG, reviewed the project timeline noting there was a pause in the process due to the Marshall Fire. The process included surveys and stakeholder interviews. They then completed a deep data analysis. She stated there has been staffing changes in the department in the last year and staff has already begun implementing some changes.

She reviewed the department and its assets. She noted that staff engagement in the process was significant and staff answered questions on many topics.

Maureen Roskoski, FEA, reviewed the baseline for the Parks Department and the benchmarking of the department compared to other cities. The process included an organizational assessment that aligned it with best practices for maintenance processes. She stated recent changes are already moving the department towards more optimized processes.

Roskoski noted maintenance and asset data has been a lacking previously; once that information is better known it will be easier to maintain what the City has. They also looked at staffing levels in the Parks Division and noted the staff is over performing for the number of staff they have versus the work load but this is not sustainable.

She stated they also looked at peer data and found that Louisville has about four times the number of parks per capita but are handling that with about 75% of the average budget; doing more with less.

She reviewed the eight recommendations for improvement:

1. Implement Consistent Maintenance Processes, Levels of Service, and Customer Expectations
2. Develop a Preventative Maintenance Plan
3. Adopt software to manage maintenance workflow (Lucity)
4. Implement a staffing plan consistent with benchmarking data
5. Develop a system to document and track actual staff task time
6. Complete the inventory of assets, refinement of accuracy of data
7. Conduct parks and recreation specific resilience planning, that includes security, emergency preparedness, and continuity of operations.
8. Implement a performance management system using KPI'S

Public Comments

Josh Cooperman, Louisville, stated he would have liked the consultant to consult with the Sustainability Advisory Board. He encouraged the Council to consider imbuing sustainability goals into the Parks operations.

Cynthia Corne, Louisville, stated she agreed with the previous speaker and would like new park projects designed to be sustainable. Louisville is a parks and open space town and we need to take care of these.

Helen Moshak, Louisville, applauded the commitment to maintenance and operations and asked the Council to consider making the same commitment to the Open Space Division which has many of the same issues with heavy use and under staffing.

Mayor Pro Tem Fahey would like to see a plan for what is going to happen and who will be doing which items. She also would like to see how there can be more coordination with the Parks Board, the Open Space Board, and the Sustainability Board on these issues.

Mayor Maloney noted the report shows that staff is over performing compared to funding. He also agreed with the public comments that sustainability needs to be considered in this process and that a similar process is needed for the open space division as well.

DISCUSSION/DIRECTION – OPEN SPACE & PARKS SALES TAX RENEWAL

Director Blackmore stated the existing Open Space & Parks 10-year 3/8% sales and use tax, approved in its current form in 2012 by Louisville voters, will expire at the end of 2023. This sales and use tax was originally implemented in 1993. The tax was modified in 2002 to allow the tax revenues to be used for the operation and maintenance of open spaces and parks; the percentage and length of term remained the same. This same percentage, term, and purpose was approved again by the Louisville voters in 2012.

The Parks, Recreation & Open Space Department, in coordination with the Finance Department and City Manager's Office, requests City Council consideration and direction as the tax will be "sunsetting" this year. Council can consider and actions needed to place this renewal on the 2023 ballot.

Public Comments

Sherry Sommer, Louisville, stated people in Louisville support open space and people expect some of the money should be set aside for acquisition.

Jessamine Fitzpatrick, Louisville, stated it is a critical time for this to be considered as the tax will sunset this year. We need to get this right. She suggested considering changes to the language on the ballot. She noted the City's boards and outside organizations could offer help.

Cindy Bedell, Louisville, stated she hopes the ballot issue will pass and would like people to understand there are different types of open space. She would like to encourage habitat preservation in the use of open space.

Josh Cooperman, Louisville, expressed his support for renewing the sales tax. We love the open space and need to maintain it. He suggested using some of the funds for sustainable uses in parks.

Helen Moshak, Louisville, suggested the City find experts to help the City look at ways to split the tax or change the tax in ways that could expand its uses. She supports getting community input in the process.

Cynthia Corne, Louisville, stated everyone in Louisville values open space and parks. She stated there needs to be good communication to the residents about this ballot issue. We need to get the question right.

Mayor Pro Tem Fahey stated it is critical to get this on the ballot in November and get it passed. She would like input from the City's boards, staff, and experts on how to do this ballot issue.

Councilmember Brown agreed with Mayor Pro Tem Fahey. He noted the need to continuing to maintain the level of funding and service.

Councilmember Leh agreed with his colleagues and wants to make sure we put forward the best measure and don't leave this to chance. He would like to make sure equity is included in the conversation around the tax and how it can benefit all people in the community. He noted the great open space in the county has limited the space available for affordable housing and that should also be in the conversation.

Councilmember Most stated she wants to make sure the affordable housing conversation does not get convoluted with the open space conversation. The parks and open spaces make us a more open and accessible community.

Mayor Maloney stated this amenity is highly valued in Louisville. We all want it on the ballot and the funding from this tax is paramount to maintain parks and open space.

Mayor Maloney suggested the Council create a task force to work on this. It should include two members from the Open Space Advisory Board, two members from the Parks and Public Landscaping Advisory Board, and one from the Sustainability Advisory Board as well as possible representation from the former EDI Task Force and/or EDI staff. The group could take input and craft ideas on how to create the best ballot language to put in front of community members. He would like it to also include himself and Mayor Pro Tem Fahey.

Councilmember Most asked that the boards consider EDI in their appointments.

Staff will work with the boards to have each one nominate who will serve on the Task Force.

Staff will bring back a formal resolution to create the task force at a future Council meeting.

ADJOURN

DISCUSSION OF INTERVIEW QUESTIONS & PROCESS

Members reviewed proposed interview questions for the Ward 3 applicants, made edits, and finalized the questions.

WARD 3 APPLICANT INTERVIEWS

Members interviewed seven applicants for City Council Ward 3 vacancies.

- Justin Solomon
- Sherry Sommer
- Katie Zoss
- Rocky Riviera
- Greg Maring
- Dietrich Hoefner
- Barbara Hamlington

The Council asked questions about their interest in serving on the City Council; their knowledge of the community; working with constituents; working as a board; land use processes; how to foster equity, diversity, and inclusion in the community; and long-range community issues.

DISCUSSION

Members discussed the applicants' qualifications and merits and deliberated about the choices.

Mayor Maloney stated he feels they have very good qualified candidates and the Council should fill both positions from this pool rather than going out for a second round of applications. Councilmember Dickinson and Mayor Pro Tem Fahey agreed.

Members each identified their top two candidates. There was consensus to appoint Ms. Hamlington to one seat. Four members felt Mr. Hoefner should be appointed to the second seat while Councilmember Most felt the second seat should go to Ms. Sommer. Members discussed their thoughts on the candidates. Council will vote on the appointments at the February 7 meeting.

ADJOURN

Members adjourned at 8:27 pm.

SUBJECT: APPROVAL OF CONTRACT AMENDMENT WITH DENALI WATER SOLUTIONS, LLC FOMERLY VERIS ENVIRONMENTAL, LLC FOR WASTEWATER TREATMENT PLANT BIOSOLIDS HAULING AND LAND APPLICATION

DATE: JUNE 20, 2023

PRESENTED BY: KURT KOWAR, PUBLIC WORKS DIRECTOR

SUMMARY:

Staff recommends approval of Contract Amendment #1 with Denali Water Solutions, LLC (Denali) for a 5-year extension to the existing contract for wastewater treatment biosolids hauling and land application services.

The Denali contract was approved in 2017 for a five-year term of 2018 through 2022 and an optional five-year extension from 2023 through 2027. Given the limited competition for this service, renewing the contact for the additional five-year term provides the best value to the City based upon past experience and reliability of Denali.

This extension will be subject to annual appropriation and annual contract renewals that by contract may have cost adjustments based on the Denver-Boulder area Consumer Price Increase (CPI).

FISCAL IMPACT:

The 2023 budget (502472-540560) allocates \$99,000 for this service. Current estimates are projecting a possible exceedance of this budget of \$22,000 for a new total of \$121,000.

This potential overage is being coordinated with the Finance Department and will be incorporated in a future budget amendment. A revised 5-year cost projection is also included in the utility rate model and will continue to be updated and evaluate as part of the overall budget process.

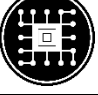

RECOMMENDATION:

Staff recommends City Council approve the biosolids hauling contract amendment to Denali for an additional five years, with annual renewal, and authorize the Mayor, City Manager, Public Works Director and City Clerk to execute contract documents.

2.

FIRST AMENDMENT TO AGREEMENT FOR SERVICES

THIS FIRST AMENDMENT TO AGREEMENT FOR SERVICES (“First Amendment”) dated effective January 1, 2023 (“Effective Date”), amends that certain Agreement for Services entered into by and between Veris Environmental, LLC, as predecessor in interest to **Denali Water Solutions LLC**, a Delaware limited liability company (the “Contractor”) and the **City of Louisville, CO**, a municipal corporation of the State of Colorado (the “City”), collectively referred to herein as the “Parties.”

RECITALS AND REPRESENTATIONS

WHEREAS, the Parties entered into an Agreement for Services effective as of January 1, 2018, (the “Agreement”), for the Contractor to provide certain biosolids loading, hauling and disposal services to the City; and

WHEREAS, Veris Environmental, LLC has assigned the Agreement to its parent entity, Denali Water Solutions LLC (“Assignment”); and

WHEREAS, Section 5 of the Agreement contemplates that the term of the Agreement may be extended by written agreement of the Parties for one (1) additional five-year term following the current termination date of December 31, 2022; and

WHEREAS, the Parties desire to extend the Agreement, such that the term of the Agreement expires on December 31, 2027.

NOW, THEREFORE, the Parties agree as follows:

1. The Agreement is hereby extended through December 31, 2027.
2. Pricing in the Agreement shall be as follows, effective January 18, 2023:

Item	New
Price per wet ton	\$39.71 per wet ton
Lab Data	\$1253.06 per sample
Additional trailer rental	\$1405.93 per trailer
Annual Report	\$1405.93 per year
3. City hereby expressly consents to and acknowledges the Assignment. Contractor hereby expressly acknowledges its assumption of all of the obligations of Veris Environmental, LLC under the Agreement as of the effective date of the Assignment.
4. Except as amended herein, no other terms or conditions of the Agreement are amended by this First Amendment.

SUBJECT: APPROVAL OF RESOLUTION NO. 40, SERIES 2023 – A RESOLUTION APPROVING AN AGREEMENT FOR THE PURCHASE AND SALE OF CBT UNITS OF NORTHERN COLORADO WATER CONSERVANCY DISTRICT BETWEEN THE CITY OF LOUISVILLE AND ELDON AND MARTHA BOWER FAMILY 1992 REVOCABLE TRUST, AND AUTHORIZING TEMPORARY USE PERMITS IN CONNECTION THEREWITH

DATE: JUNE 20, 2023

PRESENTED BY: KURT KOWAR, P.E., PUBLIC WORKS DIRECTOR

SUMMARY:

Staff recommends purchase of 40 CBT units from Eldon and Martha Bower Family 1992 Revocable Trust in the amount of \$2,660,000. In addition, staff recommends approval of Resolution No. 40 to allow for the temporary use of these units.

The City has recently negotiated, with the assistance of a water broker, an acquisition price of \$66,500 per unit for 40 CBT units. This will bring the City's total ownership of CBT to 2,120 units.

In order for these units to be used immediately, a temporary use permit is required by Northern Colorado Water Conservancy District (Northern). In addition, the temporary use permit allows for the approval process through the Northern Board to proceed.

The City's Raw Water Master Plan Update identifies the City's need for additional water supplies to help satisfy the City's projected build-out water demand. CBT units are a highly sought water rights that are highly desirable for their easy integration with the City water supply system.

FISCAL IMPACT:

The total cost of this purchase including: broker fees, estimated closing costs, transfer fee etc. is projected at \$2.8 million. The Capital Improvement Program budget provides for funding of water rights acquisitions of approximately \$2.75 million for 2023 including \$1.5 million as carryover from 2022. Additional funding will be recommended in a future Budget Amendment and is scheduled for discussion at the 6/15/23 Finance Committee.

PROGRAM/SUB-PROGRAM IMPACT:

The main objective for the Water Utility Sub-Program is to consistently provide safe and great tasting water, routinely testing quality for compliance with State and Federal Standards. The completion of this project provides for pro-active action of ensuring adequate water supplies.

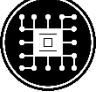

RECOMMENDATION:

Staff recommends City Council approval of the Resolution to approve the purchase agreement to acquire 40 CBT units in the amount of \$2,660,000 including an additional \$140,000 for associated fees and to authorize the City staff to make application to Northern for temporary use permits for the immediate use of such units. The Resolution would further authorize the Mayor, City Manager, Public Work Director, Deputy Director of Utilities and City Clerk to sign and execute the Agreement and certain other documents on behalf of the City.

ATTACHMENTS:

- 1. Resolution
- 2. Purchase Agreement

STRATEGIC PLAN IMPACT:

<input type="checkbox"/>	 Financial Stewardship & Asset Management	<input checked="" type="checkbox"/>	 Reliable Core Services

**RESOLUTION NO. 40
SERIES 2023**

**A RESOLUTION APPROVING AN AGREEMENT FOR THE PURCHASE AND SALE
OF CBT UNITS OF NORTHERN COLORADO WATER CONSERVANCY DISTRICT
BETWEEN THE CITY OF LOUISVILLE AND ELDON AND MARTHA BOWER
FAMILY 1992 REVOCABLE TRUST, AND AUTHORIZING TEMPORARY USE
PERMITS IN CONNECTION THEREWITH**

WHEREAS, the City of Louisville’s (“City”) Raw Water Master Plan update identifies the City’s need for additional water supplies to help satisfy the City’s projected build-out water demand; and

WHEREAS, Colorado-Big Thompson units (“CBT Units”) are highly desirable for their easy integration with the City water supply system; and

WHEREAS, there has been proposed an agreement between the City and Eldon and Martha Bower Family 1992 Revocable Trust (“Seller”) for the City’s acquisition of 40 CBT Units of the Northern Colorado Water Conservancy District (“NCWCD”); and

WHEREAS, the City desires to acquire such CBT Units and the Seller desires to sell such Units upon the terms and conditions of a mutually acceptable purchase and sale agreement.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY
OF LOUISVILLE, COLORADO:**

1. The proposed Agreement for Purchase and Sale of CBT Units of Northern Colorado Water Conservancy District (“Agreement”) between the City of Louisville and Eldon and Martha Bower Family 1992 Revocable Trust, for the City’s acquisition of 40 CBT Units, is hereby approved in essentially the same form as the copy of such Agreement accompanying this Resolution.

2. The Mayor and City Clerk are authorized to execute such Agreement, and the Mayor is further authorized to negotiate and approve such revisions to said Agreement as the Mayor determines are necessary or desirable for the protection of the City, so long as the essential terms and conditions of the Agreement are not altered.

3. The Mayor, City Manager, Public Works Director, Deputy Director of Utilities, and other appropriate City Staff are further authorized to do all things necessary on behalf of the City to perform the obligations of the City under such Agreement, and to execute and deliver any and all documents necessary to effect the purchase of water rights under the terms and conditions of said Agreement.

4. The Public Works Director, Deputy Director of Utilities, and other appropriate City Staff are further authorized and directed to execute the water use affidavit and any other documents necessary to begin the NCWCD process for the City's immediate use of the water rights acquired under this agreement; such authority shall include, without limitation, the making of applications to the NCWCD for the issuance of temporary use permits in the name of the City, and the making of applications for the reissuance of temporary use permits upon such permits' expiration.

PASSED AND ADOPTED this 20th day of June, 2023.

Dennis Maloney, Mayor

ATTEST:

Meredyth Muth, City Clerk

**AGREEMENT FOR PURCHASE AND SALE OF CBT UNITS OF NORTHERN
COLORADO WATER CONSERVANCY DISTRICT**

THIS AGREEMENT for the Purchase and Sale of CBT Units of Northern Colorado Water Conservancy District (the "Agreement") is made and entered into this 20th day of ~~May~~ ^{June} 2023, by and between the City of Louisville, a Colorado home rule municipal corporation, acting by and through the City of Louisville Water and Wastewater Activity Enterprise, whose address is 749 Main Street, Louisville, Colorado 80027-1829 (hereinafter referred to as "City" or "Purchaser"), and Eldon and Martha Bower Family 1992 Revocable Trust, whose address is 2730 Montgomery Way, Sacramento, CA 95818 (hereinafter referred to as "Seller") (jointly, the "Parties").

For in consideration of the mutual promises, covenants and undertakings hereinafter set forth, and other good and valuable consideration, which is hereby acknowledged, Purchaser and Seller agree as follows:

1. **CBT Units to be Transferred.** Purchaser agrees to purchase and Seller agrees to sell, on the terms and conditions set forth in this Agreement, forty (40) Units in the Colorado Big Thompson Project (the "CBT Units") of the Northern Colorado Water Conservancy District ("Northern").

2. **Purchase Price And Payment Terms.** The purchase price for the 40 CBT Units shall be Sixty-Six Thousand Five Hundred and no/100 dollars (\$66,500.00) per CBT Unit, for a total of Two Million Six Hundred Sixty Thousand and no/100 dollars (\$2,660,000.00) (the "Purchase Price"). The Purchase Price shall be payable by Purchaser in cash, certified funds, or City warrant as follows:

a. **Earnest Money Deposit.** Within ten (10) days after Purchaser's execution of this Agreement, Purchaser shall deposit the sum of Fifty Thousand and no/100 dollars (\$50,000.00) as earnest money for this Agreement and part payment of the purchase price (the "Earnest Money Deposit"), payable to and held by a Colorado licensed title insurance company selected by Purchaser (the "Escrow Agent"). The Earnest Money Deposit shall be held in an escrow account on behalf of Purchaser and Seller, and subject to the terms and conditions of this Agreement and the escrow instructions mutually agreeable to Seller, Purchaser and the Escrow Agent.

b. **Purchase Price Balance.** Purchaser shall deposit the remaining balance of Purchase Price, in the amount of Two Million Six Hundred Ten Thousand and no/100 dollars (\$2,610,000.00) (the "Purchase Price Balance"), with the Escrow Agent on or before August 7, 2023 . The Purchase Price shall be released from escrow to Seller at Closing subject to the terms hereof.

3. **Escrow Agent.** The Escrow Agent shall be a Colorado licensed title insurance company having offices in Boulder County, Colorado, as designated by Purchaser.

4. **No Assignment.** Seller shall not assign its rights and obligations hereunder without Purchaser's prior written consent. Purchaser shall not assign its rights and obligations hereunder without Seller's prior written consent.

5. **Title.** Title to the CBT Units shall be merchantable in Seller at the time of Closing, free and clear of all liens, encumbrances, assessments, and security interests, except Northern assessments not yet due and owing, and subject to the rules and regulations of the Northern. Any lien, encumbrance or assessment required to be paid by Seller shall be paid at or before Closing from the proceeds of this transaction or from any other source.

a. **Due Diligence.** Seller, at its sole expense and within five (5) days of execution of this Agreement, shall provide Purchaser with documentation regarding Seller's title and ability to transfer CBT Units and other matters that may affect Purchaser's future use or ownership of the CBT Units (the "Due Diligence Materials"), including but not limited to property records indicating the separation of the CBT Units from real property and the termination or release of any liens, encumbrances, security interests and other interests on or in the CBT Units. Purchaser shall have the right to inspect the Due Diligence Materials and information provided by Seller, and to conduct such other investigations as it deems necessary to determine the state of Seller's title to the CBT Units.

b. **Title Defects.** Should the Due Diligence Materials or Purchaser's investigations disclose title or other defects which are not acceptable to Purchaser (even though such matters would not make the CBT Units unmarketable), a written notice of the defects shall be given to Seller by Purchaser at least fifteen (15) days prior to Closing, and Seller shall use reasonable efforts to correct said defects prior to the date of Closing. If Seller fails to correct any or all such defects prior to Closing, Purchaser, at its sole option, may complete the transaction notwithstanding the uncorrected defects or may, upon written notice to Seller, declare this Agreement terminated, whereupon the Earnest Money Deposit and the Purchase Price Balance, if in the possession of the Escrow Agent, shall be immediately returned to Purchaser.

6. **Northern Approval Contingency.** Closing of the purchase of the CBT Units, and Purchaser's obligations hereunder, are expressly contingent upon Northern's approval of the sale and transfer of the CBT Units to Purchaser. To meet this contingency, Seller and Purchaser shall use commercially reasonable efforts to ensure that Northern's consideration and decision of the sale and transfer occurs at Northern's regularly scheduled Board of Director's ("Northern Board") meeting scheduled for the date of August 10, 2023 (the "Board Meeting") and further agree as follows:

a. **Application to Northern.** Upon execution hereof, Seller shall commence preparation of the appropriate applications and such other documents required by Northern for the transfer of the CBT Units to Purchaser. Purchaser shall provide all information, documentation, and signatures, as necessary or convenient, to assist Seller in completing the application.

b. **Application Deadline.** For consideration at the Board Meeting, Seller shall take all reasonable actions that may be necessary to ensure the timely submission of the completed

application and other documents to the Northern Board no later than June 30, 2023 (“Application Deadline”). However, the Parties understand that the Northern Board is ultimately responsible for the timing of its deliberations and decisions.

c. Contingency Deadline. The Parties shall use reasonable efforts to secure approval of the sale and transfer of the CBT Units, and any other necessary approvals required to facilitate the transactions contemplated hereunder. However, if despite the Parties’ good faith efforts, the contingency is not satisfied as of September 25, 2023 (“Contingency Deadline”), then this contingency shall be deemed unfulfilled, this Agreement shall terminate and be of no further force or effect, and each Party hereto shall be released from all rights and obligations hereunder, whereupon the Earnest Money Deposit and the Purchase Price Balance, if in the possession of the Escrow Agent, shall be immediately returned to Purchaser.

7. Closing Conditions. Closing on purchase and sale of the CBT Units hereunder shall be conditioned upon the occurrence of all of the following conditions (the “Closing Conditions”):

- a. Timely delivery by Purchaser of the Earnest Money Deposit to the Escrow Agent;
- b. Delivery by Purchaser to the Escrow Agent of the Purchase Price Balance on or before August 12, 2023;
- c. Delivery by Seller to Purchaser of the Due Diligence Materials indicating Seller's ownership of the CBT Units and providing that there are no Liens encumbering the CBT Units, except for those to be released at Closing. The Due Diligence Materials shall be updated and current to the date of Northern approval;
- d. Written approval by Northern of the sale and transfer of the CBT Units to Purchaser;
- e. Written approval by Northern of an Allotment Contract covering the CBT Units; and
- f. Delivery by Seller to Purchaser of executed originals of releases of all Liens, if any, that encumber the CBT Units, together with any other necessary documents with respect to such releases.

8. Closing. Provided that the Northern Approval Contingency and the Closing Conditions have been satisfied, Closing shall occur on August 24, 2023, or on such other date as the Parties may agree in writing (“Closing Date”), but in any event not sooner than two (2) business days following Northern Board approval. By written notice, either Party may defer the Closing Date by up to thirty (30) days as necessary to secure Northern approval and/or the satisfaction of the Closing Conditions. At Closing, Seller and Purchaser shall deliver and execute all necessary documents to complete the transfer of the CBT Units. If, upon the expiration of the Contingency Deadline, Northern has not approved the transfer of the CBT Units as provided herein, or the Closing Conditions have not been satisfied as provided herein, and the same are not rescheduled or deferred

in accordance herewith, the Escrow Agent shall return all funds, including the Earnest Money Deposit and the Purchase Price Balance, if in the possession of the Escrow Agent, to Purchaser, and this Agreement shall be of no further force or effect.

9. **Fees.** Seller shall ensure that all application, transfer, or other fees required by Northern in connection with the sale and transfer of the CBT Units to Purchaser are paid prior to Closing.

10. **Documents.** At the time of Closing and upon Purchaser's compliance with the terms and provisions of this Agreement, Seller shall deliver a good and sufficient Bill of Sale and Assignment acceptable to Purchaser in the form attached hereto as **Exhibit A**, properly executed and acknowledged, conveying the CBT Units free and clear of all liens, encumbrances, assessments, security interests and other matters, except Northern assessments not yet due and owing, and subject to the rules and regulations of the Northern. Each Party shall execute and deliver at Closing all documents customarily required to close a transaction of this type.

11. **Representations and Warranties.** Seller hereby represents and warrants to Purchaser that, as of the date of the signing of this Agreement, the following:

a. Seller has received no actual notice of, and has no other knowledge of, any litigation, claim or proceeding of any type, pending or currently threatened, which in any manner affects the CBT Units; and

b. Seller has received no actual notice, and has no other knowledge of, any current, existing violations of any federal, state or local law, code, ordinance, rule, regulation, or requirement affecting the CBT Units; and

c. Seller has the full right, power and authority to transfer and convey the CBT Units to Purchaser as provided in this Agreement and to carry out Seller's obligations under this Agreement; and

d. To Seller's actual knowledge, each and every document, schedule, item and other information delivered or to be delivered by Seller to Purchaser hereunder, or made available to Purchaser for inspection hereunder, shall be true, accurate and correct; and

e. To Seller's actual knowledge, Seller has not entered into any agreements with any private persons or entity or with any governmental or quasi-governmental entity with respect to the CBT Units that may result in liability or expenses to Purchaser upon Purchaser's acquisition of all or any portion of the CBT Units; and

f. Other than the 2023 annual assessments due and owing to Northern upon Board approval of the transfer, Seller has received no actual notice of any special Northern assessments proposed as to the CBT Units; and

g. To Seller's actual knowledge, the execution and delivery of this Agreement and the performance of all of the obligations of Seller thereunder will not result in a breach of or constitute a default under any agreement entered into by Seller or under any covenant or restriction affecting the CBT Units; and

h. Seller has not abandoned or intended to abandon the CBT Units during Seller's ownership of the CBT Units; and

i. There are no existing leases, licenses, rights of temporary use, options, rights of first refusal, other pending sales contracts or prior or preemptive rights to purchase, or any other similar rights in or to the CBT Units.

12. **Certification.** Seller shall at the time of Closing certify in writing to Purchaser that the representations and warranties contained in **Paragraph 11** remain true and correct as of the date of Closing, or Seller shall certify which representations and warranties no longer remain true and correct. In the event Seller certifies that one or more representations and warranties is no longer true and correct, Purchaser, at its sole option, may complete the transaction notwithstanding the uncorrected defects or may, upon written notice to Seller, declare this Agreement terminated, whereupon all earnest money and any other monies or things of value received hereunder shall be immediately returned to Purchaser, and both Parties shall be released here from.

13. **Time of the Essence; Remedies.** Time is of the essence in the performance of this Agreement. Accordingly:

a. If Purchaser should fail to perform according to the terms and conditions of this Agreement, Seller may in writing declare this Agreement terminated and retain the Earnest Money Deposit as liquidated damages. It is agreed that the Earnest Money Deposit are liquidated damages and are Seller's sole and only remedy for Purchaser's failure to perform the obligations of this Agreement. Seller expressly waives the remedies of specific performance and additional damages.

b. If Seller is in default, Purchaser may elect to treat this Agreement as terminated, in which case all earnest money, payments and things of value received hereunder shall be immediately returned to Purchaser, or Purchaser may elect to treat this Agreement as being in full force and effect and Purchaser shall have the right to an action for specific performance or damages, or both. Anything to the contrary notwithstanding, in the event of any litigation or arbitration arising out of this Agreement, the court may award to the prevailing Party all reasonable costs and expenses, including reasonable attorneys' fees.

14. **Additional Remedies.** In addition to all other rights and remedies of Purchaser and Seller as set forth and provided for in this Agreement, Purchaser shall have the right to terminate this Agreement and to make the same of no further force and effect in the event any action whatsoever is commenced to defeat or enjoin Purchaser's performance under this Agreement. If Purchaser elects to terminate the Agreement pursuant to this Paragraph, Purchaser shall provide written notice to Seller declaring this Agreement terminated, whereupon the Earnest Money Deposit and the Purchase Price

Balance, if in the possession of the Escrow Agent, shall be immediately returned to Purchaser and both Parties shall be released herefrom.

15. **Agents.** Seller warrants that it has retained Western Land and Water LLC, Seller’s agent hereunder. Seller is solely responsible for payment of any commission or other compensation due to Western Land and Water LLC and agrees to indemnify Purchaser against any and all claims for a commission or other fee as a result of the closing of this transaction on behalf of Seller. Purchaser warrants that, other than HydroSource, Inc., Purchaser's agent hereunder, it has not retained any real estate broker or real estate agent who would be due a commission or other fee as a result of the closing of this transaction. Purchaser is solely responsible for payment of any commission or other compensation due to HydroSource, Inc. as a result of this transaction.

16. **No Encumbrance.** Seller agrees that it will not, so long as this Agreement is in effect, encumber or burden the CBT Units.

17. **Use of CBT Units.** Water use for the year of Closing shall be by Seller, with assessments for such year paid by Seller, including the 2023 assessments. Board approval of the transfer will be subject to the payment by Seller of the 2023 assessments.

18. **Tax Consequences.** Seller acknowledges that neither Purchaser, nor any of its agents or attorneys have made any representations as to the tax treatment to be accorded to this Agreement or to any proceeds thereof by the Internal Revenue Service under the Internal Revenue Code or by the tax officials of the State of Colorado under Colorado tax law.

19. **Survival.** The Parties hereto agree that, except for such of the terms, conditions, covenants, and agreements hereof which are, by their very nature fully and completely performed upon the Closing of the purchase-sale transactions herein provided for, all of the terms, conditions, representations, warranties, covenants, and agreements herein set forth and contained, shall survive the Closing of any purchase-sale transactions herein provided for and shall continue after said Closing to be binding upon and inure to the benefit of the Parties hereto, their successors and assigns.

20. **Notice.** Whenever notice is required to be given hereunder, it shall be in writing and delivered to the Party entitled thereto or mailed to the Party entitled thereto, by registered or certified mail, return receipt requested. If delivered, said notice shall be effective and complete upon delivery. If mailed, said notice shall be effective and complete upon mailing. Until any Party changes the address included below by notice in writing, notice shall be given as follows:

21. **Entire Agreement.** This Agreement and the exhibit attached hereto constitute the entire understanding between Seller and Purchaser and supersedes and replaces any prior agreements or understandings between the Parties concerning the subject matter herein, and is binding upon the agents, personal representatives, heirs, lessees, assigns, and all other successors in interest to the Parties. The Parties expressly represent and warrant that they have not relied upon any statement, representation, or promise made by any Party or the agent of any Party concerning the subject matter of this Agreement that is not set forth herein.

22. **Modifications.** This Agreement may be modified, amended, changed, or terminated, in whole or in part, only by an agreement in writing duly authorized and executed by the Parties.

23. **Provisions Severable.** If any provision of this Agreement is held to be illegal, invalid, or unenforceable under present or future laws, such provision shall be fully severable.

24. **Use of CBT Units.** Prior to the Closing, Seller shall take all actions necessary to maintain the historic use of the CBT Units.

25. **Headings**. The headings, captions, and titles contained herein are intended for convenience and reference only and are not intended to define, limit, or describe the scope of intent of any of the provisions of this Agreement.

26. **Governing Law**. This Agreement shall be governed and construed in accordance with the laws of the State of Colorado.

27. **Governmental Immunity**. The Parties understand and agree that the monetary limitations and all other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, C.R.S. § 24-10-101, *et seq.*, as amended from time to time, may apply to actions arising from or related to this Agreement. This Agreement in no way constitutes a waiver for either Party or their rights, immunities, and other protections provided for by law.

IN WITNESS WHEREOF, Seller and Purchaser have executed this Agreement as of the day and year first set forth above.

SUBJECT: APPROVAL OF RESOLUTION NO. 41, SERIES 2023 – A RESOLUTION APPROVING A THIRD AMENDMENT TO THE AGREEMENT WITH THE URBAN DRAINAGE AND FLOOD CONTROL DISTRICT D/B/A MILE HIGH FLOOD DISTRICT FOR DRAINAGE AND FLOOD CONTROL IMPROVEMENTS FOR COAL CREEK DRAINAGEWAY A-1 AT GARFIELD AVENUE

DATE: JUNE 20, 2023

PRESENTED BY: KURT KOWAR, PUBLIC WORKS

SUMMARY:

Staff recommends approval to amend the Intergovernmental Agreement (IGA) with Urban Drainage and Flood Control District D/B/A Mile High Flood District (District) for the allocation of additional funds from the District to the Coal Creek Drainageway A-1 at Garfield Avenue project (hereinafter called Drainageway A-1 Project). The additional District funds will bring their matching contribution to 50% of the project total.

This agreement between the City and the District will allocate additional funding for the Drainageway A-1 Project improvements currently planned in conjunction with the District. The additional funding request is due to rising construction costs since the original estimate. This amendment utilizes the original planned funding from the stormwater utility fund and matching MHFD funds for the Drainageway A-1 Project improvements. The Drainageway A-1 project will remove buildings from the floodplain at Cottonwood Drive and Garfield Avenue. The project will design and construct upsized piping and channels to remove the buildings from the floodplain. This project is currently in the design phase with construction anticipated from 2023 Q4 through 2024 Q2.

Council has approved previous IGAs On July 28, 2020, and December 1, 2022 to move the Bullhead Gulch Project funds to the Drainageway A-1 project, and to provide additional funding. With the addition of the originally planned funding, the account will have \$1,762,807 available for use on the Drainageway A-1 project. Upon completion of the Drainageway A-1 project, any leftover funding will be moved to future planned drainageway projects such as the Drainageway 7-1 project.

FISCAL IMPACT:

The project funding by year is as follows:

Current and Proposed Funds

YEAR	City Storm Sewer Fund	MHFD Funds	Yearly Totals	Notes
2020	\$483,258	\$379,549	\$862,807	Transfer from Bullhead Gulch Fund
2020	\$250,000	\$250,000	\$500,000	Original Drainageway A-1 Funding for 2020
2022	\$150,000	\$150,000	300,000	Additional Drainageway A-1 Funding 2022
2023	-	\$100,000	\$100,000	Additional Drainageway A-1 Funding 2023
TOTAL	\$883,258	\$879,549	\$1,762,807	

PROGRAM/SUB-PROGRAM IMPACT:

Maintain our storm water system to protect Coal Creek specifically and the natural and built environment generally. Proactively reduce pollutants in the water by educating the public, sweeping the streets, maintaining an efficient & effective storm water system and leveraging intergovernmental partnerships. The project improves storm drainage function and leverages intergovernmental partnerships.

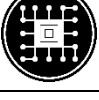

RECOMMENDATION:

Staff recommends City Council approve Resolution No. 41, Series 2023 authorizing the Mayor to sign the attached Agreement on behalf of the City.

**RESOLUTION NO. 41
SERIES 2023**

**A RESOLUTION APPROVING A THIRD AMENDMENT TO THE AGREEMENT WITH
THE URBAN DRAINAGE AND FLOOD CONTROL DISTRICT D/B/A MILE HIGH
FLOOD DISTRICT FOR DRAINAGE AND FLOOD CONTROL IMPROVEMENTS FOR
COAL CREEK DRAINAGEWAY A-1 AT GARFIELD AVENUE**

WHEREAS, the City of Louisville ("City") and Urban Drainage and Flood Control District d/b/a Mile High Flood District ("District") entered into that certain Agreement Regarding Final Design, Right-of-Way Acquisition and Construction of Drainage and Flood Control Improvements for Coal Creek Drainageway A-1 at Garfield Avenue, City of Louisville, dated July 30, 2020 ("Agreement"); and

WHEREAS, on December 1, 2020, the City and District amended the Agreement to increase the funding for the construction of drainage and flood control improvements covered under the Agreement by \$500,000, with each party contributing \$250,000 ("First Amendment"); and

WHEREAS, the City and District amended the Agreement for a second time to increase the funding for the construction of drainage and flood control improvements covered under the Agreement by \$300,000, with each party contributing \$150,000 ("Second Amendment"), bringing the City's total contribution under the Agreement, as amended, to \$883,257.95; and

WHEREAS, the City and District desire to amend the Agreement for a third time to increase the funding for the construction of drainage and flood control improvements covered under the Agreement by \$100,000, with the District contributing the entire amount ("Third Amendment"), keeping the City's total contribution under the Agreement, as amended, to \$883,257.95.

WHEREAS, the City Council finds that the proposed Third Amendment is in the best interests of the City and its citizens.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

1. The City Council hereby approves the proposed Third Amendment to Agreement Regarding Final Design, Right-of-Way Acquisition, and Construction of Drainage and Flood Control Improvements for Coal Creek Drainageway A-1 at Garfield Avenue City of Louisville ("Third Amendment"), in essentially the same form as the copy of such Third Amendment accompanying this Resolution.

2. The Mayor is authorized to execute the Third Amendment on behalf of the City, except that the Mayor is hereby further granted authority to negotiate and approve such

revisions to said Third Amendment as the Mayor determines are necessary or desirable for the protection of the City, so long as the essential terms and conditions of the Third Amendment are not altered.

3. The Mayor, City Manager, Director of Public Works and City staff are hereby authorized to execute all documents and do all other things necessary on behalf of the City to perform the obligations of the City under the Agreement as amended by the First, Second, and Third Amendments.

PASSED AND ADOPTED this 20th day of June, 2023.

Dennis Maloney, Mayor

ATTEST:

Meredyth Muth, City Clerk

THIRD AMENDMENT TO
AGREEMENT REGARDING
FINAL DESIGN, RIGHT-OF-WAY ACQUISITION, AND CONSTRUCTION
OF DRAINAGE AND FLOOD CONTROL IMPROVEMENTS FOR
COAL CREEK DRAINAGEWAY A-1 AT GARFIELD AVENUE
CITY OF LOUISVILLE

Agreement No. 20-02.26C
Project No. 107315

THIS THIRD AMENDMENT TO AGREEMENT (hereinafter called "THIRD AMENDMENT"), by and between URBAN DRAINAGE AND FLOOD CONTROL DISTRICT D/B/A MILE HIGH FLOOD DISTRICT (hereinafter called "DISTRICT") and CITY OF LOUISVILLE (hereinafter called "CITY") and collectively known as "PARTIES";

WITNESSETH:

WHEREAS, PARTIES have entered into "Agreement Regarding Final Design, Right-of-Way Acquisition and Construction of Drainage and Flood Control Improvements for Coal Creek Drainageway A-1 at Garfield Avenue, City of Louisville" (Agreement No. 20-02.26) dated July 30, 2020, as amended (hereinafter called "AGREEMENT"); and

WHEREAS, PARTIES now desire to construct drainage and flood control improvements on Coal Creek Drainageway A-1 at Garfield Avenue (hereinafter called "PROJECT"); and

WHEREAS, PARTIES desire to increase the level of funding by \$100,000; and

WHEREAS, DISTRICT's Board of Directors has authorized additional DISTRICT financial participation for PROJECT (Resolution No. 58, Series of 2023); and

WHEREAS, the City Council of CITY and the Board of Directors of DISTRICT have authorized, by appropriation or resolution, all of PROJECT costs of the respective PARTIES.

NOW, THEREFORE, in consideration of the mutual promises contained herein, PARTIES hereto agree as follows:

1. Paragraph 4. PROJECT COSTS AND ALLOCATION OF COSTS is deleted and replaced as follows:

4. PROJECT COSTS AND ALLOCATION OF COSTS

A. PARTIES agree that for the purposes of this AGREEMENT, PROJECT costs shall consist of and be limited to the following:

1. Final design services;
2. Delineation, description and acquisition of required rights-of-way/ easements;
3. Construction of improvements;
4. Contingencies mutually agreeable to PARTIES.

B. It is understood that PROJECT costs as defined above are not to exceed \$1,762,806.55 without amendment to this AGREEMENT.

PROJECT costs for the various elements of the effort are estimated as follows:

<u>ITEM</u>	<u>AS AMENDED</u>	<u>PREVIOUSLY AMENDED</u>
1. Final Design	\$ 200,000	\$ 200,000
2. Right-of-way	\$ -0-	\$ -0-
3. Construction	\$ 1,562,806.55	\$ 1,462,806.55
4. Contingency	\$ -0-	\$ -0-
Grand Total	\$ 1,762,806.55	\$ 1,662,806.55

This breakdown of costs is for estimating purposes only. Costs may vary between the various elements of the effort without amendment to this AGREEMENT provided the total expenditures do not exceed the maximum contribution by all PARTIES plus accrued interest.

C. Based on total PROJECT costs, the maximum percent and dollar contribution by each party shall be:

	<u>Percentage Share</u>	<u>Previously Contributed</u>	<u>Additional Contribution</u>	<u>Maximum Contribution</u>
DISTRICT	49.9%	\$779,548.60	\$100,000	\$879,548.60
Special Fund Transfer				
CITY	50.1%	\$883,257.95	\$0	\$883,257.95
Special Fund Transfer				
TOTAL	100.00%	\$1,662,806.55	\$100,000	\$1,762,806.55

2. Paragraph 5. MANAGEMENT OF FINANCES is deleted and replaced as follows:

5. MANAGEMENT OF FINANCES

As set forth in DISTRICT policy (Resolution No. 11, Series of 1973, Resolution No. 49, Series of 1977, and Resolution No. 37, Series of 2009), the funding of a local body's one-half share may come from its own revenue sources or from funds received from state, federal or other sources of funding without limitation and without prior Board approval.

Payment of each PARTY's full share (CITY - \$883,257.95; DISTRICT - \$879,548.60) shall be made to DISTRICT subsequent to execution of this AGREEMENT and within 30 days of request for payment by DISTRICT. The payments by PARTIES shall be held by DISTRICT in a special fund to pay for increments of PROJECT as authorized by PARTIES, and as defined herein. DISTRICT shall provide a periodic accounting of PROJECT funds as well as a periodic notification to CITY of any unpaid obligations. Any interest earned by the monies contributed by PARTIES shall be accrued to the special fund established by DISTRICT for PROJECT and such interest shall be used only for PROJECT upon approval by the contracting officers (Paragraph 13).

Within one year of completion of PROJECT if there are monies including interest earned remaining which are not committed, obligated, or disbursed, each party shall receive a share

of such monies, which shares shall be computed as were the original shares; or at CITY request, CITY share of remaining monies shall be transferred to another special fund held by DISTRICT.

3. All other terms and conditions of this AGREEMENT shall remain in full force and effect.

WHEREFORE, PARTIES hereto have caused this THIRD AMENDMENT to be executed by properly authorized signatories as of the date and year written below.

**SUBJECT: APPROVAL OF EQUIPMENT PURCHASE, EQUIPMENT RENTAL,
AND MANAGEMENT AGREEMENT WITH ROCKY RINKS TO
CONDUCT THE CITY'S ANNUAL WINTERTIME OUTDOOR ICE
SKATING RINK**

DATE: JUNE 20, 2023

PRESENTED BY: APRIL KRONER, ECONOMIC VITALITY MANAGER

SUMMARY:

Attached for Council consideration is a draft agreement, along with the proposal for equipment and services, with Rocky Rinks for the equipment purchase, equipment rental, and management services to conduct the City's annual wintertime outdoor ice skating rink.

The wintertime ice skating rink has been provided in the City's downtown at the site commonly referred to as the Steinbaugh Pavilion for approximately twenty years. In addition to offering a fun, family-friendly outdoor experience to Louisville residents and visitors alike, this event is critical to the viability and success of the downtown business community through the winter months as it keeps the area vibrant and brings people in to shop and dine in the local establishments.

Historically, the event was brought to the City through an arrangement with Boulder Creek Events (BCE) and was termed 'WinterSkate'. Approximately 3 years ago, BCE sold their equipment to a different company, Ice Rink Events (IRE), which then contracted with the City to conduct the ice skating rink, and also contracted with BCE to manage the skating rink. At the close of the 2022-23 season, IRE notified the City it would no longer be operating the event.

After that time the City's Cultural Services Division began to explore the potential for other vendors to conduct the ice skating rink, including the need for the City to acquire and/or rent all the equipment and materials needed to construct and maintain the rink itself, as well as all associated items such as rental skates for use. In April of 2023, the possibility that there may not be an ice skating rink in the downtown for the 2023-24 season came to the attention of the Downtown Business Association (DBA) and City Economic Vitality staff. The Cultural Services and Economic Vitality team then began to collaborate in an effort to move quickly to find a path for the ice skating rink to be continued for the 2023-24 season and beyond. This effort was also done in collaboration with the DBA and the Louisville Revitalization Commission.

Given the time constraints of notice at the end of the season, the limited number of vendors that provide outdoor ice skating rinks and event management, and the deadlines to order all of the equipment needed to make the rink, the City did not have time to issue

an RFP. However, the City did obtain proposals from three Colorado-based vendors for consideration. After significant discussions with the vendors and consideration of all aspects of the ice rink, including the overall experience and operations, staff is recommending Rocky Rinks for the equipment purchase, equipment rental, and event management.

The following summarizes the three main components of the draft agreement:

- **Equipment Purchase:** The rink components/equipment will be purchased for long-term ownership by the City/LRC. The City previously did not own any of the items needed to construct and/or maintain the rink. This also includes the purchase of ice skates for rental, as well as rink/site set-up and take-down. Storage of items during the off-season is being explored.
- **Equipment Rental:** The chiller needed to maintain the ice will be rented for the 2023-24 season. Purchase of a chiller may be considered in future years however this large equipment would require year-round storage.
- **Event Management:** Services will be provided to operate the public skating rink, as well as any special events that may be held. This includes hiring staff, collecting skating fees, offering concessions, and providing a great experience including lighting and seasonal music.
 - All skater fees will be remitted to the City to offset the start-up costs for equipment purchases/rentals and event operations.
 - The skating season is proposed to commence on November 18, 2023 and last at least through February 19, 2024 (potentially through February 29, 2024).
 - Option to renew event management for subsequent years if desired.

FISCAL IMPACT:

City Budget = N/A

Funding for the ice skating rink will be provided by the Louisville Revitalization Commission (LRC) as the presence of the ice skating rink is determined to be vital to support local businesses in the Urban Renewal Area during the winter months which are much slower in terms of visitors and sales. Recently, the LRC took action to recommend a budget amendment to appropriate up to \$300,000 towards the equipment purchases, rental, and event operations to support the 2023-24 outdoor ice skating rink. A future budget amendment will be required by the LRC prior to the end of October, 2023, to cover the remaining start-up costs and electricity for the site, however all skater revenues generated by the rink will be remitted back to the LRC at the end of the season to recoup some costs.

PROGRAM/SUB-PROGRAM IMPACT:

The wintertime ice skating rink addresses the goals and objectives of the following City Programs/Sub-Programs:

- Economic Prosperity Program/Business Retention and Development

In addition, while not operated by the City’s Recreation Division, the ice skating rink does address the Recreation Program and provides for youth and adult recreational activities.

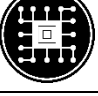

RECOMMENDATION:

Staff recommends approval of the Agreement with Rocky Rinks for Equipment Purchase, Equipment Rental, and Management to conduct the City of Louisville Ice Skating Rink.

ATTACHMENTS:

1. Agreement with Rocky Rinks for Equipment Purchase, Equipment Rental and Management for the City of Louisville Ice Skating Rink.
2. Rocky Rinks Proposal.

STRATEGIC PLAN IMPACT:

EQUIPMENT PURCHASE, EQUIPMENT RENTAL, AND MANAGEMENT AGREEMENT

Skating Event 2023-24 Season

1.0 PARTIES

This EQUIPMENT PURCHASE, EQUIPMENT RENTAL, AND MANAGEMENT AGREEMENT (this “Agreement”) is made and entered into this ____ day of _____, 2023 (the “Effective Date”), by and between the **City of Louisville**, a Colorado home rule municipal corporation, hereinafter referred to as the “City”, and **Loners LLC**, a Colorado limited liability company doing business as **Rocky Rinks**, hereinafter referred to as the “Contractor”.

