

# 2023–24 Biennial Operating & Capital Budget

2024 SUPPLEMENTAL BUDGET REPORT

November 6, 2023

Mayor Maloney and City Council,

I am pleased to present the 2024 Operating & Capital Budget, the updated 2023-2028 Capital Improvements Plan, and the updated 2023-2028 Long-Term Financial Plan.

The Budget is presented in accordance with City Charter, Municipal Code and State Statutes.

The City Council approved a 2023-2024 Biennial Budget on November 15, 2022. However, per City Charter requirements, only the 2023 portion of the Biennial Budget was formally adopted and appropriated.

A comprehensive 2023-2024 Biennial Operating & Capital Budget document was published in January 2023. This current document is meant only to supplement the previously published document by presenting the updated budget amounts and updated Key Performance Indicators.

Included within this introductory transmittal letter are:

- Revenue estimates and assumptions for 2023 through 2028;
- Operating expenditure estimates and targets for 2023 through 2028;
- A summary of changes to the 2023-2028 Capital Improvements Plan;
- A schedule of budgeted transfers between funds for 2024;
- A City-wide budget summary for 2024; and
- Long-term fund forecasts generated by the Long-Term Financial Model.

Also included within the document are:

- 2024 Operating & Capital Budget presented by *Fund, Division and Account*; and
- 2024 Operating & Capital Budget presented by *Program and Sub-Program*.
- An updated Summary of the 2023-2028 Capital Improvements Plan;

## REVENUE PROJECTIONS

The following table summarizes the updated revenue estimates and assumptions for 2023 through 2028 that have been incorporated into the 2024 Operating & Capital Budget and 2023-2028 Long-Term Financial Plan.

All projections for construction-related revenue are based on forecasts by the Planning & Building Department. Construction-related revenue includes Use Tax on Building Materials, Construction Permits, Impact Fees, and Utility Tap Fees.

All projections for revenue generated at the Recreation Center and Golf Course are based on forecasts by the Parks & Recreation Department. Golf Course User Fees include a consolidation of green fees, annual season passes, golf cart rentals, driving range fees, pro shop merchandise sales, daily rentals, golf lesson fees, club repair fees, and handicap fees.

Projections for Solid Waste & Recycling Fees and Utility User Fees are based on forecasts by the Public Works Department.

All remaining projections are based on the Finance Department's forecasts using trend analysis.

## Sales Tax Revenue

Sales tax is a significant revenue source for the City and the projections/assumptions affect the City's main operating and capital funds:

- General Fund
- Open Space & Parks Fund
- Historic Preservation Fund
- Recreation Fund
- Capital Project Fund

The following table summarizes sales tax revenue history and projections from 2008 through 2028.

## Assessed Valuation, Projected Mil Levy, & Property Tax Revenue

On August 21st the City received its *Preliminary* 2023 assessed valuation amounts from the Boulder County Assessor. While Preliminary values have been received, only the Final assessed valuations, multiplied by the mill levies, determine the amount of property tax revenue that will be received by the City in 2024.

The Assessor reported that the City of Louisville's gross assessed *preliminary* valuation increased by 43.9%, from \$748,288,418 in 2023 to \$927,308,077 in 2024. The City of Louisville's total net assessed *preliminary* valuation, which is the City's gross valuation less the Urban Revitalization District's incremental assessed valuation, also increased by approximately 23.67%, from \$726,080,315 in 2022 to \$897,973,657 in 2023.

Please note that 2023 is a “re-assessment” year, so changes in valuation are due to both new construction and changes to actual values. New construction accounted for \$2,399,637 of the total, or less than 1%, of the change.

The City currently levies a total of 7.934 mills with two separate levies:

1. A 5.184 mill General Levy; and
2. A 2.750 mill Recreation Center Debt Service Levy.

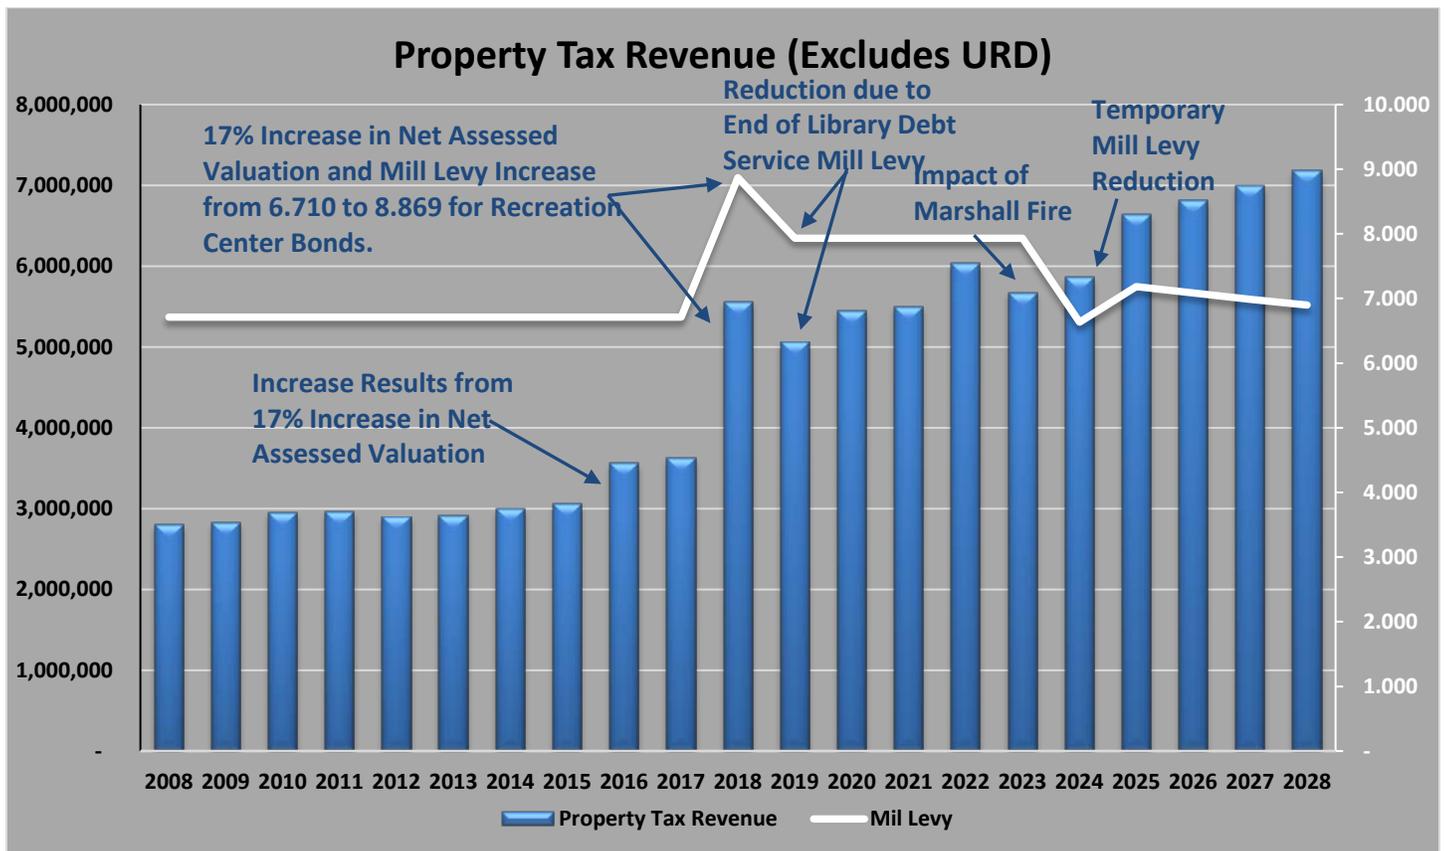

However, in 2024 the City Manager is proposing a **temporary** mill levy credit totaling 1.30 mills, or a 16.39% decrease, to help offset the impact of increases to assessed values of property within City jurisdiction.

