SUBJECT:

1. CHANGES TO LIQUOR & MARIJUANA RENEWAL FREQUENCY
2. PUBLIC HEARINGS FOR NEW LICENSES & TRANSFERS
3. MASSAGE PARLORS
4. LLA MEETING FREQUENCY
5. LLA ANNUAL REPORTING REQUIREMENT

DATE: JUNE 24, 2024

PRESENTED BY: GENNY KLINE, AUTHORITY SECRETARY
MELINDA CULLEY, CITY ATTORNEY

SUMMARY:

Colorado General Assembly made some significant changes to the liquor and marijuana laws in Colorado. Most of these changes are to license types or other items that will merely require changes in the Louisville Municipal Code to align with the state rules.

However, there are two areas where it is appropriate that the Licensing Authority weigh in and make a recommendation to City Council.

1. Renewal frequency for liquor and marijuana licenses – The State will be going to a Biennial Renewal instead of an Annual renewal.
 - a. The Licensing Authority is being asked to discuss the option of going to Biennial Renewals as well and make a recommendation to City Council.
2. Public hearings for new licenses and transfers – The word SHALL for a public hearing on a new license application has been changed to the word MAY. Additionally, the Licensing Authority currently holds a hearing for transfers, but the State does not require a hearing.
 - a. The Licensing Authority is being asked to discuss any changes to their public hearing requirements and making a recommendation to City Council, if needed

The State Assembly also created some new requirements for local licensing for massage parlors.

3. Massage Parlors – While the Louisville Municipal Code does require licensing of massage parlors, there is currently no application for licensing and the requirements in the code will need to be updated to align with state law.

However, the requirement in code is for City Council to conduct the hearing on the application prior to granting a license.

- a. The Licensing Authority is being asked to make a recommendation to Council that massage parlors be included in the duties of the Louisville Local Licensing Authority.

Authority discussion and recommendation on the following items is also requested:

4. LLA Meeting Frequency
5. LLA Annual Reporting Requirement