2.0 RECITALS AND PURPOSE

- 2.1 The City is the owner of certain real property located at 824 Front Street, Louisville, Colorado, commonly referred to as the Steinbaugh Pavilion, and of certain adjacent streets and public parking areas being made available to Contractor by the City for the conduct of the City’s annual wintertime temporary outdoor ice skating rink (the “Premises”).
- 2.2 The City desires to engage the Contractor for the purpose of purchasing refrigerated ice rink equipment (the “Equipment”), renting a 100T chiller with integrated pumps for use with the Equipment (the “Rental”), and providing event management services (the “Services”) as further set forth in the Contractor’s proposal attached hereto as **Exhibit A** and incorporated herein by this reference, for conduct of the City’s hosting of annual public ice skating event, consisting of a temporary ice rink, concessions stand, and skate rental booth (the “Event” or “Skating Event”). In the event of any conflict between the terms in the body of this Agreement and Exhibit A, the terms in the body of this Agreement shall control.
- 2.2 The Contractor represents that it has the special expertise, qualifications and background necessary to provide the Equipment and Rental and perform the Services.

3.0 SCOPE OF AGREEMENT

The purpose of this Agreement is to provide for the necessary equipment and management services for the City’s annual Skating Event for the 2023-24 season. During the term of this Agreement, Contractor shall have exclusive use of the Premises for conduct of the Event.

- 3.1 **Equipment Purchase and Rental.** The City shall purchase from Contractor all equipment necessary to set up and operate the ice rink (the “Equipment”), except

for the chiller, which City shall rent from Contractor for the season (the “Rental”), all as set forth in **Exhibit A**.

- 3.2 **Equipment Installation.** Contractor shall install the equipment purchased and rented by the City or otherwise necessary to set up and host The Event. Contractor shall provide for City approval a schedule for equipment delivery, set-up, maintenance, operation, and removal of all equipment and other personal property and temporary improvements for conduct of The Event pursuant to this Agreement and in compliance with all codes, ordinances, rules, and regulations of the City.
- 3.3 **Management Services.** The City retains Contractor to provide management services to the City’s temporary outdoor rink for the Skating Event, the “Event” referenced in **Exhibit A**, which includes ice rink operation, maintenance, ticket sales, skate rental and sharpening, and entertainment.

Without limiting the generality of the foregoing, Contractor’s Event Management Services shall include, but not be limited to, and shall be subject to the following conditions:

- 3.3.1 Contractor shall provide all operational staff and shall be exclusively responsible for the management of such personnel and the payment of all wages and withholdings in connection therewith. Contractor shall provide site-specific training to all staff members with a focus on providing excellent customer service.
- 3.3.2 Contractor shall maintain all ice surfaces and keep the same free from snow and debris.
- 3.3.3 Contractor shall keep all walkways free from ice and snow.
- 3.3.4 Contractor shall keep all outdoor areas free from trash and debris. The City shall continue to service all City-owned trash receptacles currently on the Premises in accordance with the City’s regular trash service schedule for the Premises. If in order to keep the Premises clean, additional trash removal than that provided by the City is required, Contractor shall be responsible for such trash removal. Pursuant to the Louisville Sustainability Action Plan, Contractor is required to provide Zero Waste stations, featuring recycling and compost bins.
- 3.3.5 Contractor shall ensure that all City ordinances, rules, and regulations are followed and enforced.
- 3.3.6 Contractor shall ensure the ice rink is used only by members of the public and for no private purpose or event without the City’s prior written consent.

- 3.3.7 Contractor shall immediately notify the City in the event repairs are required to any City-owned or leased building, equipment, or area.
- 3.3.8 Contractor shall secure all buildings and equipment when not in use and will be liable for any damages, thefts, or other costs resulting from the failure to properly secure any building or equipment.
- 3.3.9 Contractor shall manage and take full responsibility for all concession activities, including obtaining all necessary licenses and permits and providing all concession merchandise and supplies.
- 3.3.10 Contractor shall not place or permit any signs on the Premises in connection with the Event except those approved by the City in writing, which approval may be granted or denied in the City's sole discretion.
- 3.3.11 Contractor shall not keep any hazardous materials in or about the Premises without prior written consent of the City, which consent may be granted or denied in the City's sole discretion. "Hazardous material" includes, but is not limited to, asbestos, other asbestotic material (which is currently or may be designated in the future as a hazardous material), any petroleum base products, pesticides, paints and solvents, polychlorinated biphenyl, lead, cyanide, DDT, acids, ammonium compounds, and other chemical products (excluding commercially used cleaning materials in ordinary quantities) and any substance or material defined or designated as a hazardous or toxic substance, or other similar term, by any federal, state, or local law.
- 3.3.12 The City shall have no responsibility, liability, or obligation with respect to the safety or security of any Contractor's personal property placed on or located at the Premises, it being acknowledged and understood by the Contractor that the safety and security of any such property is the sole responsibility and risk of Contractor. Contractor shall not remove any of the City's Equipment or personal property from Premises.
- 3.4 **Conduct of the Event.** The Skating Event shall be conducted subject to all terms and conditions of this Agreement, and in accordance with the following standards and limitations:
- 3.4.1 Amplified sound shall not be permitted beyond 10:00 p.m. and the volume of which shall not be so loud that it materially interferes with or disrupts an individual's conduct of activities in his or her home, which noise level shall be measured against the objective standard of a reasonable person of normal sensitivity as determined by the City. Amplified sound shall not be used before start times designated by the City Manager or his designee. Notwithstanding the foregoing, the City reserves the right to require Licensee to further restrict times of and/or reduce the volume of amplified sound.

- 3.4.2 No Event activities shall begin before 8:00 a.m. and extend beyond 10:00 p.m.
- 3.4.3 No carnival or amusement rides (defined to include rides with moving passenger compartments or tracks) shall be permitted.
- 3.4.4 No alcohol sales, service, tastings, or consumption (whether for consideration or not) shall be permitted.

3.5 Post-Season Restoration of Premises.

- 3.5.1 At the conclusion of the 2023-24 season, Contractor shall cease use of the Premises and shall return the same to as good a condition as when Contractor commenced its Services except for normal wear and tear not resulting from Contractor’s negligence.
- 3.5.2 The City shall remove and store the Equipment purchased by the City from Contractor pursuant to this Agreement. Within ten (10) days following conclusion of the 2023-24 season, Contractor shall remove the chiller rented by the City from Contractor and any other equipment or personal property installed or placed on the Property by Contractor.

4.0 CONTRACTOR COMPENSATION

- 4.1 The City shall pay the Contractor for Services under this Agreement a total not to exceed the following amounts, which are set forth in **Exhibit A** attached hereto and incorporated herein by this reference:

Equipment Purchase (No Chiller) + Annual Set-up and Strike:	\$201,200.00
Chiller Rental:	\$ 52,000.00
Ice Skates + Sharpener	\$ 40,250.00
Event Management	<u>\$112,008.00</u>
Total Cost of Equipment Purchase, Rental and Management	\$405,458.00

The City shall not pay mileage or other reimbursable expenses (such as meals, parking, travel expenses, necessary memberships, etc.), unless such expenses are (1) clearly set forth in the Scope of Services, and (2) necessary for performance of the Services (“Pre-Approved Expenses”). The foregoing amounts of compensation shall be inclusive of all costs of whatsoever nature associated with the Contractor’s efforts, including but not limited to salaries, benefits, overhead, administration, profits, expenses, and outside Contractor fees. The scope of services and payment therefor shall only be changed by a properly authorized amendment to this Agreement. No City employee has the authority to bind the City with regard to any payment for any services that exceeds the amount payable under the terms of this Agreement.

4.2 Payment terms shall be as follows:

4.2.1 Upon execution of this Agreement, the City shall pay Contractor \$300,000.00.

4.2.2 On or before October 1, 2023, the City shall pay Contractor the balance of \$105,458.00.

5.0 EVENT REVENUES

5.1 The City shall receive all amounts derived from skater fees, including admissions and skate rentals (the "Revenues") derived from The Event. Contractor shall collect such amounts from patrons and hold the funds in trust for the City until remitted.

5.2 Within fifteen (15) days after the last day of each month during the Term of this Agreement, Contractor shall remit the Revenues to the City along with a financial accounting for such month's operation meeting the requirements of Section 15 of this Agreement.

6.0 PROJECT REPRESENTATION

6.1 The City designates _____ as the responsible City staff to provide direction to the Contractor during the conduct of the Services. The Contractor shall comply with the directions given by _____ and such person's designees.

6.2 The Contractor designates _____ as its project manager and as the principal in charge who shall be providing the Services under this Agreement. Should any of the representatives be replaced, particularly _____, and such replacement require the City or the Contractor to undertake additional reevaluations, coordination, orientations, etc., the Contractor shall be fully responsible for all such additional costs and services.

7.0 TERM AND RENEWAL

7.1 The term of this Agreement shall be from the Effective Date to February 29, 2024, unless sooner terminated pursuant to Section 13, below. The Contractor's Services under this Agreement shall commence on the Effective Date and Contractor shall proceed with diligence and promptness so that the Equipment is delivered and Services are provided in a timely fashion for the skating season to begin on November 18, 2023.

7.2 Nothing in this Agreement is intended or shall be deemed or construed as creating any multiple-fiscal year direct or indirect debt or financial obligation on the part of

the City within the meaning of Colorado Constitution Article X, Section 20 or any other constitutional or statutory provision. All financial obligations of the City under this Agreement are subject to annual budgeting and appropriation by the Louisville City Council, in its sole discretion. Notwithstanding anything in this Agreement to the contrary, in the event of non-appropriation, this Agreement shall terminate effective December 31 of the then-current fiscal year.

- 7.3 The City shall have the right to renew the Services portion of this Agreement for an additional term for the 2024-25 season upon written notice to the Contractor delivered on or before May 31, 2024.

8.0 INSURANCE

- 8.1 The Contractor agrees to procure and maintain, at its own cost, the policies of insurance set forth in Subsections 8.1.1 through 8.1.4. The Contractor shall not be relieved of any liability, claims, demands, or other obligations assumed pursuant to this Agreement by reason of its failure to procure or maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations, or types. The coverages required below shall be procured and maintained with forms and insurers acceptable to the City. All coverages shall be continuously maintained from the date of commencement of Services hereunder. The required coverages are:

8.1.1 Workers' Compensation insurance as required by the Labor Code of the State of Colorado and Employers Liability Insurance. Evidence of qualified self-insured status may be substituted.

8.1.2 General Liability insurance with minimum combined single limits of \$1,000,000 each occurrence and \$2,000,000 aggregate. **The policy shall include the City of Louisville, its officers and its employees, as additional insureds, with primary coverage as respects the City of Louisville, its officers and its employees, and shall contain a severability of interests provision.** The additional insured endorsement shall be at least as broad as ISO form CG2010 for General Liability coverage.

8.1.3 Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than \$400,000 per person in any one occurrence and \$1,000,000 for two or more persons in any one occurrence, and auto property damage insurance of at least \$50,000 per occurrence, with respect to each of Contractor's owned, hired or non-owned vehicles assigned to or used in performance of the Services. If the Contractor has no owned automobiles, the requirements of this paragraph shall be met by each officer or employee of the Contractor providing services to the City of Louisville under this contract.

- 8.2 The Contractor's general liability insurance and automobile liability and physical damage insurance shall be endorsed to include the City, and its elected and appointed officers and employees, as additional insureds, unless the City in its sole discretion waives such requirement. Every policy required above shall be primary insurance, and any insurance carried by the City, its officers, or its employees, shall be excess and not contributory insurance to that provided by the Contractor. Such policies shall contain a severability of interests provision. The Contractor shall be solely responsible for any deductible losses under each of the policies required above.
- 8.3 Certificates of insurance shall be provided by the Contractor as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the City. No required coverage shall be cancelled, terminated or materially changed until at least 30 days prior written notice has been given to the City. The City reserves the right to request and receive a certified copy of any policy and any endorsement thereto.
- 8.4 Failure on the part of the Contractor to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of contract upon which the City may immediately terminate this Agreement, or at its discretion may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the City shall be repaid by Contractor to the City upon demand, or the City may offset the cost of the premiums against any monies due to Contractor from the City.
- 8.5 The parties understand and agree that the City is relying on, and does not waive or intend to waive by any provision of this contract, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101 et seq., C.R.S., as from time to time amended, or otherwise available to the City, its officers, or its employees.

9.0 INDEMNIFICATION

To the fullest extent permitted by law, the Contractor agrees to indemnify and hold harmless the City, and its elected and appointed officers and its employees, from and against all liability, claims, and demands, on account of any injury, loss, or damage, which arise out of or are connected with the Services hereunder, if such injury, loss, or damage is caused by the negligent act, omission, or other fault of the Contractor or any subcontractor of the Contractor, or any officer, employee, or agent of the Contractor or any subcontractor, or any other person for whom Contractor is responsible. The Contractor shall investigate, handle, respond to, and provide defense for and defend against any such liability, claims, and demands. The Contractor shall further bear all other costs and expenses incurred by the City or Contractor and related to any such liability, claims and demands, including but not limited to court costs, expert witness fees and attorney fees if the court determines that these incurred costs and expenses are

related to such negligent acts, errors, and omissions or other fault of the Contractor. The City shall be entitled to its costs and attorney' fees incurred in any action to enforce the provisions of this Section 9.0. The Contractor's indemnification obligation shall not be construed to extend to any injury, loss, or damage which is caused by the act, omission, or other fault of the City.

10.0 QUALITY OF WORK

Contractor's Services shall be performed in accordance with the highest professional workmanship and service standards in the field to the satisfaction of the City.

11.0 INDEPENDENT CONTRACTOR

It is the expressed intent of the parties that the Contractor is an independent contractor and not the agent, employee or servant of the City, and that:

- 11.1 **CONTRACTOR SHALL SATISFY ALL TAX AND OTHER GOVERNMENTALLY IMPOSED RESPONSIBILITIES INCLUDING, BUT NOT LIMITED TO, PAYMENT OF STATE, FEDERAL AND SOCIAL SECURITY TAXES, UNEMPLOYMENT TAXES, WORKERS' COMPENSATION AND SELF-EMPLOYMENT TAXES. NO STATE, FEDERAL OR LOCAL TAXES OF ANY KIND SHALL BE WITHHELD OR PAID BY THE CITY.**
- 11.2. **CONTRACTOR IS NOT ENTITLED TO WORKERS' COMPENSATION BENEFITS EXCEPT AS MAY BE PROVIDED BY THE INDEPENDENT CONTRACTOR NOR TO UNEMPLOYMENT INSURANCE BENEFITS UNLESS UNEMPLOYMENT COMPENSATION COVERAGE IS PROVIDED BY THE INDEPENDENT CONTRACTOR OR SOME ENTITY OTHER THAN THE CITY.**
- 11.3. Contractor does not have the authority to act for the City, or to bind the City in any respect whatsoever, or to incur any debts or liabilities in the name of or on behalf of the City.
- 11.4. Contractor has and retains control of and supervision over the performance of Contractor's obligations hereunder and control over any persons employed by Contractor for performing the Services hereunder.
- 11.5. The City will not provide training or instruction to Contractor or any of its employees regarding the performance of the Services hereunder.
- 11.6. Neither the Contractor nor any of its officers or employees will receive benefits of any type from the City.
- 11.7. Contractor represents that it is engaged in providing similar services to other clients and/or the general public and is not required to work exclusively for the City.

- 11.8. All Services are to be performed solely at the risk of Contractor and Contractor shall take all precautions necessary for the proper and sole performance thereof.
- 11.9. Contractor will not combine its business operations in any way with the City's business operations and each party shall maintain their operations as separate and distinct.

12.0 ASSIGNMENT

Contractor shall not assign or delegate this Agreement or any portion thereof, or any monies due to or become due hereunder without the City's prior written consent, which the City may withhold in its sole discretion.

13.0 DEFAULT

Each and every term and condition hereof shall be deemed to be a material element of this Agreement. In the event either party should fail or refuse to perform according to the terms of this Agreement, such party may be declared in default.

14.0 TERMINATION

- 14.1 The City may terminate this Agreement at any time for a material breach of any of the conditions of this Agreement, including but not limited to payment, hours of use, location of use, failure to meet conditions of licensing, provision of insurance, failure to abide by any provision concerning protection of City property, and noise violations. For other breaches, the City will give notice of the same to Contractor and provide a reasonable time for cure, recognizing that given the nature of the Services provided pursuant to this Agreement, such reasonable time may be measured in minutes.
- 14.2 In the event of termination, the Contractor will be paid for the reasonable value of the Services rendered to the date of termination, not to exceed a pro-rated daily rate, for the Services rendered to the date of termination, and upon such payment, all obligations of the City to the Contractor under this Agreement will cease. Termination pursuant to this Subsection shall not prevent either party from exercising any other legal remedies which may be available to it.

15.0 EVENT REPORTING AND RECORDS INSPECTION AND AUDIT

- 15.1 The City has a responsibility to the community to ensure financial transparency and prudent management of City funds and facilities.
- 15.2 As set forth in Section 5.2, each monthly remittance shall be accompanied by a financial accounting of operations conducted by Contractor pursuant to this Agreement. This financial accounting shall be in a form reasonably acceptable to the City and contain, at a minimum a summary of attendance for each day of

operation during that month; any special circumstances that affected attendance, such as but not including group events; skate rental fees (if charged in addition to entry fee); a break-down of the percentage cash and card transactions; attendance by zip code for those paying with a credit or debit card; and any other information reasonably requested by the City.

- 15.3 Consultant shall maintain records, books, documents, and other evidence directly pertinent to the performance of the Services under this Agreement in accordance with generally accepted accounting principles and practices. The City shall have the right to access and examine such records, without charge, during normal business hours upon reasonable advance notice. The City shall further have the right to audit such records, to make transcripts therefrom, and to inspect all program data, documents, proceedings, and activities. All Contractor business records and any transcripts therefrom shall be maintained as confidential by the City, to the extent permitted by the Colorado Open Records Act, C.R.S. § 24-72-200.1, *et seq.*

16.0 ENFORCEMENT

- 16.1 In the event that suit is brought upon this Agreement to enforce its terms, the parties shall each bear and be responsible for their own attorney fees and court costs.
- 16.2 This Agreement shall be deemed entered into in Boulder County, Colorado, and shall be governed by and interpreted under the laws of the State of Colorado. Any action arising out of, in connection with, or relating to this Agreement shall be filed in the courts of Boulder County or the federal district court for the District of Colorado, and in no other court. [If out of state contractor: Contractor hereby waives its right to challenge the personal jurisdiction of the courts of Boulder County and the federal district court for the District of Colorado over it.] Colorado law shall apply to the construction and enforcement of this Agreement.

17.0 COMPLIANCE WITH LAWS

Contractor shall be solely responsible for compliance with all applicable federal, state, and local laws, including the ordinances, resolutions, rules, and regulations of the City; for payment of all applicable taxes; and obtaining and keeping in force all applicable permits and approvals. Contractor agrees to pay all performing rights licensing fees to BMI, ASCAP, or other performing rights organizations for performances held pursuant to this Agreement at the rate specified by such licensing organizations. The City holds no responsibility for these payments.

18.0 INTEGRATION AND AMENDMENT

This Agreement represents the entire Agreement between the parties and there are no oral or collateral agreements or understandings. This Agreement may be amended only by an instrument in writing signed by the parties.

19.0 NOTICES

All notices required or permitted under this Agreement shall be in writing and shall be given by hand delivery, by United States first class mail, postage prepaid, registered or certified, return receipt requested, by national overnight carrier, or by email transmission, addressed to the party for whom it is intended at the following address:

If to the City:

City of Louisville
Attn: _____
749 Main Street
Louisville, CO 80027
e-mail: _____

If to the Contractor:

Except for notices by email transmission, any notice required or permitted under this Agreement shall be effective when received as indicated on the delivery receipt, if by hand delivery or overnight carrier; on the United States mail return receipt, if by United States mail. Notices by email transmission shall be effective on transmission, so long as no message of error or non-receipt is received by the party giving notice. Either party may by similar notice given, change the address to which future notices or other communications shall be sent.

20.0 EQUAL OPPORTUNITY EMPLOYER

20.1 Contractor will not discriminate against any employee or applicant for employment because of age 40 and over, race, sex, color, religion, national origin, disability, genetic information, sexual orientation, veteran status, or any other applicable status protected by state or local law. Contractor will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to any status set forth in the preceding sentence. Such action shall include but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Contractor agrees to post in conspicuous places, available to

employees and applicants for employment, notice to be provided by an agency of the federal government, setting forth the provisions of the Equal Opportunity Laws.

20.2 Contractor shall be in compliance with the applicable provisions of the American with Disabilities Act as enacted and from time to time amended and any other applicable federal, state, or local laws and regulations. A signed, written certificate stating compliance with the Americans with Disabilities Act may be requested at any time during the life of this Agreement or any renewal thereof.

21.0 NO THIRD PARTY BENEFICIARIES

It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to City and Contractor, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. It is the express intention of the parties that any person other than City or Contractor receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

22.0 SUBCONTRACTORS

Contractor may utilize subcontractors identified in its qualifications submittal to assist with non-specialized works as necessary to complete projects. Contractor will submit any proposed subcontractor and the description of its services to the City for approval. The City will not work directly with subcontractors.

23.0 AUTHORITY TO BIND

Each of the persons signing below on behalf of any party hereby represents and warrants that such person is signing with full and complete authority to bind the party on whose behalf of whom such person is signing, to each and every term of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Agreement to be effective as of the day and year first above written.

Title: _____

Exhibit A
Rocky Rinks Proposal

WinterSkate

Historic Downtown Louisville, CO

Event Summary

The annual refrigerated rink is to run between November 18th and February 29th for the 2023-24 season. The host requires a turn-key attraction solution including ice rink operation, maintenance, ticket sales, skate rental and sharpening, and entertainment.

Why Rocky Rinks

Enjoy a flawless event from set-up to strike with a dynamic team of dedicated installers, rink techs, and event professionals. Our motivated and agile crew rely on strict operating procedures and a guest-centric attitude to keep spirits high and deliver an unforgettable experience for all in attendance. We maximize fun for your guests with a warm reception and clear communication behind the scenes.

What's the secret? Dedicated managers and techs who are experts in their field, and local staff who are properly trained and compensated competitively with 1.5x pay for all holiday shifts, creating a better environment for everyone.

Quality equipment from rink refrigeration to professional audio bring the event to life and make a big impression. With unmatched systems from industry leads like CALMAC, Trane, and Zamboni, guests will feel the difference in each stride. Perfect ice from season open to close.

We work with hosts on a variety of events and equipment from seasonal and year-round refrigerated rinks, to rock climbing walls and water slides. Our corporate portfolio includes organizations like *Iron Sleek Rink Systems* of Itasca, IL. *Moon Jump, INC* of Addison, IL, and *Big Air Jumpers* of Denver, CO.

Event Options

Choose from an equipment rental or purchase, with optional event management, for a season ending 2/29. Rink equipment rental is based on a flat rate for the season. Skates, sharpener, and skating aids are most economical when purchased.

SUBJECT: APPROVAL OF 2023 CONTRACT FOR FEMA PROJECT CONSULTING SERVICES

DATE: JUNE 20, 2023

**PRESENTED BY: EMILY HOGAN, ASSISTANT CITY MANAGER
RYDER BAILEY, DIRECTOR OF FINANCE
KIM BAKER, ACCOUNTING MANAGER**

SUMMARY:

A major part of the Marshall Fire recovery is recouping expenses related to repairs and rebuilding of City infrastructure and facilities. Throughout 2022, the City submitted a number of projects to FEMA’s Public Assistance program. This program provides supplemental grants to state, tribal, territorial and local governments so communities can quickly respond to and recover from major disaster or emergencies.

After an event like the Marshall Fire, communities need help to cover their costs for debris removal, life-saving emergency protective measures and restoring public infrastructure. FEMA puts projects into two categories upon submittal: obligated and outstanding. FEMA has already committed – obligated – the funding. At this time, all public infrastructure repairs the City intends to request FEMA reimbursement for have been submitted and all projects have been obligated. The City submitted the following projects:

Project	Status	Obligated Amount	FEMA Share (90%)	State Share (5%)	Local Share (5%)
PW670589 – Emergency Protective Measures	Complete	\$1,621,064.41	\$1,458,957.97	\$81,053.22	\$81,053.22
PW670590 – Asphalt & Concrete	Work in process	\$450,755.28	\$405,679.76	\$22,537.76	\$22,537.76
PW670592 – Stormwater Structure Damages	Work in process	\$191,869.40	\$172,682.46	\$9,593.47	\$9,593.47
PW670594 – Water Meters	Work in process	\$763,337.12	\$687,003.41	\$38,166.86	\$38,166.86

SUBJECT: CONTRACT FOR FEMA PROJECT CONSULTING SERVICES**DATE: JUNE 20, 2023****PAGE 2 OF 3**

PW670595 – Fire Hydrants	Work in process	\$33,511.37	\$30,160.24	\$1,675.57	\$1,675.57
PW670596 – Parks, Recreational Facilities & Other Items	Work in process	\$5,000.00	\$4,500.00	\$250.00	\$250.00
PW670597 – Open Space Infrastructure	Work in process	\$590,417.83	\$531,376.05	\$29,520.89	\$29,520.89
PW670598 – Signs	Complete	\$0.00	\$0.00	\$0.00	\$0.00

PW670662 – Donated Resources	Ongoing	\$180,118.27	\$162,106.45	\$9,005.91	\$9,005.91
PW675663 – Guardrails & ROW Fence	Complete	\$122,995.20	\$110,695.68	\$6,149.76	\$6,149.76
PW713365 – Management Costs	Ongoing	\$190,630.01	\$190,630.01	\$0.00	\$0.00
Total		\$4,183,348.40	\$3,784,076.59	\$199,635.92	\$199,635.92

Following obligation, next steps include completion of work and then closeout. FEMA requires timely and complete project information as work is completed to facilitate efficient and effective closeout of the grant awards. FEMA has requested that the City closeout all projects in which work is complete by June 30, 2023.

Before closeout can begin, staff must carefully analyze the insurance proceeds received by the City’s insurance provider and the FEMA public assistance to determine which funding source pays for specific repairs. For instance, median restoration is ineligible for FEMA assistance but falls under the City’s outdoor property coverage, which has a limit of \$250,000. Staff must go through each item to determine the best source in order to maximize recovery dollars.

The City has not been able to complete this work due to staff vacancies and limited capacity. Staff is recommending that the City hire a consultant to assist with this effort in order to meet FEMA’s deadline. Staff solicited a proposal from Carlisle Thompson, LLC with the following scope of work:

SUBJECT: CONTRACT FOR FEMA PROJECT CONSULTING SERVICES

DATE: JUNE 20, 2023

PAGE 3 OF 3

- Review City’s insurance statement of loss and insurance payments received
- Reconcile and align actual insurance proceeds against FEMA anticipated proceeds for each project
- Coordinate with City and State on most efficient approach for insurance reconciliation
- Recommend adjustment to projects based on insurance reconciliation
- Attend status meeting with City to provide update on insurance reconciliation and attend meetings with State as requested
- Review project expenses and assist with project closeouts as requested
- Assist City with any other FEMA Public Assistance tasks as requested

The estimated cost for this work is \$20,000. While it is difficult to know the exact number of hours that the consultant will be needed, the contract lists an amount not to exceed of \$20,000 with hourly rates for the consultant’s staff.

This is a sole source purchase as the City previously worked with Carlisle Thompson on closeout of FEMA grants for the 2013 flood and the consultant’s staff has extensive experience navigating project closeout with the State and FEMA.

This expense is an eligible cost under Category Z – Management Costs, and therefore can be reimbursed by FEMA. Management costs include any indirect costs, direct administrative costs and other administrative expenses related to FEMA Public Assistance. This does not include project management costs, which are already included in the obligated amount for each project. To-date staff has determined that approx. \$100,000 of staff time from 2022 is eligible for reimbursement. There is approx. \$90,000 remaining that the City has not yet identified as eligible costs.

FISCAL IMPACT

This item was not included in the 2023 budget and requires an amendment for the total cost of \$20,000 and the anticipated reimbursement from FEMA.

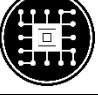

RECOMMENDATION:

Staff recommends approval of the 2023 Contract for FEMA Consulting Services.

**AN AGREEMENT BY AND BETWEEN THE CITY OF LOUISVILLE
AND CARLISLE THOMPSON, LLC
FOR CONSULTING SERVICES**

1.0 PARTIES

This AGREEMENT FOR CONSULTING SERVICES (this “Agreement”) is made and entered into this ____ day of _____, 20__ (the “Effective Date”), by and between the **City of Louisville**, a Colorado home rule municipal corporation, hereinafter referred to as the “City”, and Carlisle Thompson, LLC, a Florida Limited Liability Company hereinafter referred to as the “Consultant”.

2.0 RECITALS AND PURPOSE

- 2.1 The City desires to engage the Consultant for the purpose of providing grant consulting services as further set forth in the Consultant’s Scope of Services (which services are hereinafter referred to as the “Services”).
- 2.2 The Consultant represents that it has the special expertise, qualifications and background necessary to complete the Services.

3.0 SCOPE OF SERVICES

The Consultant agrees to provide the City with the specific Services and to perform the specific tasks, duties and responsibilities set forth in Scope of Services attached hereto as Exhibit “A” and incorporated herein by reference.

4.0 COMPENSATION

- 4.1 The City shall pay the Consultant for services under this agreement a total not to exceed \$20,000.00 as paid hourly as outlined in Exhibit A. The City shall not pay mileage and other reimbursable expenses (such as meals, parking, travel expenses, necessary memberships, etc.), unless such expenses are (1) clearly set forth in the Scope of Services, and (2) necessary for performance of the Services (“Pre-Approved Expenses”). The foregoing amounts of compensation shall be inclusive of all costs of whatsoever nature associated with the Consultant’s efforts, including but not limited to salaries, benefits, overhead, administration, profits, expenses, and outside consultant fees. The Scope of Services and payment therefor shall only be changed by a properly authorized amendment to this Agreement. No City employee has the authority to bind the City with regard to any payment for any services which exceeds the amount payable under the terms of this Agreement.
- 4.2 The Consultant shall submit monthly an invoice to the City for Services rendered and a detailed expense report for Pre-Approved Expenses incurred during the previous month.

The invoice shall document the Services provided during the preceding month, identifying by work category and subcategory the work and tasks performed and such other information as may be required by the City. The Consultant shall provide such additional backup documentation as may be required by the City. The City shall pay the invoice within thirty (30) days of receipt unless the Services or the documentation therefor are unsatisfactory. Payments made after thirty (30) days may be assessed an interest charge of one percent (1%) per month unless the delay in payment resulted from unsatisfactory work or documentation therefor.

5.0 PROJECT REPRESENTATION

- 5.1 The City designates City Manager Jeff Durbin as the responsible City staff to provide direction to the Consultant during the conduct of the Services. The Consultant shall comply with the directions given by Jeff Durbin and such person's designees.
- 5.2 The Consultant designates Jo Barrios as its project manager and as the principal in charge who shall be providing the Services under this Agreement. Should any of the representatives be replaced, particularly Jo Barrios, and such replacement require the City or the Consultant to undertake additional reevaluations, coordination, orientations, etc., the Consultant shall be fully responsible for all such additional costs and services.

6.0 TERM

- 6.1 The term of this Agreement shall be from the Effective Date to December 31, 2023, unless sooner terminated pursuant to Section 13, below. The Consultant's Services under this Agreement shall commence on [(the Effective Date) or (on another date desired by the City, after the Effective Date)] and Consultant shall proceed with diligence and promptness so that the Services are completed in a timely fashion consistent with the City's requirements.
- 6.2 Nothing in this Agreement is intended or shall be deemed or construed as creating any multiple-fiscal year direct or indirect debt or financial obligation on the part of the City within the meaning of Colorado Constitution Article X, Section 20 or any other constitutional or statutory provision. All financial obligations of the City under this Agreement are subject to annual budgeting and appropriation by the Louisville City Council, in its sole discretion. Notwithstanding anything in this Agreement to the contrary, in the event of non-appropriation, this Agreement shall terminate effective December 31 of the then-current fiscal year.

7.0 INSURANCE

- 7.1 The Consultant agrees to procure and maintain, at its own cost, the policies of insurance set forth in Subsections 7.1.1 through 7.1.4. The Consultant shall not be relieved of any liability, claims, demands, or other obligations assumed pursuant to this Agreement by reason of its failure to procure or maintain insurance, or by reason of its failure to procure or maintain insurance in sufficient amounts, durations, or types. The coverages required

below shall be procured and maintained with forms and insurers acceptable to the City. All coverages shall be continuously maintained from the date of commencement of services hereunder. The required coverages are:

- 7.1.1 Workers' Compensation insurance as required by the Labor Code of the State of Colorado and Employers Liability Insurance. Evidence of qualified self-insured status may be substituted.
 - 7.1.2 General Liability insurance with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) each occurrence and TWO MILLION DOLLARS (\$2,000,000) aggregate. The policy shall include the City of Louisville, its officers and its employees, as additional insureds, with primary coverage as respects the City of Louisville, its officers and its employees, and shall contain a severability of interests provision.
 - 7.1.3 Comprehensive Automobile Liability insurance with minimum combined single limits for bodily injury and property damage of not less than FOUR HUNDRED THOUSAND DOLLARS (\$400,000) per person in any one occurrence and ONE MILLION DOLLARS (\$1,000,000) for two or more persons in any one occurrence, and auto property damage insurance of at least FIFTY THOUSAND DOLLARS (\$50,000) per occurrence, with respect to each of Consultant's owned, hired or non-owned vehicles assigned to or used in performance of the services. The policy shall contain a severability of interests provision. If the Consultant has no owned automobiles, the requirements of this paragraph shall be met by each employee of the Consultant providing services to the City of Louisville under this Agreement.
 - 7.1.4 Professional Liability coverage with minimum combined single limits of ONE MILLION DOLLARS (\$1,000,000) each occurrence and ONE MILLION DOLLARS (\$1,000,000) aggregate.
- 7.2 The Consultant's general liability insurance, automobile liability and physical damage insurance, and professional liability insurance shall be endorsed to include the City, and its elected and appointed officers and employees, as additional insureds, unless the City in its sole discretion waives such requirement. Every policy required above shall be primary insurance, and any insurance carried by the City, its officers, or its employees, shall be excess and not contributory insurance to that provided by the Consultant. Such policies shall contain a severability of interests provision. The Consultant shall be solely responsible for any deductible losses under each of the policies required above.
- 7.3 Certificates of insurance shall be provided by the Consultant as evidence that policies providing the required coverages, conditions, and minimum limits are in full force and effect, and shall be subject to review and approval by the City. No required coverage shall be cancelled, terminated or materially changed until at least 30 days' prior written notice has been given to the City. The City reserves the right to request and receive a certified copy of any policy and any endorsement thereto.

- 7.4 Failure on the part of the Consultant to procure or maintain policies providing the required coverages, conditions, and minimum limits shall constitute a material breach of contract upon which the City may immediately terminate this Agreement, or at its discretion may procure or renew any such policy or any extended reporting period thereto and may pay any and all premiums in connection therewith, and all monies so paid by the City shall be repaid by Consultant to the City upon demand, or the City may offset the cost of the premiums against any monies due to Consultant from the City.
- 7.5 The parties understand and agree that the City is relying on, and does not waive or intend to waive by any provision of this Agreement, the monetary limitations or any other rights, immunities, and protections provided by the Colorado Governmental Immunity Act, § 24-10-101 et seq., C.R.S., as from time to time amended, or otherwise available to the City, its officers, or its employees.

8.0 INDEMNIFICATION

To the fullest extent permitted by law, the Consultant agrees to indemnify and hold harmless the City, and its elected and appointed officers and its employees, from and against all liability, claims, and demands, on account of any injury, loss, or damage, which arise out of or are connected with the services hereunder, if and to the extent such injury, loss, or damage is caused by the negligent act, omission, or other fault of the Consultant or any subcontractor of the Consultant, or any officer, employee, or agent of the Consultant or any subcontractor, or any other person for whom Consultant is responsible. The Consultant shall investigate, handle, respond to, and provide defense for and defend against any such liability, claims, and demands. The Consultant shall further bear all other costs and expenses incurred by the City or Consultant and related to any such liability, claims and demands, including but not limited to court costs, expert witness fees and attorneys' fees if the court determines that these incurred costs and expenses are related to such negligent acts, errors, and omissions or other fault of the Consultant. The City shall be entitled to its costs and attorneys' fees incurred in any action to enforce the provisions of this Section 8.0. The Consultant's indemnification obligation shall not be construed to extend to any injury, loss, or damage which is caused by the act, omission, or other fault of the City.

9.0 QUALITY OF WORK

Consultant's professional services shall be in accordance with the prevailing standard of practice normally exercised in the performance of services of a similar nature in the Denver metropolitan area.

10.0 INDEPENDENT CONTRACTOR

It is the expressed intent of the parties that the Consultant is an independent contractor and not the agent, employee or servant of the City, and that:

- 10.1. Consultant shall satisfy all tax and other governmentally imposed responsibilities including but not limited to, payment of state, federal, and social security taxes, unemployment taxes, worker's compensation and self-employment taxes. No state, federal

or local taxes of any kind shall be withheld or paid by the City.

- 10.2. **Consultant is not entitled to worker's compensation benefits except as may be provided by the Consultant nor to unemployment insurance benefits unless unemployment compensation coverage is provided by the Consultant or some entity other than the City.**
- 10.3. Neither party has the authority to act for the other party, or to bind the other party in any respect whatsoever, or to incur any debts or liabilities in the name of or on behalf of the other party.
- 10.4. Consultant has and retains control of and supervision over the performance of Consultant's obligations hereunder and control over any persons employed by Consultant for performing the Services hereunder.
- 10.5. The City will not provide training or instruction to Consultant or any of its employees regarding the performance of the Services hereunder.
- 10.6. Neither the Consultant nor any of its officers or employees will receive benefits of any type from the City.
- 10.7. Consultant represents that it is engaged in providing similar services to other clients and/or the general public and is not required to work exclusively for the City.
- 10.8. Consultant shall take all precautions necessary for the proper performance of the Services.
- 10.9. Consultant will not combine its business operations in any way with the City's business operations and each party shall maintain their operations as separate and distinct.

11.0 ASSIGNMENT

Except as provided in section 22.0 hereof, Consultant shall not assign or delegate this Agreement or any portion thereof, or any monies due or to become due hereunder without the City's prior written consent.

12.0 DEFAULT

Each and every term and condition hereof shall be deemed to be a material element of this Agreement. In the event either party should fail or refuse to perform according to the terms of this Agreement, such party may be declared in default.

13.0 TERMINATION

- 13.1 This Agreement may be terminated by either party for material breach or default of this Agreement by the other party not caused by any action or omission of the other party by giving the other party written notice at least thirty (30) days in advance of the termination date. Termination pursuant to this subsection shall not prevent either party from exercising any other legal remedies which may be available to it.
- 13.2 In addition to the foregoing, this Agreement may be terminated by the City for its convenience and without cause of any nature by giving written notice at least ten (10) days in advance of the termination date. In the event of such termination, the Consultant will be paid based on the Compensation provisions in Section 4 for services rendered to the date of termination, and upon such payment, all obligations of the City to the Consultant under this Agreement will cease. Termination pursuant to this subsection shall not prevent either party from exercising any other legal remedies which may be available to it.

14.0 INSPECTION AND AUDIT

The City and its duly authorized representatives shall have access to any books, documents, papers, and records of the Consultant that are related to this Agreement for the purpose of making audits, examinations, excerpts, and transcriptions.

15.0 DOCUMENTS

All computer input and output, analyses, plans, documents photographic images, tests, maps, surveys, electronic files and written material of any kind generated in the performance of this Agreement or developed for the City in performance of the Services are and shall remain the sole and exclusive property of the City. All such materials shall be promptly provided to the City upon request therefor and at the time of termination of this Agreement, without further charge or expense to the City. Consultant shall not provide copies of any such material to any other party without the prior written consent of the City.

16.0 ENFORCEMENT

- 16.1 In the event that suit is brought upon this Agreement to enforce its terms, the prevailing party shall be entitled to its reasonable attorneys' fees and related court costs.
- 16.2 This Agreement shall be deemed entered into in Boulder County, Colorado, and shall be governed by and interpreted under the laws of the State of Colorado. Any action arising out of, in connection with, or relating to this Agreement shall be filed in the District Court of Boulder County of the State of Colorado, and in no other court. Consultant hereby waives its right to challenge the personal jurisdiction of the District Court of Boulder County of the State of Colorado over it.

17.0 COMPLIANCE WITH LAWS

- 17.1 Consultant shall be solely responsible for compliance with all applicable federal, state, and local laws, including the ordinances, resolutions, rules, and regulations of the City; for payment of all applicable taxes; and obtaining and keeping in force all applicable permits and approvals.
- 17.2 Consultant acknowledges that the City of Louisville Code of Ethics provides that independent contractors who perform official actions on behalf of the City which involve the use of discretionary authority shall not receive any gifts seeking to influence their official actions on behalf of the City, and that City officers and employees similarly shall not receive such gifts. Consultant agrees to abide by the gift restrictions of the City's Code of Ethics.

18.0 INTEGRATION AND AMENDMENT

This Agreement represents the entire Agreement between the parties and there are no oral or collateral agreements or understandings. This Agreement may be amended only by an instrument in writing signed by the parties.

19.0 NOTICES

All notices required or permitted under this Agreement shall be in writing and shall be given by hand delivery, by United States first class mail, postage prepaid, registered or certified, return receipt requested, by national overnight carrier, or by facsimile transmission, addressed to the party for whom it is intended at the following address:

If to the City:

City of Louisville
Attn: City Manager
749 Main Street
Louisville, Colorado 80027
Telephone: (303) 335-4533
Fax: (303) 335-4550

If to the Consultant:

Carlisle Thompson, LLC
Attn: Connie Brice
405 W Sequoia Spur
Georgetown, TX 78628
Telephone: (407)-353-27872
Email: connie@carlislethompson.com

Any such notice or other communication shall be effective when received as indicated on the delivery receipt, if by hand delivery or overnight carrier; on the United States mail return receipt, if by United States mail; or on facsimile transmission receipt. Either party may by similar notice given, change the address to which future notices or other communications shall be sent.

20.0 EQUAL OPPORTUNITY EMPLOYER

- 20.1 Consultant will not discriminate against any employee or applicant for employment because of race, color, religion, age, sex, disability or national origin. Consultant will take affirmative action to ensure that applicants are employed and that employees are treated during employment without regard to their race, color, religion, age, sex, disability, or national origin. Such action shall include but not be limited to the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notice to be provided by an agency of the federal government, setting forth the provisions of the Equal Opportunity Laws.
- 20.2 Consultant shall be in compliance with the applicable provisions of the American with Disabilities Act of 1990 as enacted and from time to time amended and any other applicable federal, state, or local laws and regulations. A signed, written certificate stating compliance with the Americans with Disabilities Act may be requested at any time during the life of this Agreement or any renewal thereof.

21.0 NO THIRD PARTY BENEFICIARIES

It is expressly understood and agreed that enforcement of the terms and conditions of this Agreement, and all rights of action relating to such enforcement, shall be strictly reserved to City and Consultant, and nothing contained in this Agreement shall give or allow any such claim or right of action by any other third party on such Agreement. It is the express intention of the parties that any person other than City or Consultant receiving services or benefits under this Agreement shall be deemed to be an incidental beneficiary only.

22.0 SUBCONTRACTORS

Consultant may utilize subcontractors identified in its qualifications submittal to assist with non-specialized works as necessary to complete projects. Consultant will submit any proposed subcontractor and the description of its services to the City for approval. The City will not work directly with subcontractors.

23.0 AUTHORITY TO BIND

Each of the persons signing below on behalf of any party hereby represents and warrants that such person is signing with full and complete authority to bind the party on whose behalf of whom such person is signing, to each and every term of this Agreement.

24.0 ADDITIONAL CONTRACT PROVISIONS FOR FEDERAL AWARDS

The parties hereby incorporate those FEMA Contract Provisions set forth in Exhibit B as if fully set forth herein. In the event of any conflict between the provisions of Exhibit B and the main text of the Agreement, Exhibit B shall control.

In witness whereof, the parties have executed this Agreement to be effective on the date first above written.

Assistant City Manager
City of Louisville

RE: Proposal for DR 4634 Insurance Reconciliation and Project Closeout

Dear Ms. Hogan:

Per your request, Carlisle Thompson, LLC has prepared scope and costs for the DR 4634 projects. The proposed scope is as follows:

- ❖ Review City's insurance statement of loss and insurance payments received
- ❖ Reconcile and align actual insurance proceeds against FEMA anticipated insurance proceeds for each project worksheet.
- ❖ Coordinate with City and CO DHSEM representative on most efficient approach for insurance reconciliation
- ❖ Recommend adjustment to projects based on insurance reconciliation
- ❖ Attend status meeting with City to provide update on insurance reconciliation, and attend meetings with CO DHSEM, as requested
- ❖ Review project expenses and assist with project closeouts, as requested
- ❖ Assist City with any other PA related tasks, as requested

We estimate the completion of this scope of work will require \$20,000. (See NOTE, page 2)

Please contact Stephen Brice at sdbrice@carlislethompson.com or Johan Barrios at jobarrios@carlislethompson.com for any questions or comments. Thank you for considering us for this work. We look forward to supporting the City in closing out the Marshall Fire (DR-4634) projects.

Sincerely,

Stephen Brice
Vice President

405 West Sequoia Spur
Georgetown, TX 78628

sdbrice@carlislethompson.com

103

Project Positions and Rates

Project Positions	Hourly Rate*	Estimated Percentage of Hours
Project Manager	\$195.00	35%
Grant/Insurance Specialist	\$160.00	35%
Grant Analyst	\$130.00	10%
Junior Consultant	\$100.00	10%
Accounting Tech/Admin	\$78.00	10%
Professional (Engineer or Estimator)	\$185.00	As Needed
Appeals Specialist	\$250.00	As Needed

**Rates do NOT include travel costs. Should personnel be required to be on-site, Carlisle Thompson will submit estimated travel expenses for review and pre-approval.*

NOTE: Due to the many variables, unknown, it is difficult at best to estimate the number of hours and associated costs to complete the insurance reconciliation. There are scenarios that the number of hours could be 30-50 hours, and it is possible that our efforts could be close to 200 hours.

Our approach will be to have Jo and an insurance specialist focus on the project. Jo will work closely with CO DHSEM to only complete the work necessary to reconcile the insurance proceeds, avoid any duplication of benefits, and efficiently closeout each PA recovery grant.

Jo will meet with the City designate to update progress, project hours and cost every two weeks.

Exhibit B – FEMA Contract Provisions
2 C.F.R. § 200, Appendix II
Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

FEMA CONTRACT PROVISIONS

TERMINATION FOR CAUSE AND CONVENIENCE

If, through any cause, the Contractor shall fail to fulfill in a timely and proper manner their obligations under this contract, or if the Contractor shall violate any of the covenants, agreements, or stipulations of this contract, the Owner shall thereupon have the right to terminate this contract by giving written notice to the Contractor of such termination and specifying the effective date thereof, at least five (5) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by the Contractor under this contract shall, at the option of the Owner, become the Owner's property and the Contractor shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, the Contractor shall not be relieved of liability to the Owner for damages sustained by the Owner by virtue of any breach of the contract by the Contractor and the Owner may withhold any payments to the contractor for the purpose of set-off until such times as the exact amount of damages due to the Owner from the Contractor is determined.

The Owner may terminate this contract at any time by giving at least ten (10) days' notice in writing to the Contractor. If the contract is terminated by the Owner as provided herein, the Contractor will be paid for the time provided and expenses incurred up to the termination date.

BREACH OF CONTRACT TERMS

Any violation or breach of terms of this contract on the part of the Contractor or the Contractor's subcontractors may result in the suspension or termination of this contract or such other action that may be necessary to enforce the rights of the parties of this contract. The duties and obligations imposed by the contract documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights, and remedies otherwise imposed or available by law.

EQUAL EMPLOYMENT OPPORTUNITY

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following:
 - a. Employment, upgrading, demotion, or transfer
 - b. Recruitment or recruitment advertising
 - c. Layoff or termination

- d. Rates of pay or other forms of compensation
- e. Selection for training, including apprenticeship

The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.
4. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
7. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

8. The contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: *Provided*, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

CONTRACT WORK HOURS AND SAFETY STANDARDS ACT

1. *Overtime requirements.* No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
2. *Violation; liability for unpaid wages; liquidated damages.* In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of \$27 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.
3. *Withholding for unpaid wages and liquidated damages.* (GRANT RECIPIENT OR SUBRECIPIENT) shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.
4. *Subcontracts.* The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

CLEAN AIR ACT AND THE FEDERAL WATER POLLUTION CONTROL ACT

Clean Air Act

1. The contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. § 7401 et seq.
2. The contractor agrees to report each violation to (APPLICANT NAME) and understands and agrees that (APPLICANT NAME) will, in turn, report each violation as required to assure

notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

Federal Water Pollution Control Act

1. The contractor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 et seq.
2. The contractor agrees to report each violation to (APPLICANT NAME) and understands and agrees that (APPLICANT NAME) will, in turn, report each violation as required to assure notification to the Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.
3. The contractor agrees to include these requirements in each subcontract exceeding \$150,000 financed in whole or in part with Federal assistance provided by FEMA.