**Estimated** for Calendar Year 2024 are a total of 6.634 mill levies, a 16.39% reduction, net of temporary mill levy credits, the two separate levies are as follows:

1. A 5.184 mill General Levy; and
2. A 1.450 mill Recreation Center Debt Service Levy.

Ultimately, the exact City Mill Levies will be determined once the Boulder County Assessor Releases Final Certification of Values, due to pending legislative changes, this could occur as late as December 29<sup>th</sup>, 2023.

Reducing the Recreation Center Debt Service Levy from 2.75 to **approximately** 1.450 would require the use of fund balance. In 2025 and beyond Staff will recommend a mill levy appropriate for future debt service payments.

## OPERATING EXPENDITURE PROJECTIONS

The next table summarizes the operational expenditure estimates and targets by major expenditure category for 2023 through 2028. These estimates and targets are incorporated into the 2024 Operating & Capital Budget and 2023-2028 Long-Term Financial Plan.

Summary of Expenditure Actuals, Estimates, and Targets for Major Expenditure Categories

### Wage & Benefit Projections

The 2024 wage and benefit projections were developed by staff using the Tyler-Munis Salary projection tool. These projections are reflected in the 2024 Operating & Capital Budget and are the basis for projecting wages and benefits in the Long-Term Financial Plan for 2023 through 2028.

The 2024 wage and benefit projections include merit increases not to exceed 4% and a market adjustment of 2% for all employees. Together, these inclusions account for an approximate \$1.1 million increase in the City's employee compensation budget for 2024. These investments help support the City by maintaining an experienced and stable workforce, including the retention and attraction of employees, which is necessary to fulfill the level of service desired by Council and the community. In addition, these investments help reduce the costs and operational impacts of employee turnover.

The 2024 Operating & Capital Budget includes approximately seven new positions to address City Council priorities and changes to other positions to meet new or changing programmatic needs. Of these positions, two are converting variable/part time positions to full time positions. A description of each of these positions, how they are funded and allocated, is included below:

**City Manager’s Office – Resiliency and Recovery Manager** – this grant funded position was approved and filled in 2023 to guide recovery and disaster mitigation/preparedness efforts within the organization and the community. This position will lead the City’s Long-Term Recovery Steering Committee, develop emergency planning documents, conduct staff training and exercises, coordinate with regional partners, work with residents to understand community needs related to recovery, identify resources and related matters. The Colorado Department of Local Affairs (DOLA) awarded a \$90,000 grant to the City for this position over two years.

**City Manager’s Office – Mitigation Coordinator** This grant funded position was approved and filled in 2023 to oversee all of our mitigation initiatives. The Colorado State Forest Service awarded a \$290,000 grant to the City to fund fuels reduction on City land and to fund this position. On-the-ground treatment includes cattle and goat grazing on open space over the next 3 years. The new position will implement the Wildfire Risk Assessment (WRA), manage contracts, seeking additional funding for mitigation, conduct education and outreach, coordinate with the grasslands working group, evaluate effectiveness of fuels reduction, etc.

**Sustainability Coordinator** – This position, approved and filled in 2023, is funded via Bag Tax to design and implement Bag Tax funded waste diversion strategies and programming.

**IT – Public Works Utility** – The Utilities Controls Application Support Specialist would ensure the proper functioning, efficiency, and compliance of water and wastewater control systems and applications, ultimately contributing to addressing and supporting application needs and vendor relationships for critical IT infrastructure.

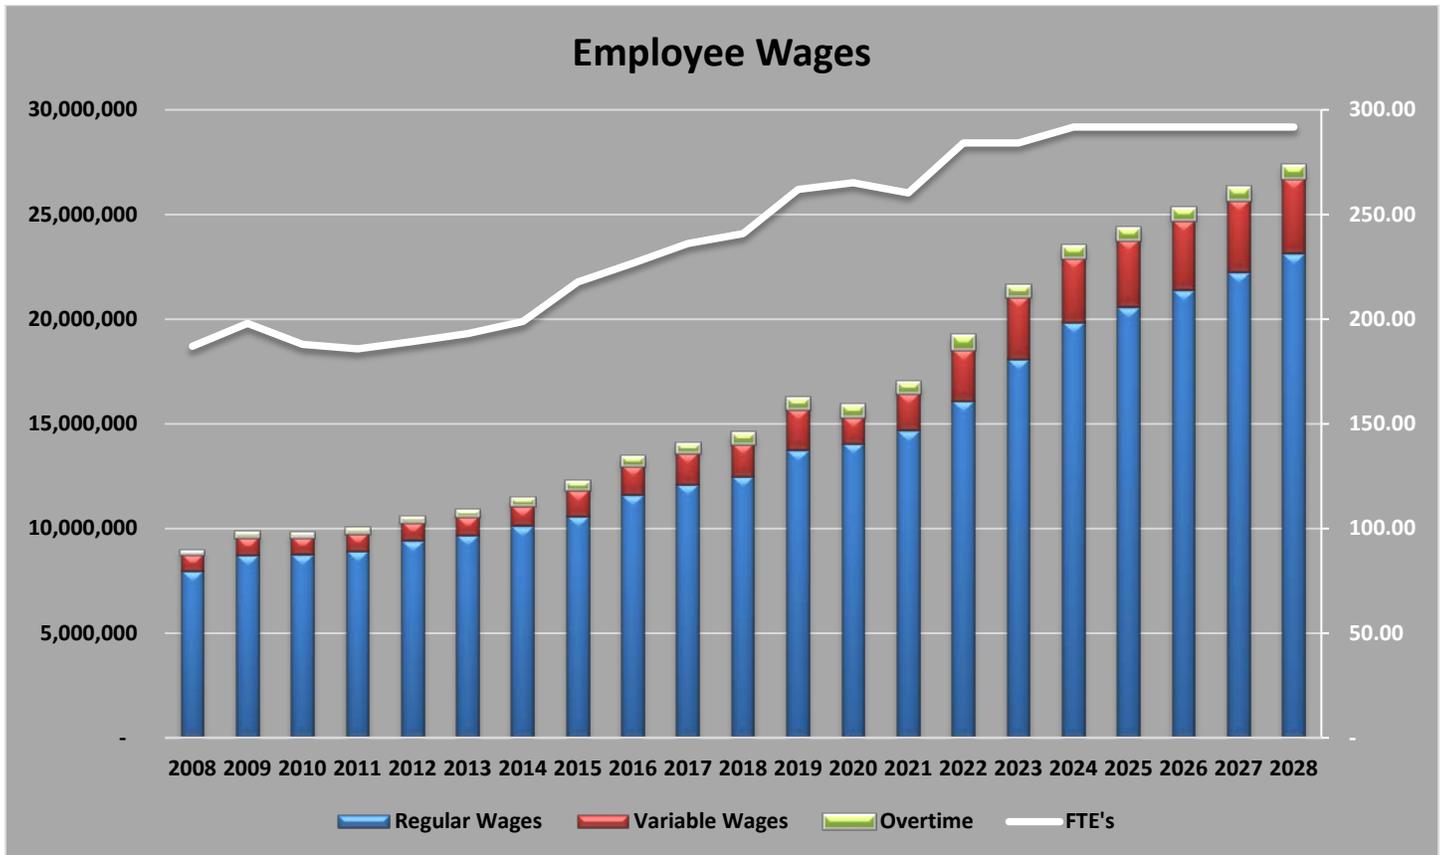

**Finance Department – Financial Analyst** – This position would be responsible for compiling and analyzing financial data information in support of multiple City departments and programs. Perform a lead role in the annual budget process development and completion of the comprehensive City budget document. The position will leverage best practices, financial techniques and analysis, information systems and tools, and critically think to validate financial information, prepare accurate forecasts, create and manage reports and dashboards, and provide informed and insightful recommendations to organization management.

