5. Public Comments

Jean- Entrance to our town on Pine and 42. Donated the coal car, restored and repaired. Will have to go through the Public Arts process.

6. Chair Report – 10 minutes

- Most of the events have been completed in the summer. This is the time we need to plan for next year 2025. Art Grant process and not is the opportunity to improve it. We have the opportunity to streamline the process (e.g scoring Art Grants, 7 points or 5 points). Finding bands for 2025, sound, Iris and John will take care of the food trucks. Need to keep the budgets in line. Final events of 2024 should be booked.

Board plays a huge role to play:

- a. Art Grant - We control the Art Process!
- b. Summer Concerts in the Park- Need to help Iris find the bands.
- c. Cultural Events- Opera, Silent Movie, Kelly Hunt, Movie on Main, etc.
- d. Few discussions in our past to help local businesses, rent empty properties, economic vitality. JR thanks all the board members and staff members.

7. Budget Update – 10 minutes (Sharon)

- Sharon went over the budgets for this year and next year 2025.
- This year we had \$41000 for a budget- Pet memorial, pollinator mural. Will have \$25000 next year. Summer concerts are lower so we may need to do 4 concerts instead of 5.
- Revenues for next year are much below what we anticipated. Festival of Lights we pay for every year. Special events cost \$25000. Next year we have \$15000. Sharon

8. Pet Memorial Update – 5 minutes (Iris)

- October 20th (Sunday) at 2pm. Cakes will be provided. Rock painting activity for kids and will create a collection around the sculpture.
- Plack with a QR code.

9. Bowery Trio Art Grant Update – 5 minutes (Iris)

- New program idea- 3 events. Morning concert, youth workshop 2-4pm and an evening concert. Approved it for the full grant amount. Requested a new budget so we can get it locked in.

Coming up events:

- Sunday events for the Opera- need help with set up.
- Blake Welch
- Pet Memorial - Oct. 20th
- A speaker events

- We would like to focus on events for next year.

10. Winter 2024 Events Discussion – 20 minutes

- November events:
 - Celtic band
 - Family geared event
- WinterFest for the library
- Small business Saturday:. Have crafts and activities at the library
- Speaker in January? Nutritional speaker.
- Let's try to use all of our budget next year.
- Special Events:
 - Movie on Main Street was well attended and we need to bring it back!
 - Mayan Flowers were attended but didn't get glowing reviews!
 - Kelly Hunt concert -
 - Taking out First Fridays
 - Block parties should be an annual tradition. We can hire the sound.
 - Taiko drum event was a great event

- Will be filling out dates on the calendar as next steps.

11. Art Grant Proposal Process Discussion – 30 minutes (JR)

A. Please review attached documents

It was difficult to submit the proposal for an Art Grant. How can we make that better? We need to make the budget mandatory so we know how they will spend the money. Bowery Trio was given a \$2000 grant but they couldn't do it because another grant fell through.

- Change the scoring: It didn't add up as it should and we need to get better with the total score.
- JR proposes a scoring system of 1-5

- The Application: A little bit difficult to attach a document to the application. Significant amount of people don't have a budget. It should be mandatory. Need to fill the application in one go. Bullet point that they need to attach a budget to the application. An excel sheet would be helpful to attach. Need to have a complete application. Provide resources on how to create a budget. 501c3 has people that know how to make a budget. They get paid the 2nd half once the event is completed. Do we want to set it up where a certain number of the grants go to individual artists? Sarah states she doesn't mind having 501c3 have grants. Bingo's birthday did a few performances.
- Is the funding dependent on other grants? Diversity equity and inclusion? EDI for the community that it's going to be reaching.
- Community reach? Do we need to include numbers? Need to have a better way to score this particular topic. Sub-committee to reword the community reach section.
- Overall Rating? Should we get rid of the overall rating?
- Scoring 1 - 5 scoring
- Next steps: Join a subcommittee in October before the next meeting.

12. Bands for 2025 Concerts in the Park Discussion – 15 minutes

a. 4 bands for 2025 (\$2000/band)

- Shawn with Los Cheesies reached out that they would like to play again.
- Will be reaching out to bands soon.
- Send ideas to Iris.

13. Topics for October meeting

a. Finalize Art Grants

- Let's continue to talk about it

b. 2025 Concerts in the Park update

- Book a band between now and then.