DEBARMENT AND SUSPENSION

1. This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such, the contractor is required to verify that none of the contractor's principals (defined at 2 C.F.R. § 180.995) or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
2. The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, and must include a requirement to comply with these regulations in any lower tier covered transaction it enters.
3. This certification is a material representation of fact relied upon by the Owner. If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Owner, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
4. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

BYRD ANTI-LOBBYING AMENDMENT

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the awarding agency.

PROCUREMENT OF RECOVERED MATERIALS

1. In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA-designated items unless the product cannot be acquired -
 - a. Competitively within a timeframe providing for compliance with the contract performance schedule
 - b. Meeting contract performance requirements; or
 - c. At a reasonable price.
2. Information about this requirement, along with the list of EPA- designated items, is available at EPA's Comprehensive Procurement Guidelines web site, <https://www.epa.gov/smm/comprehensive-procurement-guideline-cpg-program>.
3. The Contractor also agrees to comply with all other applicable requirements of Section 6002 of the Solid Waste Disposal Act.

ACCESS TO RECORDS

1. The Contractor agrees to provide (APPLICANT NAME), (PASS THROUGH ENTITY NAME), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions.
2. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed.
3. The Contractor agrees to provide the FEMA Administrator or his authorized representatives access to construction or other work sites pertaining to the work being completed under the contract.
4. In compliance with the Disaster Recovery Act of 2018, the applicant and the Contractor acknowledge and agree that no language in this contract is intended to prohibit audits or internal reviews by the FEMA Administrator or the Comptroller General of the United States.

DHS SEAL, LOGO, AND FLAGS

“The contractor shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre-approval.”

COMPLIANCE WITH FEDERAL LAW, REGULATIONS, AND EXECUTIVE ORDERS

“This is an acknowledgement that FEMA financial assistance will be used to fund all or a portion of the contract. The contractor will comply with all applicable Federal law, regulations, executive orders, FEMA policies, procedures, and directives.”

NO OBLIGATION BY FEDERAL GOVERNMENT

“The Federal Government is not a party to this contract and is not subject to any obligations or liabilities to the non-Federal entity, contractor, or any other party pertaining to any matter resulting from the contract.”

PROGRAM FRAUD AND FALSE OR FRAUDULENT STATEMENTS OR RELATED ACTS

“The Contractor acknowledges that 31 U.S.C. Chap. 38 (Administrative Remedies for False Claims and Statements) applies to the Contractor’s actions pertaining to this contract.”

PROHIBITION ON CONTRACTING FOR COVERED TELECOMMUNICATIONS EQUIPMENT OR SERVICES

Prohibitions

1. Section 889(b) of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232, and 2 C.F.R. § 200.216 prohibit the head of an executive agency on or after Aug.13, 2020, from obligating or expending grant, cooperative agreement, loan, or loan guarantee funds on certain telecommunications products or from certain entities for national security reasons.
2. Unless an exception in the following section of this clause applies, the contractor and its subcontractors may not use grant, cooperative agreement, loan, or loan guarantee funds from the Federal Emergency Management Agency to:
 - i) Procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - ii) Enter into, extend, or renew a contract to procure or obtain any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology of any system;
 - iii) Enter into, extend, or renew contracts with entities that use covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system; or
 - iv) Provide, as part of its performance of this contract, subcontract, or other contractual instrument, any equipment, system, or service that uses covered telecommunications

equipment or services as a substantial or essential component of any system, or as critical technology as part of any system.

Exceptions

1. This clause does not prohibit contractors from providing—
 - i) A service that connects to the facilities of a third-party, such as backhaul, roaming, or interconnection arrangements; or
 - ii) Telecommunications equipment that cannot route or redirect user data traffic or permit visibility into any user data or packets that such equipment transmits or otherwise handles.
2. By necessary implication and regulation, the prohibitions also do not apply to:
 - i) Covered telecommunications equipment or services that:
 - a. Are not used as a substantial or essential component of any system; and
 - b. Are not used as critical technology of any system.
 - ii) Other telecommunications equipment or services that are not considered covered telecommunications equipment or services.

Reporting requirement

1. In the event the contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during contract performance, or the contractor is notified of such by a subcontractor at any tier or by any other source, the contractor shall report the information in the following paragraph of this clause to the recipient or subrecipient, unless elsewhere in this contract are established procedures for reporting the information.
2. The Contractor shall report the following information pursuant to the preceding paragraph of this clause:
 - i) Within one business day from the date of such identification or notification: The contract number; the order number(s), if applicable; supplier name; supplier unique entity identifier (if known); supplier Commercial and Government Entity (CAGE) code (if known); brand; model number (original equipment manufacturer number, manufacturer part number, or wholesaler number); item description; and any readily available information about mitigation actions undertaken or recommended.
 - ii) Within 10 business days of submitting the information in paragraph (C)(b)(i) of this clause: Any further available information about mitigation actions undertaken or recommended. In addition, the contractor shall describe the efforts it undertook to prevent use or submission of covered telecommunications equipment or services, and any additional efforts that will be incorporated to prevent future use or submission of covered telecommunications equipment or services.

Subcontracts

1. The contractor shall insert the substance of this clause, including this paragraph, in all subcontracts and other contractual instruments.

TERMINATION FOR CAUSE

**CLAUSE MUST BE INCLUDED THAT IS PURSUANT TO APPLICABLE LOCAL POLICIES/PROCEDURES

NOT APPLICABLE TO PUBLIC ASSISTANCE

DAVIS-BACON ACT

1. All transactions regarding this contract shall be done in compliance with the Davis-Bacon Act (40 U.S.C. 3141- 3144, and 3146-3148) and the requirements of 29 C.F.R. pt. 5 as may be applicable. The contractor shall comply with 40 U.S.C. 3141-3144, and 3146-3148 and the requirements of 29 C.F.R. pt. 5 as applicable.
2. Contractors are required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor.
3. Contractors are required to pay wages not less than once a week.

COPELAND ANTI-KICKBACK ACT

1. The contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.
2. The contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as FEMA may by appropriate instructions require, and a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all these contract clauses.
3. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.”

SUBJECT: OPEN SPACE AND PARKS SALES TAX EXTENSION BALLOT QUESTION

DATE: JUNE 20, 2023

PRESENTED BY: JEFFREY L DURBIN, CITY MANAGER

SUMMARY:

On February 21, 2023 City Council established an Open Space and Parks Tax Task Force to examine whether voters should be asked to approve an extension of the Open Space and Parks sales tax and, if so, whether there should be any changes to the sales tax rate or authorized uses of such revenues.

The Task Force met March 13, March 20, April 3 and May 15.

The Task Force also worked with Magellan Strategies to complete a poll to inform their recommendation.

Very early in their discussions, it became clear that there is strong consensus that this tax provides critical funding for open space and parks and renewal of the tax is extremely important in maintaining our operations.

RECOMMENDATION:

Staff is seeking direction from City Council in regards to bringing back an ordinance for consideration seeking the ballot language.

The Task Force recommends the following question:

SHALL THE CITY OF LOUISVILLE TAXES BE INCREASED \$1,500,000 IN THE FIRST FULL FISCAL YEAR AND BY SUCH AMOUNTS AS MAY BE GENERATED ANNUALLY THEREAFTER, BEGINNING JANUARY 1, 2024 AND AUTOMATICALLY EXPIRING AFTER TEN YEARS, BY THE IMPOSITION OF AN ADDITIONAL .125 PERCENT SALES TAX TO BE USED SOLELY TO MAINTAIN, IMPROVE, MITIGATE WILDFIRES, AND ACQUIRE OPEN SPACE; AND SHALL THE CURRENT .375 PERCENT SALES TAX APPROVED BY THE VOTERS IN 2012 FOR OPEN SPACE AND PARKS PURPOSES BE EXTENDED FROM ITS CURRENT EXPIRATION DATE OF DECEMBER 31, 2023 FOR AN ADDITIONAL TEN YEARS, TO BE USED FOR THE SAME PURPOSES PREVIOUSLY APPROVED; AND SHALL SUCH ALL SALES TAX REVENUES BE COLLECTED, RETAINED, AND SPENT AS A VOTER-APPROVED REVENUE CHANGE UNDER ARTICLE X, SECTION 20 OF THE COLORADO CONSTITUTION OR ANY OTHER LAW?

SUBJECT: OPEN SPACE AND PARKS BALLOT QUESTION

DATE: JUNE 20, 2023

PAGE 2 OF 2

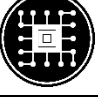

The first reading would be July 11, 2023 and the second reading is scheduled for July 25, 2023.

As we enter the budget process, staff will be recommending establishment of an open space acquisition reserve.

City of Louisville Parks and Open Space Ballot Measure Survey

April 20th – May 4th, 2023

Methodology

Magellan Strategies are pleased to present the results of an online survey of 802 residents of Louisville, Colorado. The interviews were conducted from April 20th – May 4th, 2023.

The overall survey responses have a margin of error of +/- 3.38% at the 95% confidence interval. Population subgroups will have a higher margin of error than the overall sample.

The survey results were weighted to be representative of odd-year voting demographics in the City of Louisville.

Before we continue, it is important to understand that the City has not determined the specifics of a ballot measure that will be placed on the November ballot regarding funding for parks, trails, and open space.

However, your participation in this survey and sharing your honest opinions will influence those decisions. So, let's continue the survey now...

Louisville Parks, Trails, Open Space, and Land Acquisition Ballot Measure

As you may know, in 2002, Louisville voters approved a 0.375% sales tax increase to create a dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. In 2012, voters approved an extension of this tax for another 10 years, and the tax expires at the end of 2023.

The City is considering a ballot measure asking voters to approve or reject another 10-year extension of the tax. The 0.375% sales tax generates \$2.85 million annually and costs a consumer 3.75 cents on a \$10 purchase of taxable items.

If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million dedicated funding source for the maintenance of parks, trails, open space, and land acquisition?

If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million dedicated funding source for the maintenance of parks, trails, open space, and land acquisition?

City of Louisville Parks and Open Space Ballot Measure Survey, April 2023, 802n, +/- 3.38 MoE

17
13

We will now share information about the Parks and Open Space Divisions and why the City will be placing a ballot measure before voters this November. The ballot measure may ask for voters to approve an extension of the 0.375% sales tax to generate \$2.85 million in annual funding for the maintenance of parks, trails, open space, and land acquisition.

After reading/hearing the information, please indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started...

City of Louisville Parks and Open Space Sales Tax Extension Facts and Information

Ranked By Total Much More Likely to Support

If the 0.375% dedicated parks and open space sales tax is not extended, the City must dramatically reduce the operational costs of the Parks and Open Space Divisions. This would result in less mowing, wildfire mitigation, and reduced trail, park, and open space maintenance.

The 0.375% sales tax revenue pays for 60% of the Parks Division's operational costs and 100% of the Open Space Division's operational costs. These costs include maintenance, capital projects, equipment, staff, and management work associated with parks and open spaces.

City of Louisville Parks and Open Space Sales Tax Extension Facts and Information

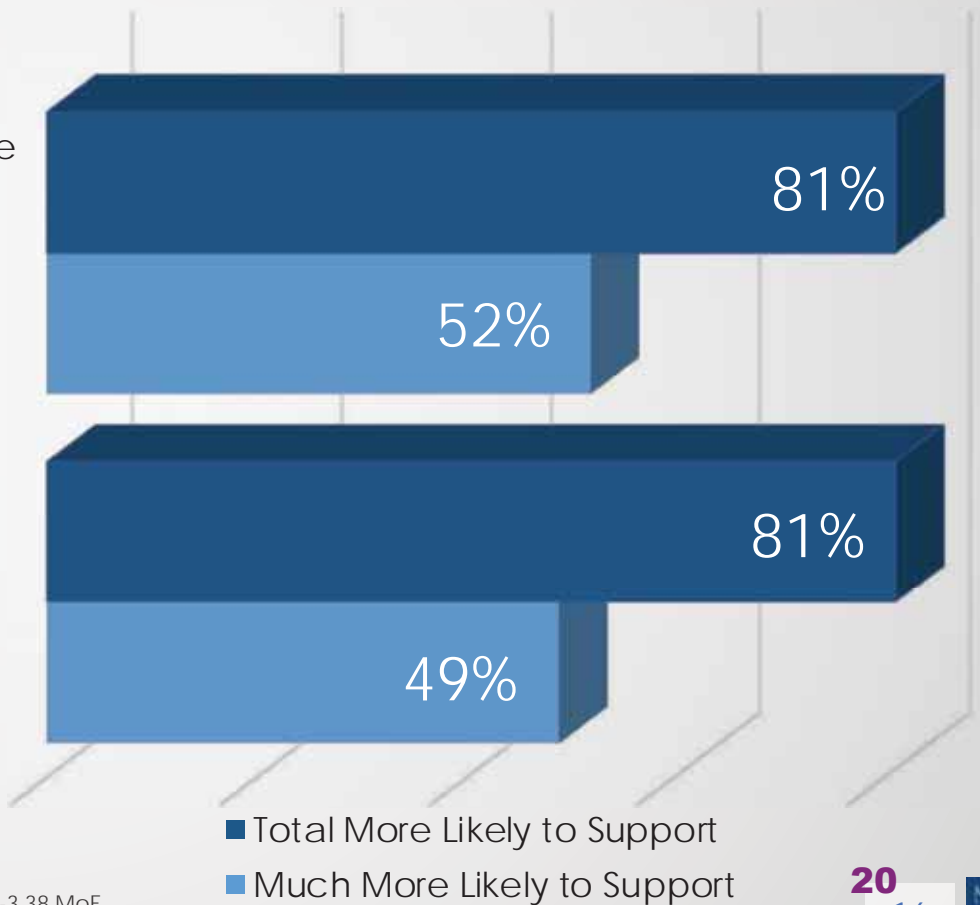

Ranked By Total Much More Likely to Support

The Open Space Division is responsible for maintaining approximately 2,000 acres of open lands that the City owns or has an interest in, plus 20 miles of trails. These lands provide recreational opportunities for residents and visitors, support diverse wildlife and plant communities, and create visual buffers between Louisville and neighboring municipalities.

The Parks Division is responsible for maintaining and operating 37 parks, 16 playgrounds, 7 basketball courts, 14 athletic fields, 11 Tennis courts, 5 pickleball courts, and a multipurpose in-line skating rink.

In addition, they manage the City's forestry (including the Arboretum & 10,000 trees throughout the City), skate park, street medians, and streetscapes, right-of-way landscape maintenance, 70 neighborhood entrance areas, and over 10 miles of street landscaping maintenance.

The Parks Division also manages 10 miles of trails and all public horticulture areas, including all downtown flower beds, trees, and the Louisville Cemetery.

City of Louisville Parks and Open Space Sales Tax Extension Facts and Information

Ranked By Total Much More Likely to Support

Since 2002, revenue from the 0.375% sales tax has helped fund the acquisition of Mayhoffer, Hecla and Bullhead Gulch Open Spaces.

INFORMED
Ballot Measure

Thank you for learning why the City is placing a ballot measure on the November ballot. As a reminder, the ballot measure may ask voters to approve or reject a 0.375% sales tax extension for 10 years to continue generating a \$2.85 million annual dedicated funding source for the maintenance of parks, trails, open space, and land acquisition.

A 0.375% sales tax extension would cost a consumer 3.75 on a \$10 purchase of taxable items.

Themes
Improved Quality of Life
Consider Parks and Open Space to be Important

“Open space and parks are a very important part of my life here in Louisville. Their importance to the city and wide availability were a huge factor in our deciding to move to Louisville in fact. From walking, running and biking to bird watching, I can't imagine my life in Louisville with out access to such amazing trails, parks and open spaces.”

-Female, 18-34, Democrat, Less 2 Years, Ward 1

“I have two small children; we play on multiple playgrounds in our neighborhood. We go for nature walks in the open space next to our home. That nature access is invaluable for the children.”

-Female, 45-54, Democrat, 2-5 Years, Ward 3

“Maintenance of open space and other outdoor facilities is critical to the unique and attractive environment of Louisville. I had no idea of the large scope of what needs to be maintained and improved, so that's why I wholeheartedly support this initiative.”

-Female, 55-64, Unaffiliated, 15-20 Years, Ward 2

“Maintaining open space & city parks to the citizens of Louisville is very important to me as a homeowner & voter.”

-Male, 55-64, Republican, 15-20 Years, Ward 1

“Parks and open space are a critical part of our local ecosystems, and a major reason why many people decide to call Louisville home.

Maintaining these spaces for their sustainability, usability safety is critical to ensure long term community support.”

-Male, 35-44, Unaffiliated, 2-5 Years, Ward 3

Why 12% of Respondents Would Vote No

Please describe the reasons why you would vote no and reject the ballot measure.

Themes

Don't Agree with How Money is Spent

Taxes Too High Already

Don't See Need for More Open Space

"No need to buy more open space. Need better management and less waste of available funds. Overall taxes are far too high." **-Male, 65+, Republican, 20+ Years, Ward 3**

"Without a promise of more maintenance and fire mitigation and little or no new acquisitions of property, I am likely to vote no. We do a poor job of maintenance and fire mitigation. We have PLENTY of Open Space land...the focus needs to shift to access and maintenance...with greater funding for parks and no more money for new property acquisition." **-Male, 65+, Democrat, 20+ Years, Ward 2**

"We don't need all of the open space. The city does a very poor job of maintaining it and wastes tax \$\$\$. We are getting taxed to death. If they can't properly maintain the open space then they should sell it." **-Female, 55-64, Unaffiliated, 20+ Years, Ward 1**

"Our city tax is already too high (one of the highest) and the city has been fighting new businesses from coming in, which could also increase sales tax revenue." **-Male, 45-54, Unaffiliated, 10-15 years, Ward 3**

If you had to choose, do you lean more towards voting yes and approving the ballot measure, or do you lean more towards voting no and rejecting it?
[Asked only to 34 respondents who were Undecided]

■ Lean Yes, Approve ■ Lean No, Reject ■ Undecided

Voter Opinion of Longer-Term Funding Options

Parks and Open Space are amenities that require long-term funding. Therefore, the City is considering asking voters to approve extending the 0.375% sales tax dedicated for Parks and Open Space for more than 10 years. Please indicate your level of support or opposition to extending the 0.375% sales tax for the following time periods:

Time Period	Total Support	Total Oppose	Definitely Support	Probably Support	Probably Oppose	Definitely Oppose	Undecided
A 15-Year Extension	75%	19%	52%	23%	6%	13%	6%
A 20-Year Extension	65%	25%	42%	23%	8%	17%	10%
Make it a Continuing Tax	61%	28%	40%	21%	8%	20%	11%

Again, because Parks and Open Space are amenities that require long-term funding, the City is considering a ballot measure that would increase the tax by 0.125% to raise an additional \$950,000 for the maintenance of parks, trails, open space, and land acquisition.

This additional funding would be used for maintaining existing parks, maintaining Open Space, trails, and future open space or park land acquisition. This may include more frequent playground replacement, trail development, natural resource management and education, addressing deferred maintenance issues and aging infrastructure, and the rising cost of materials and labor.

Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years?

0.5% Sales Tax Ballot Test

Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years?

City of Louisville Parks and Open Space Ballot Measure Survey Topline Results

Magellan Strategies is pleased to present the topline results of an online survey of 802 registered voters in the City of Louisville, Colorado. The interviews were conducted from April 20th to May 4th, 2023. This survey has a margin of error of +/- 3.38% at the 95 percent confidence interval. The survey data were weighted to be representative of voter turnout demographics in the City of Louisville for an odd-year November election.

T1. For statistical purposes, could you verify that you are registered to vote in the City of Louisville, Colorado?

Yes..... 100%

T2. How likely are you to vote in a local ballot measure election this November regarding an extension of Louisville’s sales tax for parks and open space? Are you:

Extremely Likely..... 78%
Very Likely..... 14%
Somewhat Likely..... 5%
Unlikely to Vote..... 3%

T3. How familiar are you with the parks, playgrounds, trails, and open spaces managed by Louisville’s Parks and Open Space Divisions? Are you:

Very Familiar 63%
Somewhat Familiar 32%
Not Too Familiar 4%
Not Familiar at All..... 1%

T4. Do you approve or disapprove of the job the Louisville Parks Division is doing managing the City's parks and playgrounds?

Total Approve	85%
Total Disapprove.....	8%
Unsure/No Opinion	7%
Strongly Approve	44%
Somewhat Approve.....	41%
Strongly Disapprove.....	3%
Somewhat Disapprove	5%

T5. Do you approve or disapprove of the job the Louisville Open Space Division is doing managing the City's open spaces and trails?

Total Approve	82%
Total Disapprove.....	12%
Unsure/No Opinion	6%
Strongly Approve	43%
Somewhat Approve.....	39%
Strongly Disapprove.....	5%
Somewhat Disapprove	7%

T6. As you may know, the City of Louisville owns or has an interest in roughly 2,000 acres of open space, which is approximately 40% of the land within city limits. Do you think this is:

Too Much Open Space	5%
About the Right Amount of Open Space.....	60%
Not Enough Open Space.....	31%
Unsure/No Opinion	4%

77. Please indicate how important the following Parks and Open Space Division responsibilities and functions are:

	<i>Total Imp.</i>	<i>Total Not Imp.</i>	<i>Very Important</i>	<i>Somewhat Important</i>	<i>Not Too Important</i>	<i>Not Important at All</i>	<i>No Opinion</i>
Open space/trails maintenance and operations	97%	3%	75%	22%	2%	1%	0%
Fire mitigation activities on City land	95%	5%	73%	22%	4%	1%	0%
Parks/playground maintenance and operations	95%	4%	66%	29%	3%	1%	1%
Natural environment and habitat restoration	88%	11%	61%	27%	9%	2%	1%
Open space land acquisitions	72%	26%	39%	33%	18%	8%	2%
New parks and open Space capital/building projects	70%	27%	27%	43%	21%	6%	3%

78. Do you agree or disagree with the following statement? "The City of Louisville is fiscally responsible and spends taxpayer money wisely."

Total Agree	67%
Total Disagree.....	19%
Unsure/No Opinion	14%
Strongly Agree.....	26%
Somewhat Agree	41%
Strongly Disagree.....	8%
Somewhat Disagree	11%

Before we continue, it is important to understand that the City has not determined the specifics of a ballot measure that will be placed on the November ballot regarding funding for parks, trails, and open space. However, your participation in this survey and sharing your honest opinions will influence those decisions. So, let's continue the survey now....

T9. As you may know, in 2002, Louisville voters approved a 0.375% sales tax increase to create a dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. In 2012, voters approved an extension of this tax for another 10 years, and the tax expires at the end of 2023.

The City is considering a ballot measure asking voters to approve or reject another 10-year extension of the tax. The 0.375% sales tax generates \$2.85 million annually and costs a consumer 3.75 cents on a \$10 purchase of taxable items.

If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million dedicated funding source for the maintenance of parks, trails, open space, and land acquisition?

Total Vote Yes, Approve.....	82%
Total Vote No, Reject.....	14%
Undecided	4%
Definitely Vote Yes, Approve	59%
Probably Vote Yes, Approve.....	23%
Definitely Vote No, Reject	7%
Probably Vote No, Reject.....	7%

We will now share information about the Parks and Open Space Divisions and why the City will be placing a ballot measure before voters this November. The ballot measure may ask for voters to approve an extension of the 0.375% sales tax to generate \$2.85 million in annual funding for the maintenance of parks, trails, open space, and land acquisition. After reading/hearing the information, please indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started...

T10. The Parks Division is responsible for maintaining and operating 37 parks, 16 playgrounds, 7 basketball courts, 14 athletic fields, 11 Tennis courts, 5 pickleball courts, and a multipurpose in-line skating rink.

In addition, they manage the City's forestry (including the Arboretum & 10,000 trees throughout the City), skate park, street medians, and streetscapes, right-of-way landscape maintenance, 70 neighborhood entrance areas, and over 10 miles of street landscaping maintenance.

The Parks Division also manages 10 miles of trails and all public horticulture areas, including all downtown flower beds, trees, and the Louisville Cemetery. Knowing this information are you:

Total More Likely to Vote Yes, Approve 81%
Total More Likely to Vote No, Reject 10%
No Difference in Opinion 9%

Much More Likely to Vote Yes, Approve 49%
Somewhat More Likely to Vote Yes, Approve 32%

Much More Likely to Vote No, Reject 4%
Somewhat More Likely to Vote No, Reject 6%

T11. The Open Space Division is responsible for maintaining approximately 2,000 acres of open lands that the City owns or has an interest in, plus 20 miles of trails. These lands provide recreational opportunities for residents and visitors, support diverse wildlife and plant communities, and create visual buffers between Louisville and neighboring municipalities. Knowing this, are you:

Total More Likely to Vote Yes, Approve 81%
Total More Likely to Vote No, Reject 9%
No Difference in Opinion 10%

Much More Likely to Vote Yes, Approve 52%
Somewhat More Likely to Vote Yes, Approve 29%

Much More Likely to Vote No, Reject 5%
Somewhat More Likely to Vote No, Reject 5%

T12. The 0.375% sales tax revenue pays for 60% of the Parks Division’s operational costs, and 100% of the Open Space Division’s operational costs. These costs include maintenance, capital projects, equipment, staff, and management work associated with parks and open spaces. Knowing this, are you:

Total More Likely to Vote Yes, Approve 79%
Total More Likely to Vote No, Reject 11%
No Difference in Opinion 10%

Much More Likely to Vote Yes, Approve 53%
Somewhat More Likely to Vote Yes, Approve 26%

Much More Likely to Vote No, Reject 5%
Somewhat More Likely to Vote No, Reject 6%

T13. If the 0.375% dedicated parks and open space sales tax is not extended, the City must dramatically reduce the operational costs of the Parks and Open Space Divisions. This would result in less mowing, wildfire mitigation, and reduced trail, park, and open space maintenance. Knowing this, are you:

Total More Likely to Vote Yes, Approve85%
Total More Likely to Vote No, Reject9%
No Difference in Opinion6%

Much More Likely to Vote Yes, Approve68%
Somewhat More Likely to Vote Yes, Approve.....17%

Much More Likely to Vote No, Reject4%
Somewhat More Likely to Vote No, Reject.....5%

T14. Since 2002, revenue from the 0.375% sales tax has helped fund the acquisition of Mayhoffer, Hecla and Bullhead Gulch Open Spaces. Knowing this, are you:

Total More Likely to Vote Yes, Approve73%
Total More Likely to Vote No, Reject14%
No Difference in Opinion13%

Much More Likely to Vote Yes, Approve48%
Somewhat More Likely to Vote Yes, Approve.....25%

Much More Likely to Vote No, Reject7%
Somewhat More Likely to Vote No, Reject.....7%

T15. Thank you for learning why the City is placing a ballot measure on the November ballot. As a reminder, the ballot measure may ask voters to approve or reject a 0.375% sales tax extension for 10 years to continue generating a \$2.85 million annual dedicated funding source for the maintenance of parks, trails, open space, and land acquisition.

A 0.375% sales tax extension would cost a consumer 3.75 cents on a \$10 purchase of taxable items.

If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million annual dedicated funding source for the annual maintenance of parks, trails, open space, and land acquisition?

Total Vote Yes, Approve.....84%
Total Vote No, Reject.....12%
Undecided.....4%

Definitely Vote Yes, Approve.....64%
Probably Vote Yes, Approve.....20%

Definitely Vote No, Reject.....7%
Probably Vote No, Reject.....5%

T16. Please describe the reasons why you would vote yes and approve the ballot measure.

**Verbatim responses are in a separate document.*

T17. Please describe the reasons why you would vote no and reject the ballot measure.

**Verbatim responses are in a separate document.*

T18. If you had to choose, do you lean more towards voting yes and approving the ballot measure, or do you lean more towards voting no and rejecting it? [Asked only to 34 respondents who were Undecided on T15]

Lean Toward Voting Yes, Approve.....15%
Lean Toward Voting No, Reject.....15%
Undecided.....70%

Thank you for sharing your thoughts and opinions regarding this ballot measure. You are almost done with the survey. We just have a few more questions to ask.

T19. Parks and Open Space are amenities that require long-term funding. Therefore, the City is considering asking voters to approve extending the 0.375% sales tax dedicated for Parks and Open Space for more than 10 years.

Please indicate your level of support or opposition to extending the 0.375% sales tax for the following time periods:

	<i>Total Support</i>	<i>Total Oppose</i>	<i>Def. Support</i>	<i>Prob. Support</i>	<i>Prob. Oppose</i>	<i>Def. Oppose</i>	<i>Undecided</i>
A 15-Year Extension	75%	19%	52%	23%	6%	13%	6%
A 20-Year Extension	65%	25%	42%	23%	8%	17%	10%
Make it a Continuing Tax	61%	28%	40%	21%	8%	20%	11%

T20. Again, because Parks and Open Space are amenities that require long-term funding, the City is considering a ballot measure that would increase the tax by 0.125% to raise an additional \$950,000 for the maintenance of parks, trails, open space, and land acquisition.

This additional funding would be used for maintaining existing parks, maintaining Open Space, trails, and future open space or park land acquisition. This may include more frequent playground replacement, trail development, natural resource management and education, addressing deferred maintenance issues and aging infrastructure, and the rising cost of materials and labor.

Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years?

Total Vote Yes, Approve..... 64%
 Total Vote No, Reject..... 25%
 Undecided 11%

Ward 2.....	33%
Ward 1.....	30%
Prefer Not to Say	1%

Survey Methodology

The data collection methods for this survey included MMS text survey invitation messages to voter cell phone numbers, emails from the city to residents, social media, and the posting of a link on the city’s website. The survey response data was weighted to reflect the voter turnout demographics for an odd-year November election in the City of Louisville. The interviews were conducted from April 20th – May 4th, 2023. This survey has a margin of error of +/- 3.38% at the 95 percent confidence interval.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	35-44	D	10-15y	1	I love our trails and parks, and our family uses them regularly. I am happy to pay more taxes to maintain and improve what we have.
F	35-44	D	10-15y	1	I enjoy the trails, open space, parks, on a regular basis. I'm also concerned about wildfire mitigation.
F	35-44	D	10-15y	1	The city of Louisville needs more parks and open space. Why does every other town have pump track? Our skate park is old and out dated. We need a new skate park. Parks and open space are vital to our community. We need to improve and increase the number of recreational options for our community.
M	35-44	D	10-15y	1	Having parks, trails maintained is good for the mental and physical wellbeing of residents. Having the necessary resources for wildfire mitigation is extremely important for the safety of the residents.
F	45-54	D	10-15y	1	The public parks, trails and open spaces are vital to our community.
F	45-54	D	10-15y	1	Parks and open spaces are good things for everyone!
F	45-54	D	10-15y	1	We will support Whatever it takes to ensure the city can be competitive purchasing any available land to convert to open space and prevent further building development in LSV
U	45-54	D	10-15y	1	Keep open space open— need to focus on redeveloping existing unused business parks — Lowe's, the old Sams Club — etc and NOT approve big buildings on the edges of wildfire habits. Boulder is now way out of control with buildings and we need to use the spaces we already have — the alfalfas parking lot, the Lowe's, the m old hobby lobby are all underutilized land — use that not open space!!
F	65+	D	10-15y	1	We back onto open space. It is invaluable to us. We want to do everything we can to protect our open space. Fire mitigation is also uppermost in our minds after December 30th.
F	65+	D	10-15y	1	We should support those things.
M	65+	D	10-15y	1	I really enjoy the open spaces around Louisville, and to a lesser extent, the parks. And I think it improves the quality of life here and thus increases property values. And I would really like to see the remaining open land around town turned into open space instead of being developed. In the 13 years I've lived here, things have unfortunately gotten really built up.
F	35-44	U	10-15y	1	For continued maintenance of parks and open space
M	45-54	U	10-15y	1	Natural spaces provide a lot value by enhancing a community's wellbeing, which directly impacts tax revenue.
F	45-54	D	15-20y	1	I love my Louisville Parks & Open Space!
F	45-54	D	15-20y	1	I use our open space every day and it is critical to our quality of life in Loyisville.
F	45-54	D	15-20y	1	Open space and parks are one of the few places that can actually help people stay sane in this f!@\$% up society that continues to move in the wrong direction. Nature helps to calm a persons mind and soul. We need more nature and FEWER new residential and commercial developments. Reuse/Remodel empty buildings. And....on another note.....would it be possible to make throwing cigarettes out of a vehicle window illegal and post signs with fines along roadways?? I fear one will start another Marshall. I hope you can pass that last bit on for me....Thank you!!!!!!

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	45-54	D	15-20y	1	Open spaces are to maintaining the soul of the town
F	55-64	D	15-20y	1	Open spaces and green spaces, and by extension their upkeep, are critical to a healthy community in so many ways.
M	55-64	D	15-20y	1	Vibrant and well curated public spaces such as open space, parks, and playgrounds drive value into the community and elevate Louisville as a primary choice of high quality living.
F	65+	D	15-20y	1	Being in this beautiful and magnificent place we naturally are drawn to nourishing and recognizing it, as it is also ourselves that we are recognizing and nourishing.
F	65+	D	15-20y	1	I support and use open space.
F	65+	D	15-20y	1	We enjoy the open spaces & playgrounds
M	65+	D	15-20y	1	I like open space period.
M	55-64	R	15-20y	1	Maintaining open space & city parks to the citizens of Louisville is very important to me as a homeowner & voter
F	45-54	U	15-20y	1	Keep bike trails open Keep noxious weeds at bay Cut dead cottonwood trees down Create more bike walking trails to full connect each other Do better job with weed mitigation in open space. Noxious weeds tend to creep into homeowner landscaping Also enforce/advise a "do not feed squirrels and geese" Maintenance on tennis courts improvements needed
M	45-54	U	15-20y	1	Parks and open space are a critical part of Louisville and our choice to live here. The fact that these are so dependent on sunseting sales tax provision actually makes me question the competence of city leadership.
M	45-54	U	15-20y	1	I like what you have done so far.
F	55-64	U	15-20y	1	Open space is why we moved here. North end old town, little Italy is about to be destroyed. It is a treasure as is all open space. More is needed, less encroachment on open space. Land that is undeveloped is going away, and that is very very disappointing and sad. When I told my 9 yo grandson, he cried. Not the question you asked, but I also am adamantly against the spraying of pesticides in our town, I don't want my money to pay for that.
F	55-64	U	15-20y	1	Healthy spaces, nature, environment ties to healthy minds (mental health), bodies (physical health), healthy populations.... Nature within easy reach provides oportunity for solace, healing, discovery, models natural sustenance, wisdom... society would benefit from all of this
M	55-64	U	15-20y	1	I use a lot of the parks. Having outdoor parks and trails make it a more desirable place to live.
M	65+	U	15-20y	1	Keep city open and beautiful with nice parks and trails
F	18-34	D	2-5y	1	I value our city's parks and know the money to maintain them needs to come from somewhere.
F	35-44	D	2-5y	1	I like parks and open spaces
F	35-44	D	2-5y	1	I would vote yes because I do think parks and open space are important. I think the city should focus less on acquiring new open space and more on middle income housing and fire restoration.
M	35-44	D	2-5y	1	Continue to support operational budget for current services (mowing, fire mitigation, trail maintenance, etc) and possibility to acquire more open square land

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	35-44	D	2-5y	1	Open spaces are extremely important and the tax is critical to maintaining the budget that supports open space and trails and playgrounds
F	45-54	D	2-5y	1	Open spaces are important to me.
M	45-54	D	2-5y	1	I use and value the parks and open spaces. They improve the livability and health of the community.
M	45-54	D	2-5y	1	Parks and Rec areas are a big reason why we choose to live in Louisville
M	45-54	D	2-5y	1	This is an existing tax and we enjoy the parks and trails and do not want to see them fall into disrepair
F	55-64	D	2-5y	1	We enjoy have open space and parks for walking our dogs, especially off-leash areas where our and others' dogs can have freedom to roam. There's wonderful friendliness and camaraderie at these open-space parks that is important for people's quality of life in Louisville. Likewise having an abundance of open space and trails makes Louisville special and a desirable place to live. We also enjoy having nearby neighborhood playgrounds for our grandchildren.
F	65+	D	2-5y	1	I come from Silicon Valley in California, where the choice to pursue development over open space became a foregone conclusion. I objected to this, and finally decided to move away from the area in which I grew up and where I went to school, as well as settled as an adult. A prime consideration in choosing to live in Louisville has been its determination to keep as much of its land available as open space as possible, and preserving the character of Louisville over choosing widespread commercial development. I have been encouraged by and supportive of the way Louisville has worked to deter massive development in the Redtail Ridge area, opposing what has been an overwhelming push by Brue Baukol to develop that area according to its designs despite the fact Louisville voters have indicated through the ballot and through their voices that what Brue Baukol wanted to do wasn't in accord with our community's wishes.
F	65+	D	2-5y	1	All of the areas that are funded now need to continue and grow increased opportunities for the community
F	65+	D	2-5y	1	I enjoy all the parks and open spaces in Louisville.
M	65+	D	2-5y	1	Believe open space and parks are very important
M	65+	D	2-5y	1	Let's keep a good thing going. I especially like the maintenance of the tennis courts, which I use regularly.
M	65+	D	2-5y	1	Because it's fundamental to a well managed city and natural environment. An solid investment in the community.
U	65+	D	2-5y	1	Lived in Boulder for decades before moving. Used trails & parks everywhere & loved them all. Appreciate this takes \$
F	18-34	U	2-5y	1	Cottonwood Park and Louisville Rex Center specifically but the city is doing a great job all around. I would even vote yes on a tax increase to improve maintenance on the park (our zip line has barely operated at all) and the ice skating rink at the rec center.
F	65+	U	2-5y	1	It is good for the city of louisville
F	65+	U	2-5y	1	Open spaces are in danger, especially in the state. It is important to keep what we have.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	35-44	D	20+y	1	Louisville does not need to acquire or designate more open space. We need to maintain what we currently have which was not done responsibly previously. I backed up to open space and lost my home in the Marshall fire. The brush behind my home was not tended to at all . I do not want more open space. I want to maintain what we have better.
F	45-54	D	20+y	1	I value open space and parks. I would like to see more xeriscaped areas, for example the street medians should not have vegetation that needs to be mowed or watered regularly. Thanks for all you do!
M	45-54	D	20+y	1	I love open space
M	45-54	D	20+y	1	Open space is one of the most important and in peril of being lost on the front range. Once these areas are lost or overly neglected, they are difficult to re incorporate.
M	45-54	D	20+y	1	The more open space we have, the better quality of life we have in Louisville and the more our houses are worth
M	45-54	D	20+y	1	I use the trails and open spaces frequently.
F	55-64	D	20+y	1	Open spaces areas are a treasure to behold, that all residents should have to enjoy, recreate, and exercise in. All are needed for physical and mental health!
F	55-64	D	20+y	1	I am 100% for the tax to maintain and improvements of our existing parks and ope spaces. Not so much for purchasing additional land.
F	55-64	D	20+y	1	I love our parks and open space. However, we need more restrictions in place as it is getting loved to death. Too many social trails with too many dogs off leash affecting our nesting birds and local wildlife corridors.
F	55-64	D	20+y	1	Crucial needs for open space growth and more care. Desperately need more open space active care such as mowing near residential areas though for fire mitigation. Would like to partner with open space to plant more trees. I would pay for monthly mowing of my fenceline next to open space. I would also pay more in taxes based on purchasrs for the overall parks/recreation/open space efforts.
F	55-64	D	20+y	1	We use the open space almost every single day for biking and hiking. We love our natural spaces within town and highly value them for exercise, for their natural beauty and as habitats for our wild critters. Thank you, Louisville, for caring for our parks and open space.
M	55-64	D	20+y	1	Hesitant because too little being spent on open Space.
F	65+	D	20+y	1	Louisville's open space is a treasure, and it must be valued and enhanced as a top priority. It's what makes Louisville the special place that we all cherish.
F	65+	D	20+y	1	To continue to have open space for wildlife habitat.
F	65+	D	20+y	1	Parks and open space are essential to the quality of life we Louisville citizens enjoy. It is vital that we continue to support the maintenance of our current programs as well as expand and improve programs moving forward. Thank you!
F	65+	D	20+y	1	Central to the quality of life in Louisville. Open to all regardless of income

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	65+	D	20+y	1	Creation and maintenance of our parks and open space is important to me and the community overall. Happy to support it!
F	65+	D	20+y	1	Undecided on my vote.
F	65+	D	20+y	1	We need to preserve and maintain all we can! Once gone, it's gone forever!
F	65+	D	20+y	1	Our open spaces, trails, and parks are important to our quality of life. We also know how important Fire mitigation is
F	65+	D	20+y	1	I like the trails. I like the open space. I like all the things that Louisville is doing in all those areas. They need to keep it up, and they need the money to do that.
M	65+	D	20+y	1	Parks and open space are essential assets for a thriving community and for people of all ages and abilities. They also support natural environments and wildlife, and help mitigate impacts of climate change.
M	65+	D	20+y	1	Open space and parks are important for our quality of life and our physical/mental health. This small sales tax is a reasonable way to fund a significant portion of the department's budget.
M	18-34	O	20+y	1	More open space/ parks = less houses which = less people. Win win win
F	55-64	R	20+y	1	The city needs to continue maintaining all the parks and resumé maintaining/ mowing open space for fire mitigation.
M	65+	R	20+y	1	Our family has lived in Louisville since 1984; and love all the city is doing in this area.
F	45-54	U	20+y	1	We use some form of these spaces almost every day. They make Louisville the city it is.
F	45-54	U	20+y	1	Our parks and open space are part of what make this town great.
F	55-64	U	20+y	1	Too many people moving here! Stop building more housing!.. open space is beautiful and necessary for a quality life. Moved here in 1986. Things getting outta control.
F	55-64	U	20+y	1	I want to keep my neighborhood intact. I enjoy the bit of open space behind my home.
F	55-64	U	20+y	1	To help maintain our city and increase roadside maintenance.
F	65+	U	20+y	1	We need separation between cities and open space and health are connected. Open space has always been part of Colorado.
F	65+	U	20+y	1	Already paying it and it adds huge value to the quality of life in this town
F	65+	U	20+y	1	Open Space is necessary for the health and welfare of the people of Louisville and the wild creatures that we have displaced with development.
M	65+	U	20+y	1	Open space is one of main reasons we live in Louisville.
M	65+	U	20+y	1	We need well maintained parks and open space.
M	65+	U	20+y	1	I like having open space.
U	65+	U	20+y	1	Keep more highly occupied Buildings from going up
F	18-34	D	5-10y	1	I personally care about the protection and maintenance of open space lands.
F	18-34	D	5-10y	1	I would vote yes for fire mitigation in open spaces and to help mow the open space areas so they are more usable by the public.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	18-34	D	5-10y	1	The maintenance and preservation of open spaces and natural environment is important.
F	35-44	D	5-10y	1	I appreciate the parks and open spaces, so I am willing to support a measure that would pay for their maintenance.
F	45-54	D	5-10y	1	Open space is an incredibly important part of our city.
M	45-54	D	5-10y	1	Open space is a big part of why we moved here. The trail system is awesome.
F	55-64	D	5-10y	1	Accessible and managed parks and open space is one of my favorite things about living here.
F	55-64	D	5-10y	1	The parks, trails and open spaces are one of the reasons I love living in Louisville. Now knowing all the additional responsibilities/areas that are impacted by this potential extension underscores my approving the initiative if it's on the ballot
M	55-64	D	5-10y	1	I love our Open Space!
F	65+	D	5-10y	1	Maintaining open space is important to me.
F	65+	D	5-10y	1	To preserve what Louisville has, and to improve on it
M	35-44	U	5-10y	1	It is really important that open space is maintained considering the wildfire that happened a year or so ago. That is important to me. It is an extension and not a new tax that we are paying. We are just going to continue paying the same thing.
M	45-54	U	5-10y	1	Parks and Open Space are a priority. It's part of the reason we moved here, it helps provide healthy opportunities for exercise that don't always require driving, increases and maintains biodiversity, and so many other reasons.
F	55-64	U	5-10y	1	If the ballot is for paving more paths, I will vote no.
U	65+	U	5-10y	1	Because all of these things are very important to me, to our community, and the thing that makes Boulder County unique. These things are important to life.
F	18-34	D	Less 2y	1	Open space and parks are a very important part of my life here in Louisville. Their importance to the city and wide availability were a huge factor in our deciding to move to Louisville in fact. From walking, running and biking to bird watching, I can't imagine my life in Louisville with out access to such amazing trails, parks and open spaces.
M	18-34	D	Less 2y	1	I like riding my bike on the bike trails. I think we have enough open space and bike trails currently, so I don't think those should be expanded. I would prefer if that land were used for affordable housing.
M	18-34	D	Less 2y	1	Open space is part of why I live in Louisville. Wildfire maintenance is critical for safety.
U	18-34	D	Less 2y	1	I love open spaces!
F	35-44	D	Less 2y	1	A well-maintained, safe, open space that provides habitat for native wildlife is a major reason why I choose to live in Louisville.
F	35-44	D	Less 2y	1	I love our trails, parks and open spaces!
M	35-44	D	Less 2y	1	I love the parks and open spaces. The trails are one of the main reasons we bought a house in Louisville. I would happily be taxed more for them.
M	35-44	D	Less 2y	1	I love Louisville open space and parks

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	35-44	D	Less 2y	1	It seems like a good idea.
F	55-64	D	Less 2y	1	Fire mitigation is important to all the residents. I use the trails. I live on the edge of one of the nature preserves.
F	65+	D	Less 2y	1	Clear all brush to keep fires mitigation under control , keep the trails clear so the public can enjoy the trails and keep the parks and schools clean and cleared.
F	65+	D	Less 2y	1	Parks & open land are good for our residents & good for the environment.
F	65+	D	Less 2y	1	We are newcomers to Louisville and chose this community because we love the feel and the access to trails and open space. This was a key element in our selection of Louisville as our next home.
M	18-34	U	Less 2y	1	I think it's a wise use of tax money and think the parks and rec departments should continue their work and continue to grow. Also please close some blocks downtown to cars to make our city more walkable please, I'd pay higher taxes for this too.
U	18-34	U	Less 2y	1	I respect the ecological, recreational, health, and aesthetic values that well-stewarded open spaces! The Front Range has a strong need for more and better jobs to care for the outdoor spaces that so many of us love, and I want to ensure Louisville does its part in fostering healthy relationships between our community and the land where we live.
M	35-44	U	Less 2y	1	I like parks!
M	65+	U	Less 2y	1	The open spaces are an important part of our decision to relocate to Louisville. It is imperative that this maintenance program is properly funded,
F	45-54	U	Unk	1	It helps with parks, open spaces and wildfire mitigation.
F	35-44	D	10-15y	2	Louisville is a beautiful community, in large part because of the access and maintenance of the parks, rec, and open space. Continuing to support these open and family-friendly places is important to me and my family's quality of life.
F	35-44	D	10-15y	2	Parks and open space where part of why we chose to move here 10 years ago with our family
M	35-44	D	10-15y	2	The city does a fantastic job with managing parks and open space, but there's still more work to be done. That additional work needs funding. If this isn't approve, that additional work definitely won't get done and things could start to deteriorate.
F	45-54	D	10-15y	2	Current and future residents will be thankful for the open space. it's why people like living here. if we wanted a sea of pavement, we would move to the city
F	45-54	D	10-15y	2	Having so much open space, and so many nicely maintained trails and parks is a major reason why I live in Louisville. I think it's important that those benefits continue and I'm willing to support them financially.
F	45-54	D	10-15y	2	I love and greatly enjoy all our open space. It is a key reason why I live here. However, since I have lived here the maintenance of certain aspects of open space have not been managed is ways that were prior to the fire. The city does many things that are cute and artistic but they are superfluous to the basic functions that the city should prioritize. These include not allowing open space to be overtaken by weeds and combustible materials that abut neighborhoods.