**City Manager’s Office / Clerk – Communication** – This formerly variable position was increase in response to Colorado House Bill 23-1132, Remote Access to Criminal Court Proceedings, the law was signed during the 2023 legislative session and requires all courts in Colorado to provide remote access for the public to observe any criminal court proceeding conducted in open court. This applies to the Louisville Municipal Court. The effective date for the new requirement is September 1, 2023.

**Parks – Communication/Marketing** – This position would respond to an increased demand of Parks, Recreation Open Space, Trails communications, manage social media accounts and posts, and presence at local events.

Employee wages and benefits are the City’s largest operational cost category. The following

chart summarizes a history and projection of full-time equivalents (FTEs) and total wage costs.

### Office Space Needs

The steady growth of City programs and services, and staff necessary to support those services, has resulted in a shortage of adequate staff workspace. At this time, most City facilities are at capacity, and in some facilities (including City Hall and the Library) numerous remodels have occurred in the past few years to incrementally expand available offices. In 2017, staff brought forward a proposal to complete a redesign of City Hall, incorporating more office space, which was not advanced. Subsequently, the City had planned to complete a space needs assessment/study, which was delayed for various reasons. Staff is still exploring the best solutions to address these needs, including the possibility of office space reconfiguration, teleworking and office sharing, relocating staff to other facilities, and temporary office space rentals and will return to Council in the near future on potential options. The 2024 Operating & Capital Budget includes \$100,000 for office space rental, which is carried forward through 2028 in the fund financial forecasts.

### CAPITAL IMPROVEMENTS PLAN UPDATE

Section 5.5 of the City's Financial Policies states:

*A Six-Year Capital Improvement Plan will be presented to the City Council for consideration during the biennial budget development process. The annual capital budget will be based on the first year of the approved CIP.*

Since the original 2023-2024 Biennial Budget was adopted in November 2022, staff has continuously updated the 2023-2028 Capital Improvements Plan (CIP) based on the latest department input on project timelines, new cost estimates, new projects, and cancelled projects.

Included within this document is a new CIP Summary Table that includes adjustments and represents the new 2023-2028 CIP.

**INTERFUND TRANSFERS**

The following table summarizes the transfers between funds that are included in the 2024 Operating & Capital Budget.

City of Louisville, Colorado Inter-Fund Transfers Matrix 2024 Recommended Budget						
Transfers Out	Transfers In					Total
	General Fund	Open Space & Parks Fund	Cemetery Fund	Recreation Fund	Capital Projects Fund	
General Fund	\$ -	\$ 1,017,900	\$ 122,220	\$ 1,268,650	\$ -	\$ 2,408,770

	[1] Projected Expenditures Include a Projected Operational "Turnback" of					5.5%	, which =	1,417,710
	[2] Projected Expenditures Include a Projected Operational "Turnback" of					6.0%	, which =	288,820
	[3] Projected Expenditures Include a Projected Operational "Turnback" of					5.0%	, which =	267,000
	[4] Projected Expenditures Include a Projected Operational "Turnback" of					7.0%	, which =	346,150
	[5] Projected Expenditures Include a Projected Operational "Turnback" of					7.0%	, which =	213,560
	[6] Projected Expenditures Include a Projected Operational "Turnback" of					7.0%	, which =	34,970
	[7] Projected Expenditures Include a Projected Operational "Turnback" of					4.0%	, which =	98,680

Note that seven funds include a "turnback" and, therefore, those fund's Expenditures & Other Uses are less than the fund's total appropriations. As a reminder, "turnback" refers to a positive actual-to-budget variance at year end. Applying a turnback percentage accounts for the recognition that, due to budgetary limitations and controls, the main operating funds typically spend less than their total budget.

## LONG-TERM FINANCIAL PLAN SUMMARY

Section 5.6 of the City's Financial Policies states:

*Six-year financial forecasts for each of the City's major operating funds will be presented to the City Council for consideration during budget development.*

Staff have updated forecasts of revenue, expenditures, and reserves for all funds. However, staff has performed a more detailed review and has made more detailed forecasts for the major operating and capital funds, defined as the:

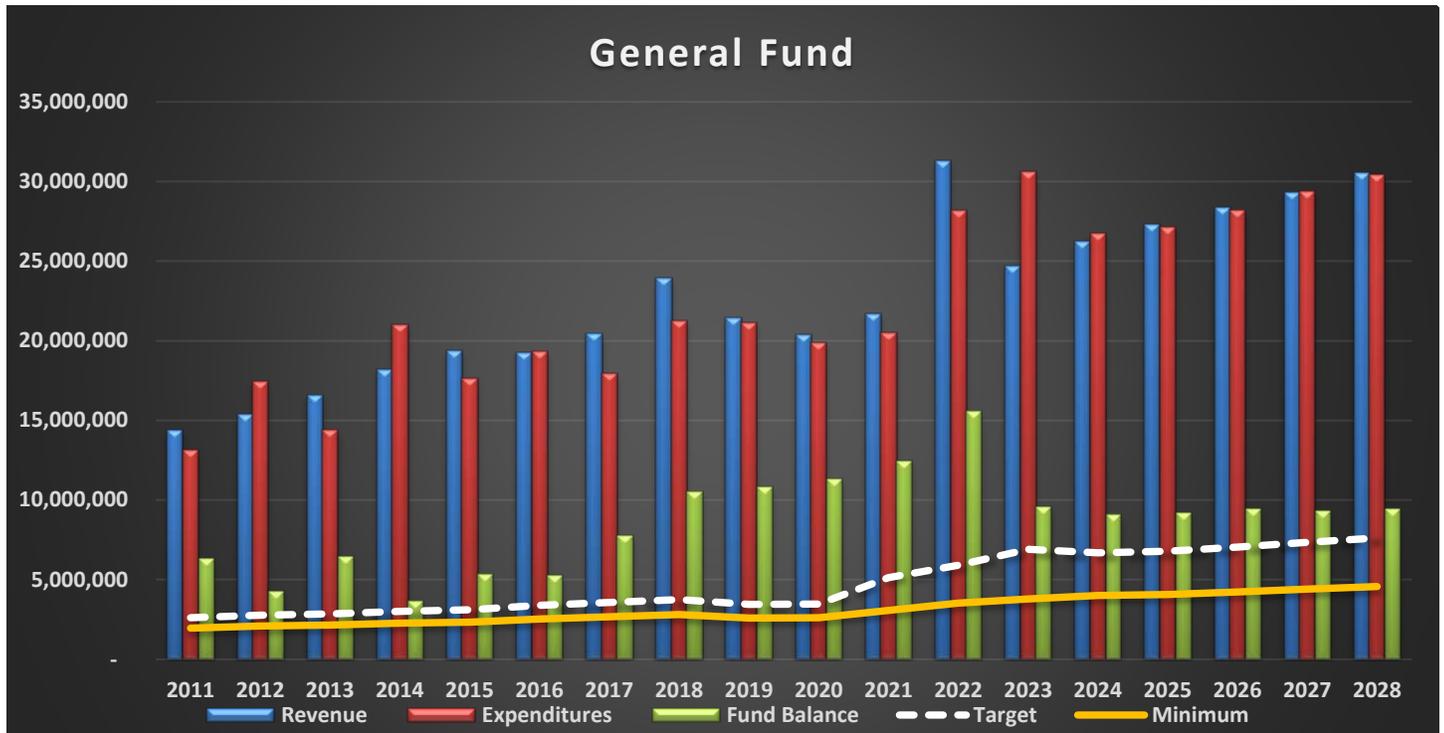

- General Fund;
- Recreation Fund;
- Capital Projects Fund;
- Utility Funds; and
- Golf Course Fund.

The forecasting model uses the 2024 budget as the base year and then applies the revenue assumptions, operating expenditure targets, proposed interfund transfers, and the updated Capital Improvements Plan to project revenue, expenditures, and fund balances (or working capital for proprietary funds) for years 2023 through 2028.

