- Wireless Facility
- Other: \_\_\_\_\_

#### PROJECT DESCRIPTION:

The project consists of redevelopment of an existing RV and boat storage yard into a permanently affordable (attainable) multifamily housing development consisting of approximately 44 to 48 dwelling units. The eastern portion of this previous PUD (Lot 1A) will remain in its current commercial use, with enhancements to the stormwater drainage, detention and water quality facilities to serve both Lot 1A and Lot 2A). Only private roads are planned throughout the development at this time. Subsequent to this Concept Plan review a GDP Amendment, Preliminary and Final PUD and Plat are anticipated to seek approval for this development. The goal of this development is to provide more affordable housing opportunities in Louisville for an under-served portion of the housing market in this area, (missing middle). Additional information in attached narrative.