City of Louisville Parks and Open Space Ballot Measure Survey

F	45-54	D	10-15y	2	I love Louisville. We need to invest in and protect it!
F	45-54	D	10-15y	2	Open space, trails and The skate park and playgrounds are super important to us and we use them daily
M	45-54	D	10-15y	2	My entire family uses these resources almost daily. This is one of the reasons we love Louisville so much. From April through October my kids are playing on the many baseball fields throughout the city.
M	45-54	D	10-15y	2	I support our parks and open spaces
M	45-54	D	10-15y	2	I value open space, and the condition and quality of the parks.
M	45-54	D	10-15y	2	It is wildfire mitigation. The Boulder office of Emergency Management could have installed an evacuation alert, like an Amber alert. The director said that he didn't issue it because of COVID. The evacuation of thousands of family homes was horrendous. Eighty families were underinsured. Any measure to mitigate wildfires in the future is necessary. We lost our home and thought we would be coming back, but it was gone the next day. A lot of it had to do with how the wild grass was maintained. It is an urban area, so it is unexpected. It effected a lot of people in a 6,500 acre wildfire. We had three rallies at the city hall. We had to fight for a permit use tax and revised building codes for our homes. The city made it difficult for residents to get back home. I believe anything that would reduce the chance of wildfires would be helpful.
F	55-64	D	10-15y	2	Maintenance of the existing system. I'm not interested in more open space land acquisition.
F	55-64	D	10-15y	2	Open space is a vital part of any community.
F	55-64	D	10-15y	2	Open space and Trails is why I live in Louisville. I wouldn't want that to change.
F	55-64	D	10-15y	2	I've seen cities who stop taking care of their open and public spaces and they slowly die. Louisville is gorgeous and shows its care of our common spaces. Makes us more likely to spend time there.
F	55-64	D	10-15y	2	We need to make our city better and better for us and our children
M	55-64	D	10-15y	2	Open space is the heart of Louisville and why I live here. Keep housing and business development out of open spaces and confined to existing vacant business land.
F	65+	D	10-15y	2	In Light of the Marshall fire, much needs to be done for fire mitigation as well as restoring medians, parks and neighborhood entrances. Much was neglected prior to the fire . These should be a priority- not new land acquisition
F	65+	D	10-15y	2	Louisville Open Space is one of the top reasons I love living here.
M	65+	D	10-15y	2	Reluctantly. Parks and open space staff that I've interacted with are very rude. They forget that they receive their salaries from taxpayers.
M	65+	D	10-15y	2	Having lived in Florida where they don't have robust public recreational infrastructure moving here has been recreationally wonderful. Thanks
M	18-34	U	10-15y	2	I grew up in Louisville. It has been a crucial part of my childhood with the recent wildfires.

City of Louisville Parks and Open Space Ballot Measure Survey

"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	35-44	U	10-15y	2	Although I believe Louisville mis-manages their funds and is poorly run compared to their neighbor, Superior, I don't want to sacrifice open space or the poor maintenance that we do have by eliminating funds.
F	45-54	U	10-15y	2	There are a lot of open spaces to maintain. There would be difficulty to maintain and improve what we have. As a person whose house burned down in fires, if the city didn't have money for fire mitigation, that would be bad.
M	45-54	U	10-15y	2	We need to do a better job of maintaining our open spaces, which requires more people, which requires more money
F	55-64	U	10-15y	2	I frequently use and enjoy open space and trails - we need them to sustain our quality of life
F	55-64	U	10-15y	2	I use the open spaces and trails all the time and appreciate the work it takes to keep them up. Thanks
F	55-64	U	10-15y	2	I value the city's parks and open spaces. However, I'm not too happy with the city's management of other issues, e.g., the many vacant businesses and retail spaces, the loss of Medtronic to Lafayette, the failure to go ahead with the Redtail Ridge development and the excessive bag tax.
F	65+	U	10-15y	2	Because maintaining the parks and open space is important to our quality of life.
M	18-34	D	15-20y	2	Keeping tax the same to maintain service feels necessary
F	45-54	D	15-20y	2	Preserving and maintaining open space is important
F	45-54	D	15-20y	2	My family & I use the trails & parks daily. We recognize the importance & cost of maintaining these critical assets. We live in Louisville for the proximity to these wonderful spaces
F	45-54	D	15-20y	2	I do not support some of the ways that staff time is used and believe there is some waste. For example there are rangers all around Harper Lake monitoring what lake residents do or don't do. This is a waste of previous resources. In addition, as someone who has worked extensively to restore natural environments, it is an absurd waste to suggest that the land around Harper Lake is being managed. It is full of invasive species that keep growing and it is not cared for nor are residents allowed to help. Again a waste. Let residents help and let's not pretend it is some natural environment when it's full of sumac and invasive weeds. It needs trimming and management since the city planted inappropriate plants there. Those are examples. There are also many medians and spaces that look completely dilapidated and run down. Can we fix these and use resources there? We have weed barrier blowing around. It looks terrible in areas that need attention first. And let residents have more input and help. Residents around the lake have an investment, for example, in helping to care for the lake area. Let's meet and have us help you Vs alienating us with the ridiculous policing of what is it is not next to our gates. And please, can we work on barriers for fire mitigation? Let us help.
F	45-54	D	15-20y	2	I enjoy are parks and open space and believe this tax benefits are citizens tremendously as it enables our townspeople the ability to enjoy world-class green spaces which increase well ness.
F	45-54	D	15-20y	2	To keep Louisville as wonderful a community as possible.
M	45-54	D	15-20y	2	I like space.
M	45-54	D	15-20y	2	I like trails!

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	55-64	D	15-20y	2	Parks, open space and trails is of vital importance to the city of Louisville and its residents.
F	55-64	D	15-20y	2	I appreciate and use our open spaces regularly. Open Space contributes highly to the quality of life in Louisville.
F	55-64	D	15-20y	2	Open space, parks and trails are very integral to the quality of life in Louisville.
F	55-64	D	15-20y	2	It is paying for very important things
F	55-64	D	15-20y	2	The parks and open space are the best parts of Louisville.
M	55-64	D	15-20y	2	Fires and flooding have shown us how important maintenance of open space is. Our parks and open space add value to our homes, add to the quality of life and make Louisville a desirable place to live.
F	65+	D	15-20y	2	To maintain the beautiful city we live in.
U	45-54	O	15-20y	2	The city should focus on maintaining its current open space, parks, green belts along streets. In recent years, it has allowed many of these properties to deteriorate making Louisville less desirable to live on than other surrounding cities
M	55-64	O	15-20y	2	Open space is something that is important to me.
M	45-54	R	15-20y	2	I appreciate the open space and trails and maintaining them is important to me.
M	18-34	U	15-20y	2	I like the parks
M	18-34	U	15-20y	2	Louisville parks and open spaces have been well maintained for over 20 years. Although I believe the city doesn't employ as many persons as needed for daily cleanup or maintenance, the general maintenance is well kept. Although I believe Louisville has had more resources to have prevented the Marshall fire, I believe it's a good lesson for the city. Possibly do more controlled burns in open spaces, staff more people and first responders in the community. I believe the city community is strong and can be even stronger and well adapt.
M	18-34	U	15-20y	2	It is important to keep everything up and running, and keep the value increasing.
F	45-54	U	15-20y	2	I love our open space
M	45-54	U	15-20y	2	Sounds like a good cause, but sales taxes are regressive and not a fair way to fund things. So that might make me vote against it. But if you include more pickleball courts, I would vote for it.
M	45-54	U	15-20y	2	Parks, trails, open space - they're a major reason Louisville is a great place to live
M	45-54	U	15-20y	2	Open Space increases livability and parks are great for families
M	45-54	U	15-20y	2	To maintain the quality of life and further possible acquisition
F	55-64	U	15-20y	2	Maintenance of open space and other outdoor facilities is critical to the unique and attractive environment of Louisville. I had no idea of the large scope of what needs to be maintained and improved, so that's why I wholeheartedly support this initiative.
M	55-64	U	15-20y	2	To maintain what we have.
F	35-44	D	2-5y	2	I love walking the trails in town. My kids enjoy the playgrounds. We value these resources and want them to continue to be in great working order for our and others' use for years to come.
F	35-44	D	2-5y	2	Because I know we must invest in our parks and open spaces

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	35-44	D	2-5y	2	The open spaces, parks, and trails are a big part of what makes Louisville such a wonderful place to live!
M	35-44	D	2-5y	2	Louisville 's abundance of open space is an important reason for us to live in the town
M	35-44	D	2-5y	2	I lost my house in the Marshall fire, fire mitigation is extremely important. I also use the open spaces a lot. These are very important to me
M	35-44	D	2-5y	2	More open space for Louisville. Better care needs to be taken care of north Louisville open space adjacent to water treatment facility.
F	55-64	D	2-5y	2	I value the parks, trails and open spaces as what makes Louisville an amazing place
F	65+	D	2-5y	2	It's why we live here.
F	65+	D	2-5y	2	Parks does a great job with maintenance. Open space, trails and playgrounds are key elements contributing to Louisville residents quality of life.
F	45-54	R	2-5y	2	Maintenance of open spaces is important for the city and its residents.
F	18-34	U	2-5y	2	The money is needed to maintain the parks and trails.
F	35-44	U	2-5y	2	I am concerned that if not approved, the Parks budget would drop so drastically low that we would not be able to maintain the spaces to the standard we are used to. There would be no money to further develop Cottonwood Park in a near-term timeframe and less available funding to update existing parks (e.g. Joe Carnival, Community, etc.). It would be nice to have a set confirmation that a set amount of this funding would be used for fire mitigation in our Open Spaces. I'm hoping that what was stated about fire mitigation was not a scare tactic to get this approved - but a promise that this is what some of this money will go towards. We clearly need to work on the maintenance of our open spaces in the future to prevent another disaster.
M	35-44	U	2-5y	2	The City of Louisville maintains a beautiful system of trails and open space, over a vast and diverse landscape with spectacular views. I have biked and walked the trails often over decades of living in Boulder County. What a privilege to have access to this peaceful public space, almost in my backyard! That you can maintain all of this on such a shoestring budget is amazing. Think what you could do with 0.5% or 1%! Fire mitigation and water management will become increasingly important as things continue to heat up every year. Likely multi-year droughts are on the horizon. Watering lawns and city landscaping will need to be stopped soon, replacing plantings with more resilient species. We need to be ready for what is coming. All future construction should consider steel, rock/brick, or fiber-concrete sided structures, with steel roofs, or similar level of fire protection. I am honestly surprised that the homes being rebuilt after the Marshall Fire are still using wood frames instead of cheaper fire resistant steel frames. Anyway, thanks for your hard work maintaining my neighborhood and surrounding regions. It comes across as extremely professional and streamlined.
M	45-54	U	2-5y	2	Preserve and improve outdoor spaces in Louisville which enhance the quality of life of its citizens.

City of Louisville Parks and Open Space Ballot Measure Survey

Sex	Age Range	Party	Tenure	Ward	Response
F	55-64	U	2-5y	2	Open space & trail maintenance are very important
F	55-64	U	2-5y	2	I would vote yes, however the field behind my house wasn't mowed for 3 years which was a factor in it catching fire and burning my home and all the homes on our block I assume that continuing this tax will ensure our field and other city fields are mowed.
F	65+	U	2-5y	2	Open space is important to our wellbeing,
F	18-34	D	20+y	2	My house burned down so it's important to me that not happen again. Also I care about animals and nature and nice parks for kids
F	18-34	D	20+y	2	I believe we have a responsibility to protect those.
F	45-54	D	20+y	2	I want the city to maintain the open space to mitigate fire risk. I think green spaces are important. I don't support not mowing or letting everything grow wild unless it will be properly maintained. I am hoping the extension along with the fire Risk Assessment will guide strategies to reduce fuels especially on open space backing to Homes.
F	45-54	D	20+y	2	Fire mitigation more than park maintenance is going to become extremely important as we rebuild the community. We lost our house and would like to see much more being done proactively to prevent such a Disaster again, including using funding from this source to build defensible space around Louisville. More mowing, perhaps more rock along the perimeter as a fire break, and more activities to prevent the kind of wildfire spread that we had is imperative.
F	45-54	D	20+y	2	I use and enjoy the open space. I would also like to see more funds going to doing code enforcement on the open space
M	45-54	D	20+y	2	Lived in Louisville for 30 years. BVSD and city open space / parks are our biggest priorities.
M	45-54	D	20+y	2	Our parks and open spaces and trails are core to me and my family's lifestyle and enjoyment of our lovely town. Thank you.
F	55-64	D	20+y	2	These spaces are important for quality of life in Louisville
F	55-64	D	20+y	2	Love my city want to support growth and continue parks and open spaces
F	55-64	D	20+y	2	Maintaining and improving the City's parks and open space is critically important to the citizen's quality of life and Louisville's desirability to live and work in. Additionally, expiration of this tax would result in reallocating current resources that support other critical city functions.
F	55-64	D	20+y	2	I have voted for both prior ballots for this purpose. I appreciate the open space, recreation benefits, wildlife and stewardship by the City. Worth supporting
M	55-64	D	20+y	2	I appreciate and am a frequent user of the trails.
M	55-64	D	20+y	2	Very important to implement fire mitigation measures on City land and open space. Create hard scape barriers between city land and open space close to homes. I feel this is most important issue going forward.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	55-64	D	20+y	2	Parks, trails and open space are among the most important reasons I chose to live in Louisville. I am more than willing to pay for the acquisition and maintenance of these valuable resources.
M	55-64	D	20+y	2	Open space makes life enjoyable, mitigates crowding and helps wildlife...it makes Louisville, Louisville.
F	65+	D	20+y	2	I want the city of Louisville's beauty and open space to be maintained.
F	65+	D	20+y	2	I use and love the open space all the time. More is better, and its of huge value to me in terms of quality of life. Wildfire mitigation matters, too--came within 2 blocks of my home
F	65+	D	20+y	2	Strong supporter of open space
F	65+	D	20+y	2	I believe parks and open space are extremely important for a community
F	65+	D	20+y	2	I love the outdoor spaces of Louisville
F	65+	D	20+y	2	I believe that the parks, recreation areas, trails, and open space are a very important part of living in Louisville. I have no problem with that small tax to continue the City's work.
F	65+	D	20+y	2	I personally enjoy our parks and open space.
F	65+	D	20+y	2	I love all the open space, trails and parks
M	65+	D	20+y	2	Louisville's support of its tennis facilities is impeccable. You also understand the value pickleball brings to the community but the importance of having a dedicated space for pickleball play without impacting current tennis courts. I would like to see a new, dedicated pickleball court complex. Maybe by Cottonwood Park. on the old church location. We also need indoor tennis courts.
M	65+	D	20+y	2	I think most of these activities are valuable, but I would like to see what capital plans they have, what open space acquisitions are anticipated (already 40% of the city is open space or equivalent), and what the plan is to replace all the trees that died in the Marshall fire as well as many trees that have been cut down for some other reason. Over the 40 years I've lived here, the city has cut down trees and not replaced them. When new projects for commercial projects are approved, there are requirements for landscaping, but after the fact if the owner starves them for water so that they die, there doesn't seem to be any requirement that they be replaced. I think performance overall has been somewhat uneven. I think it was a bit of a reach to consider the million dollar underpasses a legitimate use of this money, although in general I think the underpasses are a good thing. Just not sure the funding should have been from this source. So until I see more, my support is more tepid.
M	65+	D	20+y	2	I am happy with the city's purchasing and maintaining its open space lands. Its the one thing that all citizens can use and enjoy. I would like for the city to buy more open space lands, including Redtail Ridge.
M	65+	D	20+y	2	To work together with the city on a wildfire mitigation plan for our open space.
M	65+	D	20+y	2	I enjoy the beauty of nature.
M	65+	D	20+y	2	Quality of life requires investment toward a vision.
M	65+	D	20+y	2	Open space and P&R are integral to the quality of life in Louisville. I love riding and running in our open spaces.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	18-34	R	20+y	2	I care a lot about the open space. I also feel that it adds to the quality of life in Louisville, like the flower beds downtown to have access to activities, like the skate park. I think that they are already doing a great job, and they should continue the funding.
F	45-54	R	20+y	2	I don't see we need to acquire more open space land but continue the maintenance care and oversight of the land and parks we have!
M	55-64	R	20+y	2	Danish Plan lives
F	65+	R	20+y	2	Parks and open space is very important to my city. Please watch the water use--is see puddles on McCaslin often. Not a fan of painting street intersections..
F	65+	R	20+y	2	I use open space every day, varying trails often, and it is important for out youth to have access to nature, as well as providing shelter for our birds and wildlife
M	65+	R	20+y	2	I think u could do a much better job. I will probably vote yes but I expect a higher level of performance. I see no real work on fire mitigation so far. Get into neighborhoods & give advice.
F	45-54	U	20+y	2	Protecting and acquiring open space in Boulder County—and especially Louisville—is THE most important issue to me. I would pay a 25% sales tax to mitigate the effects of climate change, habitat encroachment, overpopulation, and urban sprawl. Emphatic YES from me!
F	45-54	U	20+y	2	Need mowing - more mowing - for fire mitigation.
F	45-54	U	20+y	2	Wildlife needs more space, people need more connection to nature. We need as much open space as we can get.
F	55-64	U	20+y	2	I frequently use the open space trails and appreciate the buffer between the cities
F	55-64	U	20+y	2	It not an increase in our taxes which has increased too much in the past few years, and it is not perpetual. No tax should ever be perpetual, things change and governments cannot be trusted to do what is right
F	55-64	U	20+y	2	We already have challenges with our open space, city trails and playground areas with regard to care and maintenance. At some point, the community and area locals MUST help more... we need to change grass areas to DROUGHT tolerant ground covers (micro clover & such) and place more dog refuse cans & equipment along the trail system and neighborhoods...
M	55-64	U	20+y	2	Maintenance of Louisville parks and open space is very important. However, I would not vote to use the money to acquire new open space lands.
M	55-64	U	20+y	2	Generally, I think Louisville does an excellent job with its parks. They are well placed throughout the city and very well-maintained. I also think Louisville has done a very good job preserving open space although I do have some concerns about the way that some open space is managed. I would very likely support an extension of the tax, but I would like to understand more about how much of the taxes are set aside for property acquisition. I am not sure how much property is likely to be available to be acquired in the future. If further property acquisition is unlikely, then where would those funds go to use?

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	55-64	U	20+y	2	Opportunities for citizens of Louisville to get outside and maintain healthy options
M	55-64	U	20+y	2	Maintenance of existing trails is critical to me.
M	55-64	U	20+y	2	Very important and intricate part of our community.
M	55-64	U	20+y	2	Open space and parks are very important for the walk ability within the neighborhoods providing increased value
M	55-64	U	20+y	2	Like open space. Don't forget to recruit new businesses to fill the big box vacancies.
F	65+	U	20+y	2	I value all of our parks and trail resources. They are a big part of why I live here; I use them daily. I think they also are important in teaching children to value nature and care for the environment.
F	65+	U	20+y	2	I think it is good to reconsider this tax each go 'round, not a permanent raise. My hesitation is that the city has received massive funds as a result of the fire. Yes, you hired additional personnel, and also you were given free services from a neighboring city to review documents. IF managed well, the city can use this windfall to support open space and parks.
F	65+	U	20+y	2	Parks, open space, trails, flowers and so on contribute greatly to the quality of life I have enjoyed for over 40 years living in Louisville.
F	65+	U	20+y	2	You are doing a good job and don't want to not have the city looking good.
F	65+	U	20+y	2	I use the trails. I volunteer there. The maintenance is very important on the trails. It makes the city a pleasant place to be in.
M	65+	U	20+y	2	Money well spent
M	65+	U	20+y	2	It is a valuable city asset that attracts new residents and businesses. Our parks and open space also provide a great source of enjoyment for Louisville residents.
M	65+	U	20+y	2	We are an outdoor oriented family and this tax goes a long way towards keeping us that way.
M	65+	U	20+y	2	Lack of funding inhibits continued Parks and Open Space growth. Please show that all revenue is accounted for only that purpose. Acquire more Open Space.
M	65+	U	20+y	2	I'm all for the open space and park work that the city does. Open space and parks make the city much more livable.
M	65+	U	20+y	2	I love open spaces.
F	35-44	D	5-10y	2	Open space is part of what makes Louisville an enjoyable city to live in and visit. My children have grown up on the open space behind our home and are closer to nature because of that. Thank you and please buy more open space land!!!
F	35-44	D	5-10y	2	Open space is a key to mitigating climate change and a value for living in Louisville. Space to walk, run, bike, and move in safe and carbon-neutral ways around our city is important to me
F	35-44	D	5-10y	2	The parks and open space are a part of the reason we live here. We were impacted by the Marshall Fire. By not approving, it would be detrimental to the community and parks, which are family uses extensively.
M	35-44	D	5-10y	2	Well maintained open space is good and promotes quality of living

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	35-44	D	5-10y	2	Open space is important
M	35-44	D	5-10y	2	Open space is important, it costs money to manage and preserve.
F	45-54	D	5-10y	2	Open space is very important. I do not want Louisville to have any more strip malls. We have tons of vacant properties downtown and along McCaslin. We should be protecting Open Space, focusing growth on small business friendly policies.
F	45-54	D	5-10y	2	These things are important
F	45-54	D	5-10y	2	For all the reasons described in this survey, I'm extremely motivated to approve the ballot measure. Especially for fire mitigation, open space maintenance, and the salaries of the dedicated staff putting in the hard work.
F	45-54	D	5-10y	2	Open space is important. i value sustaining and maintaining parks and open spaces.
M	45-54	D	5-10y	2	Open space is important and we must acquire, maintain, and support. We also need to balance with appropriate business growth and plans to support open space and local business growth.
M	45-54	D	5-10y	2	I value the outdoors and outdoor recreation - it's why I moved to Colorado. However, having lost my house in the Marshall Fire, my #1 priority is fire mitigation.
F	55-64	D	5-10y	2	Open space, once built on can never be replaced. We all need outdoor activity areas to relax and play in.
F	65+	D	5-10y	2	I like the fact that you and other people can go out and enjoy our beautiful little town and country!!!
F	65+	D	5-10y	2	I use the parks alot and am hoping for a dog park near TMR and via Appia :))
F	65+	D	5-10y	2	I love Louisville and have been an open space volunteer sine I moved here.
F	35-44	U	5-10y	2	I am a big fan of the open space and what the parks division does. It is very important in the light of the wildfire last year and wildfire mitigation.
M	35-44	U	5-10y	2	Well-maintained playgrounds and trails are very important to me and my kids.
F	45-54	U	5-10y	2	It's important and I use all these facilities so want them maintained at their best!
F	45-54	U	5-10y	2	The maintenance of our natural open spaces, parks and vegetation throughout the city is a high priority for me and one of the things I value so much about living here. With proper mitigation and maintenance I believe we can continue to enjoy our open space and keep our community safe. I'd like to see open space series related to what we as a community can support with our individual behavior in keeping our open space ecologically sound. Maintaining natural environments with easy access to them as we have in Louisville is important for our healthy vibrant community. Thank you for sending out this survey. As some prior ballot measures have not been well explained and could have thought through the approach further.
M	45-54	U	5-10y	2	Because now I know what the Parks and Open Space funding is used for based on the descriptions in survey questions 11,12.
M	45-54	U	5-10y	2	This is part of what makes Louisville special.
F	65+	U	5-10y	2	I love the open space and trails in Louisville and use them frequently.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	18-34	D	Less 2y	2	Fire mitigation and pride in where I live
F	18-34	D	Less 2y	2	Open space is a massive value add for myself and the city. I like the buffer between cities, wildlife and recreation opportunities and would like to see the work continue.
F	18-34	D	Less 2y	2	The parks and open spaces are some of the special parts of living in Louisville, and I care about trail maintenance, wildlife habits, and fire mitigation. I'd love to continue supporting these efforts !
M	35-44	D	Less 2y	2	Because I and my family enjoy the parks, trails and open spaces in Louisville and want to continue doing so.
M	35-44	D	Less 2y	2	This is an important issue but, as usually is the case, it is not clear why more money is needed to support this rather than use other funding or existing funding more efficiently.
F	35-44	U	Less 2y	2	Acquisition and maintenance of open space is one of the best uses of our taxes
F	18-34	D	Unk	2	Open spaces in Colorado are vital to the protection of wildlife and important flora and fauna. Ensuring that we are surrounded by native plants and trails is not only beneficial for the health of the community, but also can cut down on carbon emissions as more trails allows for access to walkways around a community. Additionally, construction creates havoc on the environment and it's important that we do our best to leave as much space untouched by construction as possible. Also, The removal of invasive species is one of the ways to help our struggle against fires. Our lands are also burdens with invasive species of plants, and they need to be removed in order to protect the native species and even to help with fire mitigation. To approve this ballot, means that more money can be spent in removing these invasive species. And finally, we live in Colorado. Parks needs to be supported in their endeavor to make sure we don't end up living in a town with every square inch dominated by houses. Bring on the open space.
F	35-44	D	10-15y	3	I love our open space! I hope other bothers appreciate it and want the continued maintenance/upkeep of it. The more open space the better!
M	35-44	D	10-15y	3	Open space is an important aspect of Louisville and is something my family uses and appreciates
M	35-44	D	10-15y	3	We live right near the Dag/Warem open space and walk those trails weekly. We have elem/mid school kids who play in the parks. Some member of our family is at the Rec Center 3-4x/wk. In short we 'use' these services and highly value them.
M	35-44	D	10-15y	3	I don't want operations cut back. But I'd prefer a lower amount to maintain current levels, without funding for additional acquisition.
M	35-44	D	10-15y	3	The parks, trails, and open space are some of the best things about our city.
M	35-44	D	10-15y	3	It is because of fire mitigation and maintenance. Recreation in open space and parks make it a great place to live.
F	45-54	D	10-15y	3	Recreation opportunities and wildfire mitigation
F	45-54	D	10-15y	3	I want Louisville to continue to support open space and the integrity of our community
F	45-54	D	10-15y	3	Love the city of Louisville and all the work done to preserve our open space and park area its why we live here. Definitely support the ballot

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	45-54	D	10-15y	3	I love open space and the ability to have access to it.
M	45-54	D	10-15y	3	It seems appropriate to raise the tax slightly to maintain our beautiful city
M	45-54	D	10-15y	3	We need open spaces. I don't want the budget to get cut.
F	55-64	D	10-15y	3	I would vote yes if the tax protects funds for open space acquisition. OSAB should be consulted regarding what a meaningful percentage of the tax should be for acquisition.
M	55-64	D	10-15y	3	My family & I use the trails & parks extensively & frequently. They are an important component of the quality of life in Louisville!!
M	55-64	D	10-15y	3	No
M	55-64	D	10-15y	3	I love our city. I love our parks. They have definitely enhanced the life here in Louisville. I appreciate the hard work that the employees put in. They all deserve a raise.
F	65+	D	10-15y	3	Open space and parks mean a better quality of living for everyone in Louisville.
F	65+	D	10-15y	3	All the reasons listed above! Space is crucial now more than ever with the population exploding on the front range.
M	65+	D	10-15y	3	Green space and safe parks are vital to the health and welfare of our community.
M	65+	D	10-15y	3	The quality and amount of open space make Louisville an ideal place to live.
F	18-34	U	10-15y	3	It is dedicated funding toward parks and space that can't be pulled for other services. It is able to upkeep park spaces and continual growth of park spaces.
F	35-44	U	10-15y	3	There just isn't enough funding for this otherwise. And people live here for the outdoors. I don't want to live in some urban place full of buildings. I want open areas to walk and bike and enjoy nature. We need this money to fund and maintain them. We need them to be safe and functional. What we don't need are more weird ass bike lanes on Cherry. What the hell was that?! But maintaining the open spaces the city currently owns is incredibly important. I don't care about expanding them, but they should be in good, functional condition for people to enjoy, as well as the nice things like the planters, downtown, and road areas that are maintained by the city. The city trees don't get pruned nearly enough and we could certainly use this money to help with that. People live here for the outdoors. Let's keep it that way!
M	35-44	U	10-15y	3	Open space and the trail system, and our parks, are very important to me and greatly increases my quality of life
F	45-54	U	10-15y	3	We all live in Louisville for the open space and small town feel. While I believe there are other areas the city council needs to focus time and attention (small businesses leaving Main Street for example), this is definitely something worth voting for that won't impact personal budgets as much as tax increases as it's been in place for 20 years.
F	45-54	U	10-15y	3	Open space is the reason I live here.
F	45-54	U	10-15y	3	Access to amazing open space is one of the things we really value about living in Louisville
F	45-54	U	10-15y	3	Increases value and attractiveness of Louisville
M	45-54	U	10-15y	3	I use the open space daily. We need to protect and add to it.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	45-54	U	10-15y	3	Open spaces and parks are hugely important to myself in oarticular ,and from from what I can tell,the city in general. The maintenance and upkeep of them us extremely important in maintaining the city's character. Please don't forget to factor in your public library at some point because I believe it needs adequate funds to take of itself,its great staff,and it's patrons fir years to come. Ty
M	45-54	U	10-15y	3	Golf course needs so much help. So many grass issues. Our local park has terrible dry spots all summer. Parks dept has so much work to do just to hit the bare minimum. Glad you are all discussing this and I'll do my best to spread the word! Thank you for all you do!
F	55-64	U	10-15y	3	I'm a daily user of our trails and open space. Ample open space, trails and public parks are what makes Louisville so desirable.
F	55-64	U	10-15y	3	Our open spaces and parks is what makes our town attractive and livable.
F	55-64	U	10-15y	3	Open space is one of the things I love best about Louisville. And, it is critical to the survival of our species and so many others
M	18-34	D	15-20y	3	Open space and parks are part of the identity of louisville. They encourage the active lifestyle that is so widespread in all of boulder county.
M	35-44	D	15-20y	3	I approve of tax measures used to maintain and improve our shared resources. However, sales taxes are moderately regressive and affect low income residents more than eg taxes based on property. I'm in favor, but understand that people with few financial resources will have difficulty.
U	35-44	D	15-20y	3	We need to better support Open Space & Trails acquisitions and operations and improve the Open Space program. We have spent too much on Parks relative to Open Space, this needs to be rebalanced.
F	45-54	D	15-20y	3	I use the trails regularly (when not displaced due to the fire) but the maintenance "fixes" never seem to be done right, and therefore parts of the trail have to be fixed every single year, which seems wasteful.
F	45-54	D	15-20y	3	My family and I are avid users of parks and open space and appreciate all that they provide and appreciate the work the city does to maintain them for humans and wildlife. Appreciate all that you do.
F	45-54	D	15-20y	3	I believe our open space is critical to residents getting outside and enjoying nature.
M	45-54	D	15-20y	3	Louisville's OS department doesn't have enough funding or staff as it is to maintain the amazing trail system we have. Chopping that funding would mean our OS would be ruined.
M	45-54	D	15-20y	3	I like open space. I don't know enough about the remaining parcels to know if it's time to stop acquiring and start just maintaining, though.
M	45-54	D	15-20y	3	I'm only voting for it because it supports open space acquisition and operations. Parks has a distinctly separate of issues and requirements and should probably be addressed with its own source of funding.
M	45-54	D	15-20y	3	We need more outside space for all. Save money by stopping mowing so much and create green space that is natural.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response

M	55-64	D	15-20y	3	Parks and Open Space (and the city, in general) is delivering good value.
F	65+	D	15-20y	3	More open space and less building. More pickleball courts please.
F	55-64	O	15-20y	3	Because I currently use and live the parks and open spaces! City is doing a great job! Keep up the great work! Much appreciated!!!!
F	65+	R	15-20y	3	Louisville is a great place to live and I'd like to keep it that way.
F	18-34	U	15-20y	3	It is important to upkeep the environment. Any reduction in services would not benefit our community.
M	18-34	U	15-20y	3	It sounds good
M	45-54	U	15-20y	3	We back up to the Warembourg open space and have for 16 years. We appreciate its constancy and the just-enough attention it gets. That said, the idea of acquiring more open space is concerning given the additional expense and maintenance it would require. Arborists are overloaded, work is needed at least in our neighborhood . Parks/playgrounds need updating and innovation. Having seen what's been built in neighboring communities, there's potential. Overall, hold and work on what we've got.
M	45-54	U	15-20y	3	Quality of life and protection of property value is important to me. This ballot measure would accomplish both.
M	55-64	U	15-20y	3	I enjoy using the parks, and appreciate the level of trail maintenance
M	18-34	D	2-5y	3	Open space makes Louisville unique, and is one of the big reasons why Louisville is considered more appealing than neighboring suburbs.
F	35-44	D	2-5y	3	I value trails, parks, and open space
F	45-54	D	2-5y	3	I have two small children, we play on multiple playgrounds in our neighborhood. We go for nature walks in the open space next to our home. That nature access is invaluable for the children.
F	45-54	D	2-5y	3	Parks and open space are one of the things I love most about Louisville

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	45-54	D	2-5y	3	This is why I call Louisville home. I hate to see even another square inch of it developed
M	45-54	D	2-5y	3	The open spaces are one of the reasons we decided to move to Louisville 5 years ago.
M	45-54	D	2-5y	3	Open space hood.
F	55-64	D	2-5y	3	A large motivator to buy, and live in, Louisville 4 years ago was the open space. I enjoy it every day. I approve of any opportunity the city takes to acquire and maintain such a precious's resource. Once lost to development, the chance never comes again.
F	65+	D	2-5y	3	We use the parks and open space
F	65+	D	2-5y	3	Best for people, animals, and environment 🎵🍌
M	65+	D	2-5y	3	For all the reasons set forth in this survey
M	65+	D	2-5y	3	I frequently use and enjoy outdoor public spaces, especially riding bike on Coal Creek Trail
F	65+	O	2-5y	3	It is important to enjoy our city and keep it safe Fort all of the citizens.
F	18-34	U	2-5y	3	I would like the current level of parks and open space maintained. I would hope that there is room in the budget to expand offerings like pickle ball capabilities on the tennis courts near Louisville Middle School.
M	35-44	U	2-5y	3	Parks and open space are a critical part of our local ecosystems, and a major reason why many people decide to call Louisville home. Maintaining these spaces for their sustainability, usability safety is critical to ensure long term community support.
F	65+	U	2-5y	3	Is this money ONLY for parks and open space or does it go into general budget? Is there revenue that can come from the developers? Will some of this money go towards improving the landscaping in the downtown area- more trees and flowers in the summer months in collaboration with the businesses.
M	65+	U	2-5y	3	I want the parks & open spaces to be well maintained for the residents & guests.
M	18-34	D	20+y	3	Parks and open spaces are a critical component in the overall health of our city. They promote outdoor exercise, reduce stress, and offer important ecosystem services that support biodiversity and environmental health. Without proper maintenance these spaces can become unusable and at times dangerous. Since the tax is such a small amount, I see no reason why it isn't worth paying. If anything, I'd be completely on board with a slightly higher tax than the previous decade in order to take on some more ambitious projects.
F	35-44	D	20+y	3	Protecting and preserving our open space is such a hugely important thing to me. Part of why we love Louisville so much is the quality of life, and that quality of life is largely influenced by our outdoor spaces - open space, parks, trails, etc.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	35-44	D	20+y	3	I don't want more assholes from California to move in. The fire reset our town and we need to listen to the earth goddess within.
F	45-54	D	20+y	3	I love the open space in Louisville and use it almost daily. I would like to see it maintained at the current level (or better!) and am willing to pay for that.
F	55-64	D	20+y	3	If measure includes funds dedicated to purchasing more open space to protect habitat.
F	55-64	D	20+y	3	Parks, trails, open space makes a living space more attractive and leads to a healthier, happier life style.
F	55-64	D	20+y	3	I value our open space enormously and want the city to have funds to purchase more when possible.
F	55-64	D	20+y	3	Because one of the reasons I live in Louisville is to enjoy the parks, open spaces and trails
F	55-64	D	20+y	3	Love living in Louisville & the parks / open space are a large part of the equation. Thank you for all you do to make our city a beautiful, safe & green environment.
F	55-64	D	20+y	3	Louisville's parks & open spaces are a big reason why we moved here in 1995, and we visit at least one nearly every day. Keep up the good work.
F	55-64	D	20+y	3	Louisville parks and open spaces are invaluable to the quality of life in Louisville. They attracted us to buy a home here over 20 years ago, raise children, and continue to use all these facilities in various ways.
F	55-64	D	20+y	3	It is imperative that we continue to protect and maintain/obtain our natural environment
F	55-64	D	20+y	3	Louisville will continue to attract more people who want to spend time outside.
F	55-64	D	20+y	3	I value our parks and rec and open spaces.
F	55-64	D	20+y	3	This will help the city to acquire more open space and maintain the open space, parks and restore natural habitat.
F	55-64	D	20+y	3	We need to keep Louisville looking beautiful!
F	55-64	D	20+y	3	Open spaces, natural areas, parks, and recreational areas are important for our physical and mental health. We need to preserve and maintain these areas!
F	55-64	D	20+y	3	We greatly love and use the city's parks and open space areas and want to keep them and expand them in the future.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	55-64	D	20+y	3	Open space is one of Louisville's most important features!!!
M	55-64	D	20+y	3	I value parks and recreation as well as trails and open space
M	55-64	D	20+y	3	Louisville's parks and open space are a gem.
M	55-64	D	20+y	3	These are all things that I use. I think personally they provide a good healthy picture of the city and the community. It is important to me to have the community increasing in value over time.
M	55-64	D	20+y	3	I will vote because I like the way the city runs the programs for open spaces and the activities.
F	65+	D	20+y	3	The reason for my tempered response is due to the absence of ballot language. I voted NO in 2010 - the first time I ever voted no in support of open space - because the ballot language did not guarantee a percentage for open space acquisition and maintenance. It wasn't so much an extension as a reallocation. The intent of the original ballot was to secure funding for land acquisition. The extension ballot added parks. Your survey says that 100% of open space costs are covered by the tax but that doesn't mean that department has enough; they need to be able to expand their maintenance abilities and also have money for the remaining acquisition targets. In my opinion, too much of the tax revenue is going to parks. This tax money should not be paying for salaries nor underpasses. Whether I vote yes will depend on the guarantees that are included in the proposed extension. Lafayette does it right. They split their funding: they asked their citizens to tax themselves only for open space. They asked separately about parks. Louisville has been raiding the open space coffer for decades.
F	65+	D	20+y	3	Open Space and parks are what make Louisville the quality small town that it is. It is our responsibility to share the cost of maintenance and acquisition
F	65+	D	20+y	3	Reason I moved to Louisville
F	65+	D	20+y	3	I've always voted yes (I was a volunteer to get the original measure on the ballot)- planning and preservation is important to me.
F	65+	D	20+y	3	We like our community and feel it is being well cared for by the current boards and administrators
F	65+	D	20+y	3	I voted yes on the previous referenda because they were billed almost entirely as intended for open space. I'm shocked to see how much of the current tax goes to parks. I'm much more likely to vote for an extension if it's dedicated to open space.
F	65+	D	20+y	3	I love the look and feel of Louisville and support all the community is doing to maintain its beauty and substantially.
F	65+	D	20+y	3	Open space is what makes Louisville a good place to live
F	65+	D	20+y	3	Maintenance of trails, playgrounds, and flower beds.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	65+	D	20+y	3	Want my grandchildren to enjoy the parks and trails
F	65+	D	20+y	3	Love the open space and want to see it and the parks maintained.
F	65+	D	20+y	3	Open space, playgrounds, & fire mitigation are important to most communities especially ours
F	65+	D	20+y	3	Fire mitigation. Trails
F	65+	D	20+y	3	Louisville is a great place to live for many reasons, and the Parks and Open Space is definitely one of the big reasons. A lot of people move to places where there are buffers and bike, hike and use all the things that are managed by Paths and Open Space.
M	65+	D	20+y	3	I use the parks and open space trails regularly and think this helps make Louisville one of the best places to live.
M	65+	D	20+y	3	I love our parks and trails. Parks are an essential part of a vibrant community.
M	65+	D	20+y	3	Parks and open space make the city fun. We need more fun. Unfortunately, good outdoor fun is not free. Continuing an existing sales tax is a fair way to pay for it.
M	65+	D	20+y	3	I think it's important that our community is safe and has the opportunity to enjoy our open space areas. Both go hand in hand.
M	65+	D	20+y	3	Louisville is a great place to live the open space helps
M	65+	D	20+y	3	Lived here for over 25 years, approved in the past and will continue to do so, no questions it improves the quality of life in Louisville and adds value to living here
F	65+	O	20+y	3	I love the trails, parks and open spaces in Louisville and want to ensure they are all well maintained and even acquire more open space land.
F	55-64	R	20+y	3	We need the services
F	55-64	R	20+y	3	Louisville is one of the most beautiful family based cities in Colorado. Safe. Lovely. Friendly. Small town feel among big cities. And it's beautifully maintained. Thank you for that!!! We need to keep up the good work.
M	55-64	R	20+y	3	The parks are all weeds. Weeds and more weeds. Terrible. Improve the weed situation and you get my vote
F	65+	R	20+y	3	Need to maintain what we have, use and appreciate our parks.
M	65+	R	20+y	3	Keeping our city attractive and safe should be top priorities. More land acquisition takes a lower priority than managing what we already have properly.
M	65+	R	20+y	3	To help fund protecting our open space in lieu of wasting dollars on WOKE SOCIAL ENGINEERING agendas and permanent gay pride flags painted on our Main Street
M	65+	R	20+y	3	Small price to pay to maintain high quality recreational, parks, and open space.
F	35-44	U	20+y	3	Our parks and open space are an important, and valuable component of our City that keeps the community connected, engaged and active.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	45-54	U	20+y	3	I greatly value the open space and public recreation spaces available to us in this town, and I also realize that they don't magically take care of themselves. And the money spent to take care of the open space and parks creates a fair number of local jobs, putting that money back out into our community, so it's win-win.
F	45-54	U	20+y	3	To maintain the City's open spaces & parks for safety and enjoyment of residents
M	45-54	U	20+y	3	This work is extremely important to support the overall community and environment of the city
M	45-54	U	20+y	3	Open space and parks and their maintenance is VERY important to a healthy community.
M	45-54	U	20+y	3	It's important to community and our balance in nature and the world.
F	55-64	U	20+y	3	I would vote to keep the current tax structure in place. If taxes are increased, I would vote against it.
F	55-64	U	20+y	3	It's important to preserve what open space we have left. Louisville is already over populated.
F	55-64	U	20+y	3	I don't want \$\$ spent on staff not doing a good job with the \$\$ already allocated. Louisville has a lot of work to do to rebuild this town after the fires. Downtown is NOT what it use to be. I think \$\$ should be allocated to bringing in new successful businesses and rebuilding downtown. I see too many Parks and space trucks driving around or parking and not doing anything. I think the one that got me the most was the female employee kicking the kids out of the open space near the golf course where the swing use to be. She was terrible with those kids and they were not doing anything wrong.
M	55-64	U	20+y	3	Our parks and trails systems are a very important part of our community. I use them everyday and see firsthand how many people use them. The city does a great job of keeping them in shape. I realize this costs money. I pick up trash, etc... try to help out. The volunteer programs also help very much.
M	55-64	U	20+y	3	With the fire from last year I am hoping we could put in some type of natural buffer to prevent or at least containment of a natural disaster.
M	55-64	U	20+y	3	I believe it adds value to our city. I strongly object to our \$\$\$ being spent on dog police, which addresses a non existent problem. More important than alleged off lease issues, is that of electrical powered conveyances ripping around silently on pathways. Also object to \$\$\$ spent on Coal Creek Trail "improvements " , which turned it into a raceway.
M	55-64	U	20+y	3	Keep the existing parks and open space running and running well.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	55-64	U	20+y	3	I like open space and parks. Some need additional maintance?
M	55-64	U	20+y	3	Continue to enforce dog leash law in open space
F	65+	U	20+y	3	I use the trails quite a bit.
F	65+	U	20+y	3	Open space and trails are a major reason we live in louisville
F	65+	U	20+y	3	Like what we have
F	65+	U	20+y	3	It makes Louisville an attractive place to live in.
M	65+	U	20+y	3	Week maintained Parks & Open Space contribute to the high quality community that is Louisville
M	65+	U	20+y	3	Open space is good for mental and physical health.
M	65+	U	20+y	3	I think that all of those things are important.
M	65+	U	20+y	3	The parks and the open spaces need to be maintained.
F	18-34	D	5-10y	3	It is important to maintain those things.
F	35-44	D	5-10y	3	I value the open space/recreational space. It's a huge part of what makes Louisville such a fabulous place to live. I am happy to back my values with my money.
M	35-44	D	5-10y	3	Parks are extremely important to life in Louisville and more is always better.
M	35-44	D	5-10y	3	Funding these programs is consistent with the City's core values and priorities
M	35-44	D	5-10y	3	Love parks. That is why I live here
M	45-54	D	5-10y	3	Parks and open space are a valuable resource for my family and add a lot of value to our home. I do think taxes generally are too high and some taxes need to be eliminated or reduced but parks and open space is an area I am ok paying for.
F	55-64	D	5-10y	3	It is an important part of the town.
M	55-64	D	5-10y	3	Open space and parks are a significant amenity of Louisville. Our home (lost in the Marshall Fire) backed up to open space. Not extending the tax authority will only make the city's job harder.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	55-64	D	5-10y	3	Because the measure only maintains the current tax rate and does not increase it. I think that it is already high and if Louisville does not plan to add more open space, we don't need the entire amount of the tax for the next ten years. Maybe a small reduction in the current tax is better than keeping it the same. I'm sure that the city can cut costs somewhere in their very large budget. There must be some unnecessary expenses in there somewhere. What happened to the sales tax boon that happened after the hail storm from a few years ago. That should have been returned to the citizens but the voters voted to let the city keep it.
M	55-64	D	5-10y	3	The parks and open space are helpful and important to the families who live in Louisville as is fire mitigation efforts.
M	65+	D	5-10y	3	I like having Open Space lands.
F	35-44	R	5-10y	3	Maintenance of existing playgrounds/ parks/ open space, fire mitigation, acquiring new open space land and preventing sprawl
M	45-54	R	5-10y	3	I am strongly in favor of maintaining and growing our Parks System. I am strongly AGAINST the attitude within Open Space that we should return land to its 'native' state. The native state is not relevant to a town full of people who are trying to live lives in the 21st century. I think that Open Space should be defunded until such time as the Open Space Division realizes that we Open Space within an inhabited town in the year 2023 needs to be managed appropriately for PEOPLE who live here. That means dog parks, mowing grasses, and kids allowed to go sledding.
F	18-34	U	5-10y	3	Outdoor spaces and parks are important parts of the Louisville community. I strongly believe a large reason people (especially families) move to, and continue to live, here is due to the abundance of outdoor recreation and natural habitat the city maintains. I would prefer to maintain nature and open spaces as opposed to cutting down trees and destroying natural habitats to build new strip malls etc. The preservation and designation of new open spaces is a long term investment which will aid Louisville long into the future by: increasing the health and fitness of residents of all ages, promoting healthy ecosystems and biodiversity, beautifying the community and differentiating it from other more suburbanized (and in my opinion less appealing) near by communities, increasing property values, and increasing residents investment in the community and in togetherness.
M	18-34	U	5-10y	3	I enjoy the open space and would rather see more open space than apartment buildings.
M	45-54	U	5-10y	3	Our open space is Louisville's most valuable asset
M	45-54	U	5-10y	3	Open spaces are valuable to the community. They provide recreation for residents and areas for wildlife that residents can explore. It also helps the city maintain a balance that attracted us to Louisville as a great place to live.
F	18-34	D	Less 2y	3	I frequent parks, trails, and open space & think they are good for the community