**Note:** For the Open Space and Parks Fund, a "Status Quo" budget with Parks and OS in the same fund is currently being recommended as a starting point for 2024, this is to ensure seamless operations. Because of the various scenarios of the pending Ballot Measure 2C - running a long-term financial model on the "Status Quo" scenario doesn't yield consumable results. Therefore, no Fund Financial Forecast is being presented for this fund. However, upon the results of the ballot measure and in early 2024, Council will be asked to modify/amend the status quo budget to align with measures outcome

## General Fund Long-Term Forecast

Incorporating the revenue assumptions, the operating expenditure targets, and the proposed interfund transfers outlined in the preceding discussion, the following chart summarizes a history and projection of revenue, expenditures, and fund balances for the General Fund.

The City's current Reserve Policy for the General Fund states,

*The minimum unrestricted fund balance of the General Fund shall be maintained at or above 15% of current operating expenditures. For purpose of this policy, operating expenditures are defined as all expenditures less any one-time, non-recurring transfers to other funds. Annual, recurring support transfers to other funds will be included in the definition of current operating expenditures.*

*While the minimum unrestricted fund balance is set at 15% of current operating expenditures, the targeted unrestricted fund balance will be at or above 25% of current operating expenditures.*

The General Fund fund balance is projected to end 2028 with approximately \$9.4 million, while remaining in compliance with both reserve policies, minimum and target.

## Open Space & Parks Fund Long-Term Forecast

Note: For the Open Space and Parks Fund, a “Status Quo” budget with Parks and OS in the same fund is currently being recommended as a starting point for 2024, to ensure seamless operations. Because of the various scenarios of the pending Ballot Measure 2C - running a long-term financial model on the “Status Quo” scenario doesn’t yield consumable results. Therefore, no Fund Financial Forecast is being presented for this fund. However, upon the results of the ballot measure and in early 2024, Council will be asked to modify/amend the status quo budget to align with measures outcome

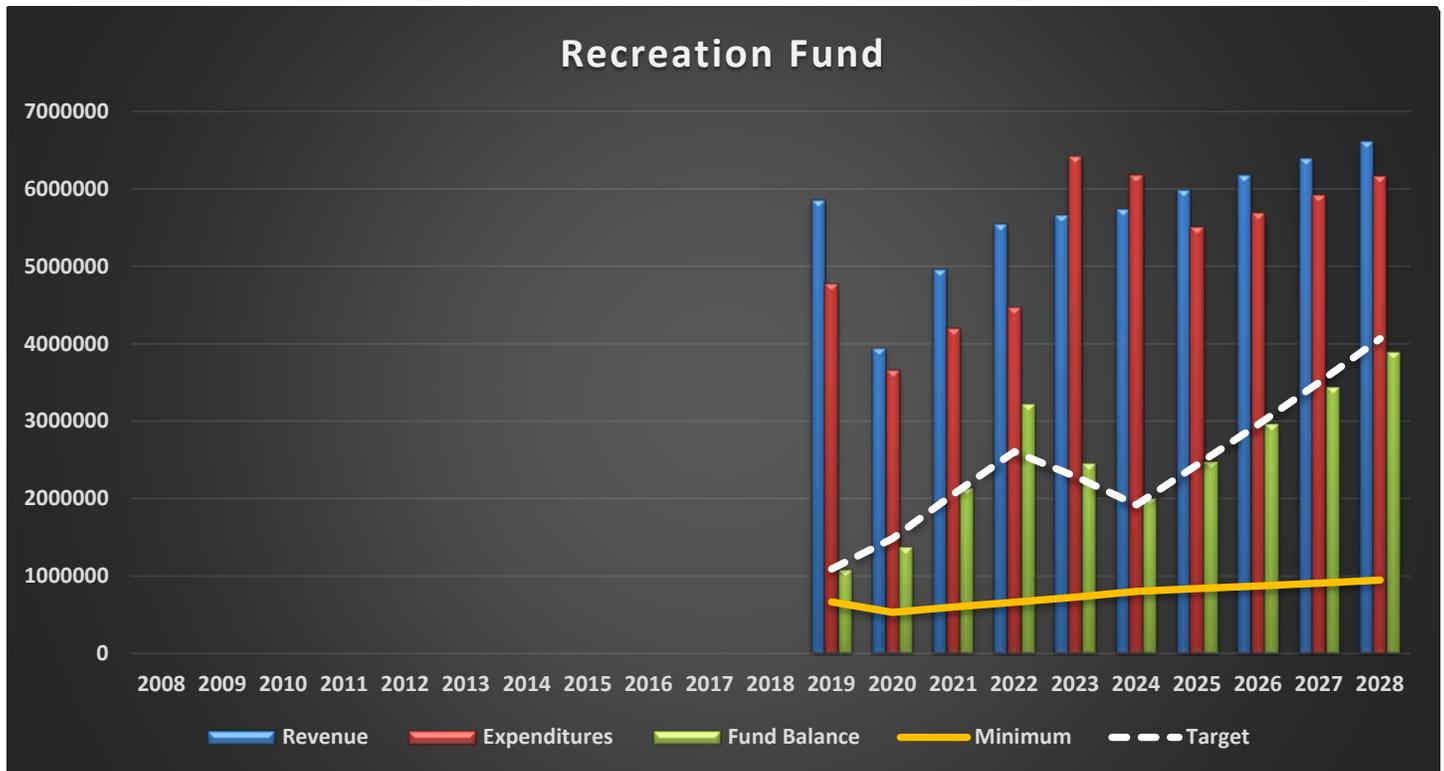

The City’s Reserve Policy for the Open Space & Parks Fund states,

*The minimum fund balance of the Open Space and Parks Fund shall be maintained at or above 15% of current operating expenditures. For purpose of this policy, operating expenditures include only open space and parks operations and exclude all interfund transfers and capital outlay.*

*The Open Space & Parks Fund requires a recurring annual transfer from the General Fund to fund its operating deficit. This annual transfer will be calculated by taking the amount of funding provided by the General Fund for Parks in 2007 (\$626,900) and inflating that amount on an annual basis by the regional Consumer Price Index for All Urban Consumers. The 2007 funding level for Parks is the starting point for the calculation, since that was the last year that Parks was funded within the General Fund.*

## Recreation Fund Long-Term Forecast

Incorporating the revenue assumptions, the operating expenditure targets, the proposed interfund transfers, and the updated CIP projections outlined in the preceding discussion, the following chart summarizes a history and projection of revenue, expenditures, and fund balances for the Recreation Fund.

The City's Reserve Policy for the Recreation Fund states,

*The minimum fund balance of the Recreation Fund shall be maintained at or above 15% of current operating expenditures. For purpose of this policy, operating expenditures are defined as all expenditures, excluding interfund transfers and capital outlay.*

*In addition to maintaining an operating reserve, the Recreation Fund will also maintain a capital asset renewal and replacement reserve. The purpose of this reserve is to accumulate funds for the timely renewal and replacement of Recreation Center and Memory Square Pool assets. The methodology for calculating this reserve will be approved by the Finance Committee.*

*The City Council recognizes that the dedicated sales tax and user fee revenues may not be sufficient and the Recreation Fund may also need to rely on annual General Fund transfers. The annual General Fund transfer will be calculated by taking the General Fund subsidy for the Recreation Center/Memory Square Pool in 2017 (\$986,300) and inflating that amount on an annual basis by the regional Consumer Price Index for All Urban Consumers. The 2017 General Fund subsidy level is the starting point for the calculation, since that is the last year that the Recreation Center and Memory Square Pool were funded within the General Fund.*

