

DO NOT DUMP CHEMICALS in SINK

If any chemicals reach the sink or trench drain,
immediately contact a city representative.

**Industrial
Pretreatment Program**
(303) 335-4785

**Wastewater
Treatment Plant**
(303) 335-4784

**Deputy Director of
Utilities**
(303) 335-4610

**After Hours Emergency
Line**
(303) 441-4444

This facility is required to maintain Best Management Practices
to avoid chemical spills and slug discharges. Contact your
supervisor for spill clean-up and reporting procedures.

Help keep Coal Creek clean and healthy!