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote yes and approve the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	18-34	D	Less 2y	3	I love open spaces. Our taxes go to better improve those around us.
M	35-44	D	Less 2y	3	More places for our children to play
F	35-44	U	Less 2y	3	Louisville's open space program is awesome! My dog and I love the dog park, elephant park, and the open space near Dutch Creek.
M	45-54	U	Less 2y	3	The open space in Louisville and its connection with other Boulder county open spaces is what sets this community apart from other suburban areas. I did not know the tax for this was so small and if there was a tax on my property I'd happily pay that too.
F	65+	U	Less 2y	3	As outlined in this survey
F	65+	U	Less 2y	3	Open space and trails are extremely important for human beings.
M	65+	U	Less 2y	3	There is no "middle ground" option. For example, I might be more eager to vote for a lower tax. Since the choice is all or nothing, I have to go with all.
M	45-54	D	10-15y	U	I like our parks and open space.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	65+	R	10-15y	1	There are just too many taxes coming up. They have to stop, and there should be a limit.
U	45-54	U	10-15y	1	No new or extended taxes for any reason. Cut your budget! We desire less government spending at all levels. Federally induced inflation, federal tax hikes on productive Americans and covid-lockdown induced free market impacts hurt all Americans, especially the producers. Let open spaces be "wild" and unencumbered by the urban, "safety-first" patronage. No one needs a government curated outdoor experience funded by taxes, in our 8 square miles. Real, open public lands are less than 10 miles away. Ride your bikes on the roads, you have legal protections. PS nice job on the fire scare tactic...
F	55-64	U	10-15y	1	City tax dollars are currently mismanaged. Tax dollars should go to cleaning up broken branches on open space trails that are a safety hazard not used to pay for various pol
M	55-64	U	10-15y	1	I want the current parks and lands and trails maintained. I want the town not to burn. I am not interested in funding more open space purchases and am philosophically opposed to approving any more taxes, especially after voting yes for the massive Rec Center expansion. I would support a measure that is a lesser \$ amount but is devoted to maintaining the open space, trails and parks but isn't going to buy a silo for a lot of money and not do anything with it for years and years. I also do not trust any city council or the apparatus that that votes to limit the number of gas stations because of "climate change." All it does is protect the current local stations from competition and/or will force us to drive to Superior or Lafayette to get lower prices. Not one electric car that would not already have been bought will be purchased because of this measure. Oh, and we will stop loving the earth if a big enough retailer that will generate enough sales tax moves in. Why would I want to give more tax money to a group that is inconsistent and doesn't understand basic economics?
U	55-64	D	15-20y	1	Money would be better spent by not using city employees to maintain the land we have. Private small business from the community would do a better job and help the local economy. I don't think there is any more land to buy in the city, so that point is moot.
M	55-64	R	15-20y	1	Too many taxes, time to build some efficiencies and eliminate waste. Figure it out, like we do in business.
U	45-54	D	20+y	1	It should renew for only 5 years and the tax rate should be lower. The city needs to find other funding methods and not property taxes. We don't need to procure more open space and therefore need less money.
U	55-64	D	20+y	1	I will not describe it.
F	65+	D	20+y	1	Taxes too high already. Louisville cemetery is a disgrace with weeds.
M	65+	D	20+y	1	Cut city spending on trending towards going green and promote more small businesses.
F	35-44	U	20+y	1	The City has shown itself to be wasteful with its current funding. Look at the mess that was made on Pine Street with all the supposed "pedestrian friendly" improvements. If the City can't spend wisely the funding it has, why would I vote to give it more?
M	45-54	U	20+y	1	Taxes enough already

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	55-64	U	20+y	1	The city of Louisville has raised my homeowners taxes from \$2000 to &4000 with an additional \$500 for fire mitigation. These increases were not voted on by the residents of Louisville. Use the \$2500 in additional taxes to pay for these things. The middle class is being suffocated with taxes. Retirees cannot afford to live in the town. Between inflation and tax and fee increases we cannot afford to live here. The people of Louisville are suffering. Get a budget in place and stop hitting us with taxes and fees.
F	55-64	U	20+y	1	We don't need all of the open space. The city does a very poor job of maintaining it and wastes tax \$\$\$. We are getting g taxes to death. If they can't properly maintain the open space then they should sell it.
M	55-64	U	20+y	1	Initially was JUST a tax to support open space- primarily a fund that would grow and be used for acquisitions. When it was altered to support Parks maintenance and operations also, open space took second seat. Minimal maintenance was undertaken, no significant acquisitions have been made and the program has languished. We will certainly support an Open Space tax one again. But not a Parks OS tax.
M	55-64	U	20+y	1	No more taxes
F	65+	U	20+y	1	Just because we do not have a "dedicated" source of funds for this work does not mean that the City cannot allocate a portion of the other funds in its budget to this work if the residents feel it is more important than other allocated line items in the budget. It's unclear what the tradeoffs could be. What is the reason for making this a dedicated source of \$? Do you feel it will get eaten into by other line items in the budget if it's not dedicated?
F	65+	U	20+y	1	I believe that we have enough open space & do not need to buy any additional open space. If the city would use the funds to maintain & improve our parks & sports complexes I may consider voting yes on the ballot measure. We used to be known as Tree City U.S.A. now we are known as dandelion city U.S.A.
F	65+	U	20+y	1	Originally, this tax was to fund acquisition and maintenance of OPEN SPACE properties. At some point the tax was expanded to include Parks. Ironically, the bulk of the funds generated then began to be used for pollution generating equipment (mowers, etc.), destruction of the native environment by bluegrass and non-native plants, and purchase and application of pesticides/insecticides/herbicides. The tax, which was supposed to be allowed to build and accumulate for use in purchasing new open space properties, was siphoned off operationally by Parks. Resulting in insufficient funds to purchase OS property when it became available. A travesty. Parks should develop and work under a standard city budget. The fund should be allowed to accumulate once again and OS land actively sought out and purchased. We will not be voting for this tax and will be explaining to all neighbors and friends why.
F	35-44	D	5-10y	1	Increasing sales tax affects the lower income population negatively. I believe revenue should be gained from the higher income populations. Increasing sales tax also negatively affects visitors to our town.
F	45-54	D	5-10y	1	Too much taxes, too much money spent. :-(.
F	18-34	U	5-10y	1	Taxation is Theft.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	45-54	U	5-10y	1	Nice job putting in the fire mitigation to scare people into voting for a new tax- stop with the new taxes and balance your budget better.
M	45-54	U	10-15y	2	State and local taxes continue to rise which is making it difficult for many families to afford to live here. The City needs to re-prioritize its funding instead of always asking for new or continuation of taxes.
M	45-54	O	15-20y	2	Marshall Fire is a perfect example of taxpayers funds mismanagement. Need better action plan before committing funds
U	35-44	U	15-20y	2	The only focus of this city should be helping fire victims get back into their homes. The city is making a killing on the permit fees and other fees from rebuilds. They aren't doing anything to help people. The city should replace the fences along city property with stone walls or other fire proof materials.
F	55-64	U	15-20y	2	We are already taxed enough
M	35-44	D	20+y	2	Louisville has been ruined by transplants. We need to stop catering for the influx of people and focus on what really matters which is the natural beauty and wildlife of Colorado. Instead, we should hand out cyanide pills to all the Californian, Texans, and all land developers.
M	65+	D	20+y	2	Without a promise of more maintenance and fire mitigation and little or no new acquisitions of property, I am likely to vote no. We do a poor job of maintenance and fire mitigation. We have PLENTY of Open Space land...the focus needs to shift to access and maintenance...with greater funding for parks and no more money for new property acquisition.
M	65+	D	20+y	2	City does not utilize the money effectively. Money spent on side walk chafes " big waste " Crossings with roads made big snow collection points. That don't get cleaned, near Coal Creek Elementary School!! We have enough open space. If you opened a shooting range for rifles and bows. I would vote for the tax. Open up open space to bird hunting.
F	55-64	R	20+y	2	The City of Louisville has consistently proven over the last several years that they can NOT manage the open space that we have. This was undeniably confirmed during the Marshall Fires in December of 2021. You can visually see how the fire spread to homes via the areas that were not cleaned nor maintained and instead left to essentially create kindling and perfect path for the fire to grow and spread. Nowhere is this being addressed, so NO I will not vote for any additional funding for a less than stellar organization to continue to make bad decisions and waste tax payers money. When you can start to communicate and work together with ALL citizens and determine the real needs, I might consider voting in favor of a common sense plan. We need to dump at least half of the open space we already have and figure out the right level of maintenance that we can handle as a city. We have no business even thinking of additional open space purchases. Figure it out!

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	55-64	R	20+y	2	Lack of trust. We need greater understanding of how Louisville will use this money for maintenance, what do they actually consider "maintenance", what is the fire mitigation plan (explicit before the vote), and if the city struggles to maintain what we have now why purchase more properties. The city needs to show they can adapt each year to the challenges that are presented by seasonal changes, drought conditions, fire, and flood risks. Adapt to support humans, nature, and the interface instead of adhering to certain strict philosophies on the Open Space Board. We are an urban/suburban community that was previously farm and mining land. Very few of our Open Space areas are actual "short grass" prairie and there is no use pretending that they are. Let's maintain them accordingly with wildlife and safety of citizens in mind.
M	55-64	R	20+y	2	We have too many taxes and the city needs to better prioritize what we spend our money on. I support having good parks and trails, but we have spent enough on open space. We can also cut useless feel good programs that do nothing for the city. Then those funds can be used for more concrete spending needs like for the parks and roads.
M	55-64	R	20+y	2	Sales tax is too high. The city government has enough money if carefully used.
F	65+	R	20+y	2	The ballot is attempting to be permanent and I believe I should be able to help decide as the year's needs change.
F	65+	R	20+y	2	Fixed income.
F	65+	R	20+y	2	The current city council is not fiscally responsible. It is anti business and purposely forcing revenue generating entities to move to neighboring communities. They need to figure out how to pay for upkeep from current revenues.
M	65+	R	20+y	2	No new land acquisition. Remove that and I would support
M	65+	R	20+y	2	If your looking for revenue, how about ticketing dogs off leash in open space. City priorities should be maintenance of our pot-holed roads and police and fire protection. Another source of revenue would be attracting small business to fill the empty retail. Maybe a new gas station.
M	65+	R	20+y	2	The main reason of the land acquisition has been done. The money should be better spent to landowners.
F	45-54	U	20+y	2	The city needs to do a better job managing the parks and open space with the funds they have. In 2008 the city stopped mowing open space and even went so far as to threaten fines for those who mowed at their fence line. The city bears partial responsibility for the loss of home and I won't vote for another tax increase until they acknowledge this. Also, if the city council wasn't so anti-business there would be more tax revenue coming in. The city if ruining itself.
F	55-64	U	20+y	2	I have been very unhappy with the city's management of its open space lands, including focus on restricting residents whose property boundaries are adjacent to open space land from accessing the open space trails directly behind their house instead of driving to a trailhead parking lot and failure to properly mow/maintain the overgrowth of vegetation on the open space land which apparently contributed to the spread of the Marshall Fire.
F	55-64	U	20+y	2	Be more fiscally responsible.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	65+	U	20+y	2	To my knowledge, money collected on the past 10 years has not been utilized as tax payers thought. What will make the next 10 years different? I wonder.....
F	65+	U	20+y	2	The City of Louisville did not maintain its parks and open spaces for approximately the last 5years- why extend the tax? We had broken drip systems, weeds, dead bushes and dead trees along Harper Lake, McCaslin Blvd, Washington Ave- our plea to correct this in October 2021 fell on deaf ears. If this ballot measure does pass, then invest in corridor fencing for McCaslin and Washington. Help the Marshall Fire victims and beautify the city with coordinated fire-resistant fencing. Don't spend money acquiring more land that you can't maintain.
F	65+	U	20+y	2	I don't see any accountability. They have all this money, and I don't know what they are doing with it.
M	65+	U	20+y	2	We are already paying additional tax on each plastic bag applied to groceries use that revenue for parks and open space. The "bag tax" is a total scam and should be immediately appealed. It only benefits waste companies reluctant to make investments in plastic recycling for high executive compensation. The carbon footprint of each alternative bag replaces 7200 plastic bags, However, alternative bags only lasts to replace 3500 plastic bags, leaving a carbon footprint deficit, a 2x increasing Co2 in the atmosphere. If city management allows such ignorant laws with the opposite effect that adversely impacts the environment to laws to stand, how can they be trusted with additional tax revenue from other tax initiatives?
M	65+	U	20+y	2	We have enough open space. You can not even keep cut the weeds in the green belts for fire mitigation let alone do fire mitigation for the open space. If you could tell us what you are definitely going to spend the money on then I might reconsider. Purchasing of open space will cause me to vote no kon any tax.
M	65+	U	20+y	2	The City does not maintain what it has now. This is especially true with open space. I see no need to reward poor performance.
M	65+	U	20+y	2	The city does not need to purchase more open spaces I might consider voting for it if I new what the city is doing now to mitigate wildfires, which was dramatically lacking prior to 12/30/2021
M	45-54	D	5-10y	2	Stop off loading business taxes to consumers. Sell or develop land. Think forest management. Cut down trees to maintain the ones you gave left. Buy land low sell high. You now have 2000 acres when the land value is about to drop. Should have sold at top of market. Remove current sales tax and put all burden on business.
F	35-44	R	5-10y	2	Because we just approved the bag tax, which is quite hefty. Where is all that money going?
M	65+	R	5-10y	2	Inflation is an unacceptable tax. Taxpayers can't afford to involuntarily give the government any more of OUR money than is absolutely necessary to provide services for public safety and essential infrastructure. This is neither.
M	45-54	R	Unk	2	City is not spending money wisely. More focused on political agendas. The money coming in from taxes should more than cover expenses.
M	45-54	U	10-15y	3	Our city tax is already too high (one of the highest) and the city has been fighting new businesses from coming in, which could also increase sales tax revenue.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
M	45-54	U	10-15y	3	This survey is carefully veiled in many respects. If we are just maintaining our open space that is one thing, but in several places open space acquisition is the viewed purpose. With the fires & our losses, Louisville really needs to figure out how the force the City of Boulder/BO CO to adequately maintain the space they have, specifically for fire preservation before adding to its open acquisition targets. With have enough COB/BO open space that puts our community in danger. A) Excellently manage & maintain what OS we have; B) make Boco/COB do the same with their properties that can endanger our community & C) set up continentcy funds for OS failures like Marshall... Fire breaks? Go up & hike Malibu canyon sometime?
M	55-64	U	10-15y	3	Find \$\$'s from other city budget line items to fund.
M	45-54	D	15-20y	3	Being a long time resident of Louisville and witnessing non stop increases in property taxes, special taxes, etc. as we all watch our leadership make unsupported decision on housing and our great city continues to drive out business to surrounding cities. I also thought how we handle the fire and all matters of rebuilding very poorly. Watching all this why would I trust to give my city additional tax dollars to squander away.
M	35-44	D	20+y	3	This ballot measure needs to be taken into consideration with the larger use of tax funds. When I see the city utilizing our taxes in what I would consider a poor manner, it makes me less likely to vote to approve extensions, even on things that I might care about to a degree. Spending money to bolt signs into the middle of crosswalks and paint crosswalks green is not an effective use of money. Putting medians in the middle of crosswalks that are a traffic hazard in bad weather i would consider a poor use of funds. The purchase and restoration of a dilapidated building across from sweet cow that requires ongoing maintenance and painting followed by more painting all seems like a drastic waste of taxpayer money, and makes me have less faith in how the city utilizes tax funds. My feeling is that we could be smarter in how we spend the money and then, when we are asked for a 10 year extension to fund the parks, it could possibly be at a lower rate, saving the taxpayers money by effectively using the funds for things that make a real difference in town.
F	45-54	D	20+y	3	Our city has wasted so much money buying that grain elevator that sits empty, putting in the ridiculous cross walks that no resident I've spoken with thinks are helpful but actually make safety worse, and the city is so difficult to deal with we continue to lose businesses that would help generate sales tax. Residents here are not made of money-you guys need to do a better job of spending what we have and trying to attract retail business within city limits.
M	55-64	D	20+y	3	Open space is grossly under protected and restored. Need a large and big acquisition fund ready. Not hardly mentioned here. The money is being diverted to parks when that was not the emphasis in the ballot measure. Parks was one of 6 or 7 things to spend money on. Even this survey gets it backwards leading with parks and not the natural values listed on the previous ballots. Where are other tax options to "vote on this serves? It is misleading and skewed and results won't be very helpful.

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
F	65+	O	20+y	3	Current collected taxes need to be budgeted more effectively and efficiently
F	65+	R	20+y	3	The city doesn't manage the public funds it currently has very well. I live right next to a park and over the years it's maintenance has greatly decreased. I've been here 25 years. Why would I approve more money from my fixed income to be mismanaged?
M	65+	R	20+y	3	There are already too many taxes..
M	65+	R	20+y	3	No need to buy more open space. Need better management and less waste of available funds. Overall taxes are far to high.
M	65+	R	20+y	3	I don't believe the city isn't doing any fire mitigation and haven't taken care of weeds.
M	35-44	U	20+y	3	Louisville needs to stop spending money on open space rangers and most important , control the overpopulation of prairie dogs.
F	45-54	U	20+y	3	No increased taxes
F	55-64	U	20+y	3	City is unable to maintain the current areas in an acceptable manner. Playground equipment is terrible. Open space areas are not well maintained. The city cant keep what they have. Employees are more interested in their phones than the jobs they should be doing.
M	55-64	U	20+y	3	The city shouldn't own 40% of the land in the city limits. That's crazy. Sell some of it and reduce the sales taxes. When I moved to Louisville in 1997 the sales taxes were some the lowest in the area. Now, it's one of the highest.
M	55-64	U	20+y	3	The citizens of Louisville are over taxed for frivolous expenditures like this.
F	65+	U	20+y	3	I believe the city wastes money on social justice issues that could be redirected to these projects. We do not need a DEI department and the salary involved there. We do not need the street painted in rainbow colors. Louisville is bending over backwards to virtue signal. The city also wastes money on traffic safety that isn't necessary. Basically I think city money is not being used wisely and am very hesitant to give them more.
M	65+	U	20+y	3	This is ridiculous ... the City wants to continue its high tax rate in the face of a recession. Please consider LOWERING taxes and being more fiscally responsible vs. increasing spending. I strongly disagree with the focus on and funding of DEI and related activities by the City. Cut those departments and programs, use the savings to fund open space & parks. I suspect the City spends an equal amount on DEI as it does on open space & parks. IMO, open space & parks are the priority, not DEI.
M	65+	U	20+y	3	Management
M	65+	U	20+y	3	Too much open space, unmowed, led to greater losses in recent wildfire

City of Louisville Parks and Open Space Ballot Measure Survey
"Please describe the reasons why you would vote no and reject the ballot measure."

Sex	Age Range	Party	Tenure	Ward	Response
U	65+	U	20+y	3	Why have you hired open space rangers and give them them trucks? We do not need open. Space rangers patrolling our lands. You are not keeping up with the trees on these open spaces. More money needs to go to the forestry department or parks and rec needs to share in the maintenance of our trees and shrubs and land, I do not see this happening and it seems like you are expanding the overhead without taking care of what we already have. We do not need more personnel.
F	45-54	D	5-10y	3	There is no need for more land acquisitions. The City should be focused on encouraging tax revenues from businesses, not the consumers, which entails encouraging development rather than prohibiting it. The City's wealth is derived by placing the burden on residents, squeezing out low income households. It's frankly disgusting how little concern the City has for middle income earners, let alone low income earners.
F	45-54	D	5-10y	3	I don't have the money to pay more:(I work 52+ hours a week. Not everyone that lives in Lsvl is rich!
F	45-54	U	5-10y	3	Taxes are already too high. City needs to fund projects within reasonable budget and not extending or adding taxes.
M	45-54	U	5-10y	3	I believe funding more land acquisition when the city is already struggling to manage what it has is a fire hazard and a mistake. I believe Louisville businesses are being taxed out of Louisville and being forced to do things like being used bag recycling behind service desk so that residents must buy new bags and pay tax instead of reusing disposable bags in a bin (King Soopers), or plant 20 trees in order to get outdoor seating for a struggling restaurant that can't afford it. DJ's watering hole. I believe parents and children are being forced into a very dangerous traffic and egress situation at Monarch and the city is ignoring the warnings. Fixing that looming catastrophe is a much higher priority than acquiring more open space.
M	65+	U	5-10y	3	The City is spending too much already, and must cut back, especially on staff. Also, I think it is a horrible idea ever to dedicate a specific tax to a specific use: it takes away all flexibility to adapt the annual budget to current needs and priorities, and often (as in this case of Parks etc) leads to automatic and wasteful staff spending, indefinitely into the future.
M	18-34	R	Unk	3	Taxation is theft
U	35-44	U	Unk	3	All taxation is theft.

T15. Thank you for learning why the City is placing a ballot measure on the November ballot. As a reminder, the ballot measure may ask voters to approve or reject a 0.375% sales tax extension for 10 years to continue generating a \$2.85 million annual dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. A 0.375% sales tax extension would cost a consumer 3.75 cents on a \$10 purchase of taxable items. If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million annual dedicated funding source for the annual maintenance of parks, trails, open space, and land acquisition?..... 102

T20. Again, because Parks and Open Space are amenities that require long-term funding, the City is considering a ballot measure that would increase the tax by 0.125% to raise an additional \$950,000 for the maintenance of parks, trails, open space, and land acquisition. This additional funding would be used for maintaining existing parks, maintaining Open Space, trails, and future open space or park land acquisition. This may include more frequent playground replacement, trail development, natural resource management and education, addressing deferred maintenance issues and aging infrastructure, and the rising cost of materials and labor. Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years? 127

Table 14

Before we continue, it is important to understand that the City has not determined the specifics of a ballot measure that will be placed on the November ballot regarding funding for parks, trails, and open space. However, your participation in this survey and sharing your honest opinions will influence those decisions. So, let's continue the survey now.

T9. As you may know, in 2002, Louisville voters approved a 0.375% sales tax increase to create a dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. In 2012, voters approved an extension of this tax for another 10 years, and the tax expires at the end of 2023. The City is considering a ballot measure asking voters to approve or reject another 10-year extension of the tax. The 0.375% sales tax generates \$2.85 million annually and costs a consumer 3.75 cents on a \$10 purchase of taxable items. If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million dedicated funding source for the maintenance of parks, trails, open space, and land acquisition?

Table 14

Before we continue, it is important to understand that the City has not determined the specifics of a ballot measure that will be placed on the November ballot regarding funding for parks, trails, and open space. However, your participation in this survey and sharing your honest opinions will influence those decisions. So, let's continue the survey now.

T9. As you may know, in 2002, Louisville voters approved a 0.375% sales tax increase to create a dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. In 2012, voters approved an extension of this tax for another 10 years, and the tax expires at the end of 2023. The City is considering a ballot measure asking voters to approve or reject another 10-year extension of the tax. The 0.375% sales tax generates \$2.85 million annually and costs a consumer 3.75 cents on a \$10 purchase of taxable items. If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million dedicated funding source for the maintenance of parks, trails, open space, and land acquisition?

Table 15

We will now share information about the Parks and Open Space Divisions and why the City will be placing a ballot measure before voters this November. The ballot measure may ask for voters to approve an extension of the 0.375% sales tax to generate \$2.85 million in annual funding for the maintenance of parks, trails, open space, and land acquisition. After reading hearing the information, please indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started.

T10. The Parks Division is responsible for maintaining and operating 37 parks, 16 playgrounds, 7 basketball courts, 14 athletic fields, 11 Tennis courts, 5 pickleball courts, and a multipurpose in-line skating rink. In addition, they manage the City's forestry (including the Arboretum & 10,000 trees throughout the City), skate park, street medians, and streetscapes, right-of-way landscape maintenance, 70 neighborhood entrance areas, and over 10 miles of street landscaping maintenance. The Parks Division also manages 10 miles of trails and all public horticulture areas, including all downtown flower beds, trees, and the Louisville Cemetery. Knowing this information are you:

Table 15

We will now share information about the Parks and Open Space Divisions and why the City will be placing a ballot measure before voters this November. The ballot measure may ask for voters to approve an extension of the 0.375% sales tax to generate \$2.85 million in annual funding for the maintenance of parks, trails, open space, and land acquisition. After reading hearing the information, please indicate if you are more likely to vote yes and approve the ballot measure or if you are more likely to vote no and reject it. Let's get started.

T10. The Parks Division is responsible for maintaining and operating 37 parks, 16 playgrounds, 7 basketball courts, 14 athletic fields, 11 Tennis courts, 5 pickleball courts, and a multipurpose in-line skating rink. In addition, they manage the City's forestry (including the Arboretum & 10,000 trees throughout the City), skate park, street medians, and streetscapes, right-of-way landscape maintenance, 70 neighborhood entrance areas, and over 10 miles of street landscaping maintenance. The Parks Division also manages 10 miles of trails and all public horticulture areas, including all downtown flower beds, trees, and the Louisville Cemetery. Knowing this information are you:

Table 18

T13. If the 0.375% dedicated parks and open space sales tax is not extended, the City must dramatically reduce the operational costs of the Parks and Open Space Divisions. This would result in less mowing, wildfire mitigation, and reduced trail, park, and open space maintenance. Knowing this, are you:

Table 20

T15. Thank you for learning why the City is placing a ballot measure on the November ballot. As a reminder, the ballot measure may ask voters to approve or reject a 0.375% sales tax extension for 10 years to continue generating a \$2.85 million annual dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. A 0.375% sales tax extension would cost a consumer 3.75 cents on a \$10 purchase of taxable items. If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million annual dedicated funding source for the annual maintenance of parks, trails, open space, and land acquisition?

T15. Thank you for learning why the City is placing a ballot measure on the November ballot. As a reminder, the ballot measure may ask voters to approve or reject a 0.375% sales tax extension for 10 years to continue generating a \$2.85 million annual dedicated funding source for the maintenance of parks, trails, open space, and land acquisition. A 0.375% sales tax extension would cost a consumer 3.75 cents on a \$10 purchase of taxable items. If an election were held today, would you vote yes and approve or vote no and reject an extension of the 0.375% sales tax for 10 years to generate a \$2.85 million annual dedicated funding source for the annual maintenance of parks, trails, open space, and land acquisition?

City of Louisville Parks and Open Space Ballot Measure Survey, 802n, +-3.38% MoE, April 20th - May 4th, 2023, Weighted Crosstabs

Table 24

Parks and Open Space are amenities that require long-term funding. Therefore, the City is considering asking voters to approve extending the 0.375% sales tax dedicated for Parks and Open Space for more than 10 years. Please indicate your level of support or opposition to extending the 0.375% sales tax for the following time periods.

T19C. Make it a Continuing Tax

Table 25

T20. Again, because Parks and Open Space are amenities that require long-term funding, the City is considering a ballot measure that would increase the tax by 0.125% to raise an additional \$950,000 for the maintenance of parks, trails, open space, and land acquisition. This additional funding would be used for maintaining existing parks, maintaining Open Space, trails, and future open space or park land acquisition. This may include more frequent playground replacement, trail development, natural resource management and education, addressing deferred maintenance issues and aging infrastructure, and the rising cost of materials and labor. Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years?

Table 25

T20. Again, because Parks and Open Space are amenities that require long-term funding, the City is considering a ballot measure that would increase the tax by 0.125% to raise an additional \$950,000 for the maintenance of parks, trails, open space, and land acquisition. This additional funding would be used for maintaining existing parks, maintaining Open Space, trails, and future open space or park land acquisition. This may include more frequent playground replacement, trail development, natural resource management and education, addressing deferred maintenance issues and aging infrastructure, and the rising cost of materials and labor. Knowing this, would you vote yes and approve or vote no and reject a 0.5% sales tax to fund an annual \$3.75 million dedicated funding source for the maintenance of parks, trails, and open space land acquisition that would expire and sunset in 10 years?

SUBJECT: MARSHALL FIRE RECOVERY UPDATE

DATE: JUNE 20, 2023

**PRESENTED BY: JEFF DURBIN, CITY MANAGER
RYDER BAILEY, DIRECTOR OF FINANCE
CAMERON FOWLKES, CITY ENGINEER
RAFAEL GUTIERREZ, CHIEF OF POLICE
EMILY HOGAN, ASSISTANT CITY MANAGER
ROB ZUCCARO, DIRECTOR OF COMMUNITY DEVELOPMENT**

SUMMARY:

It has been almost a year and a half since the Marshall Fire and an overall update on our recovery, mitigation and preparedness is being provided for Council and the community.

The purpose of this update is to share information, keep City Council and the community up-to-date on recovery progress and discuss next steps on the road to recovery. Staff is not seeking direction from City Council at this time.

Recovery (specifically rebuilding, mitigation and preparedness) is a priority for the organization. Overall, City staff have initiated many advances and have been successful securing millions of dollars in funding. And, we recognize that we still have a lot of work to do. This communication provides information on the following:

- Rebuilding Status
- Public Facilities and Infrastructure Repair
- Safety and Security Status
- Mitigation and Preparedness Status
- City's Financial Condition
- Next Steps

One of the more difficult challenges resulting from a disaster like the Marshall Fire is the mental and emotional trauma inflicted on victims and responders. We have worked closely with our partners at Marshall ROC, Jewish Family Services and Mental Health Partners to support wellness services for the community. We have hosted wellness visits for our staff along with providing access to services via our employee assistance program. It remains important that we all look after and support one another.

It should be noted that the cause and origin report was released by the Boulder County Sheriff's Office on June 8, 2023 and the City of Louisville was not involved in the investigation. The report and related materials are available on the [Boulder County Sheriff's website](#).

REBUILDING STATUS:

The fire impacted neighborhoods were originally built by production builders who had control of all of the property and building schedules within the neighborhood. The rebuild is happening on a lot by lot basis by over 90 different builders with very little room for material storage. Shortly after the fire we began work to ensure that the City could process permits expeditiously and that streamline the rebuild process as best we could. We have invested significant staff time and resources to accomplish that goal, summarized as follows:

- Increased staff capacity with both permanent positions and consultant support, including inspectors, plans analysts, and code enforcement
- Combined the building permit with the right-of-way permit process to expedite issuance
- Striped the rights-of-way to define storage and parking areas
- Require pre-construction meetings with contractors prior to permit issuance to ensure communication of regulations and expectations
- Coordination of safety training with OSHA
- Continual review and updates to the implementation and enforcement of regulations and policies to accommodate changing conditions and needs
- Regular meetings with utility agencies to track installation and issues associated with restoration of services (Xcel, Comcast, CenturyLink)
- Creation of the Recovery Variance to allow minor modifications to zoning regulations to allow flexibility for homeowners
- Neighborhood-driven updates to PUDs' fence regulations to accommodate design preferences and wildfire concerns.

Rebuild Permit Data (as of June 1, 2023)

	Single-Family	Multi-Family*	Total
Total homes lost	519	30	549
Permits Issued	263	5	268
Permits Under Review	52	0	52
Lots Sold or For Sale	80	0	80
Average Valuation	\$900,159	\$1,837,558	

*Wildflower Condo Permits: 5 Core/Shell permits issued which allows the 5 destroyed buildings to be rebuilt. 30 individual unit permits are still required to authorize construction of interior fixtures and finishes. These properties will be included on the dashboard as the 30 individual unit permits are submitted.

SUBJECT: MARSHALL FIRE & WILDFIRE MITIGATION UPDATE

DATE: JUNE 20, 2023

PAGE 3 OF 13

	Single-Family	Multi-Family*	
Energy Code	30.6% – 2018 IECC 60.7% – 2021 IECC w/o RC 8.6% – 2021 IECC w/ RC	2021 IECC

Avg Increase from Previous Home Size	13.3%	0%	

City Council adopted a Use Tax rebate/credit program for property owners rebuilding after the fire, here’s the total participation as of June 1, 2023:

Use Tax Credit requests: 294
Total credits issued or prepared: \$4,508,021
Average Use Tax Credit: \$15,333

As you may recall, owners not building to the most current energy code only received the rebate/credit proportionate to the square footage of the original home. City Use Tax collected related to these circumstances as of June 1, 2023 totals \$446,642.

Additionally, only the owners as of December 30, 2021 were eligible for the rebate/credit. Currently we estimate that approximately 15% of the lots are on the market.

Smoke damaged homes were not eligible for the Use Tax rebate/credit program. Smoke damaged homes that need insulation replacement required an insulation permit. As of June 1, 2023 1,616 insulation replacement permits have been issued. The average Use Tax for an insulation permit is \$75.

Building Permit Fees were not waived for rebuild permits. Building Permit fees are designed to cover the cost of building code administration and are not a profit center for the City. As noted above, our costs of administration were increased significantly to help expedite and facilitate the rebuild process. Staff is preparing a building permit fee analysis that will examine the fees charged and expenses incurred by the City related to rebuilding and will present that information towards the end of the year.

The City has received reports of some homeowners experiencing issues when connecting their solar systems with Xcel’s network. The City has worked closely with Xcel to resolve these issues and is not aware of any ongoing issues related to properties that are

rebuilding. The City will continue to work with Xcel to identify and resolve any issues quickly. Xcel has published [Frequently Asked Questions](#) that homeowners can reference.

Given the amount of construction activity in these neighborhoods along with families moving home, we have increased enforcement of safety related matters. We are adding code enforcement capacity and over the next couple months will be communicating with property owners who are not rebuilding about property maintenance. We anticipate conflicts among construction activity and families living in the neighborhood along with material storage, trash and debris, and noxious weeds. We are working to mitigate and balance these challenges.

PUBLIC FACILITIES AND INFRASTRUCTURE REPAIR STATUS:

Public Property Debris Removal (PPDR)

The Boulder County hired a PPDR contractor, DRC Emergency Services, LLC, which started in April of 2022 and completed work in August of 2022 (5 months). A total of 261 properties (of 550 properties destroyed in Louisville) opted into PPDR. The City's portion of the PPDR invoicing is approx. \$850,000 of the total \$13,800,000 that was spent in Louisville. The City covered 100% of cost of driveways and FEMA ineligible concrete (\$150,000) with approval of the property owners. The only remaining item related to PPDR is the retainage payment to Boulder County of approximately \$50,000 for the project closeout.

Water Testing

Staff continues to test the water system as houses are coming back online in accordance with CDPHE approved requirements.

The combined total for all water testing is \$565,000. The City has approx. \$11,000 remaining within the contract. Staff is working through a change order with the consultant and anticipates the change order to be \$88,000 (for a new total of \$653,000). To date, FEMA has agreed to reimburse the City approximately \$472,000 for water testing. The impacted water system has been subdivided into 24 neighborhoods with 14 completed and fully released. Nine of the remaining neighborhoods are small areas and/or cul-de-sacs (with one to five homes damaged). The last remaining neighborhood outstanding is Hillside (Centennial Heights West) which has the most testing requirements in place currently.

City Repairs

Public Works is monitoring the streets and sidewalks in the burn areas as construction progresses. Emergency patching is being completed on an as-needed basis. Most of the streets in the burn areas are scheduled to be rehabilitated in 2025. A few smaller subdivisions may be completed in 2024 if most of the homes have been constructed.

FEMA has obligated the money for fire damages and PPDR incidental damages. FEMA has denied covering the cost of damages related to rebuilding after PPDR was completed but staff will continue to appeal this decision.

Open Space has repaired 2.5 miles of burned open space fencing for a total of \$202,000 in repair costs.

Parks is currently working on a design for the Enclave and Sunflower Parks with anticipated construction in the spring of 2024. The medians/landscaping repairs are scheduled for June 2023 and will be completed in the fall of 2023. The contract for \$805,000 was approved by Council on June 6, 2023. Additionally, the City has spent \$116,000 for irrigation parts, power restoration and golf course irrigation.

Tree removal on City property from the Marshall Fire is in process. Of the 108 trees destroyed, staff has removed 78 trees and with 30 more to be removed this summer. There are remaining damaged or destroyed trees that the Mile High Flood District will address in the coming month. Trees will be planted per the replanting plan developed by staff.

SAFETY & SECURITY STATUS:

Immediately after the fire, the Louisville Police Department initiated steps to secure the neighborhoods given the unsafe conditions and to prevent protect the privacy of families who lost their homes from gawkers and looters. Initially, all affected neighborhoods were barricaded at ingress and egress points allowing only resident access. These measures cost approximately \$1,000,000 which we anticipate will be fully reimbursed.

Temporary perimeter fencing was installed to further restrict access. The temporary fencing and ingress/egress barricades were in place for approx. 6 months with assistance from outside agencies patrolling the area. This time allowed affected homeowners to sift through the debris and secure their belongings. These measures cost approximately \$150,000 and we anticipate reimbursement of 95% of that expense.

Property crimes rates in Louisville have fluctuated over the last three years, with 730 incidents in 2020, 948 incidents in 2021 and 785 reported in 2022. The rates in 2021 were higher than usual in our city and across the state but returned to typical levels in 2022. This represented a decrease in property crimes throughout the city by approx. 17% in the year after the fire. As we examine overall trends, the rate of property crimes and theft within the burn areas is not disproportionate to previous years nor are they areas of the city with the highest levels of theft.

SUBJECT: MARSHALL FIRE & WILDFIRE MITIGATION UPDATE

DATE: JUNE 20, 2023

PAGE 6 OF 13

The Police Department continues its efforts to address concerns in these areas, the Police Department and has implemented a number of crime prevention techniques. In March 2022, staff published and distributed crime prevention tips for the burn areas and in June 2022, the City installed automated license plate reader cameras at all ingress points to the burn areas. With the addition of the cameras, the barricades and outside agency-assisted patrols ended.

Since June 2022 through present, staff has met with residents, contractors, HOAs and neighborhood liaisons to discuss crime prevention measures throughout the phases of construction. Police patrols have focused on affected neighborhoods, and communications/outreach have focused on educational crime prevention materials.

Through supporting the Art of Neighboring program, the Police Department continues to focus resources in the burn areas to address community concerns and as a means to better engage our residents and develop appropriate strategies.

In addition to efforts around security and crime prevention, the Police Department has taken steps to better prepare for future disasters by developing pre-determined zones across the city that are linked to the County's Reverse 911 system, Everbridge. This system allows Police and Fire to activate alerts more quickly and precisely in the event of an emergency. Staff has also collaborated with Boulder County Communications to design a notification map for potential flood affected properties along Coal Creek.

MITIGATION & PREPAREDNESS STATUS

An important part of the community's recovery is the need to mitigate risk and building resilience for future disasters. Below is a summary of some of the work around mitigation/preparedness that has occurred in the past year.

After-Action Reports

In the aftermath of the event, several regional and state agencies completed studies of the incident and response in an effort to identify areas of improvement to build resilience and preparedness.

Boulder County conducted the Marshall Fire Operational After-Action Report (AAR). The AAR represents lessons learned and action steps for emergency responders and responding agencies and jurisdictions regarding the operational response to make continual improvements for future incidents. The City of Louisville and Louisville Fire Protection District (LFPD) were among the jurisdictions that participated in the development of the AAR. There were 18 recommendations identified for the City of Louisville and LFPD (14 have been completed to-date per the [most recent progress update](#)).

Staff also participated in a [Facilitated Learning Analysis](#) (FLA) that was requested by the Mountain View Fire Department, Louisville Fire Department and Boulder County and led by the Colorado Division of Fire Prevention and Control (DFPC). The FLA was requested to gain a deeper understanding of what occurred during the Marshall Fire response. It is intended to be an educational and training tool for first responders and will help those directly involved in the incident learn and understand what occurred and provide the ability to share that information with others moving forward.

The City also recently was notified that the Colorado Department of Homeland Security and Emergency Management (DHSEM) is also working on an After-Action Report on the state's response and recovery efforts in relation to the Marshall Fire. City staff were contacted to learn about the process for the AAR and to conduct stakeholder interviews. The State's AAR is described as an assessment of response and recovery decisions, activities and lines of effort, capturing strengths, areas for improvement, potential best practices and mission-critical issues. The City will share the report when it is released.

Emergency Notifications

The City has taken steps to prepare for future disasters by developing pre-determined zones across Louisville that can be linked to the County's reverse 911 system, Everbridge. This system will allow Police and Fire to activate alerts more quickly and precisely in the event of an emergency.

Everbridge Resident Connection has also been recently added to the County's system. Resident Connection is a database of publicly sourced information that aggregates residential and business phone numbers that can be utilized to send out emergency alerts to impacted areas. The phone numbers in this database will automatically receive text messages and voice alerts when an emergency alert is issued. However, Resident Connection is not a substitute for opting into BOCO Alerts. Residents can sign up and update their profile at <https://member.everbridge.net/453003085612231/login>.

BOCO Alerts are available in over 100 languages and dialects using the ReachWell translation app, which is now available to download. Alerts are automatically sent to the app, where users can access the content in their preferred language. The app will deliver all emergency notifications sent via Everbridge. Residents can download the app and search and add 'BoCo Alert' to receive notifications.

Emergency Planning Documents

The City recently participated in the [2022-2027 Boulder Hazard Mitigation Plan](#) update process. Adoption of a Hazard Mitigation Plan (HMP) makes the City eligible for federal Pre-Disaster Mitigation and Hazard Mitigation Grant Program (HMGP) funding available through FEMA. The last update was approved in June 2022. The City edits to existing projects and added [new projects based on lessons learned from the Marshall Fire](#), which were approved by FEMA in November 2022. The HMP is used to identify potential

opportunities for improvements to public infrastructure that mitigate a variety of hazards to homes, businesses or City infrastructure.

In spring 2023, Boulder County kicked off an update to the [Boulder Community Wildfire Protection Plan \(CWPP\)](#). The purpose of the CWPP is to reduce the greatest risks related to wildfire across Boulder County, unite mountain and plains communities in a collaborative effort to reduce the negative impacts of wildfire, ensure access and input to all communities in program development and implementation options, implement strategic fuels reduction projects to address grassland and forest landscapes with a focus on community protection and implement strategic forest restoration and fuels reduction to protect watersheds for ecosystem services and drinking water. The update process is anticipated to take approx. 12-18 months. The City and LFPD are participating in this effort and advocating for the grassland communities.

The City is also in the process of finalizing a comprehensive Wildfire Risk Assessment (WRA), which includes identification of hazards and risks and the development mitigation opportunities for Louisville's public lands to be more resilient against future disasters. The WRA will be useful in informing strategies outlined in the CWPP and will guide the City's mitigation efforts. The final recommendations from the WRA will be presented to City Council in July.

In an effort to enhance City planning and operations for future disasters, the City contracted with a third party, All Clear Emergency Management Group, to develop an Emergency Improvement Plan (EIP). The scope of work included objectively evaluating and assessing the City's roles and responsibilities around disaster preparedness and response and its performance during past incidents, including the Marshall Fire. The final report reviews key areas related to emergency response, operation of critical services and emergency preparedness and identify recommendations for future improvements. Staff has already started working on implementation of the EIP.

To improve emergency access routes, the City is working with Boulder County to finalize an Intergovernmental Agreement that will establish an emergency access road at Davidson Mesa. Boulder Valley School District (BVSD) has also established a new emergency road on the Monarch campus, which adds an evacuation option in the event of a disaster.

Education & Outreach

In coordination with the Town of Superior, Boulder County and other regional partners, the City launched the [2023 Disaster Education & Outreach Series](#) in January. The purpose of the series is to undertake action and education to mitigate risk and build resilience for future disasters. Sessions topics include: Community Wildfire Protection Plans, Wildfire Risk Assessment, Emergency Preparedness & Notifications, Reducing Your Risk at Home, Lessons Learned on Fire Behavior from Marshall Fire and Protecting the Watershed and Water Sources. Sessions were offered in-person and remote. A

recording of each session is available on the City's website. The series is expected to return this fall.

Early in 2022 we established a neighborhood liaison program whereby neighborhood leaders meet regularly with City staff. This has been extremely helpful in informing staff of neighborhood concerns and informing families of our work and processes. In 2023 we used that model to establish a neighborhood preparedness roundtable. The goal for this group is to open a two way dialogue between neighborhood leaders and City staff around preparedness matters. Currently we are working with this group on how we collaborate around encouraging family preparedness planning.

Additional Resources/Grants

Given the importance of preparedness and mitigation, we recently established a Recovery and Resilience Program Manager position to guide recovery and disaster mitigation/preparedness efforts within the organization and the community. This position will lead the City's Long-Term Recovery Steering Committee, develop emergency planning documents, conduct staff training and exercises, coordinate with regional partners, work with residents to understand community needs related to recovery, identify resources and related matters. The Colorado Department of Local Affairs (DOLA) awarded a \$90,000 grant to the City for this position. The grant is for \$60,000 for the first year and \$30,000 for the second year with the City covering the remaining salary/benefits as its match (approx. \$170,000 over 2 years).

We also established a Mitigation Coordinator position to oversee all of our mitigation initiatives. The Colorado State Forest Service awarded a \$290,000 grant to the City to fund fuels reduction on City land and to fund this position. On-the-ground treatment includes cattle and goat grazing on open space over the next 3 years. The new position will implement the Wildfire Risk Assessment (WRA), manage contracts, seeking additional funding for mitigation, conduct education and outreach, coordinate with the grasslands working group, evaluate effectiveness of fuels reduction, etc. The grant is for \$140,000 for fuels reduction and \$150,000 for the Wildfire Mitigation Coordinator over 3 years with the City committing a 100% match (approx. \$290,000 over 3 years).

We are also applying to FEMA's Hazard Mitigation Grant Program (HMGP) for \$4.9 million to install and upgrade generators at critical City facilities. This includes the Recreation & Senior Center, which is a designated Red Cross shelter site, and the Police Building and South Water Treatment Plant. Replacement or the addition generators at these sites will ensure that the City is able to maintain core services like water treatment/delivery, public safety operations and sheltering. We are requesting funding of \$4.4 million with a match of \$500,000, which can be a combination of cash and in-kind contributions). The City's application will be submitted to FEMA in June and staff should know if the grant has been awarded by the end of the year.

CITY’S FINANCIAL CONDITION:

We continue to monitor and track disaster related expenses in an effort to maximize external funding sources and mitigate negative financial impacts to the City. There are a number of financial impacts related to the Marshall Fire, including total impact to the organization from damage to infrastructure and facilities, disaster response and assistance to homeowners.

Total estimated disaster related expenses, including the Private Property Debris Removal (PPDR) program, are currently estimated at \$29.5M. Extensive efforts by staff have resulted in approximately 2/3rds, or \$19.9M, of these expenses to be covered by external sources, such as FEMA, the State, and the City’s own insurance policy. Please refer to Exhibit 1 for a break out of Externally Covered Disaster Related Expenses.

Exhibit 1 – Externally Covered Disaster Related Expenses

Of the remaining \$9.6M in disaster related expenses, \$2.3M is designated as Known Uncoverable (City expense for driveways and FEMA ineligible concrete as part of PPDR, FEMA local matches or “cost shares”, denied insurance claims or insurance claims in excess of deductibles). Please refer to Exhibit 2 for a break out of Known Uncoverable Disaster Related Expenses.

Exhibit 2 – Known Uncoverable Disaster Related Expenses

Significant disaster related expenses totaling \$7.3M remain outstanding and are considered Potentially Uncoverable. These are largely comprised of current and anticipated disaster related expenses deemed ineligible by FEMA, such as median, park, and road infrastructure repairs. Please refer to Exhibit 3 for a break out of Potentially Uncoverable Disaster Related Expenses.

Exhibit 3 – Potentially Uncoverable Disaster Related Expenses

SUBJECT: MARSHALL FIRE & WILDFIRE MITIGATION UPDATE

DATE: JUNE 20, 2023

PAGE 13 OF 13

Staff continues to work diligently with Colorado Department of Public Safety on documentation requests as it relates to FEMA Obligated projects. Additionally, Staff continues to work with our Insurer on all eligible and potentially eligible covered expenses; however, staff does not anticipate any significant insurance reimbursements in the future.

NEXT STEPS:

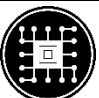

While we have accomplished a lot, we still have a lot of work to do. Our focal points can be summarized as follows:

- Managing an orderly and safe neighborhood rebuild process
- Working with our neighborhood liaisons and neighborhood preparedness roundtable to maintain communications, relationships, and effect positive change
- Onboarding recovery, resilience, and mitigation staff and implementing our organizational improvement plan
- Collaborating with local and regional agencies to improve emergency response
- Completing the public property risk assessment and establishing land management policies
- Working to minimize the fiscal impact to the City
- Evaluating future budgets and emergency reserves
- Promoting family preparedness planning and private property mitigation
- Monitoring building permit fee revenues versus expenditures

2023 City of Louisville Workshop & Improvement Plan Summary Report

Project Dates: March 3, 2023 – June 5, 2023

Report Date: June 5, 2023

Completed by:

All Clear Emergency Management Group
3434 Edwards Mill Road, Suite 112-162
Raleigh, NC 27612
336-802-1800

Project Lead:

Name: Will Moorhead
Title: President
Email: willm@allclearmg.com

2023 City of Louisville, CO Improvement Plan Summary Report

Project Summary

The City of Louisville, CO contracted with All Clear Emergency Management Group to review existing incident review documents and plans to gather Louisville-specific improvement items and evaluate the City's roles, responsibilities, capabilities and capacities around their emergency preparedness and response. All Clear created and distributed a survey to obtain and prioritize improvements from City staff. An in-person improvement planning workshop was conducted with City employees to help further identify improvements to draft an improvement plan from lessons learned from past incidents, including the Marshall Fire. The scope of this summary report includes the outline and development of the workshops, and the improvement plan.