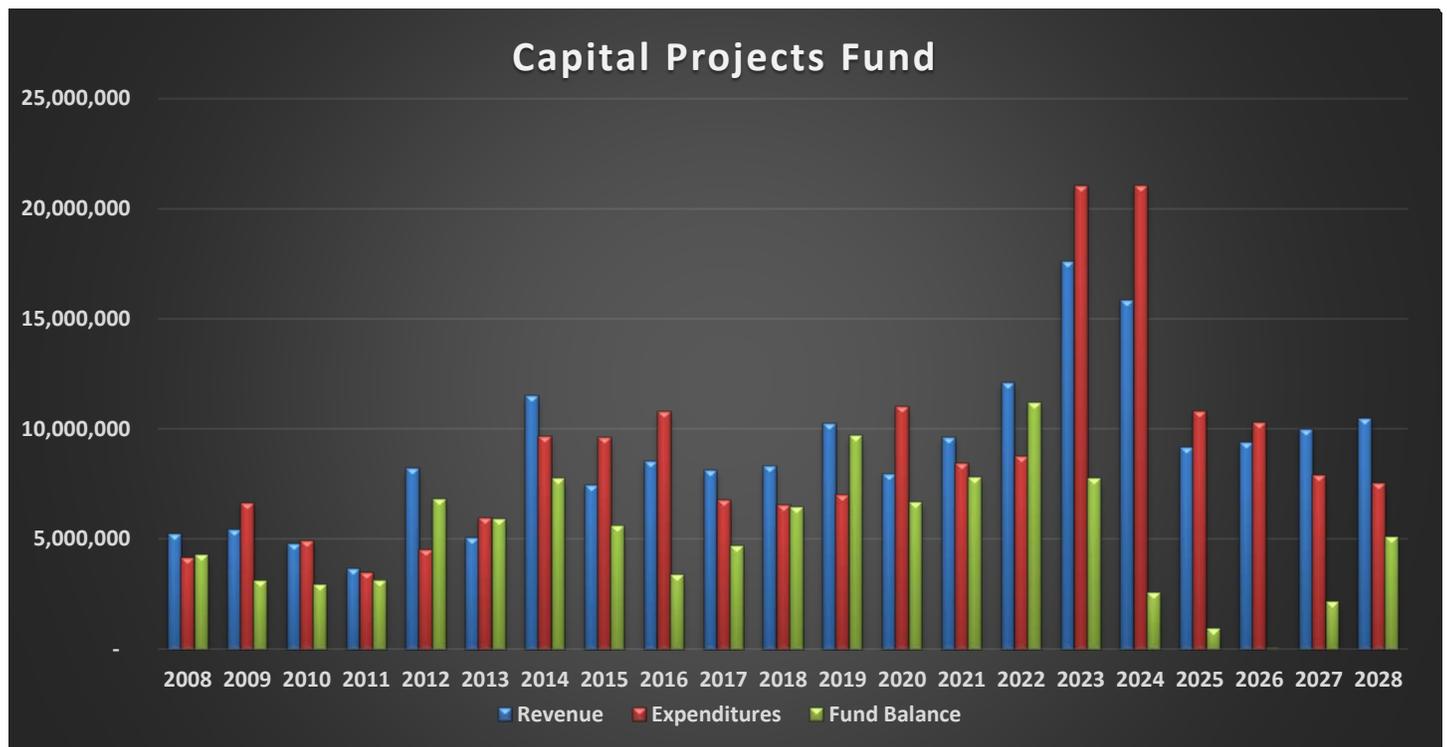

*In addition to the annual General Fund transfer towards the annual operating costs, minimum*

*fund balance requirements, and capital asset renewal and replacement reserves, this policy also authorizes an annual transfer from the Capital Projects Fund to the Recreation Fund in the amount of \$125,000 for 2019 and each year thereafter inflated on an annual basis by the regional Consumer Price Index for All Urban Consumers. This transfer is restricted for capital outlay.*

The projected Recreation Fund balance at the end of 2024 is \$2.0 million, which exceeds the capital asset renewal and replacement target of \$1.9 million. The projected Recreation Fund balance at the end of 2028 is \$3.9 million. This is well above the minimum fund balance but is approximately 97% of the capital asset renewal and replacement target.

### Capital Projects Fund Long-Term Forecast

Incorporating the revenue assumptions, the operating expenditure targets, the proposed interfund transfers, and the updated CIP projections outlined in the preceding discussion, the following chart summarizes a history and projection of revenue, expenditures, and fund balances for the Capital Projects Fund.

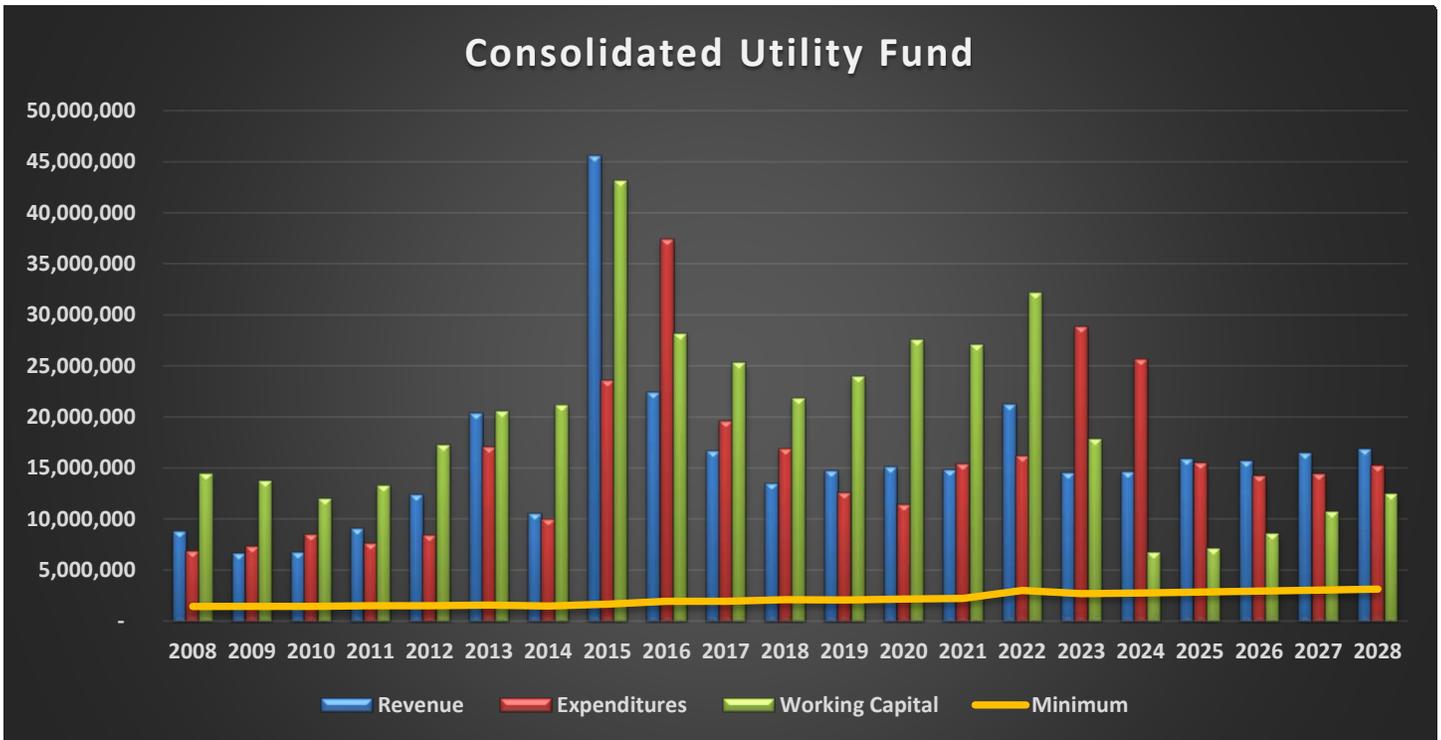

Large fluctuations in revenue, expenditures and fund balances within capital project funds are typical. The City does not have a formal reserve policy for its Capital Projects Fund. However, the City has historically attempted to maintain enough reserves to mitigate current and future risks (revenue shortfalls, unanticipated expenditures, etc.).

The projected fund balance at the end of 2028 is approximately \$5.1 million, which staff believes is an adequate balance.

## Consolidated Utility Fund Long-Term Forecast

The Consolidated Utility Fund consists of the Water Utility Fund, the Wastewater Utility Fund, and the Storm Water Utility Fund.

Incorporating the revenue assumptions, the operating expenditure targets, and the updated CIP projections outlined in the preceding discussion, the following chart summarizes a history and projection of revenue, expenditures, and reserves (defined as working capital) for the Consolidated Utility Fund.

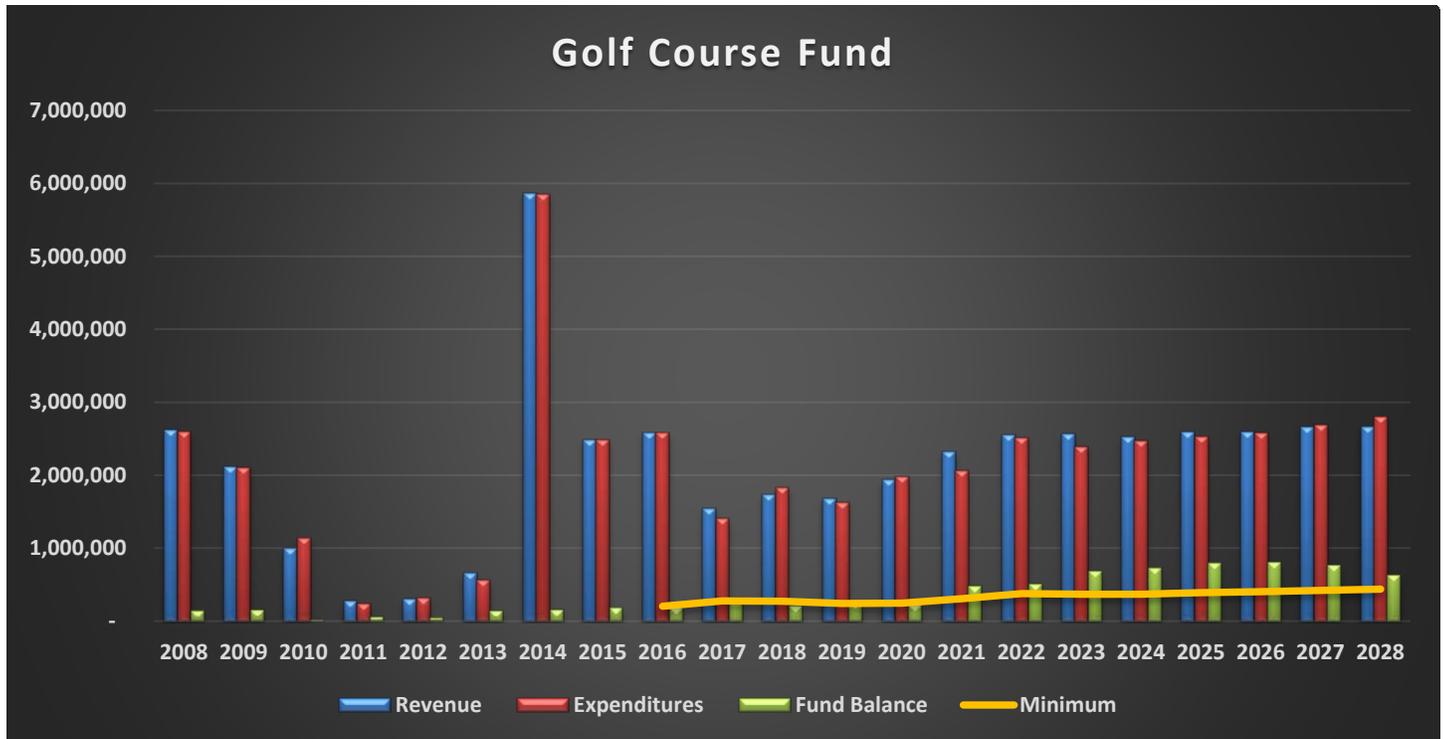

The City's Reserve Policy for the Utility Funds states,

*The minimum working capital for the Water, Wastewater, and Storm Water Utility Funds shall be maintained at or above 25% of current operating expenses, as measured on the City's budgetary basis. For purpose of this policy, operating expenses are defined as all budgetary-basis expenses, excluding interfund transfers and capital outlay.*

The Consolidated Utility Fund reserves are expected to remain well above the 25% minimum level as defined in the Reserve Policy. All the individual utility funds are also expected to remain in full compliance with the reserve policy.

## Golf Course Fund Long-Term Forecast

Incorporating the revenue assumptions, the operating expenditure targets, and the updated CIP projections outlined in the preceding discussion, the following chart summarizes a history and projection of revenue, expenditures, and reserves (defined as working capital) for the Golf Course Fund.

The City's Reserve Policy for the Golf Course Fund states,

*The minimum working capital balance of the Golf Course Fund shall be maintained at or above 15% of current operating expenditures. For purpose of this policy, operating expenditures are defined as all expenditures, excluding interfund transfers and capital outlay.*

*To assist the Golf Course Fund in meeting this reserve minimum, beginning with the 2021 fiscal year, all Golf Course capital outlay will be funded through the Capital Projects Fund.*

The projected Golf Course Fund balance at the end of 2028 is \$631,000. In order to maintain in compliance with the Reserve policy, some future capital projects may need to be funded by Capital Projects Fund.

## BUDGET DOCUMENT FORMAT

As previously mentioned, 2024 is the second year of the City's biennial budget process. This current document is meant only to supplement the previously published document by presenting the updated budget amounts and the updated Key Performance Indicators for 2024. Therefore, this document is much less comprehensive than the 2023-2024 Biennial Operating & Capital Budget document that was published in January 2023.

Following this budget message are the following Attachments:

- 2024 Operating & Capital Budget presented by *Fund, Division and Account*
- 2024 Operating & Capital Budget presented by *Program and Sub-Program*
- An updated Summary of the 2023-2028 Capital Improvements Plan

Respectfully submitted,

A handwritten signature in blue ink, consisting of a large, stylized 'J' and 'D' followed by a horizontal line and a small flourish.

Jeff Durbin  
City Manager

## Community Indicators

### Purpose

*The purpose of the Community Indicators is to evaluate the City's progress towards achieving the goals in the Strategic Plan and our Critical Success Factors. Critical Success Factors are items that the City must achieve for the organization's vision of being 'dedicated to providing a vibrant, healthy community with the best small town atmosphere'.*

*These measures focus on community outcomes and align with each Critical Success Factor. Some of these measures may not be in the City's direct control but will show progress and changes experienced by those who live, work and visit Louisville.*

Notes:

<sup>1</sup>Last employee satisfaction survey was conducted in 2020. Next survey will be conducted in 2023.

<sup>2</sup>Residential waste diversion rate includes all residential waste (single-family city contract, single-family non-city contract, multi-family) reported through Boulder County's ReTRAC database, including solid waste, recycling, compost and reuse. 2022 actual includes Marshall Fire debris. Without Marshall Fire debris removal, residential waste diversion rate is 22%.

<sup>3</sup>Commercial waste diversion rate includes all solid waste, recycling, compost and reuse materials reported through Boulder County's ReTRAC database. 2022 actual includes Marshall Fire debris. The significant decrease in diversion is likely due to A1 Organics policy change.

<sup>4</sup>Based on 2022 Xcel Community Energy Report, which is pending. Measure in MTCO<sub>2e</sub> includes both residential and commercial/industrial electricity and natural gas usage. Significant decrease likely due to homes lost in the Marshall Fire.

<sup>5</sup>New metric related to Equity, Diversity & Inclusion. Staff will start compiling data in 2023 for reporting starting in 2024.

## Transportation Key Indicators

### Goals

*A safe, well-maintained, effective and efficient multi-modal transportation system at a reasonable cost.*

INDICATOR		UNIT	2021 ACTUAL	2022 ACTUAL	2023 ESTIMATED	2024 PROJECTED
<b>Efficiency</b>						
Average Cost per Snow Event		\$	11,169.38	11,657.77	12,500.00	13,000.00

## Sub-Program 311: Planning & Engineering

**Sub-Program Objectives:** Design infrastructure to adopted standards that meets the transportation needs of the City. Collaborate with partner agencies (RTD, CDOT) to ensure residents have adequate multimodal transportation options. Proactively redesign the street network as regulations and technology change our transportation needs over time.