Project Staff

Will Moorhead
Jenny Schmitz
Jake Peterson
Kate Petrolina
Alyson Angell

Project Deliverables

The All Clear team worked closely with the City of Louisville to develop and comply with the deliverables.

1. Project Management and Review of City Documentation
 - All Clear held a project kickoff call with the City of Louisville on March 3, 2023, to develop a project plan to ensure all deliverables and timelines were met.
 - All Clear completed a thorough review of documentation related to the Marshall Fire response and documentation provided by the City of Louisville.
2. Survey Development and Evaluation
 - All Clear held a survey review meeting with the City of Louisville's planning team on March 13, 2023 (survey review). In this meeting, All Clear worked with the City of Louisville to create an online survey that would capture details about priorities, identified strengths, areas of improvement, opportunities, and threats related to the City's role during and after the Marshall Fire.
 - On April 7, 2023, a workshop preparation meeting was held to further develop the content for in-person improvement planning workshops.
3. Conduct, Facilitation, and Evaluation of the Initial Survey and In-Person Workshop
 - On April 13, 2023, and April 14, 2023, All Clear facilitated and evaluated two two-hour in-person workshop sessions utilizing two All Clear facilitators. The workshops included reporting out the findings from the survey previously obtained and

assisting participants in clarifying concepts, building on improvement, and prioritizing mitigation strategies that had been identified. The workshop provided time for small work groups and organizing feedback into improvement categories.

- Using the evaluation information, All Clear has developed an Improvement Plan matrix and recommendations for the City of Louisville, highlighting areas for improvement, corrective actions, and recommendations for future projects.

4. Project Closeout

- As part of the project closeout for this project, the City of Louisville, CO was provided with a final version of the Improvement Plan matrix, a project summary report, and the final project invoice.

Top Priorities Identified and Recommendations for Future Projects

Based on the work during this project, All Clear has developed recommendations for future planning efforts and projects. After collecting the survey data and further discussion identified issues, the below are the top priorities identified. The full detail can be found in the Improvement Plan (attached).

1. Assessments to prioritize and update and/or create plans.

- It is recommended that the City of Louisville conduct a Hazard Vulnerability Assessment (HVA) for the City of Louisville. It allows staff to identify the events or conditions that would interrupt normal operations while weighing the impact from the interruption against the preparedness in place. Additional documentation to consider includes any risk assessments developed by the county (THIRA, Hazard Mitigation Plan) to understand hazards for the county that may impact City operations.
- Continuing development of a City of Louisville Emergency Operations Plan (EOP) would allow City employees and partners a guide for their role and responsibilities in an emergency. The EOP will outline the core group of individuals expected to convene to lead the City during an emergency and be a guide for how those individuals lead City functions toward a return to normal operations.
- An EOP addresses how an organization will respond to an emergency, a Contingency Plan, or a Continuity of Operations/Government (COOP/COG) Plan helps to identify an organization's decision makers, daily essential functions, equipment, etc. that must continue during an emergency. The City of Louisville has a COOP outlined. The plan should be further developed and implemented through education and training.
- A Communications Plan should be created or updated within the EOP and COOP. Phone numbers need to be updated and checked regularly for accuracy. Details should be included to clarify who composes messages, who approves messages, who disseminates messages, and the alternative process implemented when primary systems fail.

2. Hiring a Recovery Manager.

- a. Hiring a Recovery Manager was identified as high importance in both the survey and in the workshop. The job description is currently being drafted and the hiring process for the position has been initiated. The Recovery Manager will be advised by an internal Emergency Preparedness Committee to further develop and implement policies, plans, and procedures for emergencies.
3. Accessing needed resources or staff.
 - a. The Marshall Fire stressed the City of Louisville's capacity for resources and staffing. The City's available resources should be assessed, and a list of needs developed and prioritized. Equipment such as generators, maps, printers, etc. may be identified as necessary for mitigation of emergencies. The processes for resource tracking and budget allocation and procurement should be aligned with the resources. Additional staff during, and post-incident, are needed. Memorandums of Understanding/Agreements (MOUs/As) or Intergovernmental Agreements (IGAs) would provide options for back fill when City staff members are being pulled to other duties or may even supplement the disaster responsibilities of current staff members.
4. Training
 - a. Training was recommended in multiple areas. Assess the roles of staff during an emergency to determine which employees require basic or advanced ICS training. Cross-train staff members in the various roles they may fill during a disaster. Train all staff on the EOP, COOP, and Communications Plan so all staff are knowledgeable of the City's plans.
5. Exercising
 - a. Practicing the functions of the Emergency Operations Center (EOC) and the roles of the City staff supporting the EOC would build upon the capabilities of City employees and the City. This can be completed by simply practicing utilization of the ICS forms each role completes during a simulated emergency or running by conducting a tabletop exercise to test new and/or existing plans. Conducting short drills, such as mass notification drills, fire drills, or department drills, is also a great way to enhance preparedness.

The combination of the priorities listed above helps address another issue identified, creating a culture of preparedness without raising anxiety about emergencies. Increasing preparedness of staff members lessens potential for anxiety about emergencies. Preparedness provides some opportunity for an individual to have some level of control when disaster strikes. If staff are educated on the City's plans and if they are trained on and have exercised those plans, they will feel more in control and knowledgeable about addressing emergencies.

Improvement Plan

The Improvement Plan expands on the recommendations of these priorities and provides details about additional issues identified from the survey and the workshop. The Improvement Plan can be found as a separate document outside of this report. The IP serves as a guide for the City by identifying the issue to be addressed, tactics to address the issue, and establishing responsibility, priority, and due dates for the tactical work to be completed.

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
Communications	Update and maintain internal and external contact lists (i.e. regional/state emergency contacts, partner agencies, etc). Ensure to update at least every six months and that these lists are easily accessible to who needs them. Virtual and paper versions are both recommended.	Planning	60 days	HR/CMO			
	Formalize process for internal/city communication to all staff (phone tree, group text/mass notification, etc). Identify the department that will maintain the system and recipient contact information. Identify the individuals with permission to send messages through the system. Test the notification system/process on a regular basis. Consider requesting an action by recipients such as contacting their supervisor or completing a brief survey so that receipt of the message can be verified.	Planning, Exercise	60 days	HR/CMO			
	Formalize process for external/community-wide communication. Identify the department that will maintain the system and recipient contact information. Identify the individuals with permission to send messages through the system. Assess the needs to use various languages for communication.	Planning, Exercise	6 months	CMO			
	Ensure that the Crisis Communications Plan is updated and in a centralized location for anyone who needs it. Annual review and update is recommended.	Planning	60 days	CMO			
	Conduct a city-wide communications assesment. Assess cell coverage in city buildings, recording areas with low coverage. Discuss options for addressing low coverage with cellular providers or the IT department.	Planning	6 months	CMO/Facilities			
Finance	Identify and write emergency financial purchasing processes/policies. These should include: an explanation of who has authority to activate those processes, who has authority to utilize the process once activated, the activation process itself, a detailed process for tracking expenditures during an emergency, and the expectation of all personnel when tracking finances.	Planning	60 days	Finance			
	Update City's procurement policy & train staff (supervisors and directors) on how to purchase and submit emergency expenditures.	Training	6 months	Finance/IT			

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
Staffing and Employee Support	Identify processes and resources to support the physical and mental health of city personnel during an emergency. Determine the department that will be responsible for monitoring personnel well-being during an emergency. Identify resources for support such as a mental health provider who could provide services during an emergency activation.	Planning, Organization	6 months	HR/Police			
	Determine the employment benefits available to city personnel during and after an emergency. Summarize those benefits so they can be disseminated as a reminder to staff when an event occurs.	Planning	60 days	HR			
Intergovernmental Relations	Engage with other cities to determine support/resources that could be provided/received during an emergency. Consider neighboring cities (or those within Boulder County) as well as cities that may be geographically separated from the event impacting Louisville. Include Boulder County Disaster Management in the discussions so that efforts for lending/receiving aid are, when appropriate, coordinated with the County/State. Develop IGAs with these other entities for staff support for critical city services/functions. These IGAs should be expanded to detail what will be paid, when and for what amounts. Identify the department responsible for updating the MOUs. Once IGAs are established, identify the department responsible for ensuring they are updated periodically (i.e. annually or every three years).	Planning	6 months	All departments			
	Work with Boulder County EM to define and understand the role of the city in the County EOC and County EOP.	Planning	60 days	CMO/Police			
Hazard Vulnerability Assessment (HVA)	Conduct a HVA for the city services. Ask staff about the events or conditions that may, in their opinion, interrupt normal operations. Once a list of events/conditions is created, solicit input from staff about strategies to mitigate the impact of those events/conditions. Consider and include vulnerabilities of the community (at risk populations, mobility challenges, etc).	Planning	1 year	CMO			
	Update and expand the city-wide EOP to define the City's strategy for emergency response. Share the updated EOP with staff. Train all staff on the basic concepts of the plan. Provide more detailed training for staff who will serve in leadership roles during activation of the EOP (this includes leading functions or teams).	Planning, Training	6 months	CMO/Police			

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
Emergency Operations Plan (EOP)	Assess city staff functions and associated roles during an emergency. Define these by position, not by individual's name so that when people change roles or leave the organization the tasks remain with the role and are assigned to the newly hired individual. Determine what each position is expected to do during an emergency. Some roles may be assigned to a different department/function to maximize personnel and expertise or to ensure the most efficient use of personnel resources during an emergency. Include in City EOP and COOP.	Planning, Organization	6 months	All departments			
	Create individual city facility/building/department emergency plans that align with the City's EOP or create annexes of this plan for the facility/building/departments. Ensure they are easy to use, standard but also customizable and accessible. These plans/annexes should define the response activities expected of each facility/building/department when normal operations are impacted. This would supplement the emergency response processes for each facility (bomb threat, active shooter, fire in the building, etc) These plans should include staffing plans/priorities with roles and redundancy plans to support staff impacted by the event or part of the response.	Planning	1 year	CMO/Facilities			
	Conduct drills for specific elements of the emergency response and emergency operations plans. These drills/exercises could be conducted on a regular basis (i.e. quarterly) and involve a small or large number of employees. These may test communication processes, information gathering and dissemination, evacuation from an area with relocation supplies (go-kits). These were referred to as "15 min response drills" during the workshop.	Exercise	1 year	CMO/Police			
Continuity of Operations Plan (COOP)/Continuity of Government (COG)	Update the COOP/COG for the city. This plan should be specific to the city and define essential functions and services, the role and expectations of the elected officials when the continuity plan is activated, identify a backup for each city department's essential personnel, identification of redundancies for systems, processes, devices, or equipment utilized to accomplish functions of the city, and include a section covering policies and processes for financial tracking for insurance purposes. This plan should be continual reviewed, updated and trained on. Develop plan annex for each department.	Planning	6 months	All departments			
Incident Command System/Structure (ICS)	Further define Public Information Officer (PIO) position, who the primary PIO is and alternates, process/procedures, etc.	Organization	60 days	CMO/Police			

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
	Once Incident Command positions are filled with primary and alternate staff for each position, these individuals who will be managing and supporting each ESF/City function within the EOC and under the EOP or COOP should be trained. Educate individuals about how to conduct their role, communication expectations, documentation, etc.	Training	6 months	All departments			
Hire an Emergency Manager for the City	Re-boot the long term recover team and transition the team to become the emergency management committee.	Organization	90 days	CMO			
Promote a Culture of Preparedness	In conjunction with city-wide training programs, promote preparedness among city employees. The intention is to ensure that employees ensure their team/function/department is prepared. Similarly, conducting outreach for residents to become more prepared, which reduces the needs of citizens during an emergency and helps shorten the recovery process. This all can be done in coordination with first responders and community organizations. These organizations may provide subject matter expertise, resources, or instruction.	Organization	1 year	HR/CMO			
	Assess gaps in supplies and equipment. Once the prioritized list of supplies and equipment is created, identify the need for a cache of backup supplies, PPE, bottled water, and identify the need for storage space and create a tracking/managing process for the inventory. Any emergency cache of supplies should include a process to rotate stock, monitor expiration dates, and maintain an inventory list. Supplies and equipment purchased or allocated for emergency response and emergency management should have designated locations, only accessible by personnel responsible for managing or deploying the equipment.	Equipment, Planning	6 months	All departments			
	Assess city infrastructure/power/IT/generators/etc. Determine vulnerability of existing equipment/systems and identify that which are missing. Create a list of equipment that would mitigate the vulnerability of each element. Create a priority for purchasing. The location of equipment such as generators may be determined as the EOP and COOP are developed and critical infrastructure and essential services are identified.	Planning, Equipment	6 months	Facilities/IT/CMO			

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
Supplies and Equipment	Create a plan to continue operations if the city network is unavailable and include in the COOP. This plan should include ensuring how information will be sent, received, accessed, and stored and the communication elements to ensure users know when and how to transition to the backup and return to normal operations.	Planning	6 months	IT/CMO			
	Identify primary and secondary contractors that can provide support to city services. For example, determine the emergency delivery process for fuel from the primary fuel supplier then identify an alternative supplier should the primary be unable to fill a request.	Planning	6 months	All departments			
	Ensure that procurement is conducted in compliance with FEMA regulations. Create quick reference guides for key personnel who may have to urgently implement the procedures.	Equipment	60 days	Finance/CMO			
	Create "Go Boxes" for departments including critical equipment. Have each department/function create and maintain a "go box". This box would be taken by anyone in the department during any type of evacuation or relocation. The box would facilitate that department's ability to stand up and conduct business from an alternate location.	Equipment	6 months	All departments			
	Assess technology/equipment/etc. Determine vulnerability of existing systems/equipment and identify that which are missing. Create a list of equipment or actions that would mitigate the vulnerability of each element. Create a priority for purchasing, resources and/or training.	Equipment, Planning	6 months	All departments			
Develop a training program for emergency response	Decide what staff (directors/division managers) needs basic training.	Training	6 months	Police/CMO			
	Cross-train staff on what roles they would hold in an emergency.	Training	1 year	All departments			
	Add emergency response training to New Employee Orientation.	Training	6 months	HR			
	Partner with federal, state and local resources to provide inter-agency training in all hazards.	Training	1 year	CMO			

Issue / Area for Improvement	Recommendation	POETE Element (Planning, Organization, Equipment, Organization, Exercise)	Timeline (Next 60 Days, 6 months or year)	Primary Responsible Department	Department POC	Start Date	Completion Date
Exercise	Use tabletop exercises/scenario-based exercises to test new and existing response plans.	Exercise	1 year	CMO/All departments			
Recovery	Recovery planning. Develop plans for managing recovery efforts in a coordinated manner. This includes plans for the city overall as well as developing and educating employees about department-specific plans or processes related to recovery. Train and exercise appropriate staff on the utilization of recovery forms/processes.	Planning, Organization, Training, Exercise	1 year	CMO

SUBJECT: EQUITY, DIVERSITY & INCLUSION STRATEGIES UPDATE

DATE: JUNE 20, 2023

**PRESENTED BY: MONAI MYLES, EQUITY, DIVERSITY, & INCLUSION MANAGER
EMILY HOGAN, ASSISTANT CITY MANAGER
JEFF DURBIN, CITY MANAGER**

BACKGROUND:

The 2023 City Council Work Plan includes the continued implementation of the [2021 EDI Task Force recommendations](#). The recommendations made by the EDI Task Force focus on external (community-wide) equity, diversity and inclusion (EDI) efforts. These recommendations were categorized into five areas of concern regarding EDI as follows:

- Nurture a safe and welcoming environment.
- Improve public accommodations/equitable access to City services (which includes language justice).
- Expand housing access for diverse and low-income communities.
- Create space for youth engagement to discuss and advance racial equity and social justice.
- Improve public health resources and outcomes for communities of color, low-income communities and people with disabilities.

In addition, the City has completed an internal equity assessment, developed an internal Equity Blueprint, and convened an EDI committee to begin implementation of the blueprint goals. Staff previously shared an update on the work completed in November 2022. The summary below represents the continuation of this work.

WORK COMPLETED TO-DATE:

Language Justice

Throughout 2022, the City made a number of improvements to its communications and facilities in an effort to enhance public accommodations and provide equitable access to City services. This includes new signage that says welcome in a variety of languages was installed at City facilities to create a more welcoming environment. Additionally, the City started translating a number of communications, including the Community Update Newsletter, Recreation & Senior Center Catalog and the Historian (all available online) and monthly utility bill inserts.

The City also launched Language Line at public-facing facilities. Language Line allows for on-demand language interpretation in Spanish and additional languages, which can be accessed via computer, mobile device or landline. Interpretation at public meetings continues

to be available upon request, as well. Staff has also created a [new webpage](#) that includes instructions in English and Spanish for translating content on the City's website. This link can also be found in the footer of eNotifications and eNewsletters.

To provide a fully accessible and optimized user experience for all website visitors, the City has implemented [UserWay](#), an assistive technology that provides website accessibility tools to individuals with disabilities, enabling them to navigate, interact and complete website tasks.

Cultural Celebrations

There were a number of cultural events and holidays that were recognized throughout 2022. The City created and displayed banners from the downtown streetlights to raise awareness and offered a number of programs and events in support of these celebrations. The [2023 calendar of events](#) can be found on the City's website.

EDI Manager

One of the most impactful changes of the past year is the hiring of a new EDI Manager. As recommended by the EDI Task Force, the City created a position to lead and advance EDI efforts of the City, both within the organization and the community. The EDI Manager is charged with guiding and influencing the organization in growing its EDI programming and advancing cultural awareness, providing expert guidance to City leadership on equity issues that affect City programs and practices and implementing the recommendations of the EDI Task Force and Equity Blueprint.

'Who We Are' Series

The EDI Manager has sought to integrate EDI in all aspects of the City. In June 2023, the first EDI Program was launched, entitled 'Who We Are,' a yearly series designed to elevate the City's EDI events and programming under one umbrella. This program gives the City shared language that would provoke meaningful conversations with the people in our community on topics related to history, identity, belonging, and culture. Conversely, it reinforces our commitment to strengthening cross-departmental collaboration. With the launch of this program, we hope to create a holistic and inclusive experience for all and invite people and cultures to join in on the conversation and celebration.

EDI Committee

The internal Equity, Diversity, and Inclusion Committee commenced its second year in April under the leadership of the EDI Manager. Since April, the committee has established a clearly defined purpose, developed a list of roles and responsibilities, and agreed on five actions to prioritize for this year that includes community outreach.

Communications

Staff has developed an EDI Communications Plan to integrate diverse, equitable and inclusive practices within the City's communications by taking into consideration all audiences and ensuring different identifies and backgrounds feel represented, affirmed and supported. The plan is designed to effectively shape the City's EDI efforts and help employees and community members understand its importance.

Learning & Development

In partnership with the Rocky Mountain ADA Center and the Town of Superior, the City hosted a training for communications staff on digital accessibility. Topics covered include: effective communications and the principles of digital accessibility, creating accessible documents and content, website accessibility and social media accessibility. Staff is currently developing Accessibility Standards for internal and external communications based on the information provided at the training.

Additionally, the EDI Manager has provided ad hoc (based on asks) consulting for leaders and staff on topics pertaining to job descriptions, community engagement strategies, education, and navigating difficult conversations.

Future Priorities

Strategic priorities for 2023 were updated after assessing the Equity Blueprint from 2021, reviewing the top priorities as identified by the EDI Task Force, and conversations with internal and external stakeholders. These three priorities will be the focus of the EDI Manager who will work with the EDI Committee and other key stakeholders in their implementation. This work includes developing a framework that centers equity in the City's decision-making processes on policies, processes, and structures, a community engagement framework to help the City build stronger relationships with underrepresented communities, an EDI education program that prioritizes ongoing learning and development, and an EDI resource hub to make information about internal systems, procedures, and processes accessible to all.

FISCAL IMPACT:

The City has budgeted approx. \$70,000 to complete the work outlined above (translation/interpretation, online accessibility, banners) in addition to the salary/benefits and basic operational needs for the EDI Manager. This does not account for additional budgeted EDI efforts related to programs/events and learning/development, which have been included within the appropriate City program area.

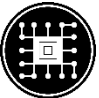

PROGRAM/SUB-PROGRAM IMPACT:

This effort supports the City's program area goals for Administration & Support Services to ensure inclusive, responsive, transparent, friendly, fiscally responsible, effective and efficient governance, administration and support.

STATEMENT OF PURPOSE

Everyone is welcome at the City of Louisville. Our staff values our differences, brings out the best in one another and grows stronger in service to our community.

FOCUS AREAS

Inclusion Strategy

Education

Policies

Celebrations

Talent Planning

EDI Dialogue

FOCUS AREA 1 ● ○ ○ ○ ○ ○

Inclusion Strategy

The City of Louisville will recognize employees' experiences, perspectives and unique identity, and strive to create and maintain a work environment that is inclusive.

SMART GOAL 1.1: Launch internal communications campaign that is focused on the City's Inclusivity Statement, inclusive behavior/awareness, engagement opportunities, policies, learning/development, celebrations, etc. in 2022.

SMART GOAL 1.2: Identify relationship-building opportunities across departments that result in staff engaging with one another in support of the City's Inclusivity Statement by end of Q3 2022.

Tactics

1.1.1 Develop inclusivity statement

1.1.2 Develop outreach plan (i.e. monthly EDI update) - content could focus on micro-aggressions, awareness, engagement opportunities, content from other sub-committees

Potential Future Actions Steps:

- Draft communications schedule/collateral
- Share talking points with leadership team & coach on follow-up discussions with departments/divisions
- Communicate around recognition program for contributions to inclusive work environment
- Set standards for inclusive language in all City communications
- Review written/non-written channels to ensure inclusive representation
- Showcase celebrations from Focus Area 4 and engage with external events/groups

Metrics

- Can be measured in engagement surveys, post event surveys, polls and employee sentiment and feedback.
- Set goals and track progress on key indicators

FOCUS AREA 2 ●●○○○○

Education Plan

The City will conduct ongoing training that develops a culture of embracing and encouraging our employees' differences in age, color, disability, ethnicity, family or marital status, gender identity or expression, language, national origin, physical and mental ability, political affiliation, race, religion, sexual orientation, socio-economic status, veteran status, and other characteristics that make our employees unique.

SMART GOAL 2.1 The City's directors, supervisors and EDI committee will maintain 100% completion rate for Intro to Courageous Conversations and ongoing participation in the EDI course of their choosing yearly.

SMART GOAL 2.2 The City will provide all full-time employees access to live EDI training opportunities twice a year and EDI book clubs quarterly.

SMART GOAL 2.2 The City will provide multiple avenues for employees to access EDI learning content monthly, including recommended movies, short stories, short videos, music and art.

Tactics

2.1.1 Get management team recommendations and approval for the requirement and provide resources.

2.2.1 Establish training objectives for hiring managers and leaders and all staff roles.

2.2.2 Plan training and reading offerings based on objectives.

2.3.1 Collect a variety of resources to be featured in Tuesday Tidbits.

Metrics

- Employee engagement and culture survey data as well as pulse data should improve/increase in key indicators identified.
- Employee sentiment through listening groups or channels.
- Participation %
- Pre and post tests for learning
- Goal in wellness program for EDI participation
- EDI area in performance appraisal
- Survey in email blast with questions specific to EDI education

FOCUS AREA 3 ● ● ● ○ ○ ○

Policies

The City will review policies, practices and procedures across departments to identify opportunities to advance a culture that supports EDI.

SMART GOAL 3.1: The City of Louisville will review policies, practices and procedures across departments to identify opportunities to advance a culture that supports EDI on a quarterly basis.

Tactics

3.1.1 Review practices and policies that impact part-time and full-time employees differently

3.1.2 Review how roles are classified based on experience and credentials

3.1.3 Perform job audits and calibration paired with talent planning needs

3.1.4 Identify additional documents and practices that need to be considered for review in each department and division

3.1.5 Develop recognition program for contributions to inclusive work environment

Metrics

- # of policies reviewed
- Employee engagement and culture survey data
- Job Descriptions
- Compensation classifications
- Employee handbook

FOCUS AREA 4 ●●●●○○

Celebrations

The City will recognize, celebrate and educate employees around various holidays, historic events, and culturally significant dates and practices.

SMART GOAL 4.1: In 2022, the City will recognize all of the events and celebrations on Council's 2022 Recognition/Celebration calendar in at least one of the following ways: a City/Department program/event, banner, flag, or educational signage on City property, social media posts on City channels, recognition in City/Department communications, library/museum resources.

SMART GOAL 4.2: The City will identify opportunities to increase inclusion and diversity in all of its programming and events.

SMART GOAL 4.3: The City will create a communication strategy that all departments can use to make sure they are consistently recognizing the events on the 2022 Recognition/Celebration calendar. This strategy will clarify different departmental responsibilities and define what recognition looks like for different departments.

Tactics

4.1.1 Plan events that celebrate, recognize and educate on cultural differences through traditions and holidays.

4.2.1 Create a shared list of performers and organizations that are from historically underrepresented groups to hire or partner with on programs, events, and recognitions

4.3.1 Create a communication strategy to consistently recognize significant dates throughout the year

Metrics

- Increased awareness of diverse cultural celebrations
- Pre/post tests, surveys, listening sessions
- # of celebrations and cultural events held
- An increasingly diverse performer pool for city events and programs and partnerships formed with different organizations that represent historically underrepresented groups.

FOCUS AREA 5 ●●●●●○

Talent Planning

The City will evaluate its employee life-cycle from how it attracts talent to how it is retiring talent.

SMART GOAL 5.1 : The City of Louisville will build a workforce that broadly reflects the diversity of Louisville and surrounding communities, measured by an increase (% TBD) within the next 3 years (2022-2025) time.

SMART GOAL 5.2 : The City will identify and address barriers with our organization's systems, including recruitment and retention by a date (TBD).

Tactics

5.1.1 Actively promote open positions to communities of color by utilizing diverse job boards and diverse associations.

5.1.2 Build pipelines with existing talent pools.

5.1.3 Brand City of Louisville as a welcoming place to work.

5.1.4 Evaluate internal promotion policy to ensure it is producing

equitable opportunities.

5.1.5 Align department goals-work with department's to define their hiring and promotion % goals.

5.2.1 Conduct policy audits utilizing an equity lens to evaluate coupled with understanding the data and outcomes that various policies are producing.

5.2.2 Conduct stay interview and exit interviews and surveys

Metrics

- Utilize Applicant Tracking System (neo.gov) to track demographic profiles
- #/% of applicants by race & gender
- #/% of new hires by race & gender
- Promotion/retention rates of BIPOC populations
- Performance ratings & corresponding pay changes
- Salary by classification & race/gender
- Development opportunities granted & \$ spent

FOCUS AREA 6 ●●●●●●

EDI Dialogue

The City will continue and encourage regularly dialogue around Equity, Diversity, and Inclusion.

SMART GOAL 6.1: Establish and EDI committee with 15-20 employees from all departments that will meet regularly (TBD) that will continue the dialogue and provide feedback as change agents for the EDI work by end of Q2.

Tactics

6.1.1 Establish a broader EDI committee to address and advocate EDI across the organization guided by EDI Leadership team

6.1.2 Purpose statement: Identify responsibilities and objectives of committee

6.1.3 Create opportunities for two-way communication within the EDI communication plan.

6.1.4 Build common language around EDI through education, land acknowledgement, the City's inclusivity statement (1.1) and regularly addressing EDI topics in various meetings pulling in the appropriate experts as needed

Metrics

- Can be measured in engagement surveys, post event surveys, polls and employee sentiment and feedback.
- Set goals and track progress on key indicators
- TBD by committee

2022

QUARTER 1

Inclusion Strategy: Draft messaging; Develop communications schedule/collateral; Identify celebrations to communicate & potential external events/groups; Review messaging/talking points with leadership team

Education Plan: Present requirement to Management team and provide recommendations for maintaining the EDI requirement. PEG, Bookclubs, COL staff training; establish training objectives/priorities; hold first book club

Policies: Review Employee Handbook and replace his/her pronouns with they, them, theirs or the employee.

Celebrations: Build calendar and months for recognition of cultural holidays, tradition an celebration for the year.

Talent: Determine data available and what data is needed for measurement.Set goals based on available data; Build measurment tools/mechanism; Identify key roles and positions for recruiting BIPOC talent (including upcoming opportunities)

EDI Dialogue: Discuss with the directors this commitment; Establish criteria and application process for joining (Director approval)
Define time commitment (3/15)

2022

QUARTER 2

Inclusion Strategy: Launch internal campaign; Develop celebrations employee spotlight content; Follow-up w/ leadership team; Develop recognition program/rewards for contributions

Education Plan: Follow up with directors to track EDI training completion; hold live EDI training; host 2nd book club

Policies:Review compensation market analysis and pay equity study to identify inequities among similarly situated positions and make adjustments where warranted

Celebrations: Representatives from city departments (Education and Outreach group) meet to discuss upcoming programs/events to identify gap and current state.

EDI Dialogue: Selecting the committee members; Kick off meeting with members, mid to late april kick off (after EDI book club debrief)

TIMELINE

2022

QUARTER 3

Inclusion Strategy: Launch recognition program/rewards; Develop standards for inclusive language in City communications; Review written/non-written communications to ensure inclusive representation

Education Plan: Host 3rd book club

Policies: Review previous employee surveys to identify opportunities for improvement in each department

Celebrations: The Education and Outreach group creates a shared document of different performers, groups, local organizations, and more that represent historically underrepresented groups to partner with for future events and recognitions.

EDI Dialogue: Meet regularly; Establish work plan (divide and conquer, how many meetings?, what goals?)"

2022

QUARTER 4

Inclusion Strategy: Evaluate success of campaign/performance measures; Develop plan for 2023

Education Plan: Hold live EDI training; host 4th book club

Policies: Review job descriptions to identify appropriate qualifications for experience and certifications

Celebrations: Finalize a holiday/recognitions calendar for 2023, to give City departments as much time as possible to plan events, and finalize a communication strategy for 2023 to consistently recognize different events throughout 2023.

EDI Dialogue: Implement plan

Thank you for this
opportunity to partner with
your incredible team!

EQUITY

Equity, Diversity, and Inclusion Communications Plan

Purpose: Communications is a powerful tool that can significantly impact diversity, equity, and inclusion efforts. The purpose of this plan is to integrate diverse, equitable, and inclusive practices within the City of Louisville's communications by taking into consideration all audiences and ensuring different identities and backgrounds feel represented, affirmed, and supported. The objectives and strategies outlined below takes into account alignment with strategic initiatives and values at the City. This plan is designed to effectively shape our EDI efforts and help employees and community members understand its importance to the City of Louisville.

Objectives:

- Bring-balanced perspectives and develop shared knowledge and context as needed
- Create accessibility by leveraging multiple communication channels
- Uplift and highlight diverse voices internally and in the community
- Educate the City's employees and the community in critical topics within EDI within the context of Louisville
- Make equity, diversity, and inclusion relatable, authentic, while also demonstrating the City's commitment to the work
- Create consistency in effectively modeling inclusive language
- Share information on available programs and resources in an effort to increase participation from residential, commercial sector.

Audiences:

Key audiences for equity, diversity, and inclusion related information include:

- Residents
- Neighborhood groups
- City staff
- Business owners
- Business associations
- Employees
- Visitors
- Volunteers
- Elected officials & boards/commissions
- Partner agencies
- Local organizations
- News media

Channels/Tools

Engagement channels and tools available include:

External

- City website – The City’s website contains information on news items, meetings, special events, departments, programs, and job opportunities. The website also allows visitors to sign up for eNotifications. For eNotifications, subscribers must opt-in to receive communications.
- Community Update newsletter – The print newsletter is mailed to residents quarterly and posted on the City’s website. It contains information on City projects/initiatives, news, meetings, special events, and programs. All homes in Louisville with a mailing address receive the newsletter via USPS bulk mail.
- Monthly Community Update eNewsletter – Staff has also developed a monthly e-newsletter to complement the quarterly print newsletter. It is emailed via MailChimp. Subscribers must opt-in to receive this communication.
- Social media – The City uses Facebook (City, Coal Creek Golf Course, Fans of Louisville Open Space, Louisville Public Library, Louisville Recreation/Senior Center), Twitter (City), Instagram (City) and NextDoor (City) to share news and advertise programs and events. Staff uses Hootsuite to post to multiple accounts at one time. Followers/subscribers must follow/subscribe to City pages to receive notifications.

Internal

- Weekly City of Louisville Roundup eNewsletter - The weekly update is emailed to City employees and City Council from the City Manager’s Office. It is a weekly digest of what we’re doing as an organization and how we’re accomplishing our mission and vision and seeing our values in action. All full and part-time staff receive this communication.

Strategies

Communication and engagement strategies will vary based on each program, project or initiative. Some topics will involve multiple strategies while others may focus on one. Examples of strategies include:

Short-term

- Utilize existing communication channels – Maintain communications with existing audiences. Existing communication channels include the City website, eNotifications, Community Update newsletter, eNewsletters, social media and utility inserts.
- Collaborate with current “culture-focused” institutions like The Louisville Public Library and The Louisville Historical Museum: There is significant overlap of equity, diversity, and inclusion in topics that both the library and history museum bring forth in their communication to the City as well as the community. Work with representatives from both to pull in various voices and perspectives that would enrich conversations and promote education within communication platforms.
- Leverage the Equity, Diversity, Inclusion Committee: Committee members would serve as an advisory group to provide input on messages that would help improve the efficacy and accuracy of communications and lessen the susceptibility of bias language.
- Develop yearlong schedule of outreach opportunities: Identify programs or events that could involve topics related to EDI. We are currently working to develop a city-wide series about Louisville (Who We Are) in collaboration with the library and the historical museum.

Long-term

- Utilize the DEI Action Group and community organizing groups: To expand external outreach by increasing visibility of the City's equity, diversity, and inclusion efforts as well as provide context to further bridge the internal work with the external.
- Develop an EDI Communication Model or Framework: GARE (Government Alliance on Race & Equity) has a messaging strategy toolkit that the City of Louisville can adapt and customize to our needs. A framework would allow communications to be consistent across tone, content, and messaging. Additionally, it can serve as a guide to orient us towards key priorities that we want to see reflected in our communications (i.e., creating content reflective of our ICARE values, being aware of visual tokenism, balanced perspectives).
- Discover new communication channels: Communication efforts must effectively reach people within a wide variety of roles, ranging from leadership to front line staff and to our communities which is known as an "inside outside" organizing model for greater impact. Other engagement strategies can include: webinars, community panels, increasing accessibility to digital content, and tangible content such as posters and pins.
- Leverage partnerships – Develop comprehensive list of partnerships and contact information. Regularly coordinate with partners to determine if there is overlap among objectives. Brainstorm ideas for regional communication. Track and report progress of education initiatives shared by partners.
- Storytelling Events: Listening to stories from our communities, learning from them, and sharing them. Those stories can be about history of Louisville, community stories, staff experiences, etc.

Updated Strategic Priorities 2023-2025

#1: The City of Louisville will operationalize the understanding of race, equity, and social justice among people who work for and represent the City of Louisville, including city staff, City Council, and Boards and Commissions.

EDI Committee Role Alignment	Goal	Description	Collaborators	Example Metrics
<p>ADVISE</p> 	<p>Operationalize and integrate equity within the sectors of Louisville by the creation of an Equitable Decision-Making Framework.</p>	<p>Assist staff, leaders, and council to use a framework that centers equity at the center of all decision-making processes.</p>	<ul style="list-style-type: none"> Executive Leadership Staff Other DEI Managers from Boulder County 	<ul style="list-style-type: none"> # of users Level of usefulness # of decisions that impacted EDI KPI's (diverse hiring pool, education, etc.)
<p>CHAMPION</p> 	<p>Design an equity training series that highlights bias, microaggressions, and how to advance inclusion and equity in government.</p>	<p>Create an in-house series (with the support of other social justice organizations) for City staff to expand their learning on topics related to equity, diversity, and inclusion.</p>	<ul style="list-style-type: none"> Out Boulder Race Forward Simplify Language 	<ul style="list-style-type: none"> Relevant to the participant's sector of work Can apply the skills/framework within the next 30 days

#2: The City of Louisville will recognize employees' experiences, perspectives, and unique identities and create and maintain an inclusive work environment.

<p>EDUCATE</p> 	<p>Develop a resource hub with equity, diversity, and inclusion resources.</p>	<p>An intranet site where EDI information is easily accessible and understandable.</p>	<ul style="list-style-type: none"> Communications Department Information Technology Department 	<ul style="list-style-type: none"> Level of usefulness Level of accessibility
<p>CHAMPION</p> 	<p>Develop representative imagery, events, and programming of participants who identify being a minority in the Louisville community.</p>	<p>Building a robust and integrated program series that honor and represent the various identities of those who live in Louisville.</p>	<ul style="list-style-type: none"> Louisville Library Louisville Museum DEI Action Group 	<ul style="list-style-type: none"> # of people who have felt represented # of people who have gained knowledge about other identities/culture # of new interpersonal

City Council: EDI Update

June 20th, 2023

Focus Areas

Work Completed To-Date

- **Language Justice** – facility signage, translation of City communications, Language Line, UserWay
- **Cultural Celebrations** – programs/events, banners, 2023 calendar of events
- **Hiring of EDI Manager** – new position to lead & advance EDI efforts of the City, within the organization & community
 - Growing EDI programming
 - Advancing cultural awareness
 - Providing expert guidance to City leadership
 - Implement Task Force recommendations & Strategic Blueprint

Communications

- **EDI Communications Plan** – integrate diverse, equitable & inclusive practices within City communications by taking into consideration all audiences & ensuring different identities and backgrounds feel represented, affirmed & supported
- **Rocky Mountain ADA Center** – training for communications staff on digital accessibility, including: principles of digital accessibility, creating accessible documents/content, website accessibility & social media accessibility
- **Accessibility Standards** – staff is developing standards for internal/external communications

Community Engagement

▪ Equity, Diversity, Inclusion Program: Who We Are

- **Purpose:** Developing an integrated approach to amplifying and elevating events and programming that demonstrate the City's commitment to equity, diversity, and inclusion
- **Highlighting events that:**
 - Ground ourselves in celebrating who we are and understanding where we come from
 - Reflect on the Louisville we want to become in the next 5-10 years
 - Build stronger connections between community members
 - Jumpstart further conversations around underrepresented communities (native people, refugees, communities of color, LGBTQ+, low-income) and their past/future contributions to Louisville

Community Engagement

City of Louisville Community Engagement Framework

- In partnership with the Planning Division
- **Purpose:** Build relationships with underrepresented communities (low-income, native Spanish-speakers, renters, newer residents, etc.) in an authentic way so that their voices are a part of the decision-making process.
- **Benefit:** Develop a standard process for how we approach engaging with our community

EDI Committee: Structure

- Recruitment
 - 15 members
 - 6 new members
 - 9 returning members
- Developed a purpose statement: Why do we exist as a committee?
- Identified roles and responsibilities of committee members
 - Advise, Be in/Build Community, Champion, Educate
- Priorities for year two identified

EDI Learning & Development Strategy

Objectives:

- Design learning sessions that are outcome-driven and influential in changing behaviors
- Learn critical tools and frameworks that apply to the day-to day work
- Bring-balanced perspectives and develop shared knowledge and context
- Make equity, diversity, and inclusion accessible, practical, and relevant

Potential topics: inclusive language and communication, microaggressions, accessibility practices, running equitable meetings

New Employee Training

- Define equity, diversity, and inclusion
- EDI at the City of Louisville
 - The why
 - Past, Current, and Future initiatives, events, and programs
- Inclusive language exercise: Share how to speak and write in ways that everyone understands and makes everyone feel welcome

Ad hoc consulting (based on ask)

- **Current consulting support**
 - Job descriptions
 - Internal and external communications
 - Navigating difficult conversations
 - Calling in/Calling out
 - Creating inclusive spaces for all

Recommended Updates to Strategic Priorities

- **#1: The City of Louisville will operationalize the understanding of race, equity, and social justice among people who work for and represent the City of Louisville, including city staff, City Council, and Boards and Commissions.**
 - Operationalize and integrate equity within the sectors of Louisville by the creation of an Equitable Decision-Making Framework.

- **#2: The City of Louisville will recognize employees' experiences, perspectives, and unique identities and create and maintain an inclusive work environment.**
 - Develop a resource hub with equity, diversity, and inclusion resources.
 - Develop representative imagery, events, programming for participants who identify being a minority in the Louisville community.

- **#3: Strengthen how the city provides services to inclusively engage with the community.**
 - Design a City of Louisville Community Engagement Framework to build relationships with underrepresented communities and integrate their voices into the decision-making process.

**SUBJECT: DISCUSSION/DIRECTION – BOARD AND COMMISSION
RECOMMENDATIONS**

DATE: JUNE 20, 2023

PRESENTED BY: JEFFREY L. DURBIN, CITY MANAGER

BACKGROUND:

Item 10 on the 2023 City Council Work Plan is a review of Boards and Commissions including the following:

- Size of Boards and Commissions
- Roles and responsibilities
- Term lengths and term limits
- Application form and recruitment process
- Onboarding process
- Equity, diversity and inclusion
- Opportunities to engage with Council
- Remote/in person participation

There have been some changes to Boards and Commissions in recent years. Additionally, Council and staff have heard about some concerns and frustrations around some of the structure and process. As noted on the attached spreadsheet, we allocate the equivalent of at least one full time person on an annual basis supporting Advisory Boards and Commissions. Given that amount of resource allocation, it is important to ensure that we are efficient in our work and that there is value to the advisory roles.

All of our staff liaisons and Boards and Commissions were included in this review process. Comments from the Boards and Commissions is attached.

SUMMARY ANALYSIS AND RECOMMENDATIONS:

Boards and Commissions can be categorized in four types of roles:

- Quasi-Judicial Roles (Planning Commission, Historic Preservation Commission, Building Board of Appeals, Board of Adjustment, Licensing Authority)
- Advisory to Council Roles (Open Space Advisory Board, Parks and Public Landscape Advisory Board, Recreation Advisory Board, Sustainability Advisory Board, Youth Advisory Board, Cultural Council, Historical Commission)
- Statutory role (Revitalization Commission and Library Board of Trustees)
- Council Committees (Finance Committee and Economic Vitality Committee)

The roles and procedures for our quasi-judicial boards and commissions are clearly defined and spelled out by statute, charter and codes. They play important roles in our local procedures and staff has not identified any specific concerns or problems. *We are not recommending any changes for these boards and commissions.*

We have identified a number of concerns as relates to our boards and commissions that serve advisory roles to Council. It would help clarify the advisory role if all of these were named specifically as “advisory boards.” *We would suggest changing the name of two of these to Arts and Culture Advisory Board and Historical Museum Advisory Board.* It also seems that Council has not often sought advice or recommendations routinely from all of these groups, and *it would be helpful for Council to clarify its intent and establish routine procedures for receiving recommendations.*

Occasionally some advisory bodies are asked for recommendations regarding certain quasi-judicial matters. This has been done for many years with OSAB and PPLAB without a clear goal and process. We would like to clarify the role of advisory bodies as relates to quasi-judicial land use matters. *Council should clarify which bodies should be asked for recommendations and then we need to clarify the process and provide appropriate training.*

Some advisory bodies have been delegated certain decision making authorities and some seem to believe they have budgets and spending authority. We are not recommending reviewing all of the delegated decision making authorities, but would recommend clarifying that as advisory bodies they do not have spending authority.

There is a clear lack of alignment in organizational priorities and initiatives with most or our advisory bodies. City Council is the body where those priorities are established, accordingly we suggest *a process whereby City Council approves and/or defines work plans for each of the advisory bodies.* This should occur during *an annual meeting with City Council and each advisory body.*

All of the City’s boards and commissions should be managing their meetings in the same manner as City Council. Meeting management has been rather loose and casual, in particular with regard to public comment. *Public comment periods should always be limited to 3 minutes, and should not be a dialogue format.* This can lead to disruptive meetings and first amendment violations.

City Council has established a practice of not meeting just to meet, and of managing meetings/agendas to try to avoid extending past 9pm. *We would encourage all of these bodies to adopt that practice of minimizing meeting time.*

We are not recommending any changes to the two bodies with statutory roles.

Finally, there are two Council Committees. No changes are recommended to the Finance Committee, it serves an important fiduciary role.

We would recommend some changes to the Economic Vitality Committee. Following the dissolution of the Business Retention and Development (BRAD) committee and formation of the Economic Vitality Committee (EVC), city staff have continued to hear requests from the business community to integrate a formal process for dialogue and input between City Council and the business community beyond standard public comment periods during EVC meetings. In addition, the EVC work plan has closely followed the Economic Vitality program work plan and does not always have a clear function or purpose outside of this work plan, which is largely administrative. When broader policy issues arise, these items are often of interest to the entire City Council. Staff recommends consideration of the following changes to EVC in order to create a structure that has better communication with the business community and administrative efficiency:

- *Replace EVC with a business advisory committee that includes formal business membership*
- *Membership on the committee should include broad geographic, business type and business size representation*
- *Given the importance of a vital local economy to the City's own financial health, the committee should have one or more Council member appointees, and Council should define a clear process for the committee to communicate with Council on a periodic basis throughout the year*
- *Create a clear charter and purpose of the committee, which should focus on advising Council on new policy-level initiatives or process changes that might be explored by the City*

Size of Boards and Commissions

The ideal size for a public body which establishes diversity of thought and good policy development is seven.

Roles and responsibilities

The adopted roles for the boards and commissions are included at attachments for reference. We are not recommending any changes at this time.

In Council's early discussions there was some discussion of merging bodies or potentially eliminating some. While the City Attorney has confirmed that Council could combine RAB/PPLAB/OSAB and HC/LBT/LCC, we are not recommending that at this time. These bodies are composed of dedicated volunteers and we value their work. Further, most of these bodies have indicated that they would not recommend such consolidation. However, *RAB would support merging with PPLAB.*

Term lengths and term limits

During initial discussions, City Council had some discussion about term lengths and potential term limits in the interest of seeking diversity of thought and new ideas. Term limits would draw a hard line that would be difficult to walk back. As an initial step, staff would recommend that Council adopt a policy statement along the line of:

It is the goal of Council when making board and commission appointments to maintain members that can provide leadership mentoring based on their experience (and professional experience where appropriate) while also seeking new members to bring new ideas forward.

Application form and recruitment process

The City Clerk’s Office and City Manager’s Office are working on amendments to our applications and posting locations. We’ve had interesting meetings with Boulder Valley School District students about how we might support diversity among elected and appointed officials. One of our takeaways is the importance of telling community members about the value of public service and how we can provide accommodations for any special needs. We’ll provide more details as we get closer to year end.

Onboarding process

The City has had an effective onboarding process that we hope to continue to develop and improve. *We would like to make attendance at training sessions mandatory to ensure consistent attendance.*

Equity, diversity and inclusion

See term limits, Application form and recruitment process above.

Opportunities to engage with Council

Staff recommends that Council meet with each advisory body at least once annually and approve a work plan annually.

Remote/in person participation

Similar to the Council Rules of Procedure, *staff would recommend the creation of Board and Commission Rules of Procedure that every board and commission would follow.*

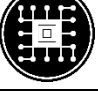

RECOMMENDATION:

Staff is seeking direction and will bring back resolutions to effect any changes per Council direction.

ATTACHMENT(S):

1. Estimate of Staff Resource Allocation
2. Board and Commission Input
3. Resolutions and ordinances establishing advisory boards and commissions

Staff Hours per Year		2509

2023 DISCUSSION ON CHANGES TO B/C STRUCTURES AND PROCESSES

BOARD & COMMISSION INPUT

The following comes from boards who have discussed this at their meetings and submitted their thoughts.

Building Code Board of Appeals

The Building Code Board of Appeals met to discuss the questions from the city manager. Below is a summary of our responses:

- What do you consider to be the purpose and role of your body? Do you have suggestions on changing that role in the future?

We are a quasi-judicial board composed of professional engineers, architects and licensed contractors who hears building code appeals, hears Contractor License revocation hearings, and advises staff and city council on building code issues.

Since the majority of our meeting time and effort is using our collected expertise in the building codes advising staff; and since city council does not receive our advice, the advising role should be more emphasized.

- What have been your greatest successes? What about your greatest failures?

Successes include thorough hearings (Albeit there are few of these), and thoughtful comments on building code issues. In particular, our board reviewed the proposed modifications to the 2021 IECC and provided thorough and thoughtful suggestions to those proposed modifications. Our biggest failure was the fact that none of the BCBOA's comments on any of the latest code adoptions made it into the current adopted code.

- How is your process to develop your annual work plan? How does it align with Council's work plan?

Because our board is called on an as-needed basis we previously never had the need for a work plan. Our board would welcome the opportunity to be consulted about building code amendments that may better align with the city council's work plan. We have an agenda item for our next meeting to discuss a work plan for our board to develop or modify any code amendments to address the current issues preventing development in Louisville due to the current adopted codes. A council liaison or participation would be most welcome by the BCBOA.

- If Council will be considering changes, what changes would you recommend?

One suggested change is when Council is considering technical legislation, council MUST receive and consider advice from its technical boards. Furthermore, when disregarding a technical board's advice council must have transparency and report that council is disregarding their boards advice.

A second change is to provide a council liaison to the BCBOA during meetings that do not include any hearings (Which constitute the majority of our meetings)

- Do you feel that your body has been effective or ineffective? Why?

The BCBOA has been effective in utilizing our broad experience as building design and construction professionals to advise the building department on building code issues by citing our professional experience, experience from other building jurisdictions and information by our respective professional organizations.

We have not been, and cannot be effective when we are not given the opportunity to provide advice on building codes such as Council's adoption of Appendix RC of the IECC in October 2021, or if our advise and recommendations are not heeded with regard to the 2021 IECC Commercial adoption at the Christmas Meeting In December 2022. Our board and our expertise are not being utilized by the City Council.

- City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

Our board meets as needed when a hearing is scheduled, or a modification to the building code is being considered (Which has only been brought to our attention from the building department staff and not City Council). Therefore we do not meet when there are no agenda items. We have no issues with meeting agendas, duration or tempo.

Cultural Council

The Louisville Cultural Council discussed these items in their May meeting:

- What do you consider to be the purpose and role of your body? Do you have suggestions on changing that role in the future?

“What we do” is art grants, public art, and programming. Our “purpose is to serve as volunteers to represent cultural needs of Louisville”

No suggestions on changing that role.

- What have been your greatest successes? What about your greatest failures?

The LCC’s greatest success is Summer Concerts in the Park. They really like what Grace Gee (former LCC member) did to improve the Public Art process.

The LCC’s failures are that their event programming isn’t organized.

The LCC would like to have greater diversity of age on their board.

- How is your process to develop your annual work plan? How does it align with Council’s work plan?

The LCC does not make an annual work plan, and is not familiar with Council’s work plan.

The previous LCC leadership was not interested in work plans.

- If Council will be considering changes, what changes would you recommend?

The LCC discussed several potential changes including making it mandatory that members hold an officer position or serve on a subcommittee. They discussed shortening terms to be two-years long (instead of three-year terms) to make serving on a board more appealing to residents whose stage in life/career/family/caretaking could make longer commitments more challenging.

The current LCC members would like for disruptive, antagonistic, or rude board members to be removed, and for the City to follow a firm policy of removing these types of board members.

- Do you feel that your body has been effective or ineffective? Why?

The LCC admits that one highly antagonistic board member made the group less effective, and that the fallout from that member’s behavior (i.e. the majority of the board quitting) has made the LCC inefficient this year. They had no programming in Q1 of 2023, and have had only one concert in Q2 (serving 71 people total). The LCC has not done any work on art grants or public art this year, and currently has very limited capacity to do more than the “Summer Concerts in the Park” until late Q3/early Q4.

- City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

The LCC says that they can speed up meetings, in general. The members agree that having informational items in the meeting packet, and preparing in advance of the meeting, would create more efficient meetings.

- Additional question from Jeff Durbin: ideal board size?

The LCC says that they could effectively do their work with six dedicated members, and that eight board members could be a good number. They agree that the current size (ten) is “a little bit”.

Historical Commission

The Historical Commission met for its regular meeting on May 17, 2023. It discussed the following questions relating to board roles that the City requested boards to discuss. Bridget Bacon, Museum Services Supervisor, took notes to capture the discussion and wrote up the following, and asked the Chair and Secretary to review it.

1. What do you consider to be the purpose and role of your body? Do you have suggestions on changing that role in the future?

Commission members began by discussing what the bylaws say about the Commission being an advisory board to City Council. They stated that they felt that based on this, one of their main purposes is to advocate for the Historical Museum. There are not always things for them to advocate about, but even if there isn't something big to bring to City Council's attention, the Commission can consider sending someone to speak at a City Council to invite people to attend Museum programs such as the annual vintage baseball game.

The Commission considers another of their main roles to be representing the public and giving feedback to the Museum staff. Commission members feel that they connect the Museum to the community by being a sounding board for the Museum and by sharing information about Museum projects and programs.

The members observed that they are not a working board and nor are they a controversial board, but they feel strongly that the Commission provides an important service to the City and to the community.

2. What have been your greatest successes? What about your greatest failures?

Because the Historical Commission is not a working board and is not project-oriented, the members said that they don't think about what they do in terms of successes or failures. Rather, their role instead is to provide feedback to the Museum, provide guidance, and ask questions.

However, one thing that the Commission members pointed to as definitely being a success is the Pioneer Award program that recognizes individuals and organizations who have "pioneered" and contributed to the welfare and success of the Louisville community. (The award is presented at the Chamber of Commerce awards dinner, then it also appears in the Louisville Historian and other Museum communications, on the Museum website, and in social media). It was mentioned that in recent years, the Commission has selected people who are currently involved in working for the betterment of the city as opposed to people who lived a long time ago. It was noted that the Pioneer Award brings positive recognition to the recipients, the Historical Commission, and the City and that it highlights people's achievements that the general community may not be aware of – "It is very educational."

3. How is your process to develop your annual work plan? How does it align with Council's work plan?

Being a board that provides feedback and acts as a sounding board, the Commission does not typically have an annual work plan. This year, when a work plan was asked for, City staff drafted one and then the Commission approved it at its next meeting. It was noted that thought was put into making sure that the Commission's work plan aligned with the Museum's work plan and also connected to and supported the City Council's work plan.

4. If Council will be considering changes, what changes would you recommend?

The one recommended change that was brought up has to do with absenteeism and this causing the Commission to sometimes struggle to have a quorum for a meeting. There are currently 6 members, and a majority of 4 members need to be in attendance. Although members are supposed to be allowed to miss only a few meetings per year, a few miss many more than that and don't necessarily communicate that they will be absent. However, there do not appear to be any real consequences for chronic absenteeism. The impacts on the remaining members are very real in terms of their perceiving pressure to always show up so that there will be a quorum.

5. Do you feel that your body has been effective or ineffective? Why?

The Commission members agreed that this board is very effective. They feel that they do a good job of providing thoughtful feedback to the Museum staff. Some members also make a point of regularly attending Museum events. It was noted that the Commission and the Museum staff have a very good relationship.

6. City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

The Commission members observed that the fact that they are already set up to meet every other month has been very helpful with respect to this. With two months between meetings, there are inevitably things that have come up in the meantime that need to be on the next meeting agenda. Also, the Chair moves through the agenda quickly and efficiently. He give everyone a chance to talk while also being respectful of people's time. Most recent Commission meetings have been kept to between 45 and 60 minutes. The Commission members do not feel that there is wasted time.

7. Thoughts on term limits and ideal board size

Commission members expressed a mix of views on term limits. One member was in favor of term limits so that new people can bring energy and new ideas. Another expressed concern about the impacts of term limits if a board like the Commission is already on the small size. He indicated that it would not be good if a board got smaller

due to term limits and if it became even harder to consistently have a majority of members in attendance.

The Commission currently has 6 members and can go up to 10 members. The Commission members present talked about what they view as the ideal size. They agreed that having an odd number of members would be best, and this would have a positive impact on the ability to have a quorum. (When a board member moved away last year and the number of Commission members dropped from 7 to 6 members, quorum rules still required 4 people to be in attendance.) They agreed that they would like to have a board of 9 members, ideally.

Local Licensing Authority

Regarding Term Limits:

The Authority members are unanimously opposed to term limits for the following reasons:

- The historical context and procedural knowledge by long standing members provides:
 - a positive outcome for licensees as application and disciplinary processes remain consistent
 - the ability to apply context in duties that include police reports or other disciplinary actions involving a licensee
- Learning the duties/expectations of Authority members, as well as the legal and business ramifications of the Authority's actions, takes time. A majority of the members stated that they were well into their second terms before they began to feel comfortable with the duties required of them.
- Authority members realize that historically there has been a deficit of applications for this Board. This is the first time in many years that the Authority has been fully seated with 5 regular members and an associate member. Term limits may create a situation where the Authority cannot be fully appointed again.
- Term limits will impact the Authority's ability to effectively and efficiently provide the duties required by Council and the Louisville Municipal Code.

Application Process:

The Authority had no comments regarding the application or selection process for the LLA. However, they do appreciate having the Associate Member position as a good mechanism to get new people on the Authority and give them experience before they become a voting member.

Open Space Advisory Board

See two separate memos

Parks & Public Landscaping Advisory Board

What do you consider to be the purpose and role of your body?

- Advisory role to Park division, provide community feedback
- In the event of a homeowner dispute about tree removal, we have final vote for appeals
- Resolution No. 65 Series 2015 when HFAB changed to PPLAB in 2015: Section 2 outlines our role:
- “The Board shall serve in an advisory capacity to City Council on matters of interest related to parks and public landscaping within the City of Louisville. The board shall have such other advisory responsibilities ... [as noted A-I].”

Do you have any suggestions on changing the role in the future?

- More collaboration across boards and by staff as well so we have a solidified goal and plan to prepare for items to present to City Council
- Staff to help relay concerns between the boards

What have been your greatest successes?

- Playground improvements
- Bee City
- Arboretum
- Parks rating project as input into which parks need attention
- Input on park signage replacement
- Input on medians
- Inputs on priorities
- Sustainability throughout the parks
- Reduction in pesticides
- Mission around education and outreach
- Bee City is doing that in real-time
- Continue to provide community outreach

What about your greatest failures?

- Delay in the median project
- Difficult to say in the past few years if items not addressed were caused by budget, pandemic, etc.

What is your process to develop your annual work plan? How does it align with Council's work plan?

- PPLAB develops priorities for year by ranking ideas and taking the top forward
- Would like more clarity about the City Council work plan
- Used to have City Council liaison but no longer do and this causes a some disconnect

- Timing could align a bit better
- Asked to provide 2023 work plan by end of 2022; didn't allow new members to provide thoughts/input
- Wasn't much advance notice in terms of the work plan
- Could start discussing in autumn and let new members weigh in early on
- City Council doesn't adopt theirs until late February; the calendar alignment was a bit off this year
- If PPLAB has items this year that are not completed, should find a way to connect with Council's work plan
- Roll over items year-to-year as decided by PPLAB
- Goals this year were always part of the packet to still continue to discuss and touch on each meeting

If Council will be considering changes, what changes would you recommend?

- Council liaison or attendance at PPLAB meetings when parks are involved in an upcoming City Council meeting

Do you feel that your body has been effective or ineffective? Why?

- See successes

City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

- The frequency of meetings for this this board is appropriate
- PPLAB keeps agenda balanced and moving
- In the past, have skipped a meeting based on lack of agenda items
- Want everyone to get a chance to speak and weigh in

Term limits - don't feel this is necessary for our board in its advisory capacity

Recreation Advisory Board

1. What do you consider to be the purpose and role of your body? Do you have suggestions on changing that role in the future?

We have well-established purposes and goals.

- a) To assist the City staff and Council in determining the community's needs and desires for recreation and golf facilities;
- b) To advise the City staff and Council on maintenance, development, and redevelopment of recreation and golf facilities;
- c) To advise the City staff and Council on the capital and operating budget as it relates to recreation and golf;
- d) To advise the City staff and Council on financial policies related to cost recovery for recreation program areas;
- e) To advise the City staff and Council on medium and long-range planning for recreation and golf facilities;

2. What have been your greatest successes? What about your greatest failures?

Successes:

- Keeping a focus on maintenance of our current facilities is a success, even if repairs and maintenance have not yet been achieved.
- The Rec Center, the Senior Center, and the Golf Course are doing well, and we support and applaud their efforts.

Challenges:

- We advocate for projects such as a new pickleball courts and a new Golf Clubhouse. We don't see progress towards achieving these goals. Even with a consultant review of the clubhouse that shows that the building is inadequate and does not meet sustainability goals, there is no movement forward.
- It has been a challenge to create momentum for projects after recovering from a pandemic and a catastrophic fire, and with multiple changes in staff.
- We miss having good communication with City Council. We greatly appreciate the fact that Deb Fahey often volunteers to attend our meetings.

3. How is your process to develop your annual work plan? How does it align with Council's work plan?

- We establish a work plan at the beginning of each year with a calendar that shows what we will work on throughout the year.
- As requested by City Council, the Rec Advisory Board submitted work plan items in the fall. Although we received no acknowledgment or

feedback from City Council, we learned that none of our items made it on the Council list.

4. If Council will be considering changes, what changes would you recommend?

- RAB members would appreciate better communication with City Council. Study sessions worked well in the past.
- If our Board is not combined with another board, we have requested that the size of the board be decreased to seven members.
- The RAB and the PPLAB might be combined. We have some overlapping responsibilities, such as outdoor rec amenities in the parks. Both boards should be involved in decisions related to tennis courts, athletic field maintenance, and outdoor pickleball courts. However, if the boards combine, they would be responsible for many components: public landscaping, the parks and their amenities, the Rec Center, the Senior Center, and the Golf Course.
- Council could interview potential board members. It is important to have engaged board members.

5. Do you feel that your body has been effective or ineffective? Why?

- We have been effective in creating ideas and suggestions. We have been ineffective in having City Council listen to our ideas.
- There is no procedure for communication between the boards and City Council. Several RAB members had experience with study sessions, and they believe that they worked well.

6. City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

Our agenda development is collaborative, and the meeting tempo is well run. Some meetings are longer and others are shorter; we take as long as we need.

Sustainability Advisory Board

The board decided that as a body, they support their role as defined in the 2023 LSAB work plan (below) and appreciate that their work is tied to the sustainability division and Council, but they would like to align more directly with GHG reductions in Louisville. They feel that they could be more impactful. We also discussed the limited scope of an advisory board in comparison to an outside advocacy group, non-profit org, community group, etc.

LSAB Role

Advise & Recommend

- Provide feedback to staff regarding programs, projects, etc.
- Sustainability budget requests
- Council work plan recommendations
- Letters of support for Council policy discussions
- Additional memos to Council/City leadership that state group recommendations

Research & Analysis

- Vetting ideas through cost/benefit analysis, alignment with City plans, equity lens, etc.
- Prepping for future budget requests/work plan ideas

Outreach & Engagement

- Coordination with partners and community members
- Distribution of materials
- Monthly eNewsletter
- Other ideas

The following is from individual board members:

Lynda Haley – HPC

Dear Council Members,

I understand that there is going to be a discussion about term limits for our city boards and commissions. I know there have been murmurs of this for many years and I am glad that the discussion is finally happening. I have served on the HPC for 10 years now, and so I am a perfect example of how not having term limits affects a commission.

I am generally in favor of term limits in elected positions, but I have found that the HPC has greatly benefited from NOT having term limits for the following reasons:

- **We have had a deficit of applicants over the past few years.** This has resulted in not having a full commission. This affects the workload of each commissioner in regards to subcommittee reviews and projects. It also puts the commission at risk of not having a quorum if there are absences for meetings.
- **We risk not meeting the Certified Local Government requirements.** We must have 5 or more commissioners to meet the requirements as a Certified Local Government. The HPC is also obligated to maintain professionals on our commission as an additional CLG requirement, which further limits the number of qualified applicants. Maintaining our CLG status should be a priority over commissioner term limits.
- **We have had significant staff turnover which has affected the continuity of our commission.** Tenured commissioners act as a bridge from one staff member to the next. They are able to advise incoming staff in the procedural operations of the commission and they ensure things are not lost in the transition. Even with a tenured commissioner, there have been bumpy transitions between staff as they learn the program, locate documents and files and settle into their position. A commissioner term limit would have prevented the HPC from having a tenured commissioner during these times. I would argue that these transitions would not have been as smooth.
- **Knowledge of the HPC program and its procedures is passed down from tenured commissioners.** Historic preservation in general requires significant training. There are state and national standards that must first be understood even before the more detailed training of our local program. I would say it takes new commissioners a good 6 months to START to feel comfortable in their position and decision-making, and even then they still have many questions and clarifications throughout their term. Tenured commissioners give the context and reasoning behind how our program works and are a valuable resource to newer commissioners.
- **The Historic Preservation Program takes time to learn.** The HPC has at least 7 different case types, some of which only happen once a year (if that), making longer tenures beneficial to gain familiarity with the breadth of the program.

- **Tenured commissioners allow for more efficient and unified decision making.** Louisville's Historic Preservation program is very unique. It is ever-changing as we adapt it to better serve our community. A tenured commissioner bridges the gap between the previous and current commissions and prevents "re-creating the wheel" in many cases. They are able to summarize previous meetings and decision-making that led to current policies, which can either increase understanding or initiate more research and evaluation. This allows the current commission to more effectively and efficiently make a decision. It also acts to unify the members of the current commission as well as unify the current commission with the previous commissions, which increases the integrity and trust of the HPC as a whole from the community's perspective.

If the City Council votes in favor of term limits, I would encourage them to consider some exceptions to the rule. One would ensure that there is always one or two tenured commissioners serving at any given time in order to prevent the board or commission ever being comprised solely of new members. Another exception, specifically for the HPC, would be if it prevented fulfilling the CLG requirements.

I look forward to hearing this discussion around term limits. I trust that there will be much deliberation before coming to a decision that is in the best interest of our City. Thank you for your time and careful consideration.

Memorandum

To: Louisville City Council
From: Louisville Open Space Advisory Board
Date: April 19, 2023
Re: Statement of support for keeping OSAB an autonomous board

Purpose:

One item on the 2023 City Council Work Plan is a review of all the City's boards and commissions to look at possible areas for change. Of the fourteen boards and commissions, five are required by the Home Rule Charter and cannot be eliminated without a vote of the electors. While these boards cannot be eliminated, Council could make changes to these boards related to duties, term lengths, etc. One of these boards is the Open Space Advisory Board (OSAB). Although the March 21, 2023, City Council Meeting Packet made no mention of the consolidation of OSAB with any other boards, during the meeting itself, and in discussions afterwards, it has become apparent that there is some interest in combining OSAB with the Parks and Public Landscaping Advisory Board (PPLAB) and the Recreation Advisory Board (RAB). This memo serves as a formal statement by OSAB that combining OSAB with one or more other boards would be a mistake. Significantly altering and expanding the role and scope of OSAB may violate the city charter and potentially creates a board with so much scope that it would not be able to serve the needs of the Council, residents, and city.

Background:

OSAB has long been viewed as one of the highest performing, most effective, and most reliable boards in the City of Louisville. OSAB's existence and responsibilities are enumerated in the city charter. The duties include advising Council on open space issues, making recommendations on land acquisition and land conservation, evaluating the effect of passive recreation activities on native plants and wildlife, and trail design and improvements on open space lands. The board's monthly meetings also already consistently run 2.5 to 3 hours in duration. Increasing the

scope of the board to include parks and/or recreation would significantly impact, dilute, and diminish the board's ability to effectively perform the duties enumerated in the city charter.

In support of the charter requirements, one of the things that makes OSAB so effective is that we have board members who are passionate about open space while also providing different perspectives and connections in our community that enable us to dive deeply into topics and come up with thoroughly vetted, thoughtful recommendations for Council and staff. These board members also serve as open space program volunteer leaders and team members, contributing to education and community programs throughout the year. Combining OSAB with another board will result in an unwieldy board with unrelated, or too many, or conflicting roles and subjects that produces ineffective advice, representation, recommendations, and action. This additional work could also create a situation where the workload increases so much that board member retention and recruitment may be problematic.

While we think that collaboration with PPLAB, RAB, and other boards such as the Louisville Sustainability Advisory Board (LSAB) and city staff are important and to be encouraged, these cross-topic discussions are better suited for yearly joint board meetings or joint tiger teams with specific agendas and goals.

Next Steps:

We strongly feel that following the charter and maintaining OSAB as a separate, dedicated advisory board will allow it to continue to follow the charter, effectively advise Council, and serve the open space interests of the community.

Memorandum

To: Louisville City Manager's Office
From: Louisville Open Space Advisory Board
Date: May 16, 2023
Re: Open Space Advisory Board's Recommendations on Boards and Commissions Questions

Purpose:

On April 18, 2023, City Clerk Meredyth Muth sent an email to the chairs of all of the boards and commissions on behalf of City Manager Jeff Durbin. The questions targeted the type of feedback that City Council is looking for regarding potential changes to the structure of boards and commissions. The discussion is taking place in City Council to address some frustrations that have been expressed by members of City Council and members of the boards and commissions. The goal is to ensure that the mission and role of each board is clear, and to maximize the effectiveness of all of these bodies that serve in advisory roles to City Council. This memo is directed to the city manager's office to facilitate the analysis and recommendations related to these issues surrounding boards and commissions. Six questions were asked of the boards and commissions to drive discussion and they will be answered in turn in the next section.

Background:

What do you consider to be the purpose and role of your body? Do you have suggestions on changing that role in the future?

The role of the open space advisory board (OSAB) is dictated by the city charter and municipal code. According to these documents, OSAB should be consulted in an advisory role on the inventory of open space, open space master plan, the trails master plan, land classifications, open space aspects of development proposals, open space management, open space budgeting, and environmental education, among other things. The municipal code speaks in

more detail on OSAB's role with trails, and it has some conflicting information as to whether the board is in a recommending role on all trails or just trails that are on or adjacent to city open space. To help clarify this discrepancy, we would prefer that OSAB be given the responsibility to advise on all new and proposed trails within the city, and to consider the city's trail network and specifically how it functions as an interlinked network. A holistic view of the trail network is important and is preferable to having two or more boards responsible for the review of different parts of the trail system.

What have been your greatest successes? What about your greatest failures?

Wayfinding has been both a success and a failure. The planning and proposals have been thoughtfully and thoroughly developed, but the new signs have not yet been delivered even after ten years of detailed work by the board and city staff. The acquisition of the Mayhoffer property should also be considered a success. OSAB's recent rallying around not paving the Coal Creek Trail between 36 and Dillon should ultimately be counted as a success, but it revealed many process and communication problems between Council and the board. Convincing the city not to require open space volunteers to undergo background checks is definitely a success. The board has demonstrated success in general teamwork and specifically a mentorship program for new board members. OSAB's advocacy for improved transparency about how the open space and parks sales tax money has been allocated is a strong success too. Lastly, the board advocated for both the ranger program and staff senior naturalist position, both successfully implemented initiatives.

On the whole, communication back and forth between OSAB and City Council has been a failure. Another example of this is the creation of the "half-and-half" concrete and crusher-fine gravel section of the Coal Creek Trail at Aspen Way and Roosevelt near Community Park. The City Council asked for OSAB's recommendation and despite OSAB advocating for maintaining a gravel trail, the Council decided on the more costly and poorly designed half-and-half approach instead. Several years later, the Council changed its mind again and decided to pave the entire section and, in turn, adding further to the overall cost of the project. In addition, the meeting about Redtail Ridge in the summer of 2022 was a failure in planning and preparation, as the board was asked to opine about a proposal that it was not given adequate time or information to fully understand. The board ultimately attained some level of success, however, as they made it clear that they could not comment at that time despite being pressured to do so. The board could use more training on its roles and responsibilities during quasi-judicial proceedings to better handle these complex circumstances in the future.

How is your process to develop your annual work plan? How does it align with Council's work plan?

OSAB has a goals document that is carried over from one year to the next and which provides ownership and task detail on a variety of topics such as land acquisitions, trails, resource management, wayfinding, education and outreach, and general business. This document could be more structured in terms of scheduling, but it does provide guidance for what efforts each member of the board should be leading and what is on the board's priority list for the year. The board hopes that it will continue to receive an early draft of Council's annual work plan, and it would be helpful to also have some visibility into staff's work plan as we have responsibilities to serve both entities. During the year, it would be useful to provide regular delivery of Council's advance agenda to all boards as currently we on OSAB find that we have to ask for updates.

If Council will be considering changes, what changes would you recommend?

OSAB sent a memo to council last month advocating for keeping OSAB as a separate board, and we continue to feel strongly about that. We would also like to see a streamlined process for delivering memos to Council, to make the process no harder and hopefully easier than it is for a member of the public to contact Council. We would like to re-institute a regular true Council study session (not just an informal dinner) as this provides valuable face-to-face time among all board and all City Council members. We would also like to see the council liaison restored as that is very useful for bringing information directly to the board to avoid what can be costly time delays if other communication techniques are used. It also provides an important first-hand conduit to the Council of OSAB's concerns and priorities. We feel that both of these improvements are necessary since a liaison is an individual who does not necessarily represent the view of the whole Council and might not be able to attend all of our board meetings. On the topic of term limits, there wasn't necessarily a board consensus on whether there should be term limits, but there was agreement that if there are term limits they should be quite long in duration to take advantage of members' knowledge and experience on issues that span many years.

Do you feel that your body has been effective or ineffective? Why?

The board felt that it had already addressed this question in the discussion of the successes and failures question above.

City Council has an informal policy of managing meeting time and canceling or reducing meeting times when agendas are light. What are the practices of your body in regards to agenda development, meeting duration, and meeting tempo?

The board has many responsibilities under its purview and sometimes spends too long on discussions and occasionally wants to consider issues not listed on the agenda. However, overall the board feels that it does a good job managing meeting topics and duration.

Next Steps:

We hope that the city manager's office and City Council find our responses to these questions valuable and that they are factored into any recommendations of changes to the structure of boards and commissions. In particular, we hope that these timely responses are helpful in the upcoming discussion at the June 6 City Council meeting.

RESOLUTION NO. 29
SERIES 2010

A RESOLUTION CHANGING THE NAME OF THE LOUISVILLE ARTS AND HUMANITIES COUNCIL TO THE LOUISVILLE CULTURAL COUNCIL

WHEREAS, the City Council created the Arts & Humanities Council on April 4, 1989 as a non-profit organization for advancing and preserving art, music, theater, dance, zoology, botany and natural history in the City of Louisville; and

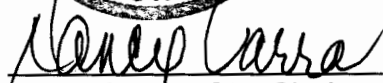

WHEREAS, the Louisville Arts & Humanities Council changed its business name with the Secretary of State to the Louisville Cultural Council in 2005 to better reflect its mission and events; and

WHEREAS, the City Council by this resolution desires to officially change to the name of the Louisville Arts and Humanities Council to the Louisville Cultural Council, which shall continue to serve in an advisory capacity to the City Council;

NOW, THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO that the Louisville Arts and Humanities Council shall now be named the Louisville Cultural Council and shall serve in an advisory capacity to the City Council.

PASSED AND ADOPTED this 1st day of June, 2010.

Nancy Varra, City Clerk

Charles L. Sisk, Mayor

RESOLUTION NO. 13

Series 1989

LOUISVILLE ARTS AND HUMANITIES COUNCIL

WHEREAS, the City Council of the City of Louisville, Colorado, passed and adopted on April 4, 1989 Resolution No. 10, Series 1989, regarding the Louisville Arts and Humanities Council; and

WHEREAS, said Resolution No. 10 provided for the appointment to the Louisville Arts and Humanities Council of five directors, each to be appointed to a three year term; and

WHEREAS, the terms of the directors should be staggered to provide continuity for the Louisville Arts and Humanities Council; and

WHEREAS, said Resolution No. 10 provided for review by the City Council of proposed guidelines for distribution of funds prior to July 15, 1989; and

WHEREAS, a more comprehensive review of said guidelines can occur after Boulder County issues its guidelines; and

WHEREAS, the City Council has reviewed proposed Bylaws for the Louisville Arts and Humanities Council;

NOW, THEREFORE, BE IT RESOLVED that we, the Louisville City Council, hereby confirm that the Louisville Arts and Humanities Council will consist of the five members previously appointed by the Mayor of the City of Louisville, but that said initial terms will be as follows:

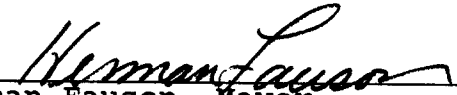

Two members' terms will expire on January 15, 1992, two members' terms will expire on January 15, 1993, and one term shall expire January 15, 1994. Once the initial terms expire, terms for all members shall be three years.

BE IT FURTHER RESOLVED, that the Louisville Arts and Humanities Council shall submit its proposed guidelines for distribution of funds prior to making any requests for funding.

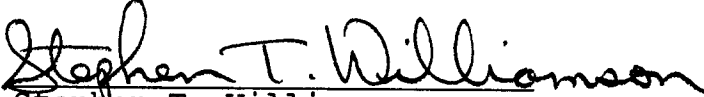

BE IT FURTHER RESOLVED, that the Bylaws as presented are approved.

PASSED AND ADOPTED this 5th day of July, 1989.

CITY OF LOUISVILLE

By 
Herman Fauson, Mayor

Approved as to form:

Stephen T. Williamson
City Attorney

Attest:

Pam Ferris, City Clerk

RESOLUTION #10, SERIES 1989
LOUISVILLE ARTS AND HUMANITIES COUNCIL

WHEREAS, the people of the State of Colorado have appropriated a cultural sales tax of .1% to benefit non-profit cultural organizations; and

WHEREAS, THE LOUISVILLE CITY COUNCIL believes that the advancement and preservation of art, music, theater, dance, zoology, botany and natural history is important in the City of Louisville; and

WHEREAS, the County Commissioners of Boulder County have created the Boulder County Citizens Cultural Advisory Council to determine the distribution of the revenue generated by the .1% cultural sales tax; and

WHEREAS, the City of Louisville has many individual artists and performers who may benefit from these funds through a non-profit cultural organization.

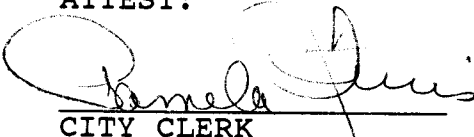

NOW, THEREFORE, BE IT RESOLVED that We, The Louisville City Council, do hereby create the Louisville Arts and Humanities Council, a non-profit organization, for the primary purpose of advancing and preserving art, music, theater, dance, zoology, botany and natural history in the City of Louisville.

BE IT FURTHER RESOLVED, that the Louisville Arts and Humanities Council will consist of five members appointed by the Mayor of the City of Louisville. Residents of the City of Louisville may apply to serve on this Council in writing to the City Clerk, 749 Main, Louisville CO 80027. Each member will be appointed to a three-year term. The Chairman of the Louisville Arts and Humanities Council will serve on the Boulder County Citizens Cultural Advisory Council as Louisville's representative and will advise the Mayor and City Council as to the Board's plan for distribution of cultural sales tax proceeds within Boulder County. The Louisville Arts and Humanities Council shall submit a draft of bylaws, and a draft of guidelines for the distribution of funds within the City of Louisville, to the Louisville City Council for approval no later than July 15, 1989.

PASSED AND ADOPTED THIS 4TH DAY OF APRIL, 1989.

MAYOR HERMAN FAUSON

Library Board of Trustees

ORDINANCE NO. 1563 SERIES 2009

AN ORDINANCE AMENDING SECTIONS 2.64.010, 2.64.020 AND 2.64.030 OF THE LOUISVILLE MUNICIPAL CODE REGARDING MANAGEMENT AND CONTROL OF THE LIBRARY AND APPOINTMENTS TO THE LOUISVILLE LIBRARY BOARD

WHEREAS, the City Charter provides for a home rule mayor-council-manager form of government with the City Council serving as the governing body of the City responsible for exercising all powers and responsibilities not conferred by the Charter on others, and with the City Manager serving as the chief administrative official of the City; and

WHEREAS, under the City Charter the City Manager, subject to the Council's oversight, is responsible for among other things, administration of the budget adopted by the City Council and exercising supervision and control over all City personnel and departments, and for the enforcement of ordinances, resolutions, franchises, contracts, and other enactments of the City; and

WHEREAS, Sections 2.64.010 and 2.64.030 of the Louisville Municipal Code currently provide that the management and control of the Louisville Public Library is vested in the Board of Trustees, and that the Board of Trustees shall have all of the powers and duties that are granted by C.R.S. Section 24-90-109; and

WHEREAS, in current practice the Library Board of Trustees serves primarily in an advisory capacity to Library Administration and the City Council and does not exercise management and control of the Library; and

WHEREAS, Sections 2.64.010 and 2.64.030 of the Louisville Municipal Code, in vesting management and control of the Library in the Library Board of Trustees and granting to the Board of Trustees all the powers and duties that are granted by C.R.S. Section 24-90-109, are inconsistent with both the City Charter and current practice; and

WHEREAS, the City Council, acting pursuant to the City's home rule authority, desires to amend these Sections of the Code to revise the powers and duties of the Library Board of Trustees;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Section 2.64.010 of the Louisville Municipal Code is hereby amended to read as follows:

Sec. 2.64.010. Library department established;

A public library and a public library department is established for the city in the general fund of the city and under the provisions of section 8.3 (b) (6) of the City Charter.

Section 2. Section 2.64.020 of the Louisville Municipal Code is hereby amended to read as follows:

Sec. 2.64.020. Library Board of Trustees–Appointment.

The mayor, with the consent of the city council, shall appoint a Library Board of Trustees (board) to advise Library administration, city council and city staff on matters concerning the public library of the city. The Library board shall consist of six residents of the city and one resident of the Town of Superior (Town), with all rules and responsibilities applying equally to members from both municipalities.

Board members shall be appointed to serve for five years. The board shall not receive any salary or other compensation for services as board trustees, but necessary and authorized travel and subsistence expenses shall be paid from library funds. A member may be removed by city council under the provisions of section 10.2 of the City Charter, with cause therefore as may be defined in the bylaws of the board and any ordinance or resolution of city council. A majority of the Library board may recommend such action to city council.

Section 3. Section 2.64.030 of the Louisville Municipal Code is hereby amended to read as follows:

Sec. 2.64.030. Library Board of Trustees–Powers and duties.

The function of the Louisville Public Library (Library) Board of Trustees is to act as advocates for the Louisville Public Library, with a primary focus on four key areas:

- A. Create and advance the Library’s Service Philosophy and Strategic Plan
- B. Advocate for critical resources to meet Library needs
- C. Act as community advocates on behalf of the Library to city council, the public, and other libraries
- D. Work closely with the Library Director to provide advice and support

A representative sample of tasks that the Library Board of Trustees manages on an as-needed basis includes:

- A. Provide advice in hiring a Library Director
- B. Monitor, advise, and construct the Library’s position in service negotiations
- C. Lead Library-related ballot issues
- D. Conduct general Library Board of Trustees business, such as reviewing usage statistics, and in conjunction with the Library Director, creating and adopting Library policies
- E. Guidance and support in creation of the Library budget
- F. Submit Library’s annual report to the Colorado State Library
- G. Adopt bylaws for governance of the Board that are consistent with this code.

Section 4. If any portion of this ordinance is held to be invalid for any reason, such decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each part hereof irrespective of the fact that any one part be declared invalid.

Section 5. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portions hereof are hereby repealed to the extent of such inconsistency or conflict.

**RESOLUTION NO. 3
SERIES 2004**

**A RESOLUTION AMENDING MEMBERSHIP OF THE LOUISVILLE
HISTORICAL COMMISSION & THE LOUISVILLE LIBRARY BOARD OF
TRUSTEES**

WHEREAS, the Louisville Historical Commission was created in 1979 to protect the historical assets of Louisville and

WHEREAS, for the past twenty-five years Commission members have diligently worked to maintain the Louisville Historical Museum and its artifacts; and

WHEREAS, there has been an overwhelming number of residents wishing to participate on the Commission; and

WHEREAS, the City Council has determined it is the best interest of the City to appoint additional members to the Commission.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE
CITY OF LOUISVILLE, COLORADO:**

Section 1

The Louisville Historical Commission will hereby consist of at least nine but no more than fifteen members.

Section 2

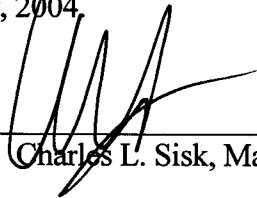

The Louisville Library Board of Trustees will hereby consist of seven members.

PASSED AND ADOPTED this 20th day of January, 2004.

Nancy Varja, City Clerk

Open Space Advisory Board

ORDINANCE NO. 1598 SERIES 2011

AN ORDINANCE AMENDING CHAPTER 4.03 OF THE LOUISVILLE MUNICIPAL CODE TO MAKE THE PROVISIONS OF SUCH CHAPTER CONSISTENT WITH THE OPEN SPACE PROVISIONS OF ARTICLE 15 OF THE CITY OF LOUISVILLE HOME RULE CHARTER, AND AMENDING CHAPTER 4.02 OF THE LOUISVILLE MUNICIPAL CODE REGARDING TERMS OF OFFICE FOR THE LOUISVILLE CITIZENS OPEN SPACE ADVISORY BOARD

WHEREAS, the City of Louisville is a Colorado home rule municipal corporation duly organized and existing under laws of the State of Colorado and the City Charter; and

WHEREAS, Article 15 of the City Charter provides for management standards for City-owned open space lands; and

WHEREAS, Chapter 4.03 of the Louisville Municipal Code, which was enacted prior to adoption of the City Charter, sets forth standards for the acquisition, management, restoration, use and preservation of open space lands; and

WHEREAS, several of the management standards set forth in Chapter 4.03 are inconsistent with the standards in Article 15 of the City Charter, and the City Council by this ordinance desires to amend Chapter 4.03 to make the provisions of such Chapter consistent with the management standards for City-owned open space lands outlined in Article 15; and

WHEREAS, the City Council by this ordinance desires to amend Section 4.02.010 of the Louisville Municipal Code so that terms of office for the Louisville Citizens Open Space Advisory commence at the beginning of the calendar year; and

WHEREAS, City Council has provided notice of a public hearing on said ordinance by publication as provided by law and held a public hearing as provided in said notice;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Section 4.03.010 of the Louisville Municipal Code is hereby amended to read as follows (words to be deleted are shown in ~~strikeout~~; words to be added are underlined):

Sec. 4.03.010. Classification and management.

Open space shall be managed in a manner consistent with good stewardship and sound ecological principles that benefits citizens of Louisville by promoting native plants, wildlife, wildlife and plant habitat, cultural resources, agriculture and scenic vistas and appropriate passive recreation. It is intended that the differing classifications of open space will require different management policies to provide reasonable levels of protection consistent with the intended uses of the land. The city shall manage its open space according to the following classifications:

A. *Open space--Preserve.*

1. Land under this classification is characterized by a moderate to high level of relative ecological importance with lower levels of habitat fragmentation. Where open space--preserve land is adjacent to other open space or other city-owned land, ~~it is the intention that, when possible,~~ the adjacent land shall include, where possible, a sufficient buffer area to permit the successful management of the open space--preserve land.
2. This land shall be managed in a manner ~~to preserve and promote~~ that preserves and promotes the long-term viability of native ~~flora and fauna~~ plants and native wildlife, restoration, restoration potential and ecologically sound agricultural use. Management of city-owned lands surrounding open space--preserve lands shall, to the extent possible under and consistent with the management criteria for the classification of such surrounding land, not be in conflict with the management required under this section. ~~Application of pesticides, herbicides and other chemicals shall be prohibited unless other non-toxic remedies are reasonably determined to have little opportunity for success or unless required by state and/or federal law.~~
3. Visitation for research purposes and formal supervised educational visitation ~~are permitted~~ may be permitted in this classification. No or very low levels of passive recreational activities shall be permitted. ~~It is intended that there shall be no or very low levels of passive recreational visitation.~~
4. When there is a real conflict between human use and any area or item of ecological importance in this classification ~~of land~~, preference shall be given to sustaining the area or item of ecological importance.

B. *Open space--Protected land.*

1. Land under this classification shall be characterized by a moderate to high level of relative ecological importance with higher levels of habitat fragmentation.
2. This land shall be managed in the same manner as open space--preserve land, except that management may permit passive recreational activities ~~opportunities~~ so long as:
 - a. The ~~passive recreational opportunities~~ recreation activities are designed to encourage resource protection, long-term ecological viability of native plants and native wildlife ~~flora and fauna~~, restoration, ecologically sensitive agricultural use, research, and education; and
 - b. The recreational impacts ~~can be~~ are contained in order to prevent any adverse effect on spillover to open space--preserve land.
3. Moderate to moderately high visitation levels may be permitted in this classification. ~~Visitation levels to this classification of land shall be moderate to moderately high.~~
4. When there is a real conflict between human use and any area or item of ecological importance in this classification ~~of land~~, preference shall be given to sustaining the area or item of ecological importance.

C. *Open space--Visitor land.*

1. Land under this classification shall be characterized by a lower level of relative ecological importance with higher levels of habitat fragmentation.
2. Open space--Visitor land shall be managed so that recreational opportunities are designed to encourage resource protection with minimal landscaping using native plants and limited irrigation. ~~Application of pesticides, herbicides and other chemicals shall be prohibited unless other non-toxic remedies are reasonably determined to have little opportunity for success or as may be required by state and/or federal law.~~
3. Moderate to high levels of visitation may be permitted ~~on land~~ in this classification.

D. *Open space--Other lands.*

1. Open space--other lands shall be managed to include construction of entryway features and trail rests, planting of trees, and other buffer plantings, ~~provided that~~. Reasonable attempts shall be made to minimize the impact of entryway features and trail rests on the land, and reasonable attempts are made to use native trees and plants.
2. High levels of visitation and use passive recreation activities consistent with existing patterns shall may be permitted ~~on such open space other lands~~ in this classification.

E. Notwithstanding the foregoing, all current uses and all uses contemplated in any intergovernmental agreement or other contractual obligation of the city in existence before the enactment of this chapter will be allowed unless and until the city council recommends a change and takes all necessary legal steps to implement such a change. The board may recommend such a change to council at anytime.

F. City decisions regarding open space identification, classification and management shall consider the best information available.

Section 2. Section 4.02.010.B of the Louisville Municipal Code is hereby amended to read as follows (words to be deleted are shown in ~~strikeout~~; words to be added are underlined):

B. The initial board appointments shall be made within 60 days after this chapter takes effect. All terms shall commence on the first day of January and shall expire on December 31 at the conclusion of the last year of the term. ~~Terms will expire on January 15 of each year. Terms lengths for initial appointees shall be calculated as if their terms started January 15, 2000.~~

Section 3. Section 4.02.020.A of the Louisville Municipal Code is hereby amended to read as follows (words to be deleted are shown in ~~strikeout~~; words to be added are underlined):

A. At its initial meeting and thereafter at its first meeting ~~after January 15~~ of each year, the board shall choose a chair and a secretary from among its members.

Section 4. This ordinance shall not be construed to shorten the term of office of any current office holder; however, any current officer holder may by written acknowledgment

consent to the shortening of the expiration of their current term of office.

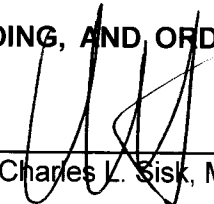

Section 5. If any portion of this ordinance is held to be invalid for any reason, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each part hereof irrespective of the fact that any one part be declared invalid.

Section 6. The repeal or modification of any provision of the Municipal Code of the City of Louisville by this ordinance shall not release, extinguish, alter, modify, or change in whole or in part any penalty, forfeiture, or liability, either civil or criminal, which shall have been incurred under such provision, and each provision shall be treated and held as still remaining in force for the purpose of sustaining any and all proper actions, suits, proceedings, and prosecutions for the enforcement of the penalty, forfeiture, or liability, as well as for the purpose of sustaining any judgment, decree, or order which can or may be rendered, entered, or made in such actions, suits, proceedings, or prosecutions.

Section 7. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion hereof are hereby repealed to the extent of such inconsistency or conflict.

**ORDINANCE NO. 1586
SERIES 2010**

AN ORDINANCE ELIMINATING WARD RESIDENCY REQUIREMENTS FOR MEMBERS OF THE CITIZENS OPEN SPACE ADVISORY BOARD.

WHEREAS, the City Council by Ordinance No. 1329, Series 2000, established a seven-member Louisville Citizens Open Space Advisory Board ("Board") to advise the Council and City Staff on matters related to the acquisition, management, restoration, preservation and use of Open Space lands; and

WHEREAS, the City Council by Ordinance No. 1337, Series 2000 provided for an eighth Board member to serve as an alternate; and

WHEREAS, such Ordinances are codified at Chapter 4.02 of the Louisville Municipal Code; and

WHEREAS, the City Council each year makes appointments to fill vacancies on the Board; and

WHEREAS, the City Council desires to amend Section 4.02.010 of the Louisville Municipal Code to eliminate ward residency requirements for Board members.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Section 4.02.010 of the Louisville Municipal Code is hereby amended to read as follows (words deleted are ~~stricken through~~):

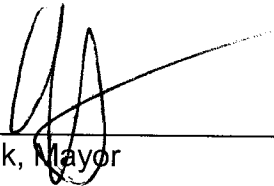

Sec. 4.02.010. Creation of the Board.

A. There shall be a Louisville Citizens Open Space Advisory Board composed of seven Louisville residents appointed by the City Council. ~~No more than three members shall be appointed from one ward.~~ The terms of each board member will be for 3 years, except that initially 2 members will be given 1-year terms, and 2 members will be given 2-year terms.

Section 2. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion thereof are hereby repealed to the extent of such inconsistency of conflict.

**ORDINANCE NO. 1337
SERIES 2000**

AN EMERGENCY ORDINANCE PROVIDING FOR AN ALTERNATE MEMBER OF THE LOUISVILLE CITIZENS OPEN SPACE ADVISORY BOARD.

WHEREAS, the City Council by Ordinance No. 1329, Series 2000, established a seven-member Louisville Citizens Open Space Advisory Board to advise the Council and City Staff on matters related to the acquisition, management, restoration, preservation and use of Open Space lands; and

WHEREAS, the City Council on April 4, 2000, made its initial appointment to the Board; and

WHEREAS, the City Council desires to amend Ordinance No. 1329, Series 2000, to provide for an alternate member of the Board.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Section 4.02.010 of the Louisville Municipal Code is hereby amended by the addition of a new subsection F, to read as follows:

Sec. 4.02.010. Creation of the Board.

F. In addition to the regular members of the Board, the City Council may appoint one alternate member of the Board, who shall be appointed for a three year term. The term length for the initially appointed alternate member shall be calculated as if such member's term started on January 15, 2000. The alternate member shall be subject to the requirements of this section. The alternate member shall be entitled to attend and participate in all meetings and discussions of the Board but shall be entitled to vote on a matter before the Board and exercise the other powers of a regular member only in the event a regular member is temporarily unable to act owing to absence from the city, illness, interest in a matter before the Board, or other cause. In the case of such absence by a regular member, the alternate member may take the absent member's place, may vote on matters before the Board, and shall have all the powers of a regular member while serving in the regular member's place.

Section 2. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion thereof are hereby repealed to the extent of such inconsistency of conflict.

Section 3. This ordinance is necessary for the immediate preservation of the public health, safety and welfare in order to permit the timely appointment of an alternate member of the Board, to enable that member to participate in organizational and initial meetings of the Board. This ordinance shall take effect upon adoption and signing by the Mayor if approved by three-fourths of the City Council.

**ORDINANCE NO. 1329
SERIES 2000**

AN ORDINANCE ESTABLISHING A LOUISVILLE CITIZENS OPEN SPACE ADVISORY BOARD TO ADVISE THE CITY STAFF AND COUNCIL ON MATTERS RELATED TO THE ACQUISITION, MANAGEMENT, RESTORATION, PRESERVATION AND USE OF OPEN SPACE LANDS AS SET FORTH IN THIS ORDINANCE, AND ESTABLISHING STANDARDS FOR THE ACQUISITION, MANAGEMENT, RESTORATION, USE AND PRESERVATION OF SUCH OPEN SPACE LANDS.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The Louisville Municipal Code is hereby amended by the addition of a new Title 4, to read as follows:

**TITLE 4
CITY OPEN SPACE**

**Chapter 4.01
GENERAL**

Sec. 4.01.010 Purpose.
Sec. 4.01.020 Definitions.