### Sub-Program Expenditures

Expenditure Category	2021 Actual	2022 Actual	2023 Estimate	Amount of Change	Percent of Change	2024 Budget	Amount of Change	Percent of Change
Personnel	297,322	421,852	477,276	55,424	13%	512,954	35,678	7%
Supplies	6,247	7,615	7,330	(285)	-4%	8,250	920	13%
Services	33,490	17,031	27,350	10,319	61%	17,240	(10,110)	-37%

Note:

## Sub-Program 312: Transportation Infrastructure Maintenance

**Sub-Program Objectives:** Conserve natural resources by maintaining streets cost-effectively before they reach a point of rapid failure. To ensure a high quality of life and to provide services equitably, no street will be in poor condition. Streets and intersections are monitored, maintained, and adequately lit to move people, bikes and cars safely and efficiently. All arterial and collector streets have marked bicycle lanes. All streets have well maintained sidewalks.

## Utilities Key Indicators

### Goals

*Ensure safe, reliable, great tasting water; properly treated wastewater; effective stormwater control; successfully managed solid waste; and competitive prices for all services.*

INDICATOR		UNIT	2021 ACTUAL	2022 ACTUAL	2023 ESTIMATED	2024 PROJECTED
<b>Workload</b>						
Annual Potable Water Produced		Gallons	1,249,049,000	1,033,258,000	1,200,000,000	1,200,000,000
<b>Efficiency</b>						
Cost per Ton Sent to Landfill		\$	402	398	418	439
Treatment Cost per 1,000 Gallons of Wastewater		\$	1.33	1.54	1.60	1.60
Energy Cost per Million Gallons per Day Billed		\$	102.76	105.25	124	128
<b>Effectiveness</b>						
Community Survey Question: Rating of Solid Waste/Trash Services <sup>1</sup>	Target = 100	% Excellent or Good	45	45	45	45
Community Survey Question: Rating of Fees for Water/Sewer/Trash <sup>1</sup>	Target = 100	% Excellent or Good	70	70	70	70
Community Survey Question: Rating of Storm Drainage (Flooding Management) <sup>1</sup>	Target = 100	% Excellent or Good	88	88	88	88
Community Survey Question: Rating of Wastewater (Sewage System) <sup>1</sup>	Target = 100	% Excellent or Good	91	91	91	91
Community Survey Question: Rating of Quality of Louisville Water <sup>1</sup>	Target = 100	% Excellent or Good	88	88	88	88
Notes:						
<sup>1</sup> Last Citizen Survey was conducted in 2020. Next survey will be conducted in 2024.						

## Program 32: Utilities

**Program Goal: Ensure safe, reliable, great tasting water; properly treated wastewater; effective stormwater control; successfully managed solid waste; and competitive prices for all services.**

*Notes:*  
 [1] The revenue and expenditures extracted from the Wastewater Utility Fund, an Enterprise Fund, are presented on the City's budgetary basis. Debt service on outstanding Wastewater Utility Fund debt and losses on written-off assets within the Wastewater Utility Fund are not included.

## Sub-Program 323: Storm Water

**Sub-Program Objectives: Maintain our storm water system to protect Coal Creek specifically and the natural and built environment generally. Proactively reduce pollutants in the water by educating the public, sweeping the streets, maintaining an efficient & effective storm water system and leveraging intergovernmental partnerships.**

## Open Space & Trails Key Indicators

### Goals

*Acquire candidate properties as they become available and preserve, enhance and maintain native plants, wildlife, wildlife and plant habitat, cultural resources, agriculture and scenic vistas and appropriate passive recreation.*

INDICATOR		UNIT	2021 ACTUAL	2022 ACTUAL	2023 ESTIMATED	2024 PROJECTED
<b>Effectiveness</b>						
Number of Acres/Parcels Acquired <sup>1</sup>	Target = N/A	#	1919.81	1919.81	1919.81	1919.81
Average Number of Participants per Education Program	Target = 20	#	17	17	16	17
Volunteer Hours Donated <sup>2</sup>	Target = 950	#	902.75	1,100.75	900	950
Percentage of Acres with Active Weed Management <sup>3</sup>	Target = 25	%	56.4	28.6	30	30
Community Survey Question: Rating of Maintenance of Open Space	Target = 70	% Excellent or Good	90	90	90	90
Community Survey Question: Rating of Maintenance of Trail System	Target = 95	% Excellent or Good	95	96	98	98
Notes: <sup>1</sup> Target is less geared towards specific acreage and more around evaluation and prospective property prioritization, available parcels, funding, etc. <sup>2</sup> Volunteer hours donated increased in 2022 due to additional volunteer events following the Marshall Fire and also volunteer projects with the VOLOCity program and Louisville Elementary School, which are not available in 2023. <sup>3</sup> Acres of active weed management includes chemical and mechanical (including grazing) control efforts. Additional management efforts including monitoring, cultural, and biological control have not been captured in this acreage.						

## Program 52: Open Space & Trails

**Program Goal: Acquire candidate properties as they become available and preserve, enhance and maintain native plants, wildlife, wildlife and plant habitat, cultural resources, agriculture and scenic vistas and appropriate passive recreation.**

[2] This program table does not include an allocation of Central Fund-Wide Charges FTE's from the Open Space & Parks Fund.

[3] Allocation of the 0.375% Sales & Use Tax revenue is first applied to the Open Space & Trails Program. Any remainder is then applied to the Park Program.

[3] Program revenue excludes recurring interfund transfers from the General Fund.

## Sub-Program 521: Acquisition

**Sub-Program Objectives:** Maintain an up to date list of high-priority candidate parcels for acquisition. Contact each property owner and, based on the owner’s expressed interests, determine the most effective strategy for voluntary acquisition of or easement on each candidate parcel. Maintain contact with each property owner consistent with their expressed interests. Voluntarily acquire candidate parcels at a price that reflects the current market value for comparable property (considering all development restrictions, size, location, existing development, and other relevant factors). Maintain funding for acquisition consistent with adopted Council policy.

## Cultural Services Key Indicators

### Goals

*Provide services, facilities and activities that inform, involve, engage and inspire the community and preserve the community heritage. Continue City sponsored events.*

INDICATOR		UNIT	2021 ACTUAL	2022 ACTUAL	2023 ESTIMATED	2024 PROJECTED
<b>Workload</b>						
Total Library Circulation (Number of Checkouts & Renewals) <sup>1</sup>		#	586,685	590,000	600,000	600,000
Library Visits per Capita <sup>2</sup>		#	4.4	5.0	5.2	5.2
<b>Effectiveness</b>						
Average Number of Attendees per Outdoor Event	Target =6,000	#	4500	5250	5500	5500
Average Number of Attendees per Indoor Event <sup>3</sup>	Target = 70	#	60	60	65	70
Community Survey Question: Rating of Opportunities to Attend Cultural Activities <sup>4</sup>	Target = 80	% Excellent or Good	72	72	72	72
Average Number of Attendees per Library Program	Target = 35	#	30	30	34	35
Community Survey Question: Rating of Overall Performance of Louisville Public Library <sup>4</sup>	Target = 98	% Excellent or Good	97	97	97	98
Average Number of Attendees per Museum Program	Target = 70	#	84	67	70	70
Percentage Change in Number of Museum Visitors	Target = 10	%	264	26.5	10	10
Community Survey Question: Rating of Overall Performance of Louisville Historical Museum <sup>4</sup>	Target = 95	% Excellent or Good	95	95	95	95
Notes:						
<sup>1</sup> Now includes both physical and digital circulation.						
<sup>2</sup> Population reduced due to homes lost in fire. 32,000 in service area.						
<sup>3</sup> Number changed to reflect more accurate counts and expectations of attendance at local events.						
<sup>4</sup> Last Community Survey conducted in 2020.						