Sec. 4.01.010. Purpose.

This ordinance establishes a board of citizens to advise the City Staff and Council on matters related to the acquisition, management, restoration, preservation, and use of Open Space lands and establishes standards for the acquisition, management, restoration, use and preservation of such open space lands.

Sec. 4.01.020. Definitions.

A. "Open Space" shall mean and include land designated as Open Space on the City zoning map attached hereto as Attachment A as may be amended from time to time by the City Council, or as may be designated in the future by the City Council upon recommendation of the Board. Generally, such lands are undeveloped lands that are owned solely or jointly by the City with the intent that the land would be designated as open space buffers, agricultural land, wildlife corridors, wildlife habitat or other undesignated undeveloped land. Open Space shall not include Parks, Developed Recreation Areas, or the 96th Street connection.

B. "Parks" shall mean and include land owned solely or jointly by the City that is designated and/or managed as an active recreation area and/or primarily is composed of irrigated turf designed for public use. Parks shall include, but not be limited to, Memory Square Park, Keith Helart Park, Joe Carnival Park, Annette Brand Park, Pirates

Park, Cleo Mudrock Park, Heritage Park, Cottonwood Park, and the park within the Meadows at Coal Creek.

C. "Developed Recreation Areas" shall mean and include the Louisville Cemetery and recreational facilities such as the Louisville Recreation Center, multi-purpose athletic fields, baseball fields, softball fields and golf courses that are owned and managed by the City. Reasonable efforts will be taken by the city to minimize the impact of such areas on Open Space and natural areas contiguous to Open Space.

D. "Passive recreation" shall mean and include activities such as hiking, photography, or nature studies, and if specifically designated, bicycling, horseback riding, or fishing. No motorized activity will be allowed except for maintenance activities, emergency services or legal access agreements.

**Chapter 4.02
Citizens Open Space Advisory Board**

Sec. 4.02.010.	Creation of the Board.
Sec. 4.02.020.	Board Procedures.
Sec. 4.02.030.	Initial Duties.
Sec. 4.02.040.	Ongoing Duties.

Sec. 4.02.010. Creation of the Board.

A. There shall be a Louisville Citizens Open Space Advisory Board composed of seven Louisville residents appointed by the City Council. No more than three members shall be appointed from one ward. The terms of each board member will be for 3 years, except that initially 2 members will be given 1-year terms, and 2 members will be given 2-year terms.

B. The initial board appointments shall be made within 60 days after the ordinance takes effect. Terms will expire on January 15th of each year. Terms lengths for initial appointees shall be calculated as if their terms started January 15, 2000.

C. The Board members shall serve without pay and shall not hold elective or appointive office within Louisville government, except that Board members may serve on City task forces.

D. For the purposes of the Louisville ordinances and state ethics laws governing the conduct of municipal officers each board member shall be considered an officer of the city.

E. Four members of the council may remove any board member for cause. Cause shall include but not be limited to:

1. Violation of city or state ethics laws;
2. Conviction of a felony; or
3. Missing four regular meetings in any 12-month period.

Sec. 4.02.020. Board Procedures.

A. At its initial meeting and thereafter at its first meeting after January 15 of each year, the Board shall choose a chair and a secretary from among its members.

B. The board shall hold public meetings once a month. Special meetings may be called at any time by the chair or 4 members of the board upon the giving of at least 48 hours notice of the special meeting to the board members.

C. All meetings shall be posted as per the city's standard policy for posting notices of meetings.

D. Four members of the board shall constitute a quorum. An affirmative vote of a majority of the members present at a Board meeting shall be necessary to authorize any action by the Board, except as otherwise expressly provided herein.

E. The board shall keep minutes and records of its meetings and transactions.

F. The board shall have power to adopt rules and regulations for the conduct of its business consistent with the provisions of the Louisville Municipal Code and state law.

Sec. 4.02.030. Initial Duties.

The Board's initial duties shall include:

A. Inventory of City Open Space.

1. Working with City Staff, the City Horticulture and Forestry Advisory Board, City consultants, and other applicable city boards or task forces, the Board shall produce an inventory of Open Space and other undeveloped lands owned by the City that may be eligible for Open Space designation in the future. This inventory shall exclude all Parks and Developed Recreation Areas.

2. The inventory shall include relevant information from public hearings, city staff, City Council, scientific consultants and city boards when appropriate and will identify the following:

- a. Current uses of the property;
- b. Plant, animal, cultural and agricultural resources of all City Open Space lands;
- c. Geographic, wildlife, or plant areas that are in particular need of protection;
- d. The relative levels of habitat fragmentation in the different tracts of land constituting City Open Space;
- e. Wildlife corridors in and around the City; and
- f. Degraded open space lands with high or moderate potential for serving as wildlife habitat, wetlands or other important ecological purpose.

3. Working with city staff, the Board shall advise City Council on the budget for completing this inventory. Except as otherwise authorized by the City Administrator, no resources should be obligated on such inventory prior to Council approval of such a budget. All expenditures and commitments of monetary funds and

contracts shall be subject to the established financial policies of the city in effect at that time.

4. Working with city staff, the Board, where possible will endeavor to obtain the information in Section A, above, from surrounding landowners owning property subject to conservation easements, as well as surrounding open space within other jurisdictions.

5. No significant action shall be taken on any land designated as Open Space until the inventory is complete. If any such significant action is proposed for such land before completion of the inventory, no action shall be taken without first consulting the Board.

B. Open Space Master Plan.

1. Working with City staff and staff from entities who own land jointly with the City, the Board shall develop a near and long-term plan for recommendation to Council for the acquisition, maintenance, management, preservation, and use of Open Space. This plan will be called the Open Space Master Plan ("the Plan"). Council shall approve this plan before implementation thereof. This Plan should:

- a. Classify all City or joint city county Open Space pursuant to the classification system in Section 4.03.010, below.
- b. Identify geographic, wildlife, or plant areas that are in particular need of protection, relative levels of habitat fragmentation, wildlife corridors that pass through the city, and plans for protection of those areas.
- c. Identify short and long term plans for preserving, protecting and restoring flora and fauna while providing human access as needed and as appropriate.
- d. After giving due consideration to the existing Trails Master Plan, identify lands where ecological impacts from passive recreation are relatively minimal and are appropriate for trails and recommend on such lands how trails can be located and built so that they will have the least adverse impact on the ecosystem. In the instance where the available information indicates that the location of a trail as recommended in the existing Trails Master Plan is not appropriate, the Board shall recommend an alternative location for such trail as is necessary to mitigate the adverse environmental affects of the originally suggested location;
- e. Develop a strategy to protect Open Space areas, wildlife or native plants that are in particular need of protection based on their vulnerability or their importance to the ecosystem; and
- f. Evaluate and, if appropriate, update the city's current plans for acquisition and maintenance management practices of open space lands. Evaluate the City's open space acquisition and management plans.

2. Working with city staff, the Board shall advise City Council on the budget necessary for completing the Plan. Except as otherwise authorized by the City Administrator, no resources should be obligated to the Plan prior to Council approval of

such a budget. All expenditures and commitments of monetary funds and contracts shall be subject to the established financial policies of the city in effect at that time.

Sec. 4.02.040. Ongoing Duties.

A. The Board shall, from time to time, review the classification system for Open Space and recommend any changes to the classification system.

B. The Board shall, from time to time, review the Open Space Master Plan and make recommendations for changes to such plan based on new information and or circumstances affecting open space land.

C. The Board shall inventory and provide recommendations to City Council for the classification of any Open Space acquired by the City after the enactment of this ordinance.

D. The Board shall provide comments to the Council and/or Planning Commission on development proposals for land immediately adjacent to, or materially impacting, Open Space lands providing the comments are provided during the standard referral timelines established for the city's development processes. Staff will coordinate providing the Board with information on pending issues to provide the Board a timely opportunity to provide such comments as part of the established planning process.

E. Provide input on the location of trails and paths on Open Space lands.

F. Provide input to the Planning Commission and City Council on revisions of the Plan.

G. Work with city staff to periodically review and evaluate the management policies and procedures of Open Space lands, and make recommendations to Council as to any desired changes regarding such management policies and procedures.

H. Provide recommendations as to how Open Space within the city's boundaries and immediately adjacent thereto can best coexist with surrounding private land.

I. Provide recommendations as to how the City can manage park and other land adjacent to Open Space lands in a manner that best promotes the continued integrity of Open Space.

J. Provide recommendations for weed management.

K. Provide recommendations for environmental education that address management issues including ways to minimize impacts to native flora and fauna.

L. Provide a forum for citizen comment on open space and trails issues.

M. Provide any additional recommendation on open space issues the Board finds appropriate.

**Chapter 4.03
MANAGEMENT OF OPEN SPACE LANDS**

- Sec. 4.03.010. Classification and Management.**
- Sec. 4.03.020. Management of Jointly Held City Open Space.**
- Sec. 4.03.030. Ability of City to Maintain Basic Infrastructure Not Impaired.**
- Sec. 4.03.040. Newly Acquired Lands.**
- Sec. 4.03.050. Actions Affecting Open Space and/or Native Plants, Wetlands, Wildlife or Wildlife Habitat within or upon Open Space.**
- Sec. 4.03.060. No Criminal Liability.**

Sec. 4.03.010. Classification and Management

Open Space shall be managed in a manner consistent with good stewardship and sound ecological principles that benefits citizens of Louisville by promoting native plants, wildlife, wildlife and plant habitat, cultural resources, agriculture and scenic vistas and appropriate passive recreation. It is intended that the differing classifications of Open Space will require different management policies to provide reasonable levels of protection consistent with the intended uses of the land. The City of Louisville shall manage its Open Space according to the following classifications:

A. Open Space-Preserve.

1. Land under this classification is characterized by a moderate to high level of relative ecological importance with lower levels of habitat fragmentation. Where Open Space-Preserve land is adjacent to other Open Space or other City-owned land, it is the intention that, when possible, the adjacent land shall include a sufficient buffer area to permit the successful management of the Open Space-Preserve land.

2. This land shall be managed in a manner to preserve and promote the long-term viability of native flora and fauna, restoration, restoration potential and ecologically sound agricultural use. Management of City-owned lands surrounding Open Space-Preserve lands shall, to the extent possible under and consistent with the management criteria for the classification of such surrounding land, not be in conflict with the management required under this section. Application of pesticides, herbicides and other chemicals shall be prohibited unless other non-toxic remedies are reasonably determined to have little opportunity for success or unless required by State and/or Federal law.

3. Visitation for research purposes and formal supervised educational visitation are permitted. It is intended that there shall be no or very low levels of passive recreational visitation.

4. When there is a real conflict between human use and any area or item of ecological importance in this classification of land, preference shall be given to sustaining the area or item of ecological importance.

B. Open Space-Protected Land.

1. Land under this classification shall be characterized by a moderate to high level of relative ecological importance with higher levels of habitat fragmentation.

2. This land shall be managed in the same manner as Open Space-Preserve Land, except that management may permit passive recreational opportunities so long as:

a. the passive recreational opportunities are designed to encourage resource protection, long-term ecological viability of native flora and fauna, restoration, ecologically sensitive agricultural use, research and education; and

b. the recreational impacts can be contained to prevent spillover to Open Space-Preserve land.

3. Visitation levels to this classification of land shall be moderate to moderately high.

4. When there is a real conflict between human use and any area or item of ecological importance in this classification of land, preference shall be given to sustaining the area or item of ecological importance.

C. Open Space-Visitor Land.

1. Land under this classification shall be characterized by a lower level of relative ecological importance with higher levels of habitat fragmentation.

2. Open Space-Visitor Land shall be managed so that recreational opportunities are designed to encourage resource protection with minimal landscaping using native plants and limited irrigation. Application of pesticides, herbicides and other chemicals shall be prohibited unless other non-toxic remedies are reasonably determined to have little opportunity for success or as may be required by state and/or federal law.

3. Moderate to high levels of visitation may be permitted on land in this classification.

D. Open Space-Other Lands.

1. Open Space-Other Lands shall be managed to include construction of entryway features and trail rests, planting of trees and other buffer plantings, provided that reasonable attempts shall be made to minimize the impact of entryway features and trail rests on the land, and reasonable attempts are made to use native trees and plants.

2. High levels of visitation and use consistent with existing patterns shall be permitted on such Open Space-Other Lands.

E. Notwithstanding the foregoing, all current uses and all uses contemplated in any intergovernmental agreement or other contractual obligation of the city in existence before the enactment of this ordinance will be allowed unless and until the City

Council recommends a change and takes all necessary legal steps to implement such a change. The Board may recommend such a change to Council at anytime.

F. City Decisions regarding Open Space identification, classification and management shall consider the best available information.

Sec. 4.03.020. Management of Jointly Held City Open Space

In representing the City's position for the management of any land owned by the City jointly with another governmental entity, the City shall endeavor in good faith to manage such lands consistent with the standards for management of City Open space set forth in Section 4.03.010, above. The City Administrator shall notify the Board prior to the implementation of any change to the existing management of Joint Open Space and of the nature of such change, except that no notice need be provided for non-substantive changes to the existing management of such Open Space.

Sec. 4.03.030. Ability of City to Maintain Basic Infrastructure Not Impaired

Nothing in this ordinance shall be construed to impact or limit the safe and efficient operation, construction and maintenance of the city's water, sewer, drainage, and flood control systems and infrastructure except reasonable efforts will be taken by the City to mitigate the impact of such operation and maintenance on Open Space.

Sec. 4.03.040. Newly Acquired Lands

For lands acquired by the city subsequent to the adoption of this ordinance, the Council, in consultation with the Board, will designate the intended type of use of the land upon purchase and, to the extent that such purpose is not for a Park or Developed Recreation, will classify and manage the land in accordance with the provisions of Section 4.03.010, provided that Council will be permitted to act on acquisition opportunities that may arise without consulting the Board in situations where, due to the circumstances of the transaction, such consultation would jeopardize the ability of the City to complete the transaction. Such designation may be made in any ordinance adopted pursuant to C.R.S. Section 31-25-202 to authorize the purchase of land or interests in land.

Sec. 4.03.050. Actions Affecting Open Space and/or Native Plants, Wetlands, Wildlife or Wildlife Habitat within or upon Open Space.

When there is a City action or proposed action affecting Open Space and/or native plants, wetlands, wildlife, wildlife habitat within or upon Open Space that is inconsistent with the advice and/or recommendations of the Board, 5 Board members by written notice or 25 citizens through a written petition may request a public hearing. Any such notice or petition must be presented to the City Administrator within 5 business days after the Board and/or the citizens become aware of the City action or proposed action in question. The Council will hold such public hearing at the next regularly scheduled City Council meeting or such other regularly scheduled Council meeting, as requested by the Board or the petitioning citizens, no later than six weeks after the presentation of the notice or petition. Such City action or proposed action shall be postponed until after the public hearing has been held unless the postponement creates a significant legal liability or financial burden upon the City. At the hearing, the Board and

any person may present information relating to whether the proposed City action or proposed action is in compliance with the management standards set forth in section 4.03.010. After the hearing, the council members shall have the opportunity to publicly discuss their positions on the City action or proposed action in question. After such discussion, the Board and any citizen may provide additional comments and information to the Council and, upon the conclusion of the presentation of such additional comments and information, the Council shall decide whether the City action or proposed action complies with the management standards set forth in Sec. 4.03.010.

Sec. 4.03.060. No Criminal Liability.

An alleged violation of this title shall not be deemed a municipal offense subject to prosecution in the municipal court, nor shall a violation of this title be subject to the penalty provisions of section 1.28.010 of this Code.

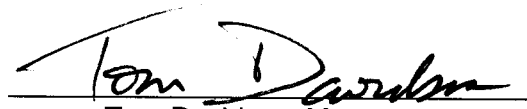

Section 2. Effective Date. The ordinance shall take effect thirty days after its adoption and publication as provided by C.R.S. section 31-16-105; provided, however, that City Council may within such 30-day period after publication submit this ordinance as proposed or adopted to a vote of the registered electors of the City at a special election on April 11, 2000. If so submitted, the provisions of this ordinance shall not take effect unless and until a majority of the registered electors voting at said election vote in favor of the adoption of this ordinance.

Section 3. Severance. If any portion of this ordinance is held to be invalid for any reason, such decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each part hereof irrespective of the fact that any one part be declared invalid.

Section 4. Conflict with Other Municipal Ordinances. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion thereof are hereby repealed to the extent of such inconsistency of conflict.

<i>Salix exigua</i>	sandbar (coyote) willow

- 2) Native plants should be placed consistent with the setting that would be present before Euro-American settlement to the maximum extent possible. Collection location for plants and seeds purchased from commercial vendors shall be the closest available to Louisville to help maintain genetic integrity.
- 3) City lands being landscaped adjacent to open space are recommended to be landscaped in a character consistent with these requirements to form a transition area.
- 4) For perennial cropped and/or grazed lands, native plants shall be used when revegetating or augmenting vegetation, unless it makes the agricultural activity uneconomical.
- 5) For annual cropped areas, non native vegetation may be used.

Parks and Public Landscaping Advisory Board

RESOLUTION NO. 65 SERIES 2015

A RESOLUTION CHANGING THE NAME OF THE HORTICULTURE AND FORESTRY ADVISORY BOARD TO THE PARKS AND PUBLIC LANDSCAPING ADVISORY BOARD AND SETTING FORTH THE PURPOSES, TERMS, RESPONSIBILITIES, POWERS, DUTIES AND OTHER MATTERS CONCERNING THE PARKS AND PUBLIC LANDSCAPING ADVISORY BOARD

WHEREAS, the City's park system and public landscaped areas are major assets to the City of Louisville; and

WHEREAS, the City Council desires to establish an advisory board to give the City Council recommendations on matters related to parks and public landscaping; and

WHEREAS, the City Council created the Tree Board in 1980 which later became the Horticulture and Forestry Advisory Board in 2006; and

WHEREAS, the City Council desires to change the name of the Horticulture and Forestry Advisory Board to the Parks and Public Landscaping Advisory Board and have the Board advise on matters related parks and public landscaping issues in general; and

WHEREAS, City Council by this resolution desires to set forth certain provisions regarding membership, goals and responsibilities for the Parks and Public Landscaping Advisory Board, which serves as an advisory board to the City Council; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Effective on and after January 1, 2016, the Horticulture and Forestry Advisory Board shall be named the Parks and Public Landscaping Advisory Board (the "Board") and shall serve in an advisory capacity to City Council. The membership, appointments, terms and rules regarding the Board and its members shall be as follows:

- A. *Membership.* The Board shall consist of seven (7) members providing a balanced, community-wide representation. All members will be residents of Louisville.
- B. *Appointments and terms of office.* Members of the Board shall be appointed by the City Council and shall serve three-year staggered terms from the date of appointment. In order to stagger the initial terms of membership, the original membership shall serve as follows:

1. Three (3) members of the Horticulture and Forestry Advisory Board whose terms expire December 31, 2016 shall be automatically appointed to the Parks Advisory Board for the remainder of their terms.
2. Two (2) appointees shall serve terms that begin on January 1, 2016 and extend two years.
3. Two (2) appointees shall serve terms that begin on January 1, 2016 extend three years.

Members may be appointed to serve successive terms without limitation. Appointments to fill vacancies on the Board shall be made by the City Council. All members of the Board shall serve without compensation except for such amounts determined appropriate by the City Council to offset expenses incurred in the performance of their duties.

- C. *Removal from Board.* A member may be removed during their term of office for cause as defined in the Louisville Home Rule Charter and Resolution No. 16, Series 2009.

Section 2 The Board shall serve in an advisory capacity to City Council on matters of interest related to parks and public landscaping within the City of Louisville. The Board shall have such other advisory responsibilities or duties as assigned by City Council, such responsibilities include, but are not limited to:

- A. To assist the City Council and staff in determining the community's needs and desires for parks, programs, and facilities in relationship to parks related issues in the Parks, Recreation, Open Space, and Trails Master Plan;
- B. To advise the City Council and staff on park and public landscape maintenance, development, and redevelopment, and review referrals for proposed landscape plans for public areas;
- C. To advise the City Council and staff on the capital and operating budget as it relates to parks and public landscape maintenance;
- D. To advise the City Council and staff on best practices related to parks and landscaping;
- E. To promote healthy horticultural and forestry practices in public and private landscapes;
- F. To educate the public regarding horticultural and forestry practices appropriate to Louisville's climate and soils;
- G. To review and give comments on city landscape master plans, landscape ordinances and other appropriate landscape documents;

- H. To hear appeals of decisions of the city forester concerning licensing of arborists and removal of trees as provided in Chapter 8.12 of the Louisville Municipal Code;
- I. To maintain a list of small, medium, and large trees, bushes and shrubs to be planted as street trees or park trees and advise the City on the adoption of regulations for the care and planting of trees.

Section 3. The Board shall have the power to adopt policies and procedures for the conduct of its activities, which shall be consistent with the provisions of the City Charter, ordinances and other applicable law. The Board shall have the power to determine and appoint its own officers.

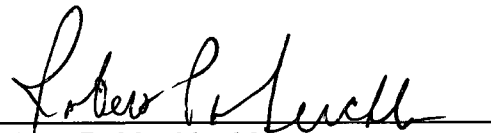

Section 4. All other resolutions or portions thereof inconsistent or conflicting with this resolution or any portions hereof are hereby repealed to the extent of such inconsistency or conflict.

PASSED AND ADOPTED this 15th day of September, 2015.

Nancy Varra, City Clerk

Robert P. Muckle, Mayor

**ORDINANCE NO. 1482
SERIES 2006**

**AN ORDINANCE AMENDING CHAPTER 14.20 OF THE LOUISVILLE
MUNICIPAL CODE REGARDING THE HORTICULTURE AND
FORESTRY ADVISORY BOARD.**

WHEREAS, Chapter 14.20 of the Louisville Municipal Code contains various provisions regarding the City of Louisville’s Horticulture and Forestry Advisory Board, formerly known as the City Tree Board; and

WHEREAS, the City desires to amend Chapter 14.20 of the Louisville Municipal Code to reflect the new name of the Horticulture and Forestry Advisory Board and to revise certain provisions of that Chapter concerning trees.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. Chapter 14.20 of the Louisville Municipal Code, entitled “City Tree Board,” is hereby repealed and reenacted to read as follows:

Chapter 14.20

HORTICULTURE AND FORESTRY ADVISORY BOARD

- | | |
|-----------------|---|
| Sec. 14.20.010. | Definitions. |
| Sec. 14.20.020. | Creation; establishment. |
| Sec. 14.20.030. | Term of office. |
| Sec. 14.20.040. | Compensation. |
| Sec. 14.20.050. | Alternate member. |
| Sec. 14.20.060. | Duties and responsibilities. |
| Sec. 14.20.070. | Operating procedures. |
| Sec. 14.20.080. | Species which may be planted as street or park trees. |
| Sec. 14.20.090. | Obstruction or interference. |
| Sec. 14.20.100. | Review by city council. |

Sec. 14.20.010. Definitions.

For purposes of this chapter words shall have the meaning set forth in Section 8.12.020 of this Code.

Sec. 14.20.020. Creation; establishment.

There is created and established a horticulture and forestry advisory board (HFAB), consisting of up to seven members. All HFAB members shall be residents of the city and shall be appointed by the city council and the mayor. Representatives from the department of land management will serve as staff members to the HFAB.

Sec. 14.20.030. Term of office.

An HFAB member's term of office shall be two years, except for not more than two, one-year appointments to be made in 2008. Terms shall expire on the last day of the calendar year of the final year of the member's tenure. Appointments shall be made such that at least three terms of office shall expire each year. In the event of any vacancy, the remaining term shall be filled by appointment of the mayor.

Sec. 14.20.040. Compensation.

All members of the HFAB shall serve without compensation.

Sec. 14.20.050. Alternate member.

In addition to the regular members of the HFAB, the mayor may appoint one alternate member for a term of two years. The alternate member shall serve without compensation. In the event that any regular member of the HFAB is temporarily unable to act owing to absence from the city, illness, interest in a matter before the HFAB, or any other cause, the absent member's place may be taken during such time by the alternate member who shall have all the powers of a regular member while serving in the place of a regular member.

Sec. 14.20.060. Duties and responsibilities.

The duties and responsibilities of the HFAB shall be listed in the HFAB's by-laws, which shall be subject to approval by resolution of the City Council. In addition, the HFAB shall hear appeals of decisions of the city forester concerning licensing of arborists and removal of trees as provided in Chapter 8.12 of this Code.

Sec. 14.20.070. Operating procedures.

The HFAB shall make and formulate its own by-laws, which shall be available at the premises where the proceedings of the HFAB are normally conducted, and shall keep minutes of all its proceedings. A majority of the members of the HFAB constitute a quorum for the transaction of business.

Sec. 14.20.080. Species which may be planted as street or park trees.

The HFAB, in cooperation with the city forester, shall maintain a list of small, medium and large trees, bushes and shrubs. No species other than those listed may be planted as street trees or park trees without the prior written approval of the HFAB and the city forester. The HFAB shall advise the city forester in the adoption of regulations for the care and planting of such trees.

Sec. 14.20.090. Obstruction or interference.

It is unlawful for any person to obstruct, delay, impede or interfere with the HFAB or any of its members, agents, or employees of the city while engaging in, or performing any duties or activities authorized pursuant to this chapter.

Sec. 14.20.100. Review by city council.

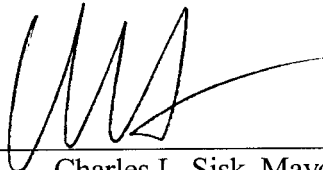

The city council shall have the right to review any and all acts, conducts, rulings, orders and decisions of the HFAB.

Section 2. If any portion of this ordinance is held to be invalid for any reason, such decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each part hereof irrespective of the fact that any one part be declared invalid.

Section 3. The repeal or modification of any portion of the Municipal Code of the City of Louisville by this ordinance shall not release, extinguish, alter, modify, or change in whole or in part any penalty, forfeiture, or liability, either civil or criminal, which shall have been incurred under such provision, and each provision shall be treated and held as still remaining in force for the purpose of sustaining any and all proper actions, suits, proceedings, and prosecutions for the enforcement of the penalty, forfeiture, or liability, as well as for the purpose of sustaining any judgment, decree, or order which can or may be rendered, entered, or made in such actions, suits, proceedings, or prosecutions.

Section 4. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion hereof are hereby repealed to the extent of such inconsistency or conflict.

**RESOLUTION NO. 15
SERIES 2004**

**A RESOLUTION AMENDING MEMBERSHIP OF THE LOUISVILLE
HORTICULTURE AND FORESTRY ADVISORY BOARD**

WHEREAS, the Louisville Horticulture and Forestry Advisory Board was created in 2000, replacing the previous “tree board”; and

WHEREAS, an overwhelming number of residents wish to participate on the Commission;
and

WHEREAS, the City Council has determined it is the best interest of the City to appoint additional members to the Commission.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1

The Louisville Horticulture and Forestry Advisory Board will hereby consist of no more than eight regular members and one “associate” member.

PASSED AND ADOPTED this 16th day of March, 2004.

ORDINANCE NO. 1209
SERIES 1996

AN ORDINANCE AMENDING CHAPTER 14.20 OF THE LOUISVILLE MUNICIPAL CODE TO PERMIT THE APPOINTMENT OF AN ASSOCIATE MEMBER TO THE TREE BOARD.

WHEREAS, the City Council finds that it would be beneficial to the City to create a position of associate member to the City Tree Board.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

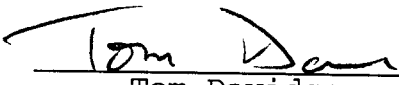

Section 1. Chapter 14.20 of the Louisville Municipal Code is hereby amended by adding the following new section 14.20.045:

14.20.045 Associate member.

In addition to the regular members of the city tree board, the mayor may appoint one associate member for a term of two years. The associate member shall serve without compensation. In the event that any regular member of the tree board is temporarily unable to act owing to absence from the city, illness, interest in a matter before the tree board, or any other cause, the absent member's place may be taken during such time by the associate member who shall have all the powers of a regular member while serving in the place of a regular member.

Section 2. All other ordinances or portions thereof inconsistent or conflicting with this ordinance or any portion hereof are hereby repealed to the extent of such inconsistency or conflict.

ORDINANCE NO. 707

AN ORDINANCE OF THE CITY OF LOUISVILLE, COLORADO, CREATING AND ESTABLISHING A CITY TREE BOARD; PROVIDING AND SPECIFYING THE DUTIES OF SAID BOARD; PROVIDING AND SPECIFYING THE SPECIES OF TREES TO BE PLANTED BY THE CITY; AND ESTABLISHING FOR TREATMENT AND/OR REMOVAL OF TREES AND SHRUBS WHICH MAY BE DEAD, DANGEROUS, DISEASED, OR INFECTED.

WHEREAS, the City Council has indicated the need for a City Tree Board to exercise some control over the planning and maintenance of trees and shrubs in the City limits; and,

WHEREAS, the City Tree Board shall be established to work with the City forester in establishing and enforcing various criteria relative to trees and shrubs within the City limits.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The following Chapter 14.20 is hereby added to Title 14 of the Louisville municipal Code:

Chapter 14.20

City Tree Board

14.20.010 Definitions

The following words and phrases whenever used in this Chapter, shall have the meaning as set forth herein:

a. "Curb trees" shall include all trees, shrubs, bushes and all other woody vegetation situated between a sidewalk and the street right-of-way on either side of all streets, avenues, alleys, or any other public thoroughfare within the City.

b. "City Forester" the director of Community Services shall serve as the City forester.

c. "Front yard trees" shall mean all trees which are **503** shed to the property owners pursuant to Section 16.20.020 (h).

forester, who shall serve as chairman of the Board. All board members shall be residents of the City and shall be appointed by the Mayor.

14.20.030 Term of Office

The five appointed members of the Tree Board shall serve a term of two years and two members shall serve a term of three years. Thereafter, the term of office shall be two years. In the event of any vacancy in the membership of said Board for any cause, the remaining term shall be filled by appointment of the Mayor.

14.20.040 Compensation

All members of said City Tree Board shall serve without compensation.

14.20.050 Duties and Responsibilities

It shall be the duty and responsibility of the Tree Board to study, investigate, develop, formulate, up-date annually and administer a written plan for the care, preservation, pruning, planting, re-planting, removal and disposition of all Street Trees and Park Trees within the City. The aforesaid plans shall be presented annually to the Governing Body of the City and, upon its acceptance and approval, shall constitute the official comprehensive City Tree Plan of, and for, the City of Louisville, Colorado. The Tree Board shall also, as requested from time to time, by the City Council, study, consider, and investigate, and make findings, reports and recommendations upon concerning any and all matters, items and things coming within, or covering, concerning relating to, the aforesaid duties and responsibilities.

14.20-060 Operating Procedures

The Tree Board shall make and formulate its own procedural rules and regulations, which shall be posted in a conspicuous location upon the premises where the proceedings of said Board are normally

14.20.070 Species which may be painted as
Curb or Park Trees

The City Tree Board shall maintain a list of small and large trees, bushes and shrubs. No species other than those listed may be planted as Curb or Park Trees without the approval of the Tree Board. The Tree Board shall also adopt and maintain regulations for the care and planting of said trees.

14.20.080 Placement of Trees

All trees planted as Curb or Park Trees shall be planted at locations as directed by the City Forester.

14.20.090 Distance of Curb Trees from
Fire Plugs and Intersections

No Curb Tree shall be planted within ten feet of any fire plug or within twenty feet of an intersection of any two or more curb or curb lines.

14.20.110 Distance of Trees from all Utility Lines

Curb Trees, other than those species designated as Small Trees pursuant to section 14.20.070 hereof, shall be planted under or within ten lateral feet of any overhead electrical, telephone or other utility wire or line, or over or within five lateral feet of any underground water, sewer, electrical, telephone or other utility wire, line or main.

14.20.120 Care of Curb Trees and Park Trees

The City shall have the right to care for, preserve, prune, plant, re-plant, maintain, remove, cause to be removed, order to be removed, and dispose of all:

(A) Park Trees at such times, for such reasons and in such manner as the City may, in its sole and absolute discretion, decide from time to time.

(B) Curb Trees at such time for such reasons and in such manner as the City may, in its sole

14.20.140 Pruning of Trees, Bushes and Shrubs

Every owner of any tree, bush or shrub within the City shall prune the branches thereof in the manner and to the extent necessary to prevent such branches from obstructing the light emitted from any street light or lamp, and to prevent such branches from obstructing the view of the intersection of any streets, avenues, alleys or other public thoroughfares, and to prevent such branches from overhanging any street, avenue, alley or other public thoroughfare within eight feet above the surface thereof; and the City shall have the right, power and authority to prune the branches of any and all trees, bushes and shrubs in the aforesaid manner if the owner thereof shall fail, refuse or neglect to accomplish and perform such pruning.

14.20.150 Removal of Injurious, Dangerous, Dead Diseased and Infected Trees, Bushes and Shrubs on Private Property.

The City shall have the right, power and authority to cause the removal and disposal of any and all trees, bushes and shrubs on private property or curb areas within the City which are injurious to sewer, gas, electricity, water, telephone or utility wires, lines or mains, or any other, or different public improvements; or are dangerous, unsafe or hazardous to persons or property as a consequence of being dead, diseased, broken or decayed, in whole or in part; or which are infected with or harbor any fungus, disease, insect or other pest or pestilence which constitutes a potential threat to other trees, bushes or shrubs within the City. The Tree Board shall cause to be served upon each and every owner of each and every such tree, bush, or shrub, either personally or by certified mail, a written notice that removal and disposal of such tree, bush or shrub is to be accomplished and performed at the cost and expense of said owner within 30 days after service of said notice. Upon the expiration of said 30 day period if removal and disposal of said tree, bush or

of removal or disposal as provided for in Section 14.20.150 within 30 days after billing by the City, a lien shall be assessed against the property for the costs and expenses incurred by the City. The City Clerk shall certify said assessment to the Treasurer of Boulder County, who shall extend the assessment upon the tax roll and collect the assessment in the same manner as other taxes upon said property.

14.20.170 Obstruction or Interference

It shall be unlawful for any person to obstruct, delay, impede or interfere with the Tree Board, or any of its members, agents, or employees of the City while engaging in, or performing any duties or activities authorized pursuant to this chapter.

14.20.180 Consent of City Forester

It shall be unlawful for any person, corporation, partnership, group, firm or entity to trim, prune, treat, care for, or sever any land, any Curb Tree or Park Tree or any part or portion thereof, in return for any sum or amount of money or any other thing of value without first applying for and obtaining the written consent of the City Forester. Before any such consent shall be given the City Forester shall require each and every such applicant to furnish certificates of insurance issued by an insurance company, or companies, licensed in the State of Colorado, showing that such applicant has (1) workmen's compensation coverage effective in the State of Colorado; and (2) liability insurance in the minimum amount of \$100,000.00 for bodily injury to any one person, \$300,000.00 for bodily injury for any one occurrence, and \$50,000.00 property damage, which will indemnify and hold harmless the City from any and all claims, demands, liabilities and causes of action of every kind concerning, relating to, arising from or out of or connected with any and all acts of omissions of such applicant.

14.20.200 Declaration of Nuisance and Abatement of Same

Any and all trees, bushes and shrubs planted or allowed to become or remain in conflict with this Chapter or any parts or portions hereof, are hereby declared to be a public nuisance; and the City, in addition to the rights, powers and authority hereinabove provided, shall be and hereby is authorized and empowered to institute and prosecute legal proceedings for the abatement of the same in the manner provided by law.

14.20.210 Violation - Penalty

Any person who violates any provisions of this chapter shall be guilty of a violation of this chapter and shall be subject to the provisions of Section 1.28.010.

Section 2. Chapter 8.12 of Title 8 of the Louisville Municipal Code is hereby repealed.

Recreation Advisory Board

RESOLUTION NO. 54 SERIES 2017

A RESOLUTION SETTING FORTH THE TERMS, RESPONSIBILITIES, DUTIES AND OTHER MATTERS CONCERNING THE RECREATION ADVISORY BOARD

WHEREAS, the City's recreation|senior center, golf course, and recreation facilities are a major asset to the City of Louisville; and

WHEREAS, the City Council desires to have the board advise on matters related to the recreation|senior center, the golf course, and recreation facilities and issues in general, and

WHEREAS, the City Council desires to incorporate the work of the Golf Course Advisory Board into a new Recreation Advisory Board; and

WHEREAS, the City Council by this resolution desires to set forth certain provisions regarding appointments, goals and responsibilities for the Recreation Advisory Board, which serves as an advisory board to the City staff and Council; and

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The membership, appointments, terms and rules regarding the Recreation Advisory Board (the "Board") and its members shall be as follows:

- A *Appointments and terms of office.* Members of the Board shall be appointed by the City Council and shall serve three-year staggered terms from the date of appointment. In order to stagger the initial terms of membership, the original membership shall serve as follows:
- 1 The two (2) current members of the Golf Course Advisory Board and one (1) additional appointee shall be appointed to the Recreation Advisory Board beginning on January 1, 2018 and extend three years,
 2. Three (3) appointees shall serve terms that begin on January 1, 2018 and extend one year;
 3. Three (3) appointees shall serve terms that begin on January 1, 2018 extend two years.

Members may be appointed to serve as many terms as City regulations allow Appointments to fill vacancies on the Board shall be made by the City Council All members of the Board shall serve without compensation except for such amounts determined appropriate by the City Council to offset expenses incurred in the performance of their duties

- B. *Vacancies.* Members may be appointed to serve as many terms as City regulations allow. Appointments to fill vacancies on the Board shall be made by the City Council
- C. *Compensation.* All members of the Board shall serve without compensation except for such amounts determined appropriate by the City Council to offset expenses incurred in the performance of their duties
- D. *Removal from Board* A member may be removed during their term of office for cause as defined in the Louisville Home Rule Charter and Resolution No. 16, Series 2009
- E. *Meetings* All Board meetings must follow the provisions of the Colorado Open Meetings Law. Minutes shall be kept of all Board proceedings and approved by the Board members
- F. *Authorization.* The Board is authorized to perform the tasks outlined in this Resolution and to adopt bylaws for the conduct of its business, which shall not be inconsistent with this Resolution

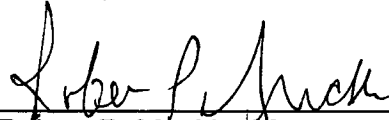

Section 2 The Board shall serve in an advisory capacity to City staff and Council on matters of interest related to recreation and golf within the City of Louisville. The Board shall have such other advisory responsibilities or duties as assigned by City Council, such responsibilities include, but are not limited to:

- A. To assist the City staff and Council in determining the community's needs and desires for recreation and golf facilities;
- B. To advise the City staff and Council on maintenance, development, and redevelopment of recreation and golf facilities;
- C. To advise the City staff and Council on the capital and operating budget as it relates to recreation and golf;
- D. To advise the City staff and Council on financial policies related to cost recovery for recreation program areas;
- E. To advise the City staff and Council on medium and long-range planning for recreation and golf facilities;
- F. To advise the City staff and Council on programming and facility usage for recreation and golf.

Section 3. The Board shall have the power to adopt policies and procedures for the conduct of its activities, which shall be consistent with the provisions of the City Charter, ordinances and other applicable law The Board shall have the power to determine and appoint its own officers.

Section 4. All other resolutions or portions thereof inconsistent or conflicting with this resolution or any portions hereof are hereby repealed to the extent of such inconsistency or conflict

PASSED AND ADOPTED this 3rd day of October, 2017.

Revitalization Commission

ORDINANCE NO. 1509 SERIES 2007

AN ORDINANCE INCREASING THE NUMBER OF MEMBERS OF THE BOARD OF COMMISSIONERS OF THE LOUISVILLE REVITALIZATION COMMISSION

WHEREAS, under C.R.S. §31-25-104(2)(a), the Board of Commissioners of the Louisville Revitalization Commission may consist of any odd number of commissioners which shall not be less than five nor more than eleven; and

WHEREAS, by Ordinance No. 1433, Series 2003, the City Council set at five the number of members of the Board of Commissioners of the Louisville Revitalization Commission (formerly known as the Louisville Urban Renewal Authority); and

WHEREAS, the City Council desires to increase from five to seven the number of members of the Board of Commissioners of the Louisville Revitalization Commission, in order to allow for additional participation on the Board;

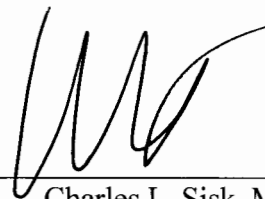

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The number of members of the Board of Commissioners of the Louisville Revitalization Commission is hereby set at seven members. Pursuant to C.R.S. §31-25-104(2)(b), the appointments hereafter made to the two new seats on the Board of Commissioners shall be made so that the initial term for one new seat is for two years and the initial term for one new seat is three years, and thereafter terms for such seats shall be five years.

Section 2. If any portion of this ordinance is held to be invalid for any reason, such decisions shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have passed this ordinance and each part hereof irrespective of the fact that nay one part be declared invalid.

Section 3. All other ordinances or portions thereof inconsistent or conflicting with this Ordinance or any portion hereof are hereby repealed to the extent of such inconsistency or conflict.

**AN ORDINANCE RATIFYING A CHANGE OF THE NAME OF THE LOUISVILLE
URBAN RENEWAL AUTHORITY**

WHEREAS, the Urban Renewal Authority of the City of Louisville is a separate legal entity that was established by the City in 1971 pursuant to C.R.S. §31-25-101 et seq.; and

WHEREAS, the Certificate of Incorporation of the Louisville Urban Renewal Authority was filed with the Colorado Secretary of State on April 14, 1972; and

WHEREAS, the Authority, by its Resolution No. 04-01, effective August 12, 2004, changed its name from the Louisville Urban Renewal Authority to the Louisville Revitalization Commission; and

WHEREAS, in order to avoid uncertainty as to the name of such urban renewal authority, and to the extent it may otherwise be necessary or appropriate to do so, the City Council by this ordinance desires to ratify such name change.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF
THE CITY OF LOUISVILLE, COLORADO:**

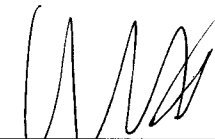

Section 1. The City Council hereby ratifies and affirms the change of the name of the urban renewal authority of the City of Louisville from the Louisville Urban Renewal Authority to the Louisville Revitalization Commission, as effected by the Authority's Resolution No. 04-01 adopted and effective August 12, 2004.

**ORDINANCE NO. 1433
SERIES 2003**

AN ORDINANCE CONCERNING MEMBERSHIP FOR THE BOARD OF COMMISSIONERS OF THE LOUISVILLE URBAN RENEWAL AUTHORITY

WHEREAS, the Urban Renewal Authority of the City of Louisville is a separate legal entity that was established by the City in 1971 pursuant to C.R.S. §31-25-101 et seq.; and

WHEREAS, the Certificate of Incorporation of the Louisville Urban Renewal Authority was filed with the Colorado Secretary of State on April 14, 1972; and

WHEREAS, at the time of its creation, the City Council established a nine-member Board of Commissioners of the Authority; and

WHEREAS, currently all seats on the Board of Commissioners of the Louisville Urban Renewal Authority are vacant; and

WHEREAS, under C.R.S. §31-25-104(2)(a), the Board of Commissioners of the Louisville Urban Renewal Authority may consist of any odd number of commissioners which shall not be less than five nor more than eleven; and

WHEREAS, City Council by this ordinance desires to set at five the number of commissioners on the Board of Commissioners of the Louisville Urban Renewal Authority; and

WHEREAS, because all seats on the Board of Commissioners of the Louisville Urban Renewal Authority are currently vacant, this ordinance shall not affect any current Board member's term of office.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The number of members of the Board of Commissioners of the Urban Renewal Authority of the City of Louisville is hereby set at five members. Pursuant to C.R.S. §31-25-104(2)(b), appointments hereafter made to the Board of Commissioners of the Urban Renewal Authority shall be made so that the term of at least one commissioner will expire each year.

Sustainability Advisory Board

RESOLUTION NO. 27 SERIES 2010

A RESOLUTION CHANGING THE NAME OF THE RESOURCE CONSERVATION ADVISORY BOARD AND SETTING FORTH THE PURPOSES, TERMS, RESPONSIBILITIES, POWERS, DUTIES AND OTHER MATTERS CONCERNING THE NEW SUSTAINABILITY ADVISORY BOARD

WHEREAS, the City Council understands the need for a sustainable approach to resources, the environment, and building practices; and

WHEREAS, the City Council created the Louisville Recycling Board in 1988 which then became the Louisville Resource Conservation Advisory Board in 1992; and

WHEREAS, the City Council desires to rename the Resource Conservation Advisory Board the Sustainability Advisory Board and have the Board advise on matters related to the sustainable practices in general; and

WHEREAS, City Council by this resolution desires to set forth certain provisions regarding membership, goals and responsibilities for the Sustainability Advisory Board, which serves as an advisory Board to the City Council;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF LOUISVILLE, COLORADO:

Section 1. The Louisville Resource Conservation Advisory Board shall now be named the Louisville Sustainability Advisory Board (the "Board"). The Board shall serve in an advisory capacity to City Council. The membership, appointments, terms and rules regarding the Board and its members shall be as follows:

- A. *Membership.* The Board shall consist of seven (7) members. All members will be residents of Louisville.
- B. *Appointments and terms of office.* Members of the Board shall be appointed by the City Council and shall serve four-year staggered terms from the date of appointment. Members may be appointed to serve successive terms without limitation. Appointments to fill vacancies on the Board shall be made by the City Council.
- C. All members of the Board shall serve without compensation except for such amounts determined appropriate by the City Council to offset expenses incurred in the performance of their duties.
- D. *Removal from Board.* A member may be removed during his/her term of office for cause as defined in the Louisville Home Rule Charter and Resolution No. 16, Series 2009.

Section 2 The Board shall serve in an advisory capacity to City Council on matters of interest related to sustainable practices within the City of Louisville, including without limitation matters related to resource conservation, recycling, practices for efficient use of resources, and activities to raise awareness of and advocate for efficient uses of resources within the City. The Board and shall have such other advisory responsibilities or duties as assigned by City Council.

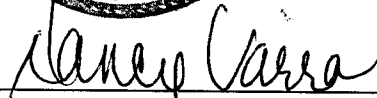

Section 3. The Board shall have the power to adopt policies and procedures for the conduct of its activities, which shall be consistent with the provisions of the City Charter, ordinances and other applicable law. The Board shall have the power to determine and appoint its own officers.

PASSED AND ADOPTED this 18th day of May, 2010.

Charles L. Sisk, Mayor

Nancy Varra, City Clerk

**Proposed
City of Louisville
Youth Advisory Board 02-03**

Purpose: The Youth Advisory Board will advise the Louisville City Council on issues affecting the youth within Louisville. The Board will consist of one student (grades 5th-12th) from each school in the Louisville area. The members will be appointed by their school and will represent his/her school.

Mission Statement: The Louisville Youth Advisory Board serves as a link between the City Council and the youth of Louisville to identify issues pertaining to youth, communicate the concerns of youth to the City Council, and suggest possible action to be taken. The Board takes direct action by working with the City Council to suggest action items for the Council agenda, proposing city programs, activities, ordinances, amendments, and lobbying for youth interests. The Board seeks a diverse group of applicants in order to best represent the youth of the community.

Requirements: Advisory Board Members must be Louisville residents who will be in the 5th-12th grade during the 2002-2003 school year. Board Members must follow their school's application process and will be appointed by their school administrators. Currently terms will be one school year, September through May.

Meetings: Youth Advisory Board term is one year. Monthly meetings, the first Thursday of each month at 7 pm in the City Council Chambers. One-day leadership training may be conducted during the school year. Other hours and days may be required as determined by the board and sub-committees.

02-03 Members:

Lauren Slack	5 th Grade	Coal Creek Elementary
Janelle Tennigkeit	5 th Grade	Fireside Elementary
Lizbee Pancoast	5 th Grade	Louisville Elementary
Sarah Jane Seifert	6 th Grade	Louisville Middle School