## Program 55: Cultural Services

**Program Goal: Provide services, facilities and activities that inform, involve, engage and inspire the community and preserve the community heritage.**

## Sub-Program 551: Library Services

**Sub-Program Objectives: Provide information and technology to all members of the community, with assistance from an approachable, knowledgeable staff. Foster lifelong learning by delivering wide-ranging, hands-on learning activities and programs to all ages. Practice and reinforce the skills needed for reading readiness with young children so that they are poised to be successful learners when they enter school**

### Description and Justification

	<p style="text-align: center;"><b>Description &amp; Proposed Funding:</b></p> <p><b>Equipment/Project Description:</b> COL has a computer replacement plan serving 275 computers. However, there are approximately 375 computers dispersed across the city. Out of these, around 100 computers are not yet incorporated into the existing replacement plan and many of these are over 10 years old. The objective of this project is to bolster the current computer replacement strategy, ensuring that all computers supported by the city IT department undergo proper replacement every 4 years.</p> <p><b>Project revenue or grants that will support the project and the impacts to the operating budget:</b> N/A</p> <p><b>Reference to Plan being implemented (i.e., Master Plan):</b> Critical Core IT Infrastructure</p>
---	--

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

A strong computer replacement plan is an essential component of effective IT management, helping the City of Louisville stay secure and efficient in the ever-evolving technology landscape. Replacing computers on a regular schedule ensures that we, as an organization, maintain a secure computing environment with the latest security patches and software updates which improves our security posture.

<p>(Map or Photo)</p>	<p style="text-align: center;"><b>Description &amp; Proposed Funding:</b></p> <p>Equipment/Project Description: Replacing 2010 gas golf carryall with newer used vehicle that can serve multiple functions</p> <hr/> <p>Project revenue or grants that will support the project and the impacts to the operating budget:</p>  <hr/> <p>Reference to Plan being implemented (i.e., Master Plan):</p>
-----------------------	---

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

Replacing a 2010 gas carryall that was abandoned by Western Golf at the time of the flood. The unit has been slowly deteriorating and is at least 6 years past its useful life expectancy. The recent breakdown of our primary range picking unit identified a need for a backup. This unit would serve multiple functions: transporting water to the golf course coolers three times per day, transporting picked range balls 3 to 4 times per day, transporting trash from the golf course daily, and serving as back up range picker.

Impact to Annual Maint/Operating Costs	-	5,000	5,000	5,000	5,000	5,000	25,000

## Description and Justification

	<p style="text-align: center;"><b>Description &amp; Proposed Funding:</b></p> <p><b>Equipment/Project Description:</b> The Recreation Center currently does not have a generator. The existing generator at the South Water Treatment Plant only runs on natural gas for limited time. The existing generator at the Police/Court Building can only run for a limited time and should be upgraded as well.</p> <p>Adding generators or replacing/upgrading existing generators at critical facilities will allow the City to maintain core services like water treatment/delivery, public safety operations, and sheltering if faced with another disaster or emergency in the future. Additionally, installing battery backup will prevent any disruption to services while generators are conditioning during an incident. This solution will address problems across multiple sectors (community, economic, health and social, infrastructure and emergency management) to create maximum benefit.</p> <p><b>Project revenue or grants that will support the project and the impacts to the operating budget:</b> The City has applied for funding through FEMA's Hazard Grant Mitigation Program, which will cover approx. 75% of the total project cost with the City covering the remaining 25%. A portion of the City's match may be covered through in-kind contributions and other disaster funding.</p> <p><b>Reference to Plan being implemented (i.e., Master Plan):</b> Boulder Hazard Mitigation Plan</p>
---	---

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

The goals of the Administration & Support Services program includes ensuring a responsive, efficient, and effective governance, administration, and support by the City. The Facilities sub-program also identifies the objective of providing and managing facilities that maintain efficient and effective operations. Installing and upgrading generators at critical facilities is integral to maintaining core services and avoiding any disruption to water treatment/delivery, public safety, shelter, etc. in the event of a disaster or power outage.

### Description and Justification

**Description & Proposed Funding:**

**Equipment/Project Description:**  
 Create an inventory of urban tree canopy with a tree assessment rating. The data would be used to create an Urban Forestry Plan to better support the Forestry maintenance and operations program. Initial starting costs then yearly costs are the 3 year subscription (\$9,000) and purchase of 2 tablets for staff. The software review and connection to current GIS mapping is approved by Information Technology Department. This is the same software that the City of Boulder is currently using for their Urban Tree Management.

**Project revenue or grants that will support the project and the impacts to the operating budget:**  
 No additional project revenue or grant opportunities to support. Project will reduce operational repairs.

**Reference to Plan being implemented (i.e., Master Plan):**

Impact to Annual Maint/Operating Costs	-	-	-	-	-	-	-

### Description and Justification

**Description & Proposed Funding:**

**Equipment/Project Description:**  
In 2022 we purchased a Ventrac with accessories for use during the summer and winter. With the snowblower attached it is necessary to have the unit with a cab so the operator does not get covered with snow and debris.

**Project revenue or grants that will support the project and the impacts to the operating budget:**

**Reference to Plan being implemented (i.e., Master Plan):**

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

We purchased the Ventrac and snowblower attachment unsure of how useful the snowblower would be for snow removal. It has turned out to operate better than expected and helped move large snow accumulations on sidewalks during significant snow events. Now we would like to put a cab on the Ventrac to protect the operator from snow and debris.

### Description and Justification

<p>(Map or Photo)</p>	<b>Description &amp; Proposed Funding:</b>
	<b>Equipment/Project Description:</b> The A/V system in the Library Meeting Room is very old and finally just stopped working as it should. While there is a workaround, it's not ideal and should be considered temporary. The entire system needs to be replaced.
	<b>Project revenue or grants that will support the project and the impacts to the operating budget:</b>
<b>Reference to Plan being implemented (i.e., Master Plan):</b>	

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

This project will support the City's value of Excellence and the Critical Success Factors of "Quality Programs and Amenities" and "Supportive Technology." One of the Library's strategic priorities is to "create gathering opportunities for community members to interact, learn, and share experiences with each other and with local business people, artists, entertainers, and educators." Functional and intuitive A/V is an important driver of this priority.

	Equipment/Project Description: Hybrid vehicle for Community Services Officer.
	Project revenue or grants that will support the project and the impacts to the operating budget:
Reference to Plan being implemented (i.e., Master Plan):	

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

Transfer of position from PD to help focus code enforcement of building and zoning codes. Originally expected to transfer 2nd PD code enforcement vehicle that is up for replacement in the 2023 CIP to this position. However, PD has assigned the vehicle to another position and a new CIP request is needed.

### Description and Justification

	<p style="text-align: center;"><b>Description &amp; Proposed Funding:</b></p> <p><b>Equipment/Project Description:</b> This project is to replace, remove, and add cameras to the City Services Building. This project will include boring, cabling for ethernet and fiber, and electrical contractors, as well as the purchase of all cameras.</p> <p><b>Project revenue or grants that will support the project and the impacts to the operating budget:</b></p> <p> </p> <p><b>Reference to Plan being implemented (i.e., Master Plan):</b></p> <p> </p>
---	---

### Justification and Alignment with Program/Sub-Program Goals & Key Performance Indicators:

In late 2021, The Louisville Police Department toured the City Services Facility and provided a CEPTED report with recommended security improvements. Adding cameras in these new locations will increase surveillance points in the building to help further protect City assets. In 2022, City Services experienced several security incidents, which prompted further discussion on security needs for the facility. City Services would like to implement the recommendations the Police Department provided and use this as an opportunity to replace old cameras at the same time. In addition, we would like to use this replacement as a starting point for planning replacement of cameras and associated security systems at this site every 5-7 years as needed by saving funds annually for this purpose.
